Bulldog Basics: Second Grade Fact Fluency- 3rd Nine Weeks

Directions:

Students will study math facts at home each week. There will be practice activities and quizzes given each week throughout the nine weeks. Facts will be randomly chosen from each of the lists here and will appear on each weekly graded fact fluency quiz. Students will need to complete 20 problems in 2 minutes. These weekly quizzes will be averaged and this will be the 11th grade in math. (Minor Grade)
