### Objective
(What do we want students to know?)

- Students will identify what is important to them and begin setting educational and career goals.

### Vocabulary

- Students will identify what is important to them and begin setting educational and career goals.

### Lesson Topics

1. Identify and demonstrate processes for making short and long term goals
2. Watch YouTube Video on Goal Setting
3. How to develop goals and share those explorations with the group

### Activities

**Please take out a sheet of paper and number it 1-3 and take 30 seconds to write the first thing that comes to mind.**

- If you could accomplish anything in the world, what would you do?
- What are my top 3 interests and/or hobbies?
- Besides money, if you were given 3 wishes to change the world what would you wish for?

**Watch YouTube Video on Goal Setting**

- Display handout reaching my goals
  - Students think about 1-2 educational goals and 1-2 personal goals. What are some steps that you need to accomplish these goals? Share with your group

- Display handout career goals
  - Students think about 1-2 short goals and 1-2 long term goals. What are some steps that you need to accomplish these goals? Share with your group
