WELCOME TO LAMAR CISD SCHOOLS!

Education is a team effort, and we know that students, parents, teachers, and other staff members all working together can make this a wonderfully successful year for our students.

This handbook is for parents and students. We hope it will answer many of your questions and tell you more about our schools. Information in this handbook is a combined effort to improve communication and understanding between parents and the school. School Board policies that govern specific areas discussed in the handbook are noted. Copies of the district’s complete policies are available in the administration building at 3911 Avenue I in Rosenberg and on the Internet at www.lcisd.org.

Please be aware that the term “parent,” unless otherwise noted, is used to refer to the parent, legal guardian, or any other person who has agreed to assume school-related responsibility for a student.

Parents and students are encouraged to read the handbook carefully to acquaint themselves with the services and benefits available. Further information can be obtained from the classroom teacher or the building principal. The best possible education is achieved for each student through informed parents and the cooperation of all.

Please note: It is important for children to have a safe and pleasant place for learning. Since students themselves must help make the schools safe and pleasant, a state-approved Code of Student Conduct and the District Electronic Communications Use Guidelines are included in this handbook for you and your child to review.

WHAT TO DO WHEN...

Your child is absent: Call the school office by 8:30 a.m. When the child returns to school, send a signed note giving dates and reason for absence.

Your child is tardy: Child must report to the office for admittance slip before going to class, preferably with a signed note giving reason for tardiness. Accumulated time of tardies are calculated by minutes in lost instructional time.

You need to pick up your child before dismissal time: Go to the office to sign the child out and wait there for the child. Please be prepared to show photo identification. If it is necessary for someone other than the parent/guardian to pick up your child, that person must be named as an emergency contact. Accumulated time of early pick-ups is calculated by minutes in lost instructional time.

Severe weather or other threatening conditions are present: Check www.lcisd.org, district social media accounts, and local weather alerts. For possible school closings, refer to local news stations and updates from LCISD.

Your child needs to take medication during the school day: Medications should be given at home if possible. However, if a student must take medicine at school, the medicine must be provided by the parent. The medication provided must be in its original container and must have a signed dated note from the parent identifying the student, the medication, the amount and time it is to be given. Medication must be kept in the school clinic at all times. Specific guidelines are available under the Medication section of this handbook.

You would like to visit your child’s classroom/school: In the fall, each school invites parents to come on a specific evening to meet the teachers and hear about their plans for the year. Parents are welcome to visit campuses during the school day. The district practice allows for thirty (30) minutes of classroom observation with prior approval of the principal. This practice is to minimize interruption of classroom instruction. If you have questions about the class you observe, please leave your name and telephone number in the office so that the teacher or principal can call you. State law does not allow anyone to interrupt a class.

As a parent, you are also welcome to have lunch with your child when you visit. If you wish to purchase a lunch in the cafeteria, please let the office know at the beginning of the school day so that you can be added to the lunch count.

For the safety and security of all students and staff, visitors must go to the school office, sign in as a visitor when they enter the school, and wear a visitor’s badge. To better protect our students, visitors and staff, all LCISD campuses screen for registered sex offenders. A valid State issued ID is required to enter all campuses.
You would like a conference with your child’s teacher or other staff member: Contact the staff member by email or call the office and leave your name and phone number for the person to contact you.

You would like to volunteer: Contact the school office so the Parent Volunteer Coordinator can provide you with the necessary forms for you to sign up. For the safety and security of all students and staff, LCISD requires a background check of each volunteer.

You move or change your telephone number: Your phone number, e-mail address and emergency contacts can be changed online through Family Access. Your home address can be changed in Family Access also with proper documentation provided to the campus and campus approval.
SECTION I: PARENTAL RIGHTS

This section of the Lamar Consolidated Independent School District Student Handbook includes information on topics of particular interest to you as a parent.

CONSENT, OPT-OUT, AND REFUSAL RIGHTS

CONSENT TO CONDUCT A PSYCHOLOGICAL EVALUATION
A district employee will not conduct a psychological examination, test, or treatment without obtaining prior written parental consent unless the examination, test, or treatment is required under state or federal law regarding requirements for special education or by the Texas Education Agency (TEA) for child abuse investigations and reports.

CONSENT TO DISPLAY A STUDENT’S ORIGINAL WORKS AND PERSONAL INFORMATION
Lamar CISD may display students’ work, which may include personally identifiable student information, in classrooms or elsewhere on campus as recognition of student achievement. Parents have the option to opt-out by notifying campus school administration.

CONSENT TO RECEIVE PARENTING AND PATERNITY AWARENESS INSTRUCTION IF STUDENT IS UNDER AGE 14
A child under the age of 14 must have parental permission to receive instruction in the district’s parenting and paternity awareness program; otherwise, the child will not be allowed to participate in the instruction. This program, developed by the Office of Texas Attorney General and the State Board of Education (SBOE), is incorporated into the district’s health education classes.

LIMITING ELECTRONIC COMMUNICATIONS WITH STUDENTS BY DISTRICT EMPLOYEES
Teachers and other approved employees are permitted by the district to communicate with students through use of electronic media within the scope of the individual’s professional responsibilities. In order for employees to communicate with currently enrolled students through social networking sites, employees must establish a separate, independent professional page, which is accessible to administration and parents as well as students. Any and all communications will be limited to matters that directly relate to the employee’s professional duties.

OBJECTING TO THE RELEASE OF DIRECTORY INFORMATION
The Family Educational Rights and Privacy Act, or FERPA, permits the district to disclose appropriate designated “directory information” from a child’s education records without written consent. “Directory information” is information that is generally not considered harmful or an invasion of privacy if released. This “directory information” will be released to anyone who follows procedures for requesting it. However, a parent or eligible student may object to the release of a student’s directory information. This objection must be made in writing to the principal.

OBJECTING TO THE RELEASE OF STUDENT INFORMATION TO MILITARY RECRUITERS AND INSTITUTIONS OF HIGHER EDUCATION (SECONDARY GRADE LEVELS ONLY)
The district is required by federal law to comply with a request by a military recruiter or an institution of higher education for students’ names, addresses, and telephone listings, unless parents have advised the district not to release their child’s information without prior written consent.

CONSENT TO VIDEO OR AUDIO RECORD A STUDENT WHEN NOT OTHERWISE PERMITTED BY LAW
State law permits the school to make a video or voice recording without parental permission for the following circumstances:

- When it is to be used for school safety;
- When it relates to classroom instruction or a cocurricular or extracurricular activity;
- When it relates to media coverage of the school; or
• When it relates to the promotion of student safety as provided by law for a student receiving special education services in certain setting.

The district will seek parental consent through a written request before making any other video or voice recording of your child not otherwise allowed by law.

PARTICIPATING IN THIRD-PARTY SURVEYS

CONSENT REQUIRED BEFORE STUDENT PARTICIPATION IN A FEDERALLY FUNDED SURVEY, ANALYSIS, OR EVALUATION

Your child will not be required to participate without parental consent in any survey, analysis, or evaluation—funded in whole or in part by the U.S. Department of Education—that concerns:

• Political affiliations or beliefs of the student or the student’s parent.
• Mental or psychological problems of the student or the student’s family.
• Sexual behavior or attitudes.
• Illegal, antisocial, self-incriminating, or demeaning behavior.
• Critical appraisals of individuals with whom the student has a close family relationship.
• Relationships privileged under law, such as relationships with lawyers, physicians, and ministers.
• Religious practices, affiliations, or beliefs of the student or parents.
• Income, except when the information is required by law and will be used to determine the student’s eligibility to participate in a special program or to receive financial assistance under such a program.

You will be able to inspect the survey or other instrument and any instructional materials used in connection with such a survey, analysis, or evaluation. [For further information, see policy EF(LEGAL).]

“OPTING OUT” OF PARTICIPATION IN OTHER TYPES OF SURVEYS OR SCREENINGS AND THE DISCLOSURE OF PERSONAL INFORMATION

As a parent, you have a right to receive notice of and deny permission for your child’s participation in:

• Any survey concerning the private information listed above, regardless of funding.
• School activities involving the collection, disclosure, or use of personal information gathered from your child for the purpose of marketing or selling that information. Note that this does not apply to the collection, disclosure, or use of personal information collected from students for the exclusive purpose of developing, evaluating, or providing educational products or services for, or to, students or educational institutions.
• Any non-emergency, invasive physical examination or screening required as a condition of attendance, administered and scheduled by the school in advance and not necessary to protect the immediate health and safety of the student. Exceptions are hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under state law. [See policies EF and FFAA.]

As a parent, you may inspect a survey created by a third party before the survey is administered or distributed to your child.

REMOVING A STUDENT FROM INSTRUCTION OR EXCUSING A STUDENT FROM A REQUIRED COMPONENT OF INSTRUCTION

HUMAN SEXUALITY INSTRUCTION

As a part of the district’s curriculum, students receive instruction related to human sexuality. The School Health Advisory Council (SHAC) is involved with the selection of course materials for such instruction.

As a parent, you are entitled to review the curriculum materials. In addition, you may remove your child from any part of this instruction with no academic, disciplinary, or other penalties. You may also choose to become more involved with the development of curriculum used for this purpose by becoming a member of the district’s SHAC. Please see the campus principal for additional information.
RECORDING A PORTION OF THE DECLARATION OF INDEPENDENCE IN GRADES 3-12

You may request that your child be excused from recitation of a portion of the Declaration of Independence. State law requires students in social studies classes in grades 3–12 to recite a portion of the text of the Declaration of Independence during Celebrate Freedom Week unless:

1. you provide a written statement requesting that your child be excused,
2. the district determines that your child has a conscientious objection to the recitation, or
3. you are a representative of a foreign government to whom the United States government extends diplomatic immunity. [See policy EHBK(LEGAL).]

RECORDING THE PLEDGES TO THE U.S. AND TEXAS FLAGS

As a parent, you may request that your child be excused from participation in the daily recitation of the Pledge of Allegiance to the United States flag and the Pledge of Allegiance to the Texas flag. The request must be in writing. State law does not allow your child to be excused from participation in the required minute of silence or silent activity that follows. [See Pledges of Allegiance and a Minute of Silence and policy EC(LEGAL).]

RELIGIOUS, POLITICAL OR MORAL BELIEFS

You may remove your child temporarily from the classroom if an instructional activity in which your child is scheduled to participate conflicts with your religious, political or moral beliefs. The removal cannot be for avoiding a test and may not extend for an entire semester. Further, your child must satisfy grade-level and graduation requirements as determined by the school and by state law.

UNDERSTANDING RELIGIOUS RIGHTS IN SCHOOLS

Schools frequently are asked questions about what can and cannot be done by parents and students to celebrate or acknowledge the many holidays that fall during the school year, including Ramadan, Thanksgiving, Chanukah, Christmas and Kwanza. To help parents and students better understand the proper role of religion in the public schools, the District recommends reviewing the Lamar CISD Board Policies EMI (LOCAL) ("Miscellaneous Instructional Policies: Study of Religion"); FNA (LOCAL) ("Student Rights and Responsibilities: Student Expression") and FNAA (LOCAL) ("Student Expression: Distribution of Non-school Literature"), all of which address these topics in more detail. The Lamar CISD Board policies may be found online at http://www.lcisd.org.

When considering issues of religion in the public schools, it is important to remember that there is a distinction between private religious speech, which is protected, and state-sponsored religious speech, which is prohibited. Students may talk about religious holidays (when talking is appropriate), they may say “Merry Christmas” or “Happy Chanukah” or other related holiday greetings, and they may wear whatever clothing they choose (color, wording or otherwise) that complies with the District’s dress code.

TUTORING OR TEST PREPARATION

Based on informal observations, evaluative data such as grades earned on assignments or test, or results from diagnostic assessments, a teacher may determine that a student is in need of additional targeted assistance in order for the student to achieve mastery in state-developed essential knowledge and skills. The school will always attempt to provide tutoring and strategies for test-taking in ways that prevent removal from other instruction as much as possible. In accordance with state law and policy EC, the school will not remove a student from a regularly scheduled class for remedial tutoring or test preparation for more than ten percent of the school days on which the class is offered, unless the student’s parent consents to this removal.

The school may also offer tutorial services, which students whose grades are below 70 will be eligible to attend.

[Also refer to policies EC and EHBC, and contact your student’s teacher with questions about any tutoring programs provided by the school.]
**RIGHTS OF ACCESS TO STUDENT RECORDS, CURRICULUM MATERIALS, AND DISTRICT RECORDS**

**INSTRUCTIONAL MATERIALS**

As a parent, you have a right to review teaching materials, and other teaching aids and instructional materials used in the curriculum, and to examine tests (non-copy written materials) that have been administered to your child.

**REQUESTING NOTICES OR CERTAIN STUDENT MISCONDUCT TO NONCUSTODIAL PARENT**

A noncustodial parent may request in writing that he or she be provided, for the remainder of the school year, a copy of any written notice usually provided to a parent related to his or her child’s misconduct that may involve placement in a disciplinary alternative education program (DAEP) or expulsion. [See policy FO(LEGAL) and the Student Code of Conduct.]

**ACCESSING STUDENT RECORDS**

You may review your child’s student records. These records include:

- Attendance records,
- Test scores,
- Grades,
- Disciplinary records,
- Counseling records,
- Psychological records,
- Applications for admission,
- Health and immunization information,
- Other medical records,
- Teacher and school counselor evaluations of your student,
- Reports of behavioral patterns,
- State assessment results, and
- Teaching materials and tests used in your child’s classroom.

**AUTHORIZED INSPECTION AND USE OF STUDENT RECORDS**

A federal law, known as the Family Educational Rights and Privacy Act, or FERPA, affords parents and eligible students certain rights with respect to the student’s education records. For purposes of student records, an “eligible” student is one who is 18 or older or who is attending an institution of postsecondary education. These rights, as discussed in this section as well as at **Objecting to the Release of Directory Information** are:

- The right to inspect and review student records within 45 days after the day the school receives a request for access.
- The right to request an amendment to a student record the parent or eligible student believes is inaccurate, misleading, or otherwise in violation of FERPA.
- The right to provide written consent before the school discloses personally identifiable information from the student’s records, except to the extent that FERPA authorizes disclosure without consent.
- The right to file a complaint with the U.S. Department of Education concerning failures by the school to comply with FERPA requirements. The name and address of the office that administers FERPA are:

  **Family Policy Compliance Office**  
  U. S. Department of Education  
  400 Maryland Avenue, SW  
  Washington, DC 20202-5901

Both FERPA and state laws safeguard student records from unauthorized inspection or use and provide parents and eligible students certain rights of privacy. Before disclosing any personally identifiable information from a student’s records, the district must verify the identity of the person, including a parent or the student, requesting the information. Virtually all information pertaining to student performance, including grades, test results, and disciplinary records, is considered confidential educational records.
Inspection and release of student records is primarily restricted to an eligible student or a student's parents—whether married, separated, or divorced—unless the school is given a copy of a court order terminating parental rights or the right to access a student's education records.

Federal law requires that, as soon as a student becomes 18, is emancipated by a court, or enrolls in a post-secondary institution, control of the records goes to the student. The parents may continue to have access to the records, however, if the student is a dependent for tax purposes and under limited circumstances when there is a threat to the health and safety of the student or other individuals.

FERPA permits disclosure of personally identifiable information from a student's education records, without consent of the parent or eligible student, in the following circumstances:

- When district school officials have what federal law refers to as a "legitimate educational interest" in a student’s records. School officials would include board members and employees, such as the superintendent, administrators, and principals; teachers, counselors, diagnosticians, and support staff including district health or district medical staff; a person or company with whom the district has contracted or allowed to provide a particular institutional service or function (such as an attorney, consultant, third-party vendor that offers online programs or software, auditor, medical consultant, therapist, school resource officer or volunteer); a parent or student serving on a school committee; or a parent or student assisting a school official in the performance of his or her duties. “Legitimate educational interest” in a student’s records includes working with the student; considering disciplinary or academic actions, the student’s case, or an individualized education program for a student with disabilities; compiling statistical data; reviewing an educational record to fulfill the official’s professional responsibility to the school and the student; or investigating or evaluating programs.
- To authorized representatives of various governmental agencies, including juvenile service providers, the U.S. Comptroller General’s office, the U.S. Attorney’s General’s office, the U.S. Secretary of Education, TEA, the U.S. Secretary of Agriculture’s office, and Child Protective Services (CPS) caseworkers or other child welfare representatives, in certain cases.
- To individuals granted access in response to a subpoena or court order.
- To another school, school district/system or institution of postsecondary education to which a student seeks or intends to enroll or in which he or she is already enrolled.
- In connection with financial aid for which a student has applied or which the student has received.
- To accrediting organizations to carry out accrediting functions.
- To organizations conducting studies for, or on behalf of, the school, in order to develop, validate, or administer predictive tests; administer student aid programs; or improve instruction.
- To appropriate officials in connection with a health or safety emergency.
- When the district disclose information it has designated as directory information [see Objecting to the Release of Directory Information for opportunities to prohibit disclosure].

Release of personally identifiable information to any other person or agency—such as a prospective employer or for a scholarship application—will occur only with parental or student permission as appropriate.

The principal is custodian of all records for currently enrolled students at the assigned school. The principal is the custodian of all records for students who have withdrawn or graduated.

A parent or eligible student who wishes to inspect the student’s records should submit a written request to the records custodian identifying the records he or she wishes to inspect. Records may be inspected by a parent or eligible student during regular school hours. The records custodian or designee will respond to reasonable requests for explanation and interpretation of the records.

A parent or eligible student, who provides a written request and pays copying costs, may obtain copies. If circumstances prevent inspection during regular school hours and the student qualifies for free or reduced-price meals, the district will either provide a copy of the records requested or make other arrangements for the parent or student to review these records. See inside cover for the address of the superintendent and principals.

A parent (or eligible student) may inspect the student’s records and request a correction if the records are considered inaccurate, misleading, or otherwise in violation of the student’s privacy rights. A request to correct a student’s record should be submitted to the appropriate records custodian. The request must clearly identify the part of the record that should be corrected and include an explanation of how the information in the record is inaccurate. If the district denies the request to amend the records, the parent or eligible student has the right to request a hearing. If the records are not amended as a
result of the hearing, the parent or eligible student has 30 school days to exercise the right to place a statement commenting on the information in the student’s record.

