Volume 1

Issue 9

Dear Lindsey Families,

Time flies when you are having fun! I can hardly believe the end of the school year is here! This will be the last newsletter sent via Huggins eblast. I will write one newsletter in June, one in July, and one the first week of August. These newsletters will be posted on our website. I will send a message on our Lindsey Facebook page when I post the summer newsletters so you will know when to look online. Weekly newsletters will resume once school has started up again.

Tuesday marked exactly one month until the building is scheduled to be completed! The staff had an opportunity to take a tour this week and to say we were a little excited is an understatement. You can see the smiles of everyone in our picture on the next page. The LCISD Board had the opportunity to see the progress of the building via a drone video last week.. Here is the link if you would like to check out the video for yourself.

At the parent meeting many of you asked if we would need help in August getting the school ready. The answer is YES!!! We have set up a Sign Up Genius link to gather information for volunteers who are interested in helping out. When things come up that we need a hand with in August we will use the Sign Up Genius list to round up volunteers. If you are interested in helping out please sign up.

The YMCA will be providing our onsite after school care. I have attached their flyer which includes cost and details on how to get signed up. For your convenience the flyer is also posted on our website. If you have specific questions please call the YMCA directly as they will be better equipped to answer your specific questions about the program.

You have about four more weeks to order prepackaged school supplies online. EPI will deliver the supplies to the school and they will be in your child's classroom for Meet the Teacher Night. If you decided not to order supplies the Lindsey School Supply List can be found on our website.

One last request... We will be moving in the building late July. We would love to see what incredible adventures our Lindsey Lions experienced over the summer break. Please have your kids send our staff a post card with a small write up about the fun they had. This will give us something fun to share as the teachers are moving in. Please do not mail them until after July 17th, as we will not be in the building and the card might be sent back to you.

Welcome to 3rd Grade!

