

Return to In-Person – Lamar CISD

1a. How LEA will maintain health & safety of students and staff , and
1b. Extent to which LEA has adopted policies aligned with CDC and a description of policies

Lamar CISD looks forward to welcoming our students back to campus. The District continues to work in partnership with local and state health officials to monitor the spread of COVID-19 in the community. Lamar CISD is committed to creating a safe learning environment for our students and staff. To ensure safe in-person learning experiences this year, the COVID-19 protocols will be in place in District facilities for the 2021-2022 school year. These protocols can be found on the District’s website at: <https://www.lcisd.org/about/2021-2022-covid-19-protocols>.

Virtual Learning:

During the 2021-2022 school year, Lamar CISD will offer a virtual learning option for a limited number of students enrolled in kindergarten through sixth grade. This option is provided for families concerned with sending their students to school due to COVID-19. Find more information on Lamar CISD’s virtual learning program at: <https://www.lcisd.org/about/virtual-learning>.

Students who may qualify for the District’s homebound services should

	<p>contact the Special Education Department.</p> <p>Lamar CISD staff who would like to request an accommodation should contact the Human Resources Department.</p>
<p>2. How LEA will ensure continuity of services (including students' academic needs & students' and staff social, emotional, mental health & other needs)</p>	<p>Along with local funds, ESSER funds are being directed toward programs and activities that will promote learning and the social/emotional health of students.</p>
<p>3a. LEA must periodically (no less than every six months) review and, as appropriate, revise plan.</p>	<p>Lamar CISD considers our plan to be a living document that will be continuously reviewed and monitored throughout the year. Revisions will be made as necessary.</p>
<p>3b. LEA must seek public input and take input into account in determining whether to revise plan and what revisions are needed</p>	<p>The District has an established program of monitoring campus and district climate through regular surveys and other forms of consultation. Feedback received will be reviewed and factored into our plans.</p>
<p>4. Plan must be in language and format parents can understand (oral translation ok if written translation not practicable); upon request by a parent with disabilities, an alternate format is provided</p>	<p>All information published will be in in language and format parents can understand.</p>