Although improperly recorded grades may be challenged, contesting a student’s grade in a course is handled through the general complaint process found in policy FNG(LOCAL). A grade issued by a classroom teacher can be changed only if, as determined by the board of trustees, the grade is arbitrary, erroneous, or inconsistent with the district’s grading policy. [See FINALITY OF GRADES at FNG(LEGAL), in the Grading Section entitled “Reporting Progress to Students and Parents”, and under Complaints and Concerns in this section for an overview of the process.]

The district’s policy regarding student records, including directory information can be found at FL(LEGAL) and (LOCAL) is available from the principal’s or superintendent’s office or on the district’s Web site at www.lcisd.org.

The parent’s or eligible student’s right of access to and copies of student records do not extend to all records. Materials that are not considered educational records—such as a teacher’s personal notes about a student that are shared only with a substitute teacher—do not have to be made available to the parents or student.

TEACHER AND STAFF PROFESSIONAL QUALIFICATIONS

You may request information regarding the professional qualifications of your child’s teachers, including whether a teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction; whether the teacher has an emergency permit or other provisional status for which state requirements have been waived; and undergraduate and graduate degree majors, graduate certifications, and the field of study of the certification or degree. You also have the right to request information about the qualifications of any paraprofessional who may provide services to your child.

STUDENTS WITH EXCEPTIONALITIES OR SPECIAL CIRCUMSTANCES

CHILDREN OF MILITARY FAMILIES

Children of military families will be provided flexibility regarding certain district requirements, including:

- Immunization requirements.
- Grade level, course, or educational program placement.
- Eligibility requirements for participation in extracurricular activities.
- Graduation Requirements

In addition, absences related to a student visiting with his or her parent including a stepparent or legal guardian, who has been called to active duty for, is on leave from, or is returning from a deployment of at least four months will be excused by the district. The district will permit no more than five excused absences per year for this purpose. For the absence to be excused, the absence must occur no earlier than the 60th day before deployment or no later than the 30th day after the parent’s return from deployment. Additional information may be found at http://tea.state.gov/index2.aspx?id=7995

PARENTAL ROLE IN CERTAIN CLASSROOM AND SCHOOL ASSIGNMENTS

MULTIPLE BIRTH SIBLINGS

As a parent, if your children are multiple birth siblings (e.g., twins, triplets, etc.) assigned to the same grade and campus, you may request that they be placed either in the same classroom or in separate classrooms. Your written request must be submitted no later than the 14th day after the enrollment of your children. [See FDB(LEGAL).]
SAFETY TRANSFERS/ASSIGNMENTS

As a parent, you have a right:

- Request the transfer of your child to another classroom or campus if your child has been determined by the district to have been a victim of bullying as the term is defined by Education Code 37.0832. Transportation is not provided for a transfer to another campus. See the principal for information.
- Consult with district administrators if your child has been determined by the district to have engaged in bullying and the district decides to transfer your child to another classroom or campus. Transportation is not provided to another campus. [See Bullying section, policy FDB, and policy FFI.]
- Request the transfer of your child to attend a safe public school in the district if your child attends school at a campus identified by TEA as persistently dangerous or if your child has been a victim of a violent criminal offense while at school or on school grounds. [See policy FDE(LOCAL).] Transportation is not provided to another campus.
- Request the transfer of your child to another campus if your child has been the victim of a sexual assault by another student assigned to the same campus, whether the assault occurred on or off campus, and that student has been convicted of or placed on deferred adjudication for that assault. If the victim does not wish to transfer, the district will transfer the assailant in accordance with policy FDE. Transportation is not provided to another campus.

INDIVIDUALS WITH DISABILITIES IN EDUCATION ACT

Under the individuals with Disabilities in Education Act (“IDEA”), eligible students are entitled to a free, appropriate public education (“FAPE”). The parent may request that an ARD committee consider whether or not the use of a service animal is necessary in order for the student to receive a FAPE. If the ARD Committee determines that the student can be provided FAPE without the use of the animal, the animal does not become a related service or support under a student’s IEP.

AMERICANS WITH DISABILITIES ACT AND SECTION 504 OF THE REHABILITATION ACT

Under the Americans with Disabilities (“ADA”) and Section 504 of the Rehabilitation Act (Section 504), schools are generally required to allow a disabled individual to be accompanied by a service animal, so long as the animal meets the ADA definition of “service animal,” the animal is under the control of its handler, is housebroken, and does not pose a direct threat to the health and/or safety of others. Exclusion of an animal could be discrimination based on disability. The ADA requires public entities to appoint a person to handle claims of disability discrimination, the Section 504 Coordinator (See Board Policy FB and FFH). Additionally, the Section 504 committee should convene to apply the ADA guidelines and determine if additional accommodations are needed for access or for an equal educational opportunity.

A parent of a student who uses a service/assistance animal because of the student’s disability must submit a request in writing to the principal at least ten district business days before bringing the service/assistance animal on campus.

STUDENTS WHO HAVE LEARNING DIFFICULTIES OR WHO NEED SPECIAL EDUCATION SERVICES

If a child is experiencing learning difficulties, the parent may contact the campus counselors to learn about the district’s overall general education referral or screening system for support services. This system links students to a variety of support options, including possible referral for a special education evaluation. Students having difficulty in the regular classroom should be considered for tutorial, compensatory, and other academic or behavior support services that are available to all students including a process based on Response to Intervention (RtI). The implementation of RtI has the potential to have a positive impact on the ability of school districts to meet the needs of all struggling students.

At any time, a parent is entitled to request an evaluation for special education services. Within 15 school days, the district must decide if the evaluation is needed. If the evaluation is needed, the parent will be notified and asked to provide informed written consent for the evaluation. The district must complete the evaluation and the report within 45 school days of written consent. The district must give a copy of the report to the parent.

If the district determines that the evaluation is not needed, the district will provide the parent with a Notice of Decision that explains why the child will not be evaluated. This written notice will include a statement that informs the parents of their
rights if they disagree with the district. The district is required to give parents the Notice of Procedural Safeguards—Rights of Parents of Students with Disabilities.

Additional information regarding the Individuals with Disabilities Education Act (IDEA) is available from the school district in a companion document, A Guide to the Admission, Review, and Dismissal Process. Both documents may also be found at:

The following Web Sites provide information to those who are seeking information and resources specific to students with disabilities and their families:

- Texas Project First, at http://www.texasprojectfirst.org
- Partners Resource Network, at http://www.partnersbx.org

The designated person to contact regarding options for a child experiencing learning difficulties or a referral for evaluation for special education is your campus administrator.

**STUDENTS WHO RECEIVE SPECIAL EDUCATION SERVICES WITH OTHER SCHOOL-AGED CHILDREN IN THE HOME**

If a student is receiving special education services at a campus outside his or her attendance zone, the parent or guardian may request that any other student residing in the household be transferred to the same campus, if the appropriate grade level for the transferring student is offered on that campus. However, the district is not required to provide transportation to the other children in the household. The parent/guardian should speak with the principal of the school regarding transportation needs prior to requesting a transfer for any other children in the home. [See policy FDB (LEGAL).]

**ENGLISH LANGUAGE LEARNER**

A student may be eligible to receive specialized support if his or her primary language is not English, and the student has difficulty performing ordinary class work in English. If the student qualifies for these extra services, the Language Proficiency Assessment Committee (LPAC) will determine the types of linguistic and academic services the student needs, which includes implementation of linguistic accommodations related to classroom instruction.

**STUDENTS WITH PHYSICAL OR MENTAL IMPAIRMENTS PROTECTED UNDER SECTION 504**

A child with a disability determined to have a physical or mental impairment that substantially limits a major life activity, as defined by law, and who does not otherwise qualify for special education services will qualify for protections under Section 504 of the Rehabilitation Act. Section 504 is a federal law designed to prohibit discrimination against individuals with disabilities. When an evaluation is requested, a committee will be formed to determine if the child is in need of services and supports under Section 504 to receive a free appropriate public education (FAPE), as this is defined in federal law.

For questions or concerns regarding a referral for evaluation applicable to Section 504 call 832-223-0413. [Also see policy FB.]
SECTION II: OTHER IMPORTANT INFORMATION FOR STUDENTS AND PARENTS

Topics in this section of the handbook contain important information on academics, school activities, and school operations and requirements. Take a moment with your child to become familiar with the various issues addressed in this section.

ABSENCES/ATTENDANCE

COMPULSORY ATTENDANCE LAW

AGE 19 AND OLDER

A student who voluntarily attends or enrolls after his or her 19th birthday is required to attend each school day until the end of the school year. If a student 19 or older has more than five unexcused absences in a semester, the district may revoke the student’s enrollment. The student’s presence on school property thereafter would be unauthorized and may be considered trespassing. [See policy FEA.]

BETWEEN AGES 6 AND 19

State law requires that a student between the ages of 6 and 19 shall attend school as well as any applicable accelerated instruction program, extended year program, or tutorial session, unless the student is otherwise excused from attendance or legally exempt.

EXEMPTIONS TO COMPULSORY ATTENDANCE

State law allows exemptions to the compulsory attendance requirements for several types of absences if the student makes up all work. These include the following activities and events:

The District shall excuse a student from attending school for the following purposes:

- Religious holy days

Observing religious holy days. A student who is observing holy days is allowed up to one day of excused travel for traveling to the site where the student will observe the holy days and up to one day of excused travel for traveling from that site. To be considered a religious holy day, the day should be recognized by the student’s religious denomination as a holy day that is required to be observed by all members of that denomination. Cultural Holidays, Church retreats, camps and individual religious rites do not qualify as religious holy days. For an excused (and uncounted) absence, a note must be sent to the school explaining the absence. The student will not be penalized for that absence, i.e., perfect attendance awards, exam exemptions, etc. FEA (Legal)

A comprehensive list of holy days can be found here http://www.interfaithcalendar.org/index.htm.

- Required court appearances

Attending a required court appearance. A student who is attending a required court appearance is allowed up to one day of excused travel for traveling to the site where the student will attend the required court appearance and up to one day of excused travel for traveling from that site.

Important Note: Absences to meet with probation officers and other absences related to court-ordered activities outside the courtroom do not qualify as required court appearances.

- Activities related to obtaining United States citizenship
Appearing at a governmental office to complete paperwork required in connection with the student’s application for United States citizenship. A student who is appearing at a governmental office to complete such paperwork is allowed up to one day of excused travel for traveling to the site where the student will complete the paperwork and up to one day of excused travel for traveling from that site.

Taking part in a United States naturalization oath ceremony. A student who is taking part in such a ceremony is allowed up to one day of excused travel for traveling to the site where the student will take part in the ceremony and up to one day of excused travel for traveling from that site.

- **Service as an election clerk**

  Serving as an election clerk. A student who is serving as an election clerk is allowed up to two days in a school year.

- **Health-Care Appointments**

  Documented health-care appointments for the student or a child of the student, including absences for recognized services for students diagnosed with autism spectrum disorders. A student shall be excused for temporary absence resulting from appointments with health care professionals for the student or the student’s child if the student attends school any portion of a class on the day of the appointment with a signed statement from the health care professional. The student will not be penalized for that absence and shall be counted as having attended for purpose of calculating the Average Daily Attendance. Parents are encouraged to make medical appointments during non-school hours.

- **For students in the conservatorship (custody) of the state**

  An activity required under court-ordered service plan; or other court-ordered activity, provided it is not practicable to schedule the student’s participation in the activity outside of school hours.

- **College Visit**

  The District shall excuse a student for up to two days during the student’s junior year and up to two days during the student’s senior year to visit an accredited institution of higher education provided the student receives approval from the campus principal, return with a document certifying that the absence was to visit an accredited institution of higher education and makes up any work missed.

- **TAPS at Military Funeral**

  The District may excuse a student’s absence up to two days in a school year for the purpose of sounding “Taps” at a military honors funeral for a deceased veteran.

- **Parent, Stepparent, or Legal Guardian who is an active duty member of the uniformed services**

  Is absent to visit with a parent, stepparent, or legal guardian who is an active duty member of the uniformed services and has been called to duty for, is on leave from, or is immediately returned from continuous deployment of a least four months outside the Locality where the parent, stepparent, or guardian regularly resides. The district is required to excuse up to 5 days for this purpose in a school year. An excused absence for this purpose must be taken no earlier than 60 days before the date of deployment or no later than 30 days after the date of return from deployment.

**FAILURE TO COMPLY WITH COMPULSORY ATTENDANCE**

School employees must investigate and report violations of the state compulsory attendance law. A student absent without permission from school; from any class; from required special programs, such as additional special instruction, termed “accelerated instruction” by the state; or from required tutorials will be considered in violation of the compulsory attendance law and subject to disciplinary action.

A court of law may also impose penalties against both the student and his or her parents if a school-aged student is deliberately not attending school. A complaint against the parent may be filed in court if the student:

- Is absent from school on ten or more days or parts of days within a six-month period in the same school year
ATTENDANCE FOR CREDIT OR FINAL GRADE

To receive credit in a class, a student must attend at least 90 percent of the days the class is offered. A student who attends fewer than 90 percent of the days the class is offered will be referred to the attendance review committee to determine whether there are extenuating circumstances for the absences and how the student can regain credit, if appropriate [See policies at FEC (Local)].

In determining whether there were extenuating circumstances for the absences, the attendance committee will use the following guidelines:

- All absences, whether excused or unexcused, must be considered in determining whether a student has attended the required percentage of days. If makeup work is completed, absences for the reasons listed above at Exemptions to Compulsory Attendance will be considered extenuating circumstances for purposes of attendance for credit or the award of a final grade.
- A transfer or migrant student begins to accumulate absences only after he or she has enrolled in the district.
- In reaching a decision about a student’s absences, the committee will attempt to ensure that it is in the best interest of the student.
- The committee will consider the acceptability and authenticity of documented reasons for the student’s absences.
- The committee will consider whether the absences were for reasons over which the student’s parent could exercise any control.
- The committee will consider the extent to which the student has completed all assignments, mastered the essential knowledge and skills, and maintained passing grades in the course or subject.
- The student or parent will be given an opportunity to present any information to the committee about the absences and to talk about ways to earn or regain credit or a final grade.

The student or parent may appeal the committee’s decision to the board by following FNG (LOCAL).

The actual number of days a student must be in attendance in order to receive credit or a final grade will depend on whether the class is for a full semester or for a full year.

OFFICIAL ATTENDANCE-TAKING TIME

Official attendance is taken every day during the second instructional hour.

A student absent for any portion of the day, including at the official attendance-taking time, should follow the procedures below to provide documentation of the absence.

DOCUMENTATION AFTER AN ABSENCE

When a student is absent from school, the student—upon arrival or return to school—must bring a note signed by the parent within ten school days that describes the reason for the absence. A note signed by the student, even with the parent’s permission, will not be accepted unless the student is 18 or older or is an emancipated minor under state law. A phone call from the parent may be accepted, but the district reserves the right to require a written note.

The campus will document in its attendance records for the student whether the absence is considered by the district to be excused or unexcused. Please note that, unless the absence is for a statutorily allowed reason under compulsory attendance laws, the district is not required to excuse any absence, even if the parent provides a note explaining the absence.

DOCTOR’S NOTE AFTER AN ABSENCE FOR ILLNESS

Upon return to school, a student absent for more than five consecutive days because of a personal illness must bring a statement from a doctor or health clinic verifying the illness or condition that caused the student’s extended absence from school. Otherwise, the student’s absence may be considered unexcused and, if so, would be considered to be in violation of compulsory attendance laws.

Should the student develop a questionable pattern of absences, the principal or attendance committee may require a statement from a doctor or health clinic verifying the illness or condition that caused the student’s absence from school in order to determine whether the absence or absences will be excused or unexcused.

TARDY

Students who do not arrive in class on time are tardy and are subject to disciplinary action.
**LATE ARRIVAL/EARLY DEPARTURE**

If a student arrives 15 or more minutes late or departs 15 or more minutes early, he/she is considered absent for the class period and may be required to make up that time by attending a clock-hour class for each class period missed. Any extenuating circumstances may be reported to the Attendance/Credit Review Committee.

**ABSENCE NOTIFICATIONS**

When a student reaches three absences per semester, the parent will receive written notification of absences. After reaching the maximum number of allowable absences in the semester, parent(s) will be notified by letter of the student’s attendance record and the possible consequences for his/her absences.

**ATTENDANCE REVIEW COMMITTEE**

The committee shall be composed of a majority of classroom teachers, a counselor and an assistant principal or principal. The school nurse may also serve as a member of the committee. Some of the items the appeals committee may take into consideration in determining its actions are:

- Doctor’s notes or medical records.
- Extenuating circumstances.
- Attendance history, including all absences for the current semester.
- Attendance in clock-hour class makeup.

**OPTIONS OF THE APPEALS COMMITTEE**

After the Attendance/Credit Review Committee reviews the student’s appeal, the committee may rule that he/she is:

- Eligible for credit for the course(s) based upon completion of tutorial hours to support mastery.
- Eligible for credit for the course(s) based upon evidence of extenuating circumstances.
- Ineligible for credit for course(s). Students who exceed the maximum number of absences allowed for a semester may not use credit by examination to receive credit for the particular course(s).
- A student who disagrees with the committee’s decision may appeal to the principal.

**DRIVER LICENSE ATTENDANCE VERIFICATION**

For a student between the ages of 16 and 18 to obtain a driver license, written parental permission must be provided for the Texas Department of Public Safety (DPS) to access the student’s attendance records and, in certain circumstances, for a school administrator to provide the student’s attendance information to DPS.

**ACADEMIC PROGRAMS**

The school counselor provides students and parents’ information regarding academic programs to prepare for higher education and career choices. For more information, please refer to the Lamar CISD Course Planning Guide on the district website.