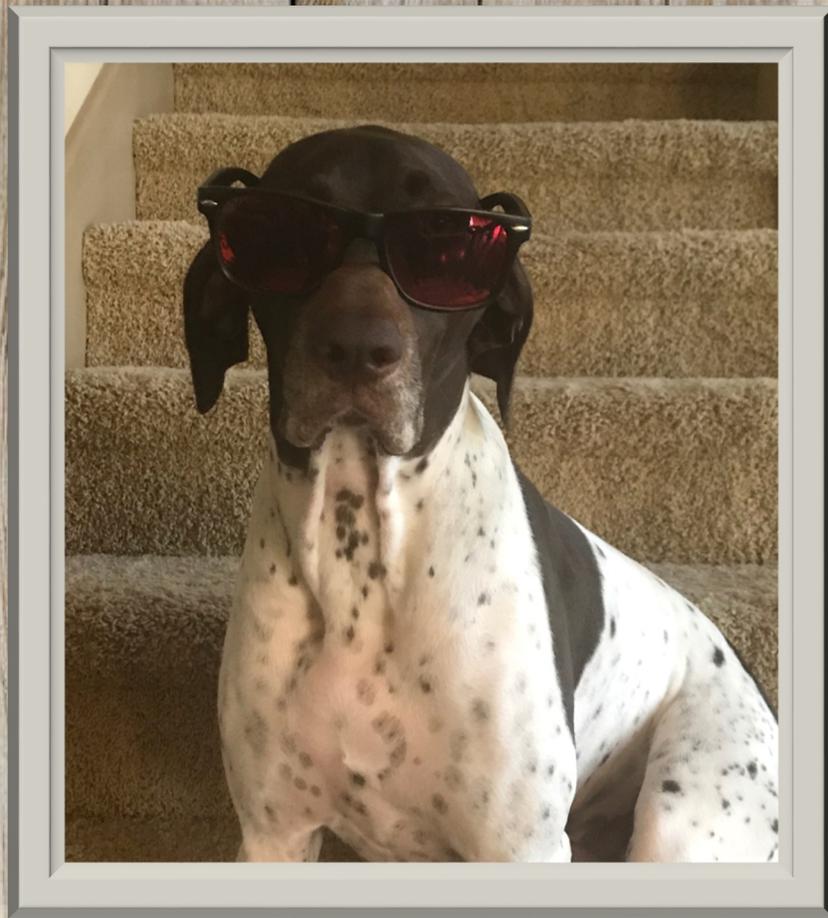

Hello! My name is Andrea Hughes and I am super pumped to be teaching third grade Language Arts at Lindsey! This will be my 7th year teaching. I have previously worked for both Fort Bend ISD and Katy ISD with experience in 2nd, 3rd and 5th grade. I'm a Texas A&M graduate of 2009 and feel very passionately about my Aggies (Whoop). I'm originally from Denton, Texas, which fostered my love for the arts. I have a supportive husband and two sweet, rambunctious boys. My hobbies include working out, reading, interior decorating, baking, and going to the movies and plays. I truly love what I get to do every day and it is an honor to be able to teach in this wonderful community!

Welcome to 3rd Grade!

Hi Everyone! My name is Karen Pope. I am dedicated to my family and to my love of teaching. I am eager to join the team at Lindsey Elementary as a third grade ELA teacher. I have spent 16 years in the field of education and loved every minute of it! I can't wait to see what exciting experiences our new school year will bring.

Welcome to 3rd Grade!

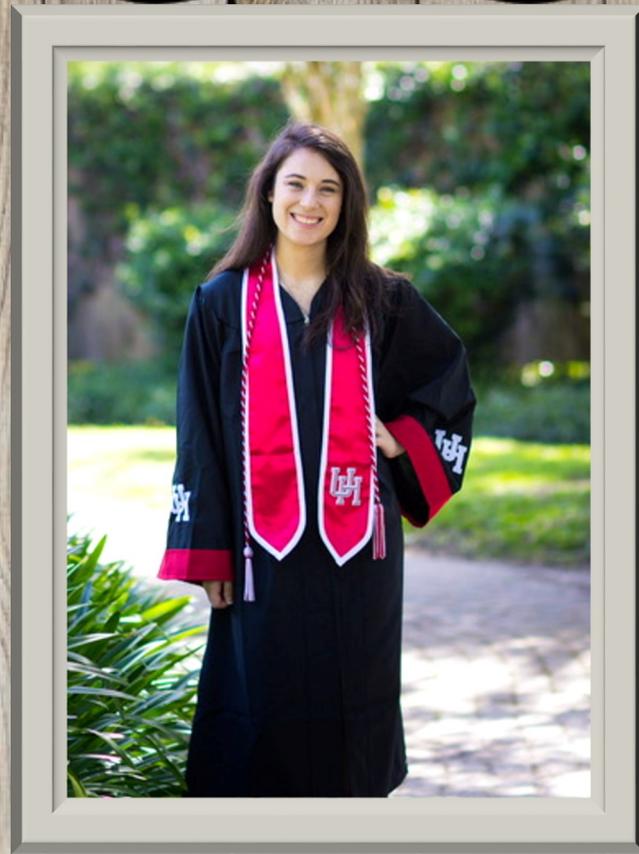

Hello my new school friends!

I have been teaching for KISD for the past 10 years, and I am super excited to be joining LCISD to help open Lindsey. My husband and I moved to Texas from Toronto, Canada. We are celebrating our 25th anniversary in June. We have two children, Avery and Alex. Avery will be a senior at UT in their business college. She will be doing her study abroad and internship this year - 6 months in Mexico City (please keep her in your prayers!!) Alex will be a senior at Tompkins and if anyone needs a fishing or hunting guide - he is your guy. I have attached a picture of my other child, our beloved SamIam who is a funny crazy addition to our family. He was the only one available to pose for my camera this morning!! Happy almost last week of school everyone!

Janice Bolanos

Welcome

Hello! My name is Ashley Scholl. I am a recent graduation of the University of Houston. This coming school year will be my first year teaching. I have spent the last year student teaching at Stanley Elementary, preparing myself to teach all of your wonderful kiddos! Ever since I was little, I have had a passion for teaching others and I am so excited to start this new adventure! I can't wait to meet all of you!
