# Austin Elementary PTO

#### December 2015

## A Heartfelt Thank You

As the year comes to a close, we are reflecting on how thankful we are to have had such tremendous support these past few months. Between the membership drive, fall fundraiser and harvest carnival; our school community came out to show their support and love for Austin Elementary. We can only hope to continue to show our support and the partnership to grow between the PTO, teachers/staff and parents!

Sincerely, Your PTO Executive Board

## **Amazing Teachers and Staff**

Thank you to the administration, teachers and staff who have partnered with us these past few months! We volunteer our time because of all of you!

Have a wonderful holiday season!