**ACCOUNTABILITY UNDER STATE AND FEDERAL LAW**

LCISD and each of its campuses are held to certain standards of accountability under state and federal law. A key component of the accountability requirements is the dissemination and publication of certain reports and information, which include:
• The Texas Academic Performance Report (TAPR) for the district, compiled by TEA, the state agency that oversees public education, based on academic factors and ratings;
• A School Report Card (SRC) for each campus in the district compiled by TEA based on academic factors and ratings;
• The district’s financial management report, which will include the financial accountability rating assigned to the district by TEA;
• The performance ratings of the district’s evaluation of community and student engagement using the indicators required by law; and
• Information compiled by TEA for the submission of a federal report card that is required by the Every Student Succeeds Act (ESSA).

Information about any of these reports can be found on the district’s website at www.lcisd.org. Hard copies of any reports are available upon request to the district’s administration office.

TEA also maintains additional accountability and accreditation information at http://www.texasschoolaccountabilitydashboard.org and http://www.tea.texas.gov/

For questions regarding any accountability report, please contact the Research, Assessment & Accountability Department at 832-223-0136.

**BULLYING**

In this section:

(1) “BULLYING” A single significant act or pattern of acts by one or more students directed at another student that exploits an imbalance of power and involves engaging in written or verbal expression, expression through electronic means, or physical conduct that:

1. Has the effect or will have the effect of physically harming a student, damaging a student’s property, or placing a student in reasonable fear of harm to the student’s person or of damage to the student’s property; or
2. Is sufficiently severe, persistent, or pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student.
3. Materially and substantially disrupts the educational process or the orderly operation of a classroom or school or infringes on the rights of the victim at school and includes cyberbullying.
4. Bullying that occurs on or is delivered to school property or to the site of a school-sponsored or school-related activity on or off school property
5. Bullying that occurs on a publicly or privately owned school bus or a vehicle being used for transportation of students to or from school or a school-sponsored or school related activity on or off school property
6. Cyberbullying that occurs off school property or outside of a school-sponsored or school-related activity if the cyberbullying:
   i. Interferes with a student’s educational opportunities or
   ii. substantially disrupts the orderly operation of a classroom, school, or school-sponsored or school-related activity

   Cyberbullying as defined under the Texas Education Code:
   Bullying that is done through the use of any electronic communication device, including through the use of a cellular or other type of telephone, a computer, a camera, electronic mail, instant messaging, text messaging, a social media application, an Internet website, or any other Internet-based communication tool.

(2) “HARASSMENT” means threatening to cause harm or bodily injury to another student, engaging in sexually intimidating conduct, causing physical damage to the property of another student, subjecting another student to physical confinement or restraint, or maliciously taking any action that substantially harms another student’s physical or emotional health and safety.

(3) “HIT LIST” means a list of people targeted to be harmed, using:

1. a firearm, as defined by Section 46.01(3), Penal Code;
2. a knife, as defined by Section 46.01(7), Penal Code; or
3. any other object to be used with intent to cause bodily harm.

Bullying is prohibited by the district and could include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name-calling, rumor-spreading, or ostracism. In some cases, bullying can occur through electronic methods, called “cyberbullying.”

If a student believes that he or she has experienced bullying or has witnessed bullying of another student, it is important for the student or parent to notify a teacher, school counselor, principal, or another district employee as soon as possible to obtain assistance and intervention. The administration will investigate any allegations of bullying or other related misconduct.

If the results of an investigation indicate that bullying has occurred, the administration will take appropriate disciplinary action. Disciplinary or other action may be taken even if the conduct did not rise to the level of bullying. The district will also contact the parents of the victim and of the student who was found to have engaged in the bullying. Available counseling options will be provided to these individuals, as well as to any students who have been identified as witnesses to the bullying.

Any retaliation against a student who reports an incident of bullying is prohibited.

Upon the recommendation of the administration, the board may, in response to an identified case of bullying, decide to transfer a student found to have engaged in bullying to another classroom at the campus. In consultation with the student’s parent, the student may also be transferred to another campus in the district. The parent of a student who has been determined by the district to be a victim of bullying may request that his or her child be transferred to another classroom or campus within the district. [Also see Safety Transfers/Assignments]

A copy of the district’s policy is available on the district’s website. A student of parent who is dissatisfied with the outcome of an investigation may appeal through policy FNG (LOCAL).

**PROCEDURES FOR FILING A COMPLAINT AND INVESTIGATION PROCESS**

1. Request and complete the Lamar CISD “Bullying, Harassment and Dating Violence Reporting Form”.
   a. These forms are available from all campus counselors and administrators and on the LCISD website (BULLYING/HARASSMENT/DATING VIOLENCE REPORTING FORM).
   b. Please provide detailed information on the form so that the administrator may complete a thorough investigation.
2. Turn the completed form in to a campus administrator
3. Notice of a reported incident of bullying must be provided to the parent or guardian of the alleged victim on or before the third business day after the date the incident is reported and to the parent or guardian of the alleged bully within a reasonable amount of time after the incident
4. The administrator will investigate the information contained in the complaint.
5. The administrator will contact the parent/guardian of both the alleged victim and alleged perpetrator.

If necessary, the administrator will complete the Campus-Based Stay Away Agreement.

A copy of the district’s policy is available on the district’s website. A student of parent who is dissatisfied with the outcome of an investigation may appeal through policy FNG (LOCAL).

**CAFETERIA SERVICES**

It is the goal of the Lamar CISD Child Nutrition Department that no child should go hungry. Breakfast and lunch are served each day in the school cafeteria. Menu and food prices are posted on the district website as well as [www.schoolcafe.com](http://www.schoolcafe.com).

Students may charge meals up to $15.00. A low balance reminder will be sent home to elementary students and an automated phone call will occur, for all students, when a negative balance appears on the student’s account. If a student reaches the charge limit of $15.00, an alternate breakfast of a cereal and milk will be provided at no cost. During lunch service a cheese sandwich and milk will be provided at no cost until the negative balance is paid or 5 alternate meals have
been served. After 5 alternate meals families should make other arrangements for meals during the school day. A la carte items are not available for charging when a balance remains in the negative. This policy will be consistent for all grade levels on all campuses.

Parents are encouraged to put funds on the student account prior to meal service. Payments can be made at each campus cafeteria with cash or check. Also, payments can be made online at www.schoolcafe.com. At School Cafe, parents can set up balance reminders to be sent to an e-mail address so there are always funds available for meal purchases. Please call with any questions, comments or concerns. If you have any questions, please call Child Nutrition at 832-223-0180.

Lunch money cannot be borrowed from staff members and charges are discouraged. The Lamar CISD participates in the National School Lunch Program, School Breakfast Program, Community Eligibility Provision and Child and Adult Food Care Program by providing free or reduced-price meals for eligible children. Parents must apply for these benefits yearly and qualification is determined by income or food stamp eligibility. Applications are available at www.lcisd.org or www.schoolcafe.com.

FOOD OF MINIMAL NUTRITIONAL VALUE

The Texas Department of Agriculture forbids the sale, access, or sharing of Food of Minimal Nutritional Value (FMNV) or competitive foods, as defined by the Texas Department of Agriculture. Contact the campus principal or the website www.agr.state.tx.us for more information. See Policy FFA Local for district compliance.

CAFETERIA RULES

Students are prohibited from engaging in breaking rules as they apply to the cafeteria:

- Enter in an orderly manner and walk in line; do not run or push.
- Feel free to talk or visit with friends, but avoid shouting.
- Trays, trash, paper, cups and glasses must be removed from the table.
- Do not take food or drinks of any kind outside the cafeteria.
- Do not sit on the tables.
- Put all garbage in the receptacles in the cafeteria area.
- Do not throw food or objects.
- Students are not allowed to leave campus for lunch.
- Commercial delivery of food and/or drink is prohibited.

VENDING MACHINES

The district has adopted policies and implemented procedures to comply with state and federal Child Nutrition guidelines for restricting student access to vending machines. For more information regarding these policies and guidelines contact the campus principal. [See policies at CO and FFA.]

SNACK SMART, SNACK HEALTHY

The healthy, hunger-free kids act required the USDA to establish nutrition standards for all foods and beverages sold to students outside of the National School Lunch Program and School Breakfast Program meals on the school campus during the school day. These science-based nutrition standards promote a healthy school environment and apply to all foods sold, such as:

- A la carte cafeteria sales
- School stores
- Snack bars
- Vending machines
- Fundraisers

COMPETITIVE FOODS AND FUNDRAISERS

Schools will be allowed to have unlimited fundraisers that adhere to the federal Competitive Rule (i.e. Smart Snacks) requirements. Food items that do not meet the Competitive Rule requirements must be sold outside of the school day. The following are additional examples of allowable fundraisers that may occur during the school day:
• Any non-food items
• Any food items not meant for consumption on the school campus during the school day (e.g. cookie dough to be prepared at home)
• Any food item sold at the end of the day. Per the Texas Department of Agriculture (TDA) the school day is from midnight to 30 minutes after the last bell.
• Food items sold in concession stands after the end of the school day.
• Schools are allowed to have 6 fundraisers that are exempt from the Smart Snack Guidelines. These 6 dates must be on the master calendar and turned in to the Child Nutrition Office at the beginning of each school year for approval.

SPECIAL DIETARY ACCOMMODATIONS

The Texas Department of Agriculture has set forth the following guidelines for accommodating children with special dietary needs. The district must maintain an updated Physician’s request form on file while providing these special dietary accommodations. To ensure that students receive the food he/she needs to fulfill their recommended diet, please ask their Physician to complete the Physician's Request for Dietary Accommodations form with the information below:

A Physician’s Request for Dietary Accommodations Form must:

• Be signed by a licensed physician
• Identify the child’s disability
• Include an explanation of why the disability restricts the child’s diet
• Identify the major life activity affected by the disability
• List the food or foods to be omitted from the child’s diet and the food or choice of foods that must be substituted

All requests must be on the Lamar CISD Physician’s Request for Dietary Accommodations form located on the Lamar CISD Child Nutrition website. NOTE: Lamar CISD Child Nutrition may make substitutions at our discretion on a case-by-case basis for students who do not have a disability but who are medically certified as having a special medical or dietary need. This provision covers those students who have food intolerances or allergies but do not have life-threatening reactions (anaphylactic reactions) when exposed to the food(s) to which they have problems. This documentation must first be given to the school nurse who will then send it to the Child Nutrition office. Dietary accommodations will be arranged once Child Nutrition receives and processes the request. During high volume times of the year, it may take up to 2 weeks for accommodations to begin. NOTE: Dietary accommodations that require the purchase of specific items may not be available immediately. It may take up to 4 weeks to receive the first delivery of special orders.

RELIGIOUS ACCOMMODATIONS AND ALERTS

Lamar CISD can only provide dietary accommodations to students with a valid medical condition and not religious/preference requests. The Child Nutrition Department can only add an alert to a student’s account pertaining to dietary accommodations after we have received a valid medical condition request per the Physician’s Request Form for Dietary Accommodations. All other alerts will need to be made by the parent(s)/guardian(s) through School Café.

BIRTHDAY TREATS

Birthday treats are recommended to be served after the lunch period ends so that treats do not spoil students’ appetites for a nutritious meal. The treats will be shared at a time designated by the campus principal. The birthday treat exception does not constitute a birthday party; therefore, other items (party favors, treat bags, balloons and flowers) cannot be brought to school.

Because of the time constraints, the treat is limited to one item per classmate and it must be a store purchased single serve item (i.e. cupcake, cookie, etc.) so that it can be served, eaten, and cleaned up within a reasonable time.

Although we cannot prohibit a parent/grandparent from providing food/treats for their child’s birthday, parents and grandparents may be held personally liable for an adverse reaction a student may have as a result of food brought in by parents or grandparents. The district discourages food being brought in by parents/grandparents for the following reasons:

• Protect instructional time
• Student food allergies (peanut, gluten, eggs, etc.)
CELEBRATIONS/PARTIES

School parties may be scheduled twice a year. No other parties including birthday parties will be observed at school. Gifts, balloons, treat bags and flowers, are prohibited at school. Invitations to individual parties may not be distributed at school.

CHILD SEXUAL ABUSE AND OTHER MALTREATMENT OF CHILDREN

The district has established a plan for addressing child sexual abuse and other maltreatment of children, which may be accessed at [http://www.lcisd.org/students-parents/bullying-child-safety](http://www.lcisd.org/students-parents/bullying-child-safety). As a parent, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child’s mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. A person who compels or encourages a child to engage in sexual conduct commits abuse. It is illegal to make or possess child pornography or to display such material to a child. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility, under state law, for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS).

Possible physical warning signs of sexual abuse could be difficulty sitting or walking, pain in the genital areas, and claims of stomachaches and headaches.

Behavioral indicators may include verbal references or pretend games of sexual activity between adults and children, fear of being alone with adults of a particular gender, or sexually suggestive behavior. Emotional warning signs to be aware of include withdrawal, depression, sleeping and eating disorders, and problems in school.

A child who has experienced sexual abuse or any other type of abuse or neglect should be encouraged to seek out a trusted adult. Be aware as a parent or other trusted adult that disclosures of sexual abuse may be more indirect than disclosures of physical abuse and neglect, and it is important to be calm and comforting if your child, or another child, confides in you. Reassure the child that he or she did the right thing by telling you.

As a parent, if your child is a victim of sexual abuse or other maltreatment, the school counselor or principal will provide information regarding counseling options for you and your child available in your area. The Texas Department of Family and Protective Services (TDFPS) also manages early intervention counseling programs. To find out what services may be available in your county, see [http://www.dfps.state.tx.us/Prevention_and_Early_Intervention/Programs_Available_In_Your_County/default.asp](http://www.dfps.state.tx.us/Prevention_and_Early_Intervention/Programs_Available_In_Your_County/default.asp)

CONDUCT

APPLICABILITY OF SCHOOL RULES

The district has disciplinary authority over a student in accordance with the Student Code of Conduct. Students and parents should be familiar with the standards set out in the Student Code of Conduct, as well as campus and classroom rules. During any periods of instruction during the summer months, the Student Handbook and Student Code of Conduct in place for the year immediately preceding the summer period shall apply, unless the district amends either or both documents for the purposes of summer instruction. See Student Code of Conduct section in this handbook.

DISRUPTIONS OF SCHOOL OPERATIONS

Disruptions of school operations are not tolerated and may constitute a misdemeanor offense.

As identified by law, disruptions include the following:
• Interference with the movement of people at an exit, entrance, or hallway of a district building without authorization from an administrator.
• Interference with an authorized activity by seizing control of all or part of a building.
• Use of force, violence, or threats in an attempt to prevent participation in an authorized assembly.

Class disruption includes making loud noises; trying to entice a student away from, or to prevent a student from attending, a required class or activity; and entering a classroom without authorization and disrupting the activity with loud or profane language or any misconduct.
• Interference with the transportation of students in vehicles owned or operated by the district.

SOCIAL EVENTS
School rules apply to all school social events. Guests attending these events are expected to observe the same rules as students, and a student inviting a guest will share responsibility for the conduct of his or her guest. Students leaving before the official end of the event will not be readmitted.

Students and their parents are encourage to talk with a school counselor, teacher, or principal to learn more about course offerings, graduation requirements, and early graduation procedures. Each spring, secondary students will be provided information on anticipated course offerings for the next school year and other information that will help them kae the most of academic and CTE opportunities.
To plan for the future, each student should work closely with the school counselor in order to enroll in the high school courses that best prepare him or her for attendance at a college, university, or training school, or for pursuit of some other type of advanced education.

**DATING VIOLENCE, DISCRIMINATION, HARASSMENT, AND RETALIATION**

The district believes that all students learn best in an environment free from dating violence, discrimination, harassment, and retaliation and that their welfare is best served when they are free from this prohibited conduct while attending school. Students are expected to treat other students and district employees with courtesy and respect; to avoid behaviors known to be offensive; and to stop those behaviors when asked or told to stop. District employees are expected to treat students with courtesy and respect.

The board has established policies and procedures to prohibit and promptly respond to inappropriate and offensive behaviors that are based on a person’s race, color, religion, gender, national origin, disability, or any other basis prohibited by law. [See policy FFH]

**DATING VIOLENCE**

Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other person in the relationship. Dating Violence also occurs when a person commits these acts against a person in a marriage or dating relationship with the individual who is or was once in a marriage or dating relationship with the person committing the offense, as defined by Section 71.0021 of the Family Code. This type of conduct is considered harassment if the conduct is so severe, persistent, or pervasive that it affects the student’s ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; or substantially interferes with the student’s academic performance.

Examples of dating violence against a student may include, but are not limited to, physical or sexual assaults, name-calling, put-downs, threats to hurt the student or the student’s family members or members of the student’s household, destroying property belonging to the student, threats to commit suicide or homicide if the student ends the relationship, attempts to isolate the student from friends and family, stalking, or encouraging others to engage in these behaviors.

**DISCRIMINATION**

**HARASSMENT**

Harassment, in general terms, is conduct so severe, persistent, or pervasive that it affects the student’s ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; or substantially interferes with the student’s academic performance. A copy of the district’s policy is available in the principal’s office and in the superintendent’s office or on the district’s Web site.

Examples of harassment may include, but are not limited to, offensive or derogatory language directed at a person’s religious beliefs or practices, accent, skin color, or need for accommodation; threatening or intimidating conduct; offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

**SEXUAL HARASSMENT AND GENDER-BASED HARASSMENT**

Sexual harassment and gender-based harassment of a student by an employee, volunteer, or another student is prohibited. Sexual harassment of a student by an employee or volunteer does not include necessary or permissible physical contact not reasonably construed as sexual in nature. However, romantic and other inappropriate social relationships, as well as all sexual relationships between students and district employees are prohibited, even if consensual.
Examples of prohibited sexual harassment may include, but not be limited to, touching private body parts or coercing physical contact that is sexual in nature; sexual advances; jokes or conversations of a sexual nature; and other sexually motivated conduct, communications, or contact.

A person who makes a false claim or offers false statements or refuses to cooperate with a district investigation, however, may be subject to appropriate discipline.

Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

**REPORTING PROCEDURES**

Any student who believes that he or she has experienced dating violence, discrimination, harassment, or retaliation should immediately report the problem to a teacher, counselor, principal, or other district employee. The report may be made by the student’s parent. See policy FFH(LOCAL) for the appropriate districts officials to whom to make a report.

