Rationale

- Provides enrollment relief at Williams Elementary
- Allows Carter Elementary to grow at a moderate pace
- Provides a stable adjustment when considering the timing of future elementary school openings—Culver Elementary will open one year after Carter and will address Thomas Elementary

Community Input/Feedback

Next Steps

- Feb 5: ABC will reconvene to consider the feedback from the Community Input Meeting
- Feb 15: ABC recommendation to the Board
- Pending Board action—information will be sent out to the parents of rezoned students
