

2024/2025
School-Parent Compact
Manford Williams Elementary

Unleash Your Inner Champion
Laci Crowson, Principal

What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and home.

Our Compact will:

- focus on student learning.
- share strategies that staff, parents, and students can use.
- explain how teachers and parents will communicate about student progress.
- encourage parents to volunteer and participate in school activities as opportunities are shared online.

Jointly Developed

The parents, students, and staff of Manford Williams Elementary worked together and shared ideas to develop the school-parent compact. Two Title I Committee meetings and one PFE committee meeting were held to create our compact based on the school's academic achievement goals and students' needs. Parents are welcome to provide feedback at any time. All feedback was collected and reviewed during the annual revision meeting with parents.

Teachers

- will provide a high-quality curriculum and research based instructional practice to equip students to be successful both academically and for life.
- will create a learning environment where students feel safe, respected, and nurtured.
- will model instruction and provide parents with learning strategies to use at home.
- will share content resources and strategies on their Canvas pages.
- will share tips/resources on how to choose the right book with parents and students.
- will host grade level activities during academic event nights to share strategies with parents.

Parents

- will practice grade level reading strategies for comprehension and vocabulary building with their students.
- will read with their students for at least 20 minutes each day.
- will practice math facts with their students.
- will attend academic event nights to learn tips and strategies to use at home.
- will support school activities and learning through feedback or volunteering.

Students

- will complete their homework.
- will read 20 minutes or more daily.
- will practice math facts daily.
- will complete all assignments to the best of their ability.
- will come to school on time and ready to work.

Building Partnerships

There are many opportunities at our school for parents to volunteer and play a role in their child's education. Please consider joining the faculty, staff, and fellow parents during the school events and programs. Volunteering opportunities will be shared in the Campus Monthly Newsletter. Check out your weekly newsletter and follow our Facebook Page for the most current events happening on campus.

Subject to change

Communication about Student Learning

Williams Elementary is committed to frequent two-way communication with families about children's learning. Some of the ways you can expect us to reach you are:

- sharing current grades through Skyward Home Access Center
- parent-teacher conferences
- progress reports and report cards
- grade level weekly newsletters
- Tuesday folders
- teacher pages in Canvas
- daily conduct and homework folders
- teacher email
- phone calls