Upon receiving a report of prohibited conduct as defined by policy FFH, the district will determine whether the allegations, if proven, would constitute prohibited conduct as defined by that policy. If not, the district will refer to policy FFI to determine if the allegations, if proven, would constitute bullying, as defined by law and that policy. If the alleged prohibited conduct, if proven, would by law and policy FFI, an investigation of bullying will also be conducted.

The district will promptly notify the parents of any student alleged to have experienced prohibited conduct involving an adult associated with the district. To the extent possible, the district will respect the privacy of the student; however, limited disclosures may be necessary to conduct a thorough investigation and to comply with law. Allegations of prohibited conduct, which includes dating violence, discrimination, harassment, and retaliation, will be promptly investigated.

If a law enforcement or other regulatory agency notifies the district that it is investigating the matter and requests that the district delay its investigation, the district will resume the investigation at the conclusion of the agency’s investigation.

During the course of an investigation and when appropriate, the district will take interim action to address the alleged prohibited conduct. If the district’s investigation indicates that prohibited conduct occurred, appropriate disciplinary action, and, in some cases, corrective action, will be taken to address the conduct. The district may take disciplinary and corrective action even if the conduct that is the subject of the complaint was not unlawful.

All involved parties will be notified of the outcome of the district investigation within the parameters and limits allowed under the Family Educational Rights and Privacy Act (FERPA).
A student or parent who is dissatisfied with the outcome of the investigation may appeal in accordance with policy FNG(LOCAL).

Any article of clothing or grooming the principal or designee determines inappropriate, a safety concern, or can reasonably be expected to cause disruption or interference with normal school operations is prohibited.

**DRIVING AND PARKING PRIVILEGES**

Driving and parking is a privilege. Consult your campus administrator for eligibility and guidelines.

**DYSLEXIA**

Children identified as Dyslexic according to the TEA Dyslexia Handbook Guidelines are eligible to receive intervention services and accommodations in the classroom and on state mandated testing (as allowed by TEA) through the Special Education or Section 504 programs. If a student is experiencing difficulty in reading, the campus Problem Solving Team (PST) should convene to discuss possible interventions or referral for a dyslexia evaluation. This evaluation is handled through the Special Education process. At any time, a parent may request an evaluation for dyslexia, and the campus should convene a PST to discuss the parent’s concerns and determine if a referral for an evaluation is warranted.
Lamar Consolidated Independent School District is dedicated to giving all students the opportunity to participate in a highly competitive and comprehensive extracurricular program by employing dedicated professionals and providing appropriate funding through fairly administered and conducted activities. We believe that extracurricular activities are a microcosm of society and that through participation in our programs, students will inherently learn life skills enabling them to be productive members of society, capable of managing time, striving to set and obtain goals, and developing an enhanced self-discipline. Three main themes are apparent in all successful extracurricular programs: integrity, character, and honesty. The extracurricular program at Lamar CISD is a privilege and as such, the student is held to a much higher standard than that of the general school population; therefore, the guidelines and rules that each coach/sponsor/director sets for the team may be stricter than those delineated in the Student Code of Conduct.

Activities may include, but are not limited to, performances, contests, demonstrations, displays, and club activities. Any student may be denied participation by the principal or assistant principal for improper attitude, breaking training rules, or conduct unbecoming a representative of the school. [FO Local]

**ELIGIBILITY FOR EXTRA CURRICULAR ACTIVITIES**

A student must be classified as a full-time student in order to participate in extracurricular activities or hold office. A student is defined as full-time if he/she is enrolled in at least 240 minutes of instruction per day. The District will not discriminate against any student or exclude any student from any activity, including any class of extracurricular activity, on the basis of the student’s pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery there from, unless the student requests voluntarily to participate in a separate portion of the district’s program or activity. (Policy FNE-Legal)

**DISABLED STUDENTS**

Students identified as disabled under Texas Education Code, Sections 29.003(b) are exempt from the provisions of this policy.

**CLUBS AND ORGANIZATIONS**

Participation in school clubs and organizations aids in the development of well-rounded personalities and strengthens the student’s feeling of school spirit. Some clubs are organized each year and many are continued from year to year. To organize a new club, students must have a sponsoring teacher and a charter, and then must obtain principal approval. Established organizations are governed by their approved charters or bylaws.

**CO-CURRICULAR ACTIVITIES**

Co-curricular activities are an extension of classroom instruction where the entire class or significant portion participates. Co-curricular activities are included in teachers’ instructional plans and are conducted or supervised by a classroom teacher or other professional such as a librarian, school nurse, counselor, or administrator. Rules governing suspension from extracurricular activities do not prevent a student from participating in after-school co-curricular activities. Absences for participating in co-curricular activities are not counted under the 10-day absence rule that governs absences for UIL and extracurricular activities.

**CODE OF CONDUCT**

Please refer to the LCISD Extracurricular Code of Conduct and Extracurricular section in this handbook.
FEES

Materials that are part of the basic educational program are provided with state and Local funds at no charge to a student. A student, however, is expected to provide his or her own pencils, paper, erasers, and notebooks and may be required to pay certain other fees or deposits, including:

Such student and his or her parent or guardian must present evidence of their inability to pay to the appropriate principal who shall determine eligibility for a fee waiver. [Policy FP Local]

FUND-RAISING

Student groups or classes and/or parent groups may be permitted to conduct fund-raising drives for approved school purposes. An application for permission must be made to the principal and Superintendent or designee at least 10 days before the event. All fund-raising using outside vendors shall be conducted through vendors who are listed on the District Approved Fund-Raising Vendor List. This list is maintained and distributed by the District purchasing office. Door-to-door sales are absolutely forbidden by board policy. Students who choose to participate in a school fund-raiser assume the responsibility of either returning undamaged products or making full payment for the purchased products. [For further information, see policies at FJ and GE.]

GANG-FREE ZONES

Certain criminal offenses, including those involving organized criminal activity such as gang-related crimes, will be enhanced to the next highest category of offense if they are committed in a gang-free zone. For purposes of the district, a gang-free zone includes a school bus and a location in, on, or within 1000 feet of any district-owned or leased property or campus playground.
HEALTH-RELATED MATTERS

CLINICS

All Lamar CISD campuses have a health clinic on campus. Most of the campuses are staffed with a school nurse, either a Registered Nurse or Licensed Vocational Nurse, whose responsibilities include:

- assessment of the nature and level of illness and/or injury to students;
- provisions of appropriate health care to ill and/or injured students;
- referral of students for appropriate medical, dental, or other health care as deemed necessary for the student’s well-being;
- prevention of the spread of communicable diseases by excluding students known to have or suspected to have communicable diseases (Policy FFAD) and enforcing the immunization laws of the Texas Department of State Health Services. (Policy FFAB);
- administration of medication and/or special medical procedures needed by students during the school day;
- maintenance of individual health records on all students including immunization records as mandated by state law and Local board policy;
- provision of hearing, vision, Type II Diabetes Risk (Acanthosis Nigricans) and scoliosis screening for all students as mandated by state law and LCISD board policy (Policies FFAA, FFAA-Local);
- provision of health education and counseling as needed by students to promote healthy life-styles and choices;
- serving as a liaison and health advocate to help enhance communication and understanding between students, parents, administrators, teachers, support staff, and the medical community.

IMMUNIZATIONS

All students must be fully immunized against all diseases mandated by, and in accordance with, the Texas Department of State Health Services and county health departments. In order to complete the enrollment process, students must have all required immunizations and proof must be presented in the form of personal immunization records from a licensed physician or public health clinic, with a signature or rubber stamp validation. In addition, students must present valid proof of booster doses as they become due in order to be in compliance with Texas’ state immunization laws. Failure to do so in a timely manner will result in the student’s exclusion from school until proof of the booster is presented. (Policy FFAB) Parents may obtain information on age-appropriate immunization schedules from the School Nurse, private physicians, the Fort Bend County Health Department, the Access Health Center, or on the LCISD Web Site.

Students who have not completed the entire series of immunizations as required by law, may be permitted to enroll in school on a provisional basis only if: they present validated proof that at least one in each of the required series of vaccinations has been given, and with the understanding that the student must be given each subsequent dose in accordance with the schedule set by the Texas Department of State Health Services. Failure to do so will result in the student being excluded from school until the immunizations are updated.

All newly enrolled students and those re-enrolling after being out of the country for 30 days or longer must present proof of a negative Tuberculin skin test (Mantoux). When the tuberculin skin test is positive, students should show proof of a chest x-ray that is negative for active TB prior to enrollment. Students who have a positive TB skin test and a negative chest x-ray may be enrolled in the district when they present proof that they are receiving prophylactic treatment from the Fort Bend County Health Department and/or a family physician. Students who have been diagnosed with active TB may not attend school until they present proof from a physician that they are not considered contagious and may return to school. The district may require any student to have a tuberculin skin test or chest x-ray whenever it is reasonably believed that the student may be suffering from or exposed to TB.

EXEMPTIONS FROM IMMUNIZATIONS

Terms of conditions for exemption from immunization requirements TITLE 25, PART 1, CHAPTER 97, SUBCHAPTER B, RULE 97.62 of the Texas Administrative Code (TAC) describes the conditions under which individuals can seek exemption from Texas immunization requirements.
Medical Contraindications - Students can be exempted from one or all vaccine requirements if a medical condition exists that would make it harmful for them to be vaccinated as required. An affidavit or certificate signed by a physician who is registered and licensed to practice medicine within the United States must be presented. The affidavit/certificate must state that, in the physician’s opinion, the immunization required would be injurious to the health and well-being of the applicant or any member of his or her family or household. Unless a lifelong condition is specified, the affidavit or certificate is valid only one year from the date signed by the physician, and must be renewed every year for the exemption to remain in effect.

Service in the Armed Forces - Persons who are on active duty with the U.S. armed forces are exempted from Texas vaccine requirements. Students that are military dependents are allowed up to 30 days for the transfer of his/her immunization records.

Conscientious Objection - Exemptions from Texas’ immunization requirements may be granted by school officials for reason of conscience, including religious conflicts. To request this exemption, the parent or guardian must submit an official Texas Department of State Health Services affidavit requesting the exemption. Exemptions for reason of conscience submitted between September 1, 2003 and March 31, 2004 are effective for five years. Exemptions for reason of conscience submitted on or after April 1, 2004 are effective for two years. This exemption does not apply in times of emergency or outbreak declared by the commissioner of health or Local health authority.

GUIDELINES FOR REQUESTING AN EXEMPTION FOR REASONS OF CONSCIENCE OR RELIGIOUS CONFLICT:

- Only official forms developed and issued by the Texas Department of State Health Services, Immunization Division, will be accepted. No other forms or reproductions will be allowed.
- All requests for an official Texas Department of State Health Services form must be submitted to the Texas Department of State Health Services, Immunization Division, Contact 1-800-252-9152 for more information.
- The official Texas Department of State Health Services form must be notarized and submitted to school officials within 90 days from the date it is notarized. The affidavit will be valid for a two-year period from the date of notarization unless otherwise noted.
- A separate form is required for each child.

Medication

All medications should be given at home. However, if a student has a health condition that requires medication to be given at school, the following guidelines will be strictly adhered to:

1. All medications must be furnished by the parent/guardian and given to the School Nurse immediately upon arrival at school, and kept in the clinic at all times.
2. All medication must be sent in the original container and must be properly labeled with the student’s name, in addition to all information on the medication’s manufacturer’s label. Prescription medication must be in the original container with the original pharmacy label intact.
3. All medication must be accompanied by a written request signed by the parent/guardian identifying the student, the medicine, the amount, and time(s) it is to be given, and the length of time the student will be taking the medication.
4. A written order signed by a doctor, specifying the student’s name, the name of the medication, the dosage, and the time it is to be given must accompany any medication that:
   - is to be kept or given at school for more than 6 weeks, (FFAC Local)
   - is to be kept on the student’s person
   (i.e., asthma inhalers, diabetic supplies, Epipens, etc.) during the school day. The doctor’s order must specify that the student is to keep the medication with him/her while they are at school.
5. Doctor’s orders and parent authorizations for routine medications must be updated at the beginning of each school year, even if the medication and dosage remains the same as the previous year. Parent authorization and physician order forms for medication that is to be given at school are available in the School Nurse's office of each campus or on the campus website.
6. Medications must be approved by the Federal Food and Drug Administration and manufactured in the United States.
• Prescription medications must be prescribed by a healthcare practitioner with legal authority to write a
prescription in the state of Texas.
• Each student, for whom medication is kept at school, shall be photographed for the sole purpose of
identification.
• Unused medication that is considered to be a controlled substance will not be sent home with students.
The parent, or parent’s designee, must retrieve the medication from school.

PSYCHOTROPIC DRUGS

A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a
medication. It is intended to have an altering effect on perception, emotion, or behavior and is commonly described as a
mood or behavior-altering substance.

Teachers and other district employees may discuss a student’s academic progress or behavior with the student’s parents
or another employee as appropriate; however, they are not permitted to recommend use of psychotropic drugs. A district
employee who is a registered nurse, an advanced nurse practitioner, a physician, or a certified or credentialed mental health
professional can recommend that a student be evaluated by an appropriate medical practitioner, if appropriate. [For further
information, see policies at FFAC.]

SPECIAL PROCEDURES

When students have special procedures (i.e. nebulizer treatments, catheterizations, suctioning, tube feedings,
tracheostomy care, etc.) that must be done during the school day, a doctor’s order and parent permit must be presented
to the Nurse before treatment can be started. Parents are responsible for providing all equipment and supplies for these
procedures.

MEDICAL EXCUSES

Any student who has been absent from school due to major illness, injury, surgery, hospitalization, or childbirth should
present a physician’s statement upon return to school that specifies the reason for the absence, any necessary restrictions
or concerns, and when the student is released to return to school. If a student needs to be excused from participation in
physical education activities for medical reasons, a written excuse from the parent must be provided if the student is to be
excused for less than 2 days. If a student is to be excused from physical education activities for more than 2 days, please
present a written excuse from the doctor.

STUDENT ILLNESS, INJURIES, OR MEDICAL SITUATIONS

Students who become ill, injured, or have an emergency situation during the school day should alert their teacher and obtain
a pass to see the School Nurse. The School Nurse will assess the student’s level of illness or injury, administer the
appropriate care and/or first aid, and determine if the student should remain in school for the remainder of the day. If the
School Nurse determines that the student cannot finish the day because the illness or injury will impede the student’s school
performance, needs prompt medical attention, or is possibly a communicable disease, she will notify the parent/guardian of
the student’s condition and request that the student be picked up from school. No student may leave school until he/she
has been released by the School Nurse or Principal. Failure to do this may result in the student being considered truant.
(Policy FNC-Local)

It is the responsibility of the parent/guardian to provide school personnel with current home, work, and emergency phone
numbers so that they can be reached in the event that their student becomes ill or injured during the school day. (FFAC
Local) An emergency information form is now provided to parents and or guardians online and is required to be completed
and updated each new school year.

In addition, it is the responsibility of the parent/guardian to provide transportation promptly for students who need to be
picked up from school due to illness or injury, and to seek medical care if the student’s condition warrants.

FOOD ALLERGY

Lamar CISD has developed a district Food Allergy Management Plan for life threatening food allergies (FFAF).
The district requests to be notified when a student has been diagnosed with a severe food allergy, especially those allergies
that could either result in dangerous or possibly life-threatening reactions by inhalation, ingestion, or skin contact with the
particular food. It is important to disclose the food to which the student is allergic as well as the nature of the allergic reaction.

Students with life threatening food allergies or disabilities requiring diet modifications may have an alert posted on the cafeteria computer system. In order for the alert to be activated, Lamar CISD requires that students with severe food allergies complete a physician’s request for dietary accommodation form and a food allergy action plan detailing the student’s lifethreatening allergy, the food or foods to be omitted and the food choices that can be substituted.

Please contact the school nurse on your child’s campus regarding any known food allergy or as soon as possible after the diagnosis of a food allergy and to obtain this form. This form may also be found at www.lcisd.org/departments/business-office/food-service. The completed form should then be returned to the school nurse to be shared with the nutrition department.

The district encourages parents and students to be respectful of allergies students have when bringing lunches and/or other snacks to school. In addition, food allergy plans may require limitations where permitted by law.

ILLNESSES AND INJURIES

In the event of a severe or lifethreatening illness, injury, or emergency situation, and the School Nurse determines that the student needs immediate medical attention, the nurse will administer the appropriate nursing care and/or first aid, and notify emergency personnel so that the student can be properly assessed, treated, and transported to the appropriate medical facility. (FFAC Local) In the event of such an emergency, the parent/guardian will be notified as soon as possible. If the student is transported to a hospital or emergency facility, school personnel will remain with the student until the parent/guardian arrives. The school district is not responsible for any costs of medical care, emergency care, or transportation. (Policy FFAD Local)

LCISD encourages all students to attend school every day unless prevented by severe injury, illness, or hospitalization. For the protection and well-being of all students, parents should keep students home if they have a temperature elevation (>100.0F), are severely ill, or are known to have (or suspected to have) a contagious health condition. Students must be fever-free for 24 hours without fever reducing medicine before returning to school. If a child vomits two or more times within 24 hours, they will need to stay home for at least 24 hours to ensure they are not contagious. Students with any diarrheal illness must be excluded from school until they are diarrhea free for 24 hours without the use of diarrhea suppressing medication.

The district is also required to report certain contagious (communicable) diseases or illness to the Texas Department of State Health Services (TDSHS) or our local/regional health authority. The school nurse can provide information for TDSHS on these notifiable conditions. Please contact the school nurse if you have questions or if you are concerned about whether or not your child should stay home.

LICE

It is important for parents to monitor their children for the presence of head lice and report any live lice or nits to the school nurse. Head lice, although not an illness or a disease, is very common among children and is spread very easily through head to head contact during play and/or sports and also when children share things like brushes, combs, hats and headphones.

