CAMP 2023

**LAMAR CISD**

**SESSION 1: JULY 17 - 21**  
**SESSION 2: JULY 24 - 28**  
**8:00 A.M. - 12:00 P.M.**  
**READING JUNIOR HIGH SCHOOL**

The gender gap in tech careers is growing with women comprising only 12% of U.S. Computer Science undergraduates. We would like to help close that gap. This summer, female students currently enrolled in 5th, 6th, or 7th grade are eligible to attend this no-cost summer camp opportunity. Participants will learn computer science and engineering fundamentals through a series of unique projects and hands-on challenges while practicing broader skills such as teamwork and critical thinking. Join us!
