

# *AP Ambassadors*

## *Foster High School*

### *Mission Statement:*

*To grow participation, performance, and diversity in our Advanced Placement (AP) and our Pre-AP courses at Foster High School*

### *What WE can do for you:*

- *With experience in every AP class offered at Foster, the AP Ambassadors can offer other students their advice and experience, providing individual assistance as needed. Taking AP classes comes with both rewards and challenges, and AP Ambassadors strives to be the group that students can turn to whenever needed.*

*In the past year, the AP Ambassadors have been busy, and we have organized several events including:*

- *AP Bootcamp and Lunchtime sessions to provide tips and tricks such as Reading Skills, Time Management, and Study Skills*
- *PAP and AP Math Tutoring every Tuesday for Algebra I and II, Geometry, Precalculus, and Calculus*
- *Recruitment lunch for AP classes in the Spring*
- *Student led study groups for certain AP classes*

### *In the future:*

- *We hope to plan more events to help AP students such as having another recruitment lunch before class selection, beginning a one-on-one program for students to contact ambassadors, and expanding study groups for more AP classes.*

*AP classes bring an experience and a level of rigor that will challenge any student. But with the right work ethic the experience can be extremely rewarding, and the goal of AP Ambassadors is to help students on this journey.*

*Our AP Ambassadors*  
2018-2019
