**FOR IMMEDIATE RELEASE**

**Hypergrowth Opportunities Await at Lamar CISD Teacher Job Fair**

**January 31, 2024 – Rosenberg, Texas** – Once again, Lamar CISD is the fastest-growing school district in the Houston area, surpassing Conroe ISD and Fort Bend ISD, and the district is proud to offer career opportunities to job seekers looking to make a difference – one life at a time.

Educators who are interested in joining our dynamic district are invited to attend the Lamar CISD Teacher Job Fair on Saturday, March 2 at 9:00 AM to 1:00 PM at Foster High School (400 FM 723, Richmond, Texas).

"The more we grow, the more we need good people to fill teaching positions across the district," Lamar CISD Superintendent Dr. Roosevelt Nivens said. "We are proud to develop leaders that inspire innovation and foster growth to support and celebrate every student's success."

Recently, Lamar CISD was classified as a hypergrowth district in a 2024 demographic report presented by Zonda Education, a company which provides enrollment projections and attendance zone planning for more than 120 school districts. In response to the expanding population, more than 20 new campuses are projected to open during the next decade, including four new schools that will open in fall 2024.

Opportunities are available for more than 50 campuses and nine departments, including nursing, teaching, counseling, librarians, and special education assessment. All job applicants are encouraged to bring several copies of their resume as they meet one-on-one with Human Resources Recruiters. There will also be campus and district representatives, including teacher certification programs, who will meet with attendees at the fair.

"This event will help us connect an application to a face and allow us to meet and greet qualified candidates in and around our community," Lamar CISD Human Resources Recruiter Jose Sanchez-Garcia said. "It will also give us the opportunity to provide guidance, recommendations, and insight to educators interested in joining our team as it continues to grow."

The starting teacher salary for the 2023-2024 school year is \$62,500.
