## FLETCHER MORGAN, JR. ELEMENTARY SCHOOL

Hello Morgan Elementary Parents.

May is finally here, and we have four weeks left in the 20.21 school year! As we close down this year, we are gradually planning for the 21.22 school year. We are all excited to embrace those long summer days as we anticipate the endless possibilities for creating an amazing year of learning for 21.22.

May 3rd – 7th is Teacher and Staff appreciation week. Everyone has worked so hard this year to pour into our kids while dealing with the effects of COVID-19. It's been a tough year, and our teachers and staff have shown their dedication and accomplished so much with our students during this pandemic.

Based on what I have learned about the Fulshear community, I sense teachers and staff at Huggins and our feeder pattern schools will truly feel the community's appreciation for their hard work this upcoming week.

I have visited Tamarron and Culver Elementary to get ideas on how Morgan will look and how the various spaces in the building are utilized. These campuses were the most recent elementary schools opened in Lamar CISD and have the same floor plan as our school. Pictured below are outdoor learning areas we will have at Morgan and a photo of what one of our playgrounds could look like.

For May, there will **not** be a weekly newsletter. However, there will be a final newsletter emailed to parents before the end of the school year. Any special announcements between **now** and the close of the school year will be shared via email and on our campus Facebook page. As a reminder, **only** the parents of registered Morgan Elementary students will receive emails from the campus. Make sure you follow us on Facebook. Our campus website is just about done, and we will be posting important information there as well. Stay tuned for the website address.

Lastly, I am currently planning our Morgan Elementary Parent/Student meeting to be held sometime in June. Additional details, the meeting format, and a specific date will be provided soon. Information such as dress code, campus communication, important back-to-school dates, and general helpful information for the start of the 21-22 school year will be shared.

If you have any questions, please contact us by phone or email. Our campus administrative assistant and my contact information are shared at the bottom of the newsletter.

As we close out this historic school year, I am growing more excited as we walk through this journey of building Morgan Elementary!

Have a great week!

Thank you,

Brian Gibson, Principal  
Fletcher Morgan Jr. Elementary

## *Morgan Elementary Updates*

*Lamar CISD to Resume Normal Operations June 1, 2021*

**LAMAR**CISD

**April 28, 2021**

---

Lamar CISD Parents and Staff,

Thank you for your patience and flexibility throughout the 2020-2021 school year.

Despite countless challenges for our staff, students and families, we're so proud of everything we accomplished this year. Working together, we've been able to safely operate our campuses all year while meeting the needs of our students both on-campus and virtually.

As residents of Fort Bend County, we are fortunate to have improving COVID-19 conditions and readily available vaccines for those who are interested.

With the school year coming to an end and all state requirements being met, Lamar CISD will return to normal operations on June 1, 2021.

Beginning in June, all COVID-19 protocols will end and face coverings will be optional. This includes 2021 summer school, summer athletic camps and any other school-related activities.

However, we will remain vigilant with many of the cleaning and disinfecting procedures put in place for this school year.

Virtual learning—as we have experienced it this year—will also end with the completion of the 2020-2021 school year. With the upcoming school year four months away, we are still determining what virtual learning options may be available. Based on current law, the District would not receive state funding for a virtual education option unless the Texas Education Agency extends the current waiver or legislation passes this session to provide state funding to school districts to offer a virtual education option.

Considering this uncertainty and the improving Fort Bend County COVID-19 conditions, we are not planning to offer a Pre-K – 12 virtual learning option next school year. However, we do believe unique virtual learning options may be possible for a limited number of students who have exhibited success online.

We will provide an update to the Lamar CISD community regarding what unique virtual learning options may be available before the end of the school year.

Again, thank you for your continued support this year and we look forward to welcoming all of our students back to campus for the 2021-2022 school year.

## *Morgan Elementary Upcoming Important Dates*

### May

18 - The winning mascot option, school colors, and final school logo reviewed by the Lamar CISD school board for approval.

(Once approval is granted, an announcement to the community on the campus and district's Facebook page, as well as the district's webpage, will be shared.)

