

POWER OF ATTORNEY APPLICATION

REQUIRED DOCUMENTATION

In addition to the completed and notarized documents attached, please include the following with your dual residency application:

FROM THE STUDENT'S PARENT:

- Copy of parent's ID (Example: driver's license, passport, military ID)
- Current utility bill (gas, water, electric only), lease agreement, or finalized home closing documentation

FROM THE POWER OF ATTORNEY:

- Current utility bill (gas, water, electric only) or finalized home closing documentation
- Copy of Power of Attorney's ID (Example: driver's license, passport, military ID)

.....

Power of Attorney: Parents / guardians and agents with a fully executed Power of Attorney (POA) affidavit may only enroll at the campus for which they are zoned as confirmed in Skyward and must provide the same sort of documentation to prove residency as required above.

If the parent lives within LCISD boundaries, the student will attend the school in which the parent lives, not the Power of Attorney. If the parent lives outside of LCISD boundaries, the student will attend the school in which the Power of Attorney is zoned.

Parents / guardians and agents claiming POA are subject to annual confirmation by district personnel through visitation to the student's residence.

Parents / guardians and agents being found to give misleading or false information to district officials may be subject to criminal prosecution.