Children should be screened regularly at home to monitor and identify any new cases. Parent awareness promotes prevention and therefore, early recognition and treatment will help minimize the spread of lice. If a student is found to have live lice during the school day, the school nurse will contact the student’s parent/guardian and discuss a plan of treatment. The Centers for Disease Prevention and Control (CDC) recommends treatment with a FDA-approved medicated shampoo or cream rinse. Once the student has received treatment then the parent should contact the school nurse. The nurse may also then offer additional recommendations, including subsequent treatments and information to best eliminate lice and prevent their return.

An official lice notification letter will be sent home informing parents/guardian if there is an occurrence of lice in the elementary classrooms only.
**Bacterial Meningitis**

State law specifically requires the district to provide the following information:

**What is meningitis?**

Meningitis is an inflammation of the covering of the brain and spinal cord. It can be caused by viruses, parasites, fungi, and bacteria. Viral meningitis is most common and the least serious. Bacterial meningitis is the most common form of serious bacterial infection with the potential for serious, long-term complications. It is an uncommon disease, but requires urgent treatment with antibiotics to prevent permanent damage or death.

**What are the symptoms?**

Someone with meningitis will become very ill. The illness may develop over one or two days, but it can also rapidly progress in a matter of hours. Not everyone with meningitis will have the same symptoms.

Children (over 1 year old) and adults with meningitis may have a severe headache, high temperature, vomiting, sensitivity to bright lights, neck stiffness or joint pains, and drowsiness or confusion. In both children and adults, there may be a rash of tiny, red-purple spots. These can occur anywhere on the body.

The diagnosis of bacterial meningitis is based on a combination of symptoms and laboratory results.

**How serious is bacterial meningitis?**

If it is diagnosed early and treated promptly, the majority of people make a complete recovery. In some cases it can be fatal or a person may be left with a permanent disability.

**How is bacterial meningitis spread?**

Fortunately, none of the bacteria that cause meningitis are as contagious as diseases like the common cold or the flu, and they are not spread by casual contact or by simply breathing the air where a person with meningitis has been. The germs live naturally in the back of our noses and throats, but they do not live for long outside the body. They are spread when people exchange saliva (such as by kissing, sharing drinking containers, utensils, or cigarettes).

The germ does not cause meningitis in most people. Instead, most people become carriers of the germ for days, weeks, or even months. The bacteria rarely overcome the body’s immune system and cause meningitis or another serious illness.

**How can bacterial meningitis be prevented?**

Maintaining healthy habits, like getting plenty of rest, can help prevent infection. Using good health practices such as covering your mouth and nose when coughing and sneezing and washing your hands frequently with soap and water can also help stop the spread of the bacteria. It’s a good idea not to share food, drinks, utensils, toothbrushes, or cigarettes. Limit the number of persons you kiss.

There are vaccines available to offer protection from some of the bacteria that can cause bacterial meningitis. The vaccines are safe and effective (85–90 percent). They can cause mild side effects, such as redness and pain at the injection site lasting up to two days. Immunity develops within seven to ten days after the vaccine is given and lasts for up to five years.

**What should you do if you think you or a friend might have bacterial meningitis?**

You should seek prompt medical attention.

**Where can you get more information?**

Your school nurse, family doctor, and the staff at your Local or regional health department office are excellent sources for information on all communicable diseases. You may also call your Local health department or Regional Department of State Health Services office to ask about a meningococcal vaccine. Additional information may also be found at the Web sites for the Centers for Disease Control and Prevention, http://www.cdc.gov, and the Department of State Health Services, http://www.dshs.state.tx.us/.
Please note that the Texas Department of State Health Services requires students to have one dose of meningococcal vaccination for grades 7-12, and state guidelines recommend this vaccination be administered between age 11 and 12 with a booster dose at 16 years of age. Also, note that entering college students must show, with limited exception, evidence of receiving a bacterial meningitis vaccination within the five-year period prior to enrolling in and taking courses at an institution of higher education. Please see the school nurse for more information, as this may affect a student who wishes to enroll in a dual credit course taken off campus.

**Physical Activity**

The District ensures compliance with laws regarding physical activities. See Policy FFA (LOCAL). Parents may request the results of their child’s physical fitness assessment. The request must be in writing to their child’s campus principal.

**Physical Activity for Students in Middle School and Junior High**

Students in middle or junior high school shall engage in 30 minutes of moderate or vigorous physical activity per day for at least four semesters OR at least 225 minutes of moderate or vigorous physical activity within a two-week period for at least four semesters.

For additional information on the district’s requirements and programs regarding elementary, middle, and junior high school student physical activity requirements, please see the principal.

**School Health Advisory Council**

The duties of the SHAC range from recommending curriculum to developing strategies for integrating curriculum into a coordinated school health program encompassing issues such as school health services, counseling services, a safe and healthy school environment, recess recommendations, improving student fitness, mental health concerns, and employee wellness.

During the preceding school year, the district’s School Health Advisory Council held four meetings. Additional information regarding the district’s School Health Advisory Council is available from the Athletic Director. [See also policies at BDF (LEGAL), EHAA.]

**Physical Fitness Assessments**

Annually, the district will conduct a physical fitness assessment of students in grades 3–12. At the end of the school year, a parent may submit a written request to principal to obtain the results of his or her child’s physical fitness assessment conducted during the school year.

**Health Screenings**

The Texas Health and Safety Code mandate health screenings for vision, hearing, spinal curvature and pre-diabetes. For more information about these screenings, please contact the school nurse.

**Change of Clothes**

In the event that a student soils his/her clothing during the school day to the extent that a change of an item or outfit is needed, parents are strongly encouraged to provide a change of clothes for their child which can be kept in the student’s backpack. Having their own clothes to change into is more comforting to the child. At times, the clinic may have suitable clothing to loan the student. However, the clinic is not responsible for providing clothing. If clothing is not available, parents may be contacted to bring clothes to school immediately. The purpose of this recommendation is to reduce the missed instructional time when they are out of the classroom waiting in the clinic for clothes.

**Other Health-Related Matters**

**Tobacco Prohibited**

Students are prohibited from possessing or using any type of tobacco product, including electronic cigarettes (e-cigarettes), or any other electronic vaporizing device, while on school property at any time or while attending an off-campus school-related activity.

The district and its staff strictly enforce prohibitions against the use of tobacco products, including electronic cigarettes (e-
cigarettes), or any other electronic vaporizing device by students and others on school property and at school-sponsored and school-related activities and in vehicles owned or operated by the district. [See the Student Code of Conduct and policies at FNCD and GKA.]

**Steroids**

State law prohibits students from possessing, dispensing, delivering, or administering an anabolic steroid. Anabolic steroids are for medical use only, and only a physician can prescribe use. Body building muscle enhancement, or the increase of muscle bulk or strength through the use of an anabolic steroid or human growth hormone by a healthy student is not a valid medical use and is a criminal offense.

**Asbestos Management Plan**

The district’s Asbestos Management Plan is designed to be in compliance with state and federal regulations. If you have any questions, please contact the Director of Operations at 832-223-0278.

**Pest Management Plan**

The district is required to follow integrated pest management (IPM) procedures to control pests on school grounds. Although the district strives to use the safest and most effective methods to manage pests, including a variety of non-chemical control measures, pesticide use is sometimes necessary to maintain adequate pest control and ensure a safe, pest-free school environment.

All pesticides used are registered for their intended use by the United States Environmental Protection Agency and are applied only by certified pesticide applicators. Except in an emergency, signs will be posted 48 hours before indoor application. All outdoor applications will be posted at the time of treatment, and signs will remain until it is safe to enter the area. Parents who have further questions or who want to be notified prior to pesticide application inside their child’s school assignment area may contact the Director of Operations at 832-223-0278.

**Insect Repellant and Lotion Use During School Hours**

Concerned parents are strongly encouraged to use a repellant and/or lotion on their child before they leave for school, especially younger children who may have difficulty applying the repellant safely. No repellant sprays or lotions will be provided by or applied by school personnel during the school day unless the proper medical documentation is provided.

Parents who are concerned about mosquito exposure during the school day may send a lotion, wipe-on or wristband type of repellant for use by their child. (Sprays pose the risk of accidental exposure and will not be allowed.) Parent written permission must also be provided. Parents should instruct their child in the proper use and application of an acceptable repellant and/or lotion, since it will be retained in the child’s possession (backpack, etc.) for use when going outside for activities or practices.

Students with physical limitations that make it impossible to self-apply a repellant will also need to bring a parent note giving written permission for assistance with the repellant or lotion.

Efforts will be on-going through Maintenance and Operations to prevent standing water and tall grass in play and practice areas. Please contact your child’s campus nurse if you have any questions.

**Homeless Students**

For more information on enrollment, services and school of origin options for homeless students, contact the district’s homeless education liaison at 832-223-0430.
LAW ENFORCEMENT AGENCIES

QUESTIONING OF STUDENTS

When law enforcement officers or other lawful authorities wish to question or interview a student at school, the principal will cooperate fully regarding the conditions of the interview, if the questioning or interview is part of a child abuse investigation. In other circumstances:

- The principal will verify and record the identity of the officer or other authority and ask for an explanation of the need to question or interview the student at school.
- The principal ordinarily will make reasonable efforts to notify the parents unless the interviewer raises what the principal considers to be a valid objection.
- The principal ordinarily will be present unless the interviewer raises what the principal considers to be a valid objection.

STUDENTS TAKEN INTO CUSTODY

State law requires the district to permit a student to be taken into legal custody:

- To comply with an order of the juvenile court.
- To comply with the laws of arrest.
- By a law enforcement officer if there is probable cause to believe the student has engaged in delinquent conduct or conduct in need of supervision.
- By a probation officer if there is probable cause to believe the student has violated a condition of probation imposed by the juvenile court.
- By an authorized representative of Child Protective Services, Texas Department of Family and Protective Services, a law enforcement officer, or a juvenile probation officer, without a court order, under the conditions set out in the Family Code relating to the student’s physical health or safety.
- To comply with a properly issued directive to take a student into custody.

Before a student is released to a law enforcement officer or other legally authorized person, the principal will verify the officer’s identity and, to the best of his or her ability, will verify the official’s authority to take custody of the student.

The principal will immediately notify the superintendent and will ordinarily attempt to notify the parent unless the officer or other authorized person raises what the principal considers to be a valid objection to notifying the parents. Because the principal does not have the authority to prevent or delay a student’s release to a law enforcement officer, any notification will most likely be after the fact.

NOTIFICATION OF LAW VIOLATIONS

The district is required by state law to notify:

- All instructional and support personnel who have responsibility for supervising a student who has been arrested or referred to the juvenile court for any felony offense or for certain misdemeanors.
- All instructional and support personnel who have regular contact with a student who is required to register as a sex offender or who has been convicted, received deferred prosecution, received deferred adjudication, or was adjudicated for delinquent conduct for any felony offense or certain misdemeanors.

[For further information, see policies FL(LEGAL) and GRA(LEGAL).]
PARENTAL INVOLVEMENT

WORKING TOGETHER

Both experience and research tell us that a child’s education succeeds best when there is good communication and a strong partnership between home and school. Your involvement in this partnership may include:

- Encouraging your child to put a high priority on education and working with your child on a daily basis to make the most of the educational opportunities the school provides.
- Ensuring that your child completes all homework assignments and special projects and comes to school each day prepared, rested, and ready to learn.
- Becoming familiar with all of your child’s school activities and with the academic programs, including special programs, offered in the district.
- Discussing with the counselor or principal any questions you may have about the options and opportunities available to your child.
- Reviewing the requirements of the graduation programs with your child, once your child begins to enroll in courses that earn high school credit.
- Monitoring your child’s academic progress and contacting teachers as needed. [Refer to the section entitled “Academic Programs”.
- Attending scheduled conferences and requesting additional conferences as needed. To schedule a telephone or in-person conference with a teacher, counselor, or principal, please access your campus website through www.lcisd.org for an appointment. The teacher will usually return your call or meet with you during his or her conference period or before or after school. [Refer to the Grading and Reporting section entitled “Reporting Progress to Students and Parents”.]
- Becoming a school volunteer. [For further information, see policies at GKG and contact Community Relations at 832-223-0330.]
- Participating in campus parent organizations.
- Serving as a parent representative on the district- level or campus-level planning committees, assisting in the development of educational goals and plans to improve student achievement. [For further information, see policies at BQA and BQB, and contact your campus.]
- Serving on the School Health Advisory Council, assisting the district in ensuring Local community values are reflected in health education instruction. [See policies at BDF, EHAA, FFA, and information in this handbook in the Physical Activity section under School Health Advisory Council (SHAC).]
- Attending board meetings to learn more about district operations. [See policies at BE and BED for more information.]

PARENT INVOLVEMENT COORDINATOR

The Parent Involvement Coordinator is the person who works with parents of students participating in Title I programs and may be contacted at 832-223-0335.

PLEDGES OF ALLEGIANCE AND A MINUTE OF SILENCE

Each school day, students will recite the Pledge of Allegiance to the United States flag and the Pledge of Allegiance to the Texas flag. Parents may submit a written request to the principal to excuse their child from reciting a pledge.

One minute of silence will follow recitation of the pledges. Each student may choose to reflect, pray, meditate, or engage in any other silent activity during that minute so long as the silent activity does not interfere with or distract others. In addition, state law requires that each campus provide for the observance of one minute of silence at the beginning of the first class period when September 11 falls on a regular school day in remembrance of those who lost their lives on September 11, 2001. [See policy EC (LEGAL) for more information.]
**PRAYER**

Each student has a right to individually, voluntarily, and silently pray or meditate in school in a manner that does not disrupt instructional or other activities of the school. The school will not encourage, require, or coerce a student to engage in or to refrain from such prayer or meditation during any school activity.

**RELEASE OF STUDENTS FROM SCHOOL**

Please remember that student attendance is crucial to learning. We ask that appointments be scheduled outside of school hours as much as reasonably possible. Also, note that picking up a child early on a regular basis results in missed opportunities for learning. Unless the principal has granted approval because of extenuating circumstances, a student will not regularly be released before the end of the school day. State rules require that parental consent be obtained before any student is allowed to leave campus for any part of the school day. The district has put the following procedures in place in order to document parental consent:

- For all students, a parent or otherwise authorized adult must come to the office and sign the student out. A child will not be released to anyone who is not listed on the student emergency card for the current year. Please be prepared to show photo identification. Once an identity is verified, a campus representative will then call for the student or collect the student and bring him or her to the office. For safety purposes and stability of the learning environment, we cannot allow you to go to the classroom or other area unescorted to pick up the student. If the student returns to campus the same day, the parent or authorized adult must sign the student back in through the main office upon the student's return. Documentation regarding the reason for the absence will also be required.

- For high school student drivers, the student’s parent will authorize the student to leave campus unaccompanied, a note provided by the parent must be submitted to the main office in advance of the absence, no later than two hours prior to the student’s need to leave campus. A phone call received from the parent may be accepted, but the school may ultimately require a note to be submitted for documentation purposes. Once the office has received information that the student’s parent consents to the student leaving campus, a pass will be issued to the student to hand to his or her teacher with the necessary information. The student must sign out through the main office and sign in upon his or her return, if the student returns the same day.

- If a student becomes ill during the school day and the school nurse or other district personnel determines that the student should go home, the nurse will contact the student’s parent and document the parent’s wishes regarding release from school. Unless directed by the parent to release the student unaccompanied, the parent or other authorized adult must follow the sign-out procedures as listed above. If a student is allowed to leave campus by himself or herself, as permitted by the student’s parent, the nurse will document the time of day the student was released.

- Campuses may designate a time after which no student will be released early prior to the end of the instructional day.

**RETURNED CHECKS**

LCISD will charge a fee of $25 for each check that is returned unpaid.
SAFETY

Student safety on campus and at school-related events is a high priority of the district. Although the district has implemented safety procedures, the cooperation of students is essential to ensuring school safety. A student should:

- Avoid conduct that is likely to put the student or other students at risk.
- Follow the behavioral standards in this handbook and the Student Code of Conduct, as well as any additional rules for behavior and safety set by the principal, teachers, or bus drivers.
- Remain alert to and promptly report to a teacher or the principal any safety hazards, such as intruders on campus or threats made by any person toward a student or staff member.
- Know emergency evacuation routes and signals.
- Follow immediately the instructions of teachers, bus drivers, and other district employees who are overseeing the welfare of students.

ACCIDENT INSURANCE

The Lamar CISD does not provide insurance coverage for students in case of an accident or injury; however, parents are provided information annually about insurance that may be purchased for their children. Please check the district’s website.

PREPAREDNESS DRILLS: EVACUATION, SEVERE WEATHER, AND OTHER EMERGENCIES

From time to time, students, teachers, and other district employees will participate in preparedness drills of emergency procedures. When the command is given or alarm is sounded, students need to follow the direction of teachers or others in charge quickly, quietly, and in an orderly manner.

LOCK-DOWN

If a situation occurs that threatens the safety of students, a lock-down may be implemented. Procedures for the lock-down have been developed by the district. Students will be in a safe location and will not be available for pickup until the district and appropriate authorities determine the lock-down has ceased. You will be notified via the Lamar CISD website and telephone call out system regarding pickup procedures.

EMERGENCY SCHOOL-CLOSING INFORMATION

Each year, parents are asked to complete an emergency release form to provide contact information in the event that school is dismissed early because of severe weather or another emergency, or if the campus must restrict access due to a security threat.

If the campus must close or restrict access to the building because of an emergency, the district will alert the community through District social media.

SCHOOL FACILITIES

USE BY STUDENTS BEFORE AND AFTER SCHOOL

Certain areas of the school will be accessible to students before and after school for specific purposes. Students are required to remain in the area where their activity is scheduled to take place.

Unless the teacher or sponsor overseeing the activity gives permission, a student will not be permitted to go to another area of the building or campus.

After dismissal of school in the afternoon, and unless involved in an activity under the supervision of a teacher, students must leave campus immediately.
**CONDUCT BEFORE AND AFTER SCHOOL**

Teachers and administrators have full authority over student conduct at before- or after-school activities on district premises and at school-sponsored events off district premises, such as play rehearsals, club meetings, athletic practices, and special study groups or tutorials. Students are subject to the same rules of conduct that apply during the instructional day and will be subject to consequences established by the Student Code of Conduct or any stricter standards of behavior established by the sponsor for extracurricular participants.

