

Tamarron Elementary Grandfathering Guidelines

The parent of any current 3rd-grader rezoned from Huggins Elementary to Lindsey Elementary in 2017, has the option to declare which elementary campus they would like their child(ren) to attend—Tamarron or Lindsey via our “grandfathering” process.

All current 4th-grade students at Lindsey Elementary also have the ability to remain at their current campus for the upcoming school year via our grandfathering process.

The grandfathering process is only applicable to the students described above. Younger siblings of these students are not eligible.

Transportation will not be provided to any grandfathered student.

No action is necessary for students who will attend the school to which they are zoned.

The grandfathering application will be available in the front office of Lindsey Elementary School or online at www.lcisd.org.

The grandfathering application deadline has been extended until the end of the 2019-2020 school year. Please have all grandfathering applications completed and returned to the Assistant Superintendent of Elementary Education by June 4, 2020.
