

# THE PAW PRINT

**FEBRUARY 6, 2018**

Dear Lindsey Families,

Thank you so much to our Friends of Lindsey organization for hosting such an amazing Father Daughter Dance! The memories created that night will last a lifetime.

We would like to encourage all of our Lindsey families to attend our first annual STREAM night on February 12th from 5:00 -7:00p.m. Throughout the school, there will be Science, Technology, Reading, Engineering, Arts, and Math hands-on learning opportunities for you and your students to engage in together. For your convenience, our FOL has arranged for various Food Trucks to be on site, so you can pick up dinner while you are here. This is a come and go event. The evening will start in the library where you will watch a short video explaining the organization of the night. After watching the video our Lindsey students will be provided a passport for the evening. Students can participate in as few or as many activities as the time allows. Upon completing the activities the student will receive a stamp on their passport for each stop they make. At the end of the evening, students will turn in their passport to their Den Box to earn points and receive a spirit stick to add to their collection. The Den with the most students in attendance will receive bonus Den points during our Den Celebration. We hope you will make plans to join us for this fun and educational event!

It seems like everywhere we go people either have the flu or talking about the flu. Unfortunately Lindsey is no different. Over the last few weeks, we have been hit hard by strep, a stomach virus, and the flu. We have classes in the building where over half of the students and the teachers are out sick. WE NEED YOUR HELP! Please keep your kids home if they are ill, and follow our 24 hour rule. They must be free of fever (WITHOUT Medicine), no diarrhea or vomiting for 24 hours, before they can return to school. Our custodians are working overtime trying to keep our classrooms clean, and our teachers are making sure everyone washes their hands. We highly suggest you wash all lunch kits and water bottles. We appreciate your assistance with keeping our Lions healthy!

Friday morning is our only Den Challenge for the month of February, so have your kids here at 7:15a.m. if they want to see the teachers compete for Den points!

# JUMP ROPE FOR HEART

Lindsey Elementary PE program has kicked off JRFH and want to invite you, the parents, to assist your kids with the registration process. This is a voluntary fundraiser through JRFH that our kids can participate in while working on their jump rope skills. This year we are asking that you use only the **online donation process** that JRFH has developed to help in fundraising. Your child has received his/her JRFH envelopes with information to get started. JRFH will teach your child the importance of heart-healthy habits-a foundation for the rest of his/her life. Through JRFH, our school can earn money for PE equipment and your child earns fun prizes that encourage him/her to keep up the good work for heart health.

**And that's something to jump up and down about!**

We will have a challenge day with our kids on Feb. 14<sup>th</sup> during their PE class time for the students to display their skills to each other and challenge for prizes throughout the class period.

**Encourage your child to get ready to jump as we explore heart healthy habits!**
