

# CAMP CONNECT

Are you ready for 5 days of summer learning fun?

Campers will engage in hands-on activities that unleash their inner maker, scientist, artist, and athlete—all in a collaborative, inclusive environment that cultivates wonder and a knack for exploration. Camp will feature "Kids Fit & Fun" with the YMCA helping kids develop skills to improve health through play, exploring the design thinking process while building their own robot, create original artwork based on math and science concepts, and an epic finish on the last day with a live performance from Books Alive!

Camp is for LCISD students currently enrolled in 1st, 2nd, 3rd, or 4th grade. Priority consideration will be given to students enrolled at a Title I campus. Registration is required and is on a first-come, first-served basis. Students may only attend one camp session.