**USE OF HALLWAYS DURING CLASS TIME**

Loitering or standing in the halls during class is not permitted. During class time, a student must have a hall pass to be outside the classroom for any purpose. Failure to obtain a pass will result in disciplinary action in accordance with the Student Code of Conduct.

**LIBRARY**

The library is a learning laboratory with books, computers, magazines, and other materials available for classroom assignments, projects, and reading or listening pleasure. The library is open for independent student use during the day and as established by the campus principal.

- Fines will be assessed for overdue, damaged or lost library books
- Parent will be expected to pay library fines
- Failure to pay library fines will result in loss of school privileges and/or final exam exemptions.

**MEETINGS OF NON-CURRICULUM-RELATED GROUPS**

Student-organized, student-led non-curriculum related groups are permitted to meet during the hours designated by the principal before and after school. These groups must comply with the requirements of policy FNAB (LOCAL). A list of these groups is available in the principal’s office.

**SEARCHES**

District officials may conduct searches of students, their belongings, and their vehicles in accordance with state and federal law and district policy. Searches of students shall be conducted in a reasonable and nondiscriminatory manner. Refer to the district’s policies at FNF(LEGAL) and FNF(LOCAL) for more information regarding investigations and searches.

The district has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable suspicion to believe it contains articles or materials prohibited by the district. Desks, lockers, district-provided technology, and similar items are the property of the district and are provided for student use as a matter of convenience. District property is subject to search or inspection at any time without notice.

**TRAINED DOGS**

The district will use trained dogs to alert school officials to the presence of prohibited or illegal items, including drugs, alcohol, ammunition, weapons and explosive devices. At any time, trained dogs may be used around lockers and the areas around vehicles parked on school property. Trained dogs may also conduct searches of classrooms, common areas, or student belongings when students are not present. An item in a classroom, a locker, or a vehicle to which a trained dog alerts may be searched by school officials.

**METAL DETECTORS**

Metal detectors are used at the Discipline Alternative Education Placement campus. In addition, campus principals may request the use of metal detectors at designated campus events to ensure student and staff safety.

**DRUG-TESTING**

[For further information, see policy FNF(LOCAL). Also, see Steroids in this section.]
SPECIAL PROGRAMS

The district provides special programs for gifted and talented students, homeless students, bilingual students, migrant students, students with dyslexia, and students with disabilities. The coordinator of each program can answer questions about eligibility requirements, as well as programs and services offered in the district or by other organizations. A student or parent with questions about these programs should contact the campus principal.

Please note that a request for a special education evaluation may be made verbally and does not need to be in writing. Districts and charter schools must still comply with all federal prior written notice and procedural safeguard requirements and the requirements for identifying, locating, and evaluating children who are suspected of being a child with a disability and in need of special education. However, a verbal request does not require the district or charter school to respond within the 15-school-day timeline.

STEROIDS

State law prohibits students from possessing, dispensing, delivering, or administering an anabolic steroid. Anabolic steroids are for medical use only, and only a physician can prescribe use.

Body building, muscle enhancement, or the increase of muscle bulk or strength through the use of an anabolic steroid or human growth hormone by a healthy student is not a valid medical use and is a criminal offense.

STUDENT IN FOSTER CARE

In an effort to provide educational stability, the district strives to assist any student who is currently placed or newly placed in foster care (temporary or permanent custody of the state) with the enrollment and registration process, as well as other educational services throughout the student's enrollment in the district.

A student who is placed in foster care and who is moved outside of the district’s attendance boundaries is entitled to continue in enrollment at the school he or she was attending prior to the placement until the student reaches the highest grade level at the particular school. In addition, if a student in grade 11 or 12 is transferred to another district and does not meet the graduation requirements of the transferring district, the student can request to receive a diploma from the previous district if he or she meets the criteria to graduate from the previous district.

STUDENT SPEAKERS

The district provides students the opportunity to speak at open forum. Student speakers at school events must follow FNA (Local).

As determined by the principal, students who have been selected for special honors, such as captain of an athletic team, student council officers, leaders of school-sponsored organizations, homecoming king or queen, or prom king or queen may also address school audiences at designated events.
SUBSTANCE ABUSE PREVENTION AND INTERVENTION

If you are worried that your child may be using or is in danger of experimenting, using, or abusing illegal drugs or other prohibited substances, please contact the school counselor. The school counselor can provide you with a list of community resources that may be of assistance to you. The TDSHS maintains information regarding children’s mental health and substance abuse intervention services on its Web site:

http://www.dshs.state.tx.us/mhsa-child-adolescent-services/

SUICIDE AWARENESS

The district is committed to partnering with parents to support the healthy mental, emotional, and behavioral development of its students. If you are concerned about your child, please access http://www.texassuicideprevention.org or contact the school counselor for more information related to suicide prevention services available in your area.

TARDIES

Students who do not arrive in class on time are tardy and are subject to disciplinary action.

LATE ARRIVAL/EARLY DEPARTURE

If a student arrives 15 or more minutes late or departs 15 or more minutes early, he/she is considered absent for the class period and may be required to make up that time by attending a clock-hour class for each class period missed. Any extenuating circumstances may be reported to the Attendance/Credit Review Committee.

TELECOMMUNICATIONS DEVICES

Lamar CISD believes that appropriate use of students’ technology devices enhances our students’ education. Students are encouraged to bring their own device to school. This includes, but is not limited to: cell phones, smart phones, iPods, iPads, electronic tablets, and laptop computers. Students may use devices in class at the teacher’s discretion. Students must follow teacher, campus, and district rules.

Telecommunications devices that disrupt the education process, are used inappropriately or when not allowed by a teacher or staff member, or used in violation of the Student Code of Conduct may be temporarily confiscated. School personnel will collect the electronic device and turn it in to the principal’s office. Parents, guardians, and/or a third party that retains legal right of ownership may obtain a release of the electronic device for a monetary fine of $15.00. Creation of guidelines for implementation of the policy is the responsibility of the campus.

After a 30 day period has expired, the school shall dispose of the electronic device. A student who refuses to turn over his/her electronic device when asked by a school employee will have a disciplinary action in accordance with the Student Code of Conduct, ranging from a minor offense to an expellable offense.

UNACCEPTABLE AND INAPPROPRIATE USE OF TECHNOLOGY RESOURCES

Students are prohibited from possessing, sending, forwarding, posting, accessing, or displaying electronic messages that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another’s reputation, or illegal. This prohibition also applies to conduct off school property, whether the equipment used to send such messages is district-owned or personally owned, if it results in a substantial disruption to the educational environment. Any person taking, disseminating, transferring, possessing, or sharing obscene, sexually oriented, lewd, or otherwise illegal images or other content,
commonly referred to as "sexting" will be disciplined according to the Student Code of Conduct and may, in certain circumstances, be reported to law enforcement.

The use of mobile telephone or any device to capture images of any violation of the student code of conduct is strictly prohibited while at school or at a school-related or school-sponsored events.

Any disciplinary action will be in accordance with the Student Code of Conduct. The district will not be responsible for damaged, lost, or stolen electronic devices.

TESTING PROGRAMS

STAAR (STATE OF TEXAS ASSESSMENTS OF ACADEMIC READINESS)

STAAR will be administered to students each spring in grades 6-11. For grades 6-8 the following tests are administered:

- Grade 6: Math and Reading
- Grade 7: Math, Reading, and Writing
- Grade 8: Math, Reading, Science, and Social Studies

Students in 8th grade are required to pass the reading and math portion of the STAAR assessment as part of the Student Success Initiative (SSI). As a part of SSI, 8th grade students will take their initial test in the spring semester, and will be allowed to retest an area not successfully passed in May and June. Promotion or retention for 8th grade students who fail to pass the reading and math portions of the STAAR assessment after the June retest will be determined by the campus Grade Placement Committee (GPC).

With the exception of those students who enter ninth grade prior to the fall of 2011, students in grades 7-11 taking core area courses for which they will be granted high school credit may be required to take the STAAR End of Course (EOC) assessments. These assessments correlate to the following courses:

- ELA: English I and English II
- Math: Algebra I
- Science: Biology
- Social Studies: U.S. History

ARD committees for students with profound cognitive disabilities will determine eligibility to take the STAAR-Alt 2 version of these assessments.

ADVANCED PLACEMENT (AP) TESTS

Students may earn units of credit in courses specified by Texas Education Agency. Questions about advanced placement examinations may be discussed with the student’s counselor. College Board Advanced Placement (AP) Courses are college level courses and are offered in grades 9-12. Students enrolled in these courses are expected to take the Advanced Placement (AP) exam at the end of each course taken. Grades of 3 or higher on these exams are usually recognized by colleges and universities across the nation and may result in the student receiving credit for the course and/or placing out of that course at the college or university of his/her choice. Consult the high school counselor for additional information.

COLLEGE AND CAREER ASSESSMENTS

Students are given the following college and career readiness assessments.

- Grade 6 - 8  Kuder Navigator
- Grade 8 – PSAT 8/9
- Grade 9 -- PSAT 8/9
- Grade 10 - 11 – PSAT/ NMSQT
- Grade 11 - SAT

These assessments are tools to help students learn and make decisions about college, careers, career pathways and the courses that will help them achieve their goals.
CREDIT BY EXAM – IF A STUDENT HAS TAKEN THE COURSE

A student who has previously taken a course or subject—but did not receive credit for it—may be permitted to earn credit by passing an exam on the essential knowledge and skills defined for that course or subject. Prior instruction may include, for example, incomplete coursework due to a failed course or excessive absences, home-schooling, or correspondence courses from non-credentialed entities.

The student must score at least 70 on the exam to receive credit for the course or subject.

A student may not use this exam, however, to regain eligibility to participate in extracurricular activities.

A student may not take credit by exam (CBE) for a STAAR tested course if they have not previously passed the STAAR test in that course.

For further information, see the counselor, policy and administrative procedure for EHDB (Local).

CREDIT BY EXAM – IF A STUDENT HAS NOT TAKEN THE COURSE

A student will be permitted to take an exam to earn credit for an academic course for which the student has had no prior instruction. The testing window during which exams may be given will be announced each year by the District and campuses. Parents may obtain applications and details from campuses.

A student will earn credit with a passing score of at least 80 on the exam.

The district may not honor a request by a parent to administer a test on a date other than the published dates. If the district agrees to administer a test other than the one chosen by the district, the parent must purchase a test from a university approved by the State Board of Education. [For further information, see policy and administrative regulations for EHDC(LOCAL).]

Additionally, students may be granted credit with no prior instruction for College Level Examination Program (CLEP) or Advanced Placement (AP) tests. Please contact your Campus Testing Coordinator for more information.

Credit by Exam with no prior instruction is not available for courses in which there is an End of Course state assessment (i.e. Algebra I, Biology, English I, English II and U.S. History).

SAT, ACT, AND OTHER STANDARDIZED TESTS

Many colleges require either the American College Test (ACT) or the Scholastic Aptitude Test (SAT) for admission. Students are encouraged to talk with the counselor early during their junior year to determine the appropriate exam to take as these exams are usually taken at the end of the junior year. Prior to enrollment in a Texas public college or university, some students may be required to take a standardized test, such as the Texas Success Initiative (TSI)Test.

Registration deadlines for college entrance/placement tests are approximately four weeks before the test. Registration material is available in counselors’ offices; students are responsible for registering.

TSI (TEXAS SUCCESS INITIATIVE) ASSESSMENT

Prior to enrollment in a Texas public college or university, most students must take a standardized test called the Texas Success Initiative (TSI) assessment. The purpose of the TSI assessment is to assess the reading, mathematics, and writing skills that entering freshmen-level students should have if they are to perform effectively in undergraduate certificate or degree programs in Texas public colleges and universities. This assessment may be required before a student enrolls in a dual-credit course offered through the district as well. Achieving certain benchmark scores on this assessment for college readiness may also waive certain end-of-course assessment requirements in limited circumstances.

SAT or ACT scores meeting the TSI benchmark may be used to fulfill the TSI requirements for college entrance.

ARMED SERVICES VOCATIONAL APTITUDE BATTERY (ASVAB)

High School Juniors and Seniors interested in exploring careers or enlisting in the Armed Forces (Army, Navy, Air Force, or Marines) may take the ASVAB test to start the process for finding their career path in the United States Military. For more information, please check your high school College and Career Facilitator.
TEXTBOOKS, ELECTRONIC TEXTBOOKS, TECHNOLOGICAL EQUIPMENT AND OTHER INSTRUCTIONAL MATERIALS

State Approved instructional materials are provided to students free of charge for each subject or class. Instructional materials and technological equipment may also be provided to students, depending on the course and course objectives. Students have full responsibility for the instructional materials, and technological equipment issued to them. Students should have a secure place to put his or her instructional materials and technological equipment when they are not being used. Fines will be assessed for damage to instructional materials and technological equipment. A student who is issued damaged instructional materials should report the damage to the teacher. Full payment must be made for lost instructional materials and technological equipment.

Technological Equipment will be assessed for repair or replacement cost.

If instructional materials and technological equipment are not returned in an acceptable condition or paid for, the district may withhold student privileges which include:

- Campus functions or events
- Instructional materials not issued for take home use
- Field Trips (not related to instruction)
- School Dances, including prom
- Parking Permits
- Semester and End of year examinations exemptions

Texas Education Code 31.104(d) states: Each student, or the student’s parent or guardian, is responsible for all instructional materials and technological equipment not returned in an acceptable condition by the student. A student who fails to return in an acceptable condition all instructional materials and technological equipment forfeits the right to free instructional materials and technological equipment until all instructional materials and technological equipment previously issued but not returned in an acceptable condition are paid for by the student, parent or guardian. As provided by policy CMD (Legal) of the board of trustees or governing body, a school district or open-enrollment charter school may waive or reduce the payment requirement if the student is from a low-income family. The district or school shall allow the student to use instructional materials and technological equipment at school during each school day. If instructional materials and technological equipment is not returned in an acceptable condition or paid for, the district or school may withhold the student’s records. A district or school may not, under this subsection, prevent a student from graduating, participating in a graduation ceremony, or receiving a diploma. The commissioner by rule shall adopt criteria for determining whether instructional materials and technological equipment are returned in an acceptable condition.
TRANSPORTATION

SCHOOL-SPONSORED TRIPS

Students who participate in school-sponsored trips are required to use transportation provided by the school to and from the event. The principal, however, may make an exception if the parent makes a written request that the student be released to the parent/guardian.

SHUTTLE BUS

All students who take courses at a high school other than their home campus are required to ride the shuttle bus provided by the District. Students are not to drive or ride in personal cars to attend classes on another campus unless pre-approved by the building principal.

BUSES AND OTHER SCHOOL VEHICLES

The district makes school bus transportation available to all students living one half mile from school. This privilege is provided at no cost to students. Bus routes and any subsequent changes can be obtained by calling the LCISD Transportation Department. A parent may also designate certain child-care facilities or grandparent’s residence as the regular pickup and drop-off location for his or her child. The designated facility or residence must be on an approved stop on an approved route and within the school’s attendance boundary. For information on bus routes and stops or to designate an alternate pickup or drop-off location, you may contact the LCISD Rosenberg Transportation Department at 832.223.0280 or LCISD Fulshear Transportation Department at 832-223-0551 and ask for the designated Router for the student’s school campus.

Students are expected to assist district staff in ensuring that buses remain in good condition and that transportation is provided safely. When riding in district vehicles, students are held to the same behavioral standards established for the classroom and the Student Code of Conduct. Riding the bus in LCISD is a privilege.

Students are prohibited from engaging in activities that are against the bus safety rules:

1. Students should observe the same rules of conduct while riding the bus as they do in the classroom.
2. Students can only get on or off at designated or assigned stop. Students are to ride their assigned bus.
3. Students are prohibited from directing profanity, vulgar language, or obscene gestures toward bus drivers or other students on the bus, passengers in cars or pedestrians outside the bus.
4. Bus drivers are authorized to assign or reassign seats as needed.
5. Get to your bus stop ten minutes early. Students chronically late to the bus stop will be subject to disciplinary action.
6. Stand back from the edge of the road or curb because the bus is required to pull over on the side of the roadway.
7. Loading and unloading procedures:
   • Stand at least ten feet back from the bus stop to avoid accidents.
   • Permit younger students to board first.
   • Watch your step, step on and off quickly, quietly, without crowding or pushing.
   • Do not play at bus stops. Watch traffic at all times
   • Move away from the bus as soon as you exit to avoid falling under the wheels.
   • To cross the roadway: If the driver instructs you to cross without him/her escorting you, move at least 10 feet in front of the bus on the shoulder or curb and wait for the driver to signal you to cross. If the driver signals or instructs you that he/she will escort you across the roadway, the driver will exit first and escort you off the bus and across the road or street.
8. Be seated before the bus begins to move. Remain seated until the bus stops. Students must remain seated at all times while the bus is in motion.
9. Keep your head, arms, elbows and any objects out of the window. Never throw objects from the window.
10. Any student failing to identify himself/herself or provides an incorrect name or I.D. number to a bus driver will be subject to an immediate 5-day bus suspension.
11. Objects, such as band instruments, too large to be held in the lap, that interfere with the safety of other bus riders may not be transported.
12. Live animals or dangerous objects of any nature may not be brought on the bus.
13. Use or possession of tobacco, in any form, including electronic cigarettes is prohibited in vehicles owned or operated by the district.
14. Damage to the bus by a student must be paid for by the student or students causing the same.
15. Eating or drinking is not permitted on buses.
16. If noise level interferes with the driver’s ability to safely operate the bus, disciplinary action will be taken.
17. In an emergency, remain calm; listen for the driver’s instructions.
18. Students must have a written permission from parent and permit to ride a bus other than their regular bus. Students are not permitted to ride home with a friend.
19. Only students enrolled in Lamar CISD are permitted to ride buses to and from school and extracurricular activities.
20. Follow all instructions given by the bus driver or sponsor.
21. Never use the rear emergency door to enter or exit the bus except in an emergency. Tampering with emergency equipment, latches, and handles will result in disciplinary action.
22. If a bus is equipped with seat belts, all students are required to use the seat belts at all times.

