LCISD Mission Statement

To educate all students by ensuring access to a superior education through inspired leadership among parents, teachers, administrators, and staff, allowing students to achieve their full potential to participate in future social, economic, and educational opportunities in their community.

School District and Community

John and Randolph Foster High School is one of five high schools in the Lamar Consolidated Independent School District. Located southwest of Houston, the school district covers 346 square miles in the western part of Ft. Bend County. The district is comprised of 6 high schools, 6 junior highs, 5 middle schools, 28 elementary schools and 5 special facilities.

The district offers superior learning opportunities, combining excellent teachers, progressive educational theories and practices, and state-of-the-art technology.