21- Return your dress code survey in the enclosed self-addressed stamped envelope. Surveys must be postmarked no later than Friday, May 21st.

### June

1- Last Day to Purchase 21-22 School Supply Kit

## *Coming Soon*

- Campus Website address (currently being worked on)
- A Save the Date announcement for a Morgan Elementary Parent and Student meeting to share information for the 21.22 school year.

## *Friends of Huggins - "Fiesta Your Way" Virtual Gala - Tickets Now On Sale*

Don't forget to purchase your virtual gala tickets by May 8! Buy a ticket, get the fajita party pack and bid on the fabulous auction items such as vacation homes, hunt, fishing trip, parties and much more! Purchase tickets at <https://huggins.home.qtego.net/>  
[#FiestaYourWay2021](https://huggins.home.qtego.net/)

MARK YOUR CALENDAR (Repeated Information)

Together we are experiencing unique times. Even though we are not able to physically be together for our annual gala tradition, we want to connect and engage with you in a fun and entertaining way.

This year we are rolling out a new gala format on May 14th where you can “Fiesta Your Way.” Depending on personal comfort levels, guests can tune in alone from the comfort of their own home or choose to invite their crew and celebrate together. Gather around the computer, Smart TV or other devices and join us for an evening of entertainment hosted by Johnny Bravo. Tickets will be required to participate and will be available to purchase soon.

This year the gala will benefit Huggins and Morgan Elementary. We will release more information as we get closer to the date. You don't want to miss it!

### *Dress Code Surveys Have Been Mailed - Check Your Mailboxes (Repeated Information)*

Our district's Research and Accountability department works with the campus principal to determine the school's student dress code.

I have initiated the process for determining Morgan Elementary's dress code beginning August 2021. The dress code surveys have been mailed to all the parents of currently registered students, and we need your vote for one of two options for the dress code for Morgan Elementary beginning in August 2021. To make the decision to remain with standardized dress (**currently in place at Huggins**), we need 51% of the households to respond to this survey, and 60% of those surveys must vote in favor of continuing the standardized dress.

The surveys will be mailed out approximately a week from now. You will see the following **two options on the survey**:

**Option #1 – Standardized Dress:**

If a standard mode of dress is selected, the following clothing items would be required: collared solid color shirt/blouse in white, navy blue, light blue, or black. Bottoms must be denim(no embellishments or tears), khaki, black, or navy blue athletic shorts, slacks, shorts, capris, or a dress. School-approved spirit T-shirts can be worn daily.

**Option #2 – Free Dress:**

Students can wear the clothing of their choice, as long as it conforms to the LCISD Dress Code Policy.

Parents would need to indicate their vote, by filling in the bubble of their choice. Once the survey is completed, parents will return the survey in an enclosed self-addressed stamped envelope by the deadline for when the survey must be postmarked.

Once we have parent input, we can proceed with a plan for implementing the chosen policy.

After checking with the Research and Accountability department, we should have results by the last week of May.

## *School Supplies 21.22 (Repeated Information)*

Parents may start ordering school supplies **now** thru June 1st and ordering is online only.

Late orders start June 3rd - June 27th.

For questions, please contact FOH, Vice President, Friends of Huggins, at FOH Vice President [fohvicepresident@gmail.com](mailto:fohvicepresident@gmail.com).

To order: Go to <https://www.educationalproducts.com/shoppacks/>

Enter the school ID Morgan Elementary ID: MOR645

## *2021-2022 Registration Procedures for New Students (Repeated Information)*

Since Morgan Elementary is a new elementary and is splitting attendance zones with Huggins Elementary, parents new to the area may have questions about which campus their child will attend. Click on the button down below to access attendance zones for Morgan Elementary. Also, click on any of the buttons to get information about Pre-K/Kindergarten Round-Up and general registration.

Catherine Noriega, our campus administrative assistant, is our school's main point of contact for new student registration. If you have any questions or need assistance with registration, please call our main campus phone number at 832-223-6200, or you may email Mrs. Noriega @[catherine.noriega@lcisd.org](mailto:catherine.noriega@lcisd.org).
