Looking Up STAAR Scores

1. Follow the link below or google “STAAR student portal”.
   https://txparentportal.emetric.net/login#

2. Most students will not know their access code (printed on previous STAAR results).
   Students/parents can look-up access code. “Lookup Access Code”.

   ![Lookup Access Code](image)

3. Insert the students first name, social security number with no dashes - (or state “s” number) and date of birth.

4. After retrieving the access code, select “Go” again to retrieve scores.

   ![Enter access code and student date of birth](image)

4. The students STAAR testing history will appear for all STAAR administrations.
