

Looking Up STAAR Scores

1. Follow the link below or google “STAAR student portal”.

<https://txparentportal.emetric.net/login#>

2. Most students will not know their access code (printed on previous STAAR results). Students/parents can look-up access code. **“Lookup Access Code”**.

Enter access code and student date of birth:

A form with a text input field labeled "Access Code", three dropdown menus labeled "Month", "Day", and "Year", and a blue circular "Go" button.

▶ Where's my access code?

▶ Lookup Access Code

Lookup Student Access Code:

A form with a text input field labeled "Student's First Name", a text input field labeled "PEIMS ID", three dropdown menus labeled "Month", "Day", and "Year", and a blue circular "Go" button.

3. Insert the students first name, social security number with no dashes - (or state “s” number) and date of birth.

4. After retrieving the access code, select “Go” again to retrieve scores.

Enter access code and student date of birth:

A form with a green heading "Access Code Lookup Successful", a text input field containing "3EG8HG", three dropdown menus labeled "January", "7", and "2000", and a blue circular "Go" button.

4. The students STAAR testing history will appear for all STAAR administrations.
