The Paw Print

January 9, 2018

Dear Lindsey Families,

Happy New Year!! We were so excited to welcome back our Lindsey Lions this morning! They were a little on the sleepy side at the beginning of the day, but that quickly took a turn when they saw all of their friends. Today we welcomed 12 new Lions to our pride with more scheduled to come in throughout the month.

We have two more weeks in the second 9 weeks grading period, so we have hit the ground running to ensure we are all finishing with nothing but our best effort.

In your child's Tuesday folder you will find a paper with your child's new username and password. Please work with your child to memorize their new password as they will use this information to access district computers, online textbooks, and ClassLink. This password will be the same for their career as an LCISD student.

Our Lost and Found is running over. We will put everything out on a table in the main hallway, one more week for our students and parents to claim any personal items. Anything not claimed by Tuesday, January 16th will be donated to charity.

This Friday, January 12th our Friends of Lindsey Organization is hosting their first of many events this semester. Family Game Night will take place in the gym and cafeteria from 6:00—8:00p.m. If you plan on attending please take the time to RSVP so we can make sure we have enough pizza ordered. You can find more information and the RSVP link on page 5 of this newsletter.

We want to remind everyone to please use the car rider drop off line during arrival. The safety of our students is our number one priority. The front parking lot is NOT a drop off zone, nor should it be used to avoid the car rider line. We work hard to ensure we load and unload our students quickly and safely. Thank you for your support in this matter. If you have any questions or concerns please do not hesitate to contact me. We look forward to a fabulous Spring Semester!

Monday, January 15, 2018 there will be no school.

Students and staff will return on Tuesday, January 16, 2018.

Report Cards go home

Thursday, January 25th!

In order to maintain the security of student computer accounts and to ensure that all student passwords meet the current district standard, elementary student passwords will be changed the evening of January 12th.

Your students new password will be sent home prior to the change in their Tuesday folder.

Please work with your child to memorize their new password as they will use this information to access district computers, online textbooks, and many other services including ClassLink

(https://launchpad.classlink.com/lcisd) the district's web portal for online instructional resources for students.