At the scene of a bus incident/accident, students will not be allowed to leave or be turned over to a parent or guardian without direct permission from the Transportation Director or Assistant Director, and released by the investigating officer.

Parents are not permitted to board buses.

**SPECIAL EDUCATION TRANSPORTATION**

Please contact your campus administrator for any changes in Special Education transportation. Special Education transportation decisions are made by the ARD committee.

**DISCIPLINE ALTERNATIVE EDUCATION PROGRAM (DAEP)**

See the Student Code of Conduct for provisions regarding transportation to the disciplinary alternative education program (DAEP).

**DISCIPLINARY ACTION FOR BUS SAFETY VIOLATIONS**

Because safety is so important, misbehavior on the bus or at the bus stop can cause a student to lose bus privileges. A summary of the bus rules is given to bus riders and posted in the buses by the Transportation Department. The following behaviors are considered serious infractions:

- Destruction of Property
- Fighting
- Use of Profanity
- Disruptive Behavior
- Possession of Weapon/prohibited items
- Throwing Objects
- Use of tobacco products
- Insubordination
- Use of laser pointer or other flash oriented devices

Violations are reported to the principal and parents are informed using the following procedures.

- **First Referral** - Student conference/parent signature or contact (suspension from riding the bus for 5 days).
- **Second Referral** - Student conference/parent contact (suspension from riding the bus for 10 days).
- **Third Referral** - 20 days bus suspension
- **Fourth Referral** - Student/parent conference (suspension from riding the bus for the remainder of the school year).

A serious incident, complete disrespect, or directed profane language shall result in disciplinary action based on the circumstances of the incident. Disciplinary action may take into consideration bus referrals from the previous year. The incidents that involve a citable offense such as fighting or any other incident that jeopardizes the safety of the bus driver, the students, or the general public and will result in that student being suspended from riding a bus for 6 weeks or longer. The student will also receive consequences from school such as suspension or placement in the District’s AEP. A second serious incident or citation will result in the student being suspended from riding the bus for the remainder of the school year.
**TUTORIALS/SUMMER SCHOOL**

**TUTORIALS**

The purpose of a tutorial session is to provide assistance to students who have not mastered the TEKS currently being taught. Tutorials also serve as instructional reinforcement for students needing assistance. These tutorials may be provided in a variety of ways. The teacher may choose to help students before, during, or after school. Secondary campuses may offer extended day tutorials for students who need STAAR/EOC remediation. Each campus will supply students and parents with extended day notification that will include the days of the week offered, times, and other details. Tutorials will be provided during the summer for students needing to retake one or more STAAR EOC exams.

**SUMMER SCHOOL**

Summer school is offered for students in grades 6-12. Students who attend summer school may repeat a class, may take a class as an initial offering, or may complete a class through credit restoration.

**VANDALISM**

The taxpayers of the community have made a sustained financial commitment for the construction and upkeep of school facilities. To ensure that school facilities can serve those for whom they are intended—both this year and for years to come—littering, defacing, or damaging school property is not tolerated. This includes, but is not limited to, the uploading or creating of computer viruses.

The use of any software having the purpose of damaging the District’s system or other user’s system is prohibited. Students will be required to pay for damages they cause and will be subject to criminal proceedings as well as disciplinary consequences in accordance with the Student Code of Conduct.

**VIDEO CAMERAS**

For safety purposes, video/audio equipment may be used to monitor student behavior, including on buses and in common areas on campus. Students will not be told when the equipment is being used except as required by SB507 & SB1398.

The principal will review the video/audio recordings routinely and document student misconduct. Discipline will be in accordance with the Student Code of Conduct.

**VISITORS TO THE SCHOOL**

Parents and others are welcome to visit district schools. For the safety of those within the school and to avoid disruption of instructional time, all visitors must first report to the main office, sign in as a visitor, present a valid State issued ID, and wear a visitor’s badge. To better protect our students, visitors and staff, all LCISD campuses screen for registered sex offenders. A valid State issued ID is required to enter all campuses.

Visits to individual classrooms during instructional time are permitted only with approval of the principal and only so long as their duration or frequency does not interfere with the delivery of instruction or disrupt the normal school environment. The district practice allows for thirty (30) minutes of classroom observation with prior approval of the principal. This practice is to minimize interruption of classroom instruction. Even if the visit is approved prior to the visitor's arrival, the individual must check in at the main office first.

If you have any questions or concerns, please call the school first to talk with the teacher. If you still need more information, talk with the building administrator (principal or assistant principal). These are the people who are with your child every
school day and who have access to your child’s records. The teacher or administrator may also refer you to the nurse or the counselor.

You are welcome to have lunch with your child when you visit. If you wish to purchase a lunch in the cafeteria, please let the office know at the beginning of the school day so that you can be added to the lunch count.

All visitors are expected to demonstrate the highest standards of courtesy and conduct; disruptive behavior will not be permitted.

### VOLUNTEERS

We appreciate so much the efforts of parent and grandparent volunteers that are willing to serve our district and students. If you are interested in volunteering, please contact the Parent Involvement Coordinator at 832-223-0335 for more information.

### WITHDRAWING FROM SCHOOL

A student under 19 may be withdrawn from school only by a parent. The school requests notice from the parent at least three days in advance so that records and documents may be prepared. A student who is 18 or older, who is married, or who has been declared by a court to be an emancipated minor, may withdraw without parental signature, however, the parent will be notified of the withdrawal.

On the student’s last day, the withdrawal form must be presented to each teacher for current grade averages and book and equipment clearance; to the librarian to ensure a clear library record; to the clinic for health records; to the counselor for the last report card and course clearance; and finally, to the principal. A copy of the withdrawal form will be given to the student and/or parent, and a copy will be placed in the student’s permanent record.

When a family moves to a different attendance zone during the school year, a parent has the option to request a transfer allowing the student to complete the balance of the school semester before having to transfer to the school that serves the new home address. This privilege is contingent upon campus administration approval, the parent providing transportation for the student, the student’s regular attendance with prompt arrival and pick-up, and a good disciplinary record.

Parents or guardians of students in homeless situations can keep their children in their schools of origin (to the extent feasible) or enroll them in any public school that students living in the same attendance area are eligible to attend.
SECTION III: TECHNOLOGY RESPONSIBLE USE AGREEMENT

PURPOSE AND SCOPE

Staff and students use technology resources to facilitate learning, the work environment and promote communications. These guidelines ensure the proper use of Lamar Consolidated Independent School District’s (the “District”) technology resources (the “System”). All Users have the responsibility to use technology resources in an efficient, effective, ethical and lawful manner.

The following guidelines, rules, and conditions apply to all users of District technology resources and services, wherever the users are located. Violations of this policy may result in disciplinary action, including possible suspension, and/or legal action.

The District has the right, but not the duty, to monitor any and all aspects of the system, including e-mail, to ensure compliance with this policy.

The District’s network, digital equipment and accounts given to students and employees are for educational purposes only. Users should not have an expectation of privacy in anything they create, view, send, or receive on District systems. Commercial use of the District’s system is strictly prohibited. The digital equipment, software and system belong to the District and may be used for educational purposes only.

Users are governed by the following provisions, which apply to all use of technology resources and services. Technology resources and services include, but are not limited to, the following: host computers, file servers, workstations, stand-alone computers, laptops, tablets, software, telephones, email accounts, data and databases, and internal or external communications networks (Internet, commercial on-line services, and e-mail systems) that are accessed directly or indirectly from the District’s computer facilities.

These regulations may be amended or revised periodically as the need arises and are implemented pursuant to District policy (CQ Local).

The term “users” as used in this policy refers to all students, employees, independent contractors, and other persons or entities accessing or using the District’s computer and telecommunication resources and services.

SYSTEM ACCESS

The following guidelines will determine access to the District’s system:

1. Users will be granted access to the District’s system with the approval of the immediate administrator.
2. The District may require that all passwords be changed frequently.
3. Users will be required to maintain password confidentiality by not sharing their password with other users.
4. Teachers may restrict student access to technology resources, as appropriate.
5. Any user identified as a security risk or having a history of violations of District and/or campus technology use guidelines may be denied access to the District’s system.

SITE LEVEL COORDINATOR RESPONSIBILITIES

As the campus-level coordinator for the system, the principal or designee will:

1. Be responsible for disseminating and enforcing District policies and administrative regulations governing use of the District’s system at the site level.
2. Ensure that employees supervising students who use the District’s system provide appropriate training, emphasizing the responsible use of these resources.
3. Be authorized to monitor or examine all system activities as deemed appropriate to ensure proper use of the system.
4. Ensure that all users of the District’s systems complete and sign an agreement to abide by District policies and administrative regulations regarding such use. All such agreements will be maintained on file in the office of the site coordinator.

   - I will comply with software licenses.
   - I will not alter or copy a file belonging to another without first obtaining permission of the owner of the file.
   - I will not take photos or videos of any tests or assessments with my personal device without obtaining permission from the teacher or staff member.
   - I will follow federal laws, fair use guidelines and respect copyrights.
   - I will learn and use citation correctly.
   - I will respect information owned by the LCISD.
4. **Respect and Protect District and Personal Property:**
   - I will take full responsibility for, and responsibly use any technology resources available to me within LCISD.
   - I will not use LCISD technology to transmit or store political, commercial or personal advertisements or materials, promotions, destructive programs (self-replicating code) or any other unauthorized personal use.
   - I will not display, send or store fraudulent, indecent, profane, obscene, sexually threatening or unlawful materials on District computers or digital devices.
   - I will use network bandwidth, file storage space and printers reasonably and responsibly.
   - I will report a system security problem or abuse of technology to a teacher, school administrator or supervisor.
   - I will not transmit material, information, or software in violation of District policy or Local, state, or federal law.
   - I will not waste resources and print unnecessary items.

### GENERAL POLICIES

#### PERSONAL TECHNOLOGY

Lamar CISD believes that appropriate use of students’ technology devices enhances our students’ education. Students are encouraged to bring their own device to school. This includes but is not limited to: cell phones, smart phones, iPods, iPads, electronic tablets, and laptop computers. Students may use devices in class at the teacher’s discretion. Students must follow teacher, campus, and district rules and guidelines for use. Students violating the rules and regulations for computer use/electronic devices may receive disciplinary action.

- I understand that if my personal device is damaged or stolen while on the LCISD property, I will not hold the LCISD liable for the replacement or repair of my device.
- I understand that any data and/or SMS/MMS (texting) charges will not be reimbursed by LCISD.
- I will connect my personal device only to the appropriate network, not other (e.g. external/neighborhood, personal hotspot) networks.
- I will turn off all peer-to-peer (music/video/file-sharing) software or web-hosting services on my technology while on District property.
- I understand that the security, care, connectivity and maintenance of my technology device is my responsibility.

Telecommunications devices that disrupt the education process, are used inappropriately or when not allowed by a teacher or staff member, or used in violation of the Student Code of Conduct may be temporarily confiscated and may result in a discipline referral. The device may be held longer if part of an ongoing investigation.

- Telecommunication devices confiscated by a teacher may be returned to the student at the end of the class period or turned in to the appropriate campus administrator.
- Any telecommunication device turned in to a campus administrator will be documented and the parent or guardian will be notified. The student may receive a discipline referral and may be assessed a $15.00 fee. The device may be picked up by the student, parent or guardian at the end of the instructional day. Please see campus specific guidelines for additional information.
- Any unpaid $15.00 fee will be added to the “fees and fines list” for the student.
- With the importance of test security on state testing days, any telecommunication device confiscated during a state testing administration will result in a $15.00 fee.
- Failure to surrender the telecommunication device to the requesting adult will result in an automatic discipline referral.

#### USE OF SOCIAL NETWORKING/DIGITAL TOOLS

Students may participate in District-approved online learning environments related to instruction, curricular projects or school activities and use digital tools, such as, but not limited to: social media, mobile devices, blogs, discussion forums, RSS feeds, podcasts, wikis, and online meeting sessions. The uses of these digital tools are considered an extension of the classroom and governed by the District student handbook. Communications and activity considered inappropriate in the classroom is also inappropriate in all uses of District-approved digital tools. Digitally transmitted content that includes inappropriate language, images, or content is prohibited.
UNACCEPTABLE AND INAPPROPRIATE USE OF TECHNOLOGY RESOURCES

Students are prohibited from possessing, sending, forwarding, posting, accessing, or displaying electronic messages that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another’s reputation, or illegal. This prohibition also applies to conduct off school property, whether the equipment used to send such messages is district-owned or personally owned, if it results in a substantial disruption to the educational environment. Any person taking, disseminating, transferring, possessing, or sharing obscene, sexually oriented, lewd, or otherwise illegal images or other content, commonly referred to as “sexting” will be disciplined according to the Student Code of Conduct and may, in certain circumstances, be reported to law enforcement.

The use of a mobile telephone or any device to capture images of any violation of the student code of conduct is strictly prohibited while at school or at a school-related or school-sponsored events.

Any disciplinary action will be in accordance with the Student Code of Conduct. The district will not be responsible for damaged, lost, or stolen electronic devices.

ACCOUNT MANAGEMENT OF WEB-BASED SERVICES

Students may be required to have accounts in third party systems that are managed by LCISD. These accounts will be used at school for school related projects but if allowed may also be accessed outside of school and contribute to achieving instructional objectives. Staff may also use other third party accounts.

VANDALISM PROHIBITED

Users may not engage in any malicious attempt to harm or destroy materials belonging to the District or of another user of the District’s system, or of any of the agencies or other networks that are connected to the District. Deliberate attempts to degrade or disrupt system performance will be viewed as violations of District policy and administrative regulations and may be viewed as criminal activity under applicable state and federal laws. This includes, but is not limited to, the uploading or creating of computer viruses. The use of any software having the purpose of damaging the District’s system or other user’s system is prohibited.

CRIMINAL ACTS

These include, but are not limited to:

<table>
<thead>
<tr>
<th>Unauthorized tampering</th>
<th>Cyberstalking</th>
<th>Vandalism</th>
</tr>
</thead>
<tbody>
<tr>
<td>Harassing email</td>
<td>Child pornography</td>
<td>Cyberbullying</td>
</tr>
</tbody>
</table>

FORGERY PROHIBITED

Forgery or attempted forgery using technology resources by a user is prohibited.

CONTENT FILTERING

In compliance with the Children’s Internet Protection Act (CIPA), a content filtering solution is in place in order to minimize access to certain sites that may contain inappropriate material, including pornography, weapons, illegal drugs, gambling, and any other topics deemed to be of non-educational value by LCISD. The District cannot guarantee that all inappropriate material will be blocked at all times or that acceptable material may be unintentionally blocked. The District is not responsible for the content accessed by users who connect via their own service (cellphones, air-cards, etc.).

INFORMATION CONTENT/THIRD PARTY SUPPLIED INFORMATION

Although the District has proper content filtering in place, users and parents/guardians of students with access to the District’s system should be aware that use of the system may provide access to other electronic communications systems in the global electronic network that may contain inaccurate and/or objectionable material.

TERMINATION/REVOCATION OF SYSTEM USER ACCOUNT

The District may suspend or revoke a User’s access to the District’s system upon any violation of District policy and/or administrative regulation. Prior to a suspension or revocation of system access, or as soon as practicable, the principal or District
The District’s system is provided on an “as is, as available” basis. The District does not make any warranties, whether
directed or implied, including, without limitation, those of merchantability and fitness for a particular purpose with respect to
any services provided by the system and any information of software contained therein. The District does not warrant that the
functions or services performed by, or that the information of software contained on, the system will meet the system user’s
requirements, or that the system will be uninterrupted or error-free, or that defects will be corrected.

Opinions, advice, services, and all other information expressed by system users, information providers, service providers,
or other third party individuals in the system are those of the provider and not of the District.

The District will cooperate fully with local, state, or federal officials in any investigation concerning or relating to misuse of
the District’s electronic communications system.

In order to protect the technology assets of Lamar CISD, to minimize unnecessary system downtime, and to supplement the
District’s Technology Responsible Use Agreement, the following policies are to be followed by all system users:

a. Setup and repair of computers is to be done in accordance to established processes and procedures.
b. Technology hardware including phones, printers, and computers must not be moved without prior approval from
   the Campus Technology Coordinator and the Office of Technology unless the hardware is designated as mobile.
SECTION IV: STUDENT GRADING AND REPORTING INFORMATION

GRADING SCALE

Student Performance is reported using numerical grades.

- A = 90 - 100
- B = 80 - 89
- C = 70 - 79
- F = 0 - 69
- I = Incomplete

An incomplete (I) grade is given when a student has not completed required work prior to the end of the reporting period due to an absence. The incomplete grade should be replaced within a week of the end of the reporting period. Exceptions for extenuating circumstances may be granted by the campus administration. Students with an “incomplete” grade are ineligible for U.I.L. extracurricular activities until the “I” is replaced with a passing grade, but they are entitled to the “7-day grace period.”

All grades earned by a student will be recorded as the actual number grade or percentage the student answered correctly. If a student makes a 40 on a graded work, the 40 is recorded in the grade book. There is not a minimum grade requirement. Policy EIA (Local).

REASSESSMENT

A teacher shall provide corrective instruction and a reasonable opportunity to reassess failure to master TEKS on major grades. The highest possible grade that can be earned and recorded on the reassessment is a 70. The teacher will make a note in the electronic grade book of the dates and grades of the reassessment. Creation of guidelines for implementation of the policy is the responsibility of the campus.

Students whose rate of learning will not meet successful mastery of grade level material will have interventions monitored through the RtI process.

 Semester exams are not subject to the reassessment guidelines.

CLASSIFICATION OF HIGH SCHOOL STUDENTS

At the high school level, promotion is dependent entirely on the number of credits earned by passing courses with a grade of 70 or above. A student is classified according to the number of credits successfully completed. Classification is calculated using the number of credits on file at the beginning of each school year. Refer to the following chart to determine classification:

<table>
<thead>
<tr>
<th>Class of 2016 &amp; 2017</th>
<th>Class of 2018 &amp; Beyond</th>
</tr>
</thead>
<tbody>
<tr>
<td>Freshman 0 - 4.5</td>

<tr>
<td>Junior 10 - 14.5</td>
<td>Junior 12 – 18.5</td>
</tr>
<tr>
<td>Senior 15+</td>
<td>Senior 19+</td>
</tr>
</tbody>
</table>
A student’s final grade average shall be officially calculated at the end of the second six weeks of the spring calendar semester in which the student is eligible to graduate by multiplying each semester grade by the weight designated for the academic level of the course and then dividing the sum of the factored grades by the total number of semester grades completed. The following weighted factors shall be used for the academic levels. For the purpose of ranking students, these weighted factors shall only be used with final semester grades.

Calculation of students’ official class rank is governed by Policy EIC (Local). For the purposes of class ranking, semester grades are weighted as follows:

**ACADEMIC LEVEL WEIGHTED FACTOR**

**Grades 9 – 12**

<table>
<thead>
<tr>

Successful completion of a two-semester course is based on a minimum of 70 percent mastery, represented by the yearly average of the two semester averages. Therefore, if a student has earned a 68 and a 76 for the two semester averages, the student passes the course with a yearly average of 72. This is calculated as follows: \((68 + 76) ÷ 2 = 72\). (See board policy EI Local)

**GRADE/COURSE TRANSFERS**

Students entering the District school from accredited or non-accredited public, private, or parochial schools shall provide evidence of prior schooling outside the District. [See Policy FD (Local) for guidelines regarding awarding credit]. When a student transfers grades for properly documented courses, the District shall assign weight to those grades based on the categories and grade weight system used by the District. For a course to receive weighted factors for the purpose of class rank other than Advanced Academic level, the transferred course must be clearly designated as an advanced course on the student’s transcript. EIC (Local)
DUAL AND CONCURRENT COLLEGE COURSES

Students taking courses for dual credit receive credit for both high school and college.

Concurrent courses receive credit for college only and do not affect high school credit or GPA in any way. The information in these guidelines does not necessarily pertain to these courses. The standard for grading dual and concurrent courses is set by the college. A student will not be allowed to go off campus during the school day for a college course that is offered at the student’s LCISD campus. If a student chooses to take a course off campus that is not offered at the student’s LCISD campus, the student will be allowed off campus only the periods necessary to attend a class. See the school counselor for course offerings, applications, requirements, fees and deadlines to enroll in a dual or concurrent course offered through LCISD.

It is important to keep in mind that not all colleges and universities accept credit earned in all dual credit and AP courses taken in high school for college credit. Students and parents should check with the prospective college or university to determine if a particular course will count toward the student’s desired degree plan.

ONLINE PUBLIC SCHOOL COURSES

Online public school courses, taught by an outside provider, may be used as means of earning graduation credit. Prior to enrollment in online public school courses, students shall make a written request to the principal or designee for approval to enroll in the course. If written approval is not granted prior to enrollment, the student shall not be awarded credit toward graduation. All high school students shall be eligible to take online public school courses and earn credit toward graduation. Students shall score 70 or above on coursework to receive credit for a online public school course. For online public school courses to be considered for graduation, grades earned shall be received by the school registrar no later than May 1 of each school year. In order to be included in the class rank calculation, all grades earned from any source outside of the District must be received by the last day of the second grading period of the spring semester. [See EIC(Local) on class ranking]

SCHOLASTIC AWARDS POLICY FG AND EIC (LOCAL)

Scholastic awards that may be given in the secondary schools include:

**Valedictorian** - To be eligible for this award, a student shall have completed the last three semesters in the same high school within the District prior to the semester he or she plans to graduate. A student shall also be initially and continuously enrolled as a full-time student during this time period, being enrolled in at least five credit courses each semester. A student who fails to meet these criteria is not eligible to be valedictorian. The student with the highest average at the end of the second six-week period of the spring semester in which he or she is eligible to graduate shall be declared the valedictorian. In order to be included in the class rank calculation, all grades earned from any source outside of the District must be received by the last day of the second grading period of the spring semester. [See EIC(Local) on class ranking]. No other consideration shall be given in determining this award except in the case of a tie, when students may be declared co-valedictorians.

**Salutatorian** - To be eligible for this award, a student shall have completed the last three semesters in the same high school within the District prior to the semester he or she plans to graduate. A student shall also be initially and continuously enrolled as a full-time student during this time period, being enrolled in at least five credit courses each semester. A student who fails to meet these criteria shall not be eligible to be salutatorian. The student with the second highest grade average shall be declared the salutatorian. In order to be included in the class rank calculation, all grades earned from any source outside of the District must be received by the last day of the second grading period of the spring semester. [See EIC(Local) on class ranking]. No other consideration shall be given in determining this award except in the case of a tie, when students may be declared co-salutatorians.
Honor Graduates - The top ten percent of the graduating class, as determined by class rank, shall receive an appropriate award denoting their academic excellence and designating them as honor graduates. In the event of a tie, all students involved in the tie shall be designated as honor graduates.

Early Graduates - A student who graduates ahead of his or her respective class shall only be eligible for valedictorian or salutatorian honors if his or her grade point average is equal to or higher than that of the four-year valedictorian or salutatorian. A student who graduates ahead of his or her respective class with this required grade point average shall be declared the three-year valedictorian or salutatorian. The State of Texas Scholarship for Valedictorian shall be awarded to the four-year valedictorian. [EIC (Local)]

FOREIGN EXCHANGE

A foreign exchange student is eligible to receive a Texas diploma if the student meets all the high school graduation requirements under 19 TAC 74.11 or 74.41. Evaluation of transcripts is the responsibility of the foreign exchange student or sponsor organization. A student shall have completed the last three semesters in the same high school within the district prior to the semester he or she plans to graduate to be eligible for valedictorian or salutatorian. Policy EIC (Local)

MINOR/MAJOR/LONG-TERM ASSIGNMENTS

Actual grades should reflect mastery of the TEKS, not work habits, class participation, or classroom behavior. Points should not be added or deducted to grades for behavior, format of papers (heading, name, date, etc.), attendance or tardies, supplies, etc. Points may only be added or deducted for errors in format (heading, spacing, name, date, etc.) when format is part of the learning objective and students are notified ahead of time in writing.

MINOR GRADES

Classwork, quizzes, and homework typically requiring less than three days to complete are examples of minor assignments. Minor assignments will be returned to and reviewed with the students within five school days.

Homework will be used to enrich or reinforce topics covered in class and should satisfy at least one of the following objectives:

- To develop effective study habits and time management skills.
- To help the student prepare for classroom work.
- To give students practice and extension of concepts learned in class.
- To extend learning beyond the material covered in class.
- To allow students to make up work after absences.
- To provide a means of re-teaching the TEKS.
- To provide a drill that helps the student practice the basic skills of a subject.

Homework should never be a disciplinary measure, but should be used to enrich and strengthen classroom experiences.

Homework may be assessed in a variety of ways. A complete analysis of procedure, content, and/or correct answers is appropriate.

MAJOR ASSIGNMENTS

Assessments of complex assignments typically requiring one to five days to complete are called major assignments. Advance notice must be given to students of any activity or test that constitutes a major grade. All major assignments will be announced at least two days in advance. The following are examples of major assignments:

- Chapter or unit tests
- Special activities or projects, i.e., notebook, lab, artwork
- Skill assessments, i.e., essays, performances, oral presentations
Students will be informed of content covered on all tests. Each campus should coordinate tests so that the student will not have more than two major tests on a given day from the subjects: science, social studies, English, reading, math and foreign languages. Major assignments will be returned to and reviewed with the students within seven school days.

**LONG-TERM ASSIGNMENTS**

Assignments typically requiring more than five days to complete are called long-term assignments. The following are examples of long-term assignments:

- Research papers
- Special activities or projects, i.e., notebook, lab, artwork
- Skill assessments, i.e., essays, performances, oral presentations

Grading criteria or a rubric for the project assignment must be made available to each student at the time the assignment is made. Periodic assessments should occur within the long-term assignment. The project will not cause an excessive financial burden on the student. Exceptions to this policy may occur with an administrator's approval. Long-term assignments will be returned to and reviewed with the students within ten school days. English department long-term assignments have a separate return time.

**MAKE-UP WORK**

Make-up work is available to all students. Students shall receive credit for satisfactory make-up work after an absence, but may receive a zero for any assignment or test not made up within the allotted time, as indicated in the guideline below. Make-up work, including tests, may be of an altered version to assess what the student has learned. Teachers may assign alternative work to assure that students who have been absent have sufficient opportunity to master the essential elements or to meet subject or course requirements. This may provide greater depth of subject matter than routine make-up work.

**GUIDELINES:**

1. A student is required to make up all assignments missed while absent. It is the responsibility of the student to ask the teacher what work has been missed when returning from an absence. A grace period equal to the number of days missed, plus one, is allowed for make-up work. At the teacher's discretion, make-up work may be made up before, during, or after school.

   *Example*: A student absent on Tuesday would have Wednesday and Thursday to do the make-up work and turn it in on Friday. A student absent on Wednesday, Thursday, and Friday would have Monday, Tuesday, Wednesday, and Thursday of the next week to do the make-up work and turn it in on Friday.

   - Students out due to a lengthy illness or emergency will be handled on an individual basis.

2. Assignments are due on the assigned date unless the student is absent the entire day the assignment is due. In that case, the assignment is due the first day upon returning to school.

   - Students must make prior arrangements with the teacher for making up missed work when they anticipate being absent (school activity, doctor/dental appointment, etc.).
   - Students leaving campus before their scheduled class, or returning after their scheduled class are expected to bring the assignment to their teacher while they are on campus including prior to leaving and returning to campus for UIL and extra-curricular activities. Students in ISS are expected to turn in the assignment before or after school.

3. Students are expected to adhere to long-term assignment (projects and research paper) due dates. Teacher discretion should be used for cases involving severe situations. Teachers will specify the time that an assignment is due.

4. Students who are absent the day before or the day of a scheduled test are required to make up the test at the teacher's next scheduled make-up day. At the teacher's discretion, make-up times may be before, during, or after school. If a student is absent from a scheduled make-up test on two occasions, he/she may be given a zero for that test. Teacher discretion should be used for cases involving severe situations.
5. During an absence, students may contact the school to secure assignments which are not available from classmates, with the understanding assignments may not be available until the end of the next school day.
6. Exceptions for extenuating circumstances may be granted by the campus administration.
7. The return time of make-up work assignments to the student shall be the same as any time frame for minor, major or long-term assignments. For more information, see EIA (Local).

**DAEP Makeup Work**

A student removed to a disciplinary alternative education program (DAEP) during the school year will have an opportunity to complete, before the beginning of the next school year, a foundation curriculum course in which the student was enrolled at the time of removal. The district may provide the opportunity to complete the course through an alternative method, including a correspondence course, distance learning, or summer school. The district will not charge the student for any method of completion provided by the district. [See policy FOCA(LEGAL).]

**In-School Suspension (ISS) Makeup Work**

A student removed from the regular classroom to in-school suspension or another setting, other than a DAEP, will have an opportunity to complete before the beginning of the next school year each course the student was enrolled in at the time of removal from the regular classroom. The district may provide the opportunity by any method available, including a correspondence course, distance learning, or summer school. The district will not charge the student for any method of completion provided by the district. [See policy FO(LEGAL).]

**Late Work**

Late work is defined as any assignment that is not turned in during the student’s scheduled class period, at the time the teacher designates, on the day in which the assignment is due if the student is in class. The teacher will specify, in advance, the time during the period that an assignment is due. If an assignment is turned in after that time, it is considered late.

The district has developed the guidelines for assigning a late penalty for work turned in after the due date. See Calculation of Grades Chart in this section. The return time of late work assignments to the student shall be the same as any time frame for minor, major or long-term assignments. Extenuating circumstances may occur that are directly out of the students’ control and prevent them from completing and returning homework assignments. Students are to inform the teacher of any such circumstances that prevented them from returning homework. Teachers may grant exceptions to this policy as necessary, with an administrator’s approval.

**Extra Credit Assignments and “Dropped” Grades**

To receive extra credit, the work completed must be directly related to the curriculum of the class and should be used for enrichment. Extra credit will not be used to the extent that the grade does not accurately reflect the academic achievement of that student for the current six or nine weeks.

Extra credit and “dropped” grades will not be awarded for the following:

- Attending events not related to the subject
- Participating in fund raising event
- Bringing basic school supplies

If a teacher makes extra credit available to one student, he/she must give all students in the same course the opportunity for extra credit. It should apply equally to all students. Extra credit will not replace missing assignments or poor grades. Major grades cannot be dropped.

Extra credit may be given at a teacher’s discretion, but is not required.
ACADEMIC DISHONESTY

A student found to have engaged in academic dishonesty shall be subject to grade penalties on assignments or tests and disciplinary penalties in accordance with the Student Code of Conduct. Academic dishonesty includes cheating or copying the work of another student, plagiarism, and unauthorized communication between students during an examination. The determination that a student has engaged in academic dishonesty shall be based on the judgment of the classroom teacher or another supervising professional employee, taking into consideration written materials, observation, or information from students. Policy EIA (Local)

CHEATING

Cheating is defined as giving, receiving, and/or using unauthorized information on a test or submitting duplicate work for individual assignments. Students involved in cheating will receive a zero for the assignment and ineligible for a re-assessment. A discipline consequence in accordance with the Student Code of Conduct may be assigned to a student found guilty of cheating, and the parents will be notified. Policy EIA (Local)

BEHAVIORS DEFINED AS CHEATING

- Giving or receiving information, looking on someone else’s work, or allowing someone else to see one’s work during an exam, test or quiz.
- Unauthorized receipt or distribution of exam, test or quiz contents, materials, or answer key.
- Use of unauthorized resources such as notes, electronic devices or other non-approved materials during an exam.
- Taking an exam, producing a project, paper or assignment for another student or asking someone to take an exam or produce a project, paper or assignment for an individual.
- Copying work assigned to be done independently or letting others copy one’s work.
- Plagiarism - any misrepresentation of another’s work as one’s own, including the copying of sentences, phrases, images, entire essays, passages from an undocumented source, musical scores, and other similar works.

PLAGIARISM

According to Plagiarism.org, to "plagiarize" means:
- to steal and pass off (the ideas or words of another) as one’s own.
- to use (another's production) without crediting the source.
- to commit literary theft.
- to present as new and original an idea or product derived from an existing source.

The expression of original ideas is considered intellectual property, and is protected by copyright laws, just like original inventions. Almost all forms of expression fall under copyright protection as long as they are recorded in some way (such as a book or a computer file).

All of the following are considered plagiarism:
- turning in someone else's work as your own
- copying words or ideas from someone else without giving credit
- failing to put a quotation in quotation marks
- giving incorrect information about the source of a quotation
- changing words but copying the sentence structure of a source without giving credit
- copying so many words or ideas from a source that it makes up the majority of your work, whether you give credit or not (see our section on "fair use" rules)

Classes taken in junior high which receive high school credit will be averaged according to the high school averaging system and will be included in the calculation of rank and GPA. A student who received credit for a high school level course while in grade 7 or 8 may not retake the same course. (EIC Local)

At a minimum, three minor grades and one major grade will be recorded in the electronic grade book prior to progress report.
In grade 6, there are no semester exams; semester averages will be calculated by averaging grades from the three six week grading periods.

In grades 7-12, semester exams are administered in all classes*. The average of the three six weeks counts for 80% of the final grade. For example, if the six week averages are 80, 85, 89 and the semester exam is 74, then the semester average is calculated as follows:

\[
\frac{80 + 85 + 89}{3} = 84.67
\]

\[

\[
338.68 + 74 (\text{semester exam}) = 412.68
\]

\[
412.68 \div 5 = 82.54 = 83 \text{ semester grade}
\]

(grade is rounded up if .5 or higher for the final semester grade)

*Some students may be exempt from semester exams in grades 7-12 according to Policy EIAA (Local). If a student is exempt, then the semester grade will be the average of the three six weeks.

**COMPUTING YEARLY AVERAGES**

In grades 6-8, successful completion of a two-semester course is based on a minimum of 70 percent mastery, represented by the yearly average of the two semester averages. Therefore, if a student has earned a 76 and a 68 for the two semester averages, the child passes the course with a yearly average of 72.

This is calculated as follows:

\[
\frac{76 + 68}{2} = 72
\]

Classes taken in junior high which receive high school credit will be averaged according to the high school averaging system.

**EXAM EXEMPTIONS (GRADES 7-12) POLICY EIAA (LOCAL)**

The procedures for exemption from semester exams for junior high and high school students are listed below.

**SEMESTER EXAMS - Maximum exemptions allowed:**

- Grade 7: Two classes per semester
- Grade 8: Three classes per semester
- Grades 9: Two classes per semester
- Grade 10: Three classes per semester
- Grade 11: Four classes per semester
- Grade 12: All classes per semester

**QUALIFICATIONS:**

**Attendance** - A student shall have no more than three absences in a class in order to be exempt from the semester exam for that class. All absences (excused or unexcused) where the student is not physically present in a class will count as an absence. Days missed because of approved school-related or school- sanctioned activities [See FM(LOCAL)] and pre-
approved college days shall not count against a student. The District shall excuse a student for up to two days during the student’s junior year and up to two days during the student’s senior year to visit an accredited institution of higher education provided the student receives approval from the campus principal, return with a document certifying that the absence was to visit an accredited institution of higher education and makes up any work missed.

**Conduct** - a student shall have no more than three office referrals for the semester and no more than one assignment, not to exceed three days, to ISS for the semester. In addition, a student shall have no assignments to ALC or suspensions from school for the semester.

**Grade Average** - A student shall have a grade average of 80 or better for the semester in the class(es) from which the exemptions are requested.

**Other** - Other requirements include:

- Student shall not be allowed to claim an exemption from concurrent or dual credit course semester examinations.
- Students who have outstanding fees and/or fines are not eligible for exemption from semester examinations.
- Students eligible for semester exemption(s) must declare the courses that will apply prior to testing.
- The declaration date shall be determined by the building principal and shall not be later than two days prior to the beginning of semester examinations.
- Any absence, discipline referral, or grade reduction below 80 after the exemption declaration may cause the student to be ineligible for the exemption.

**STUDENTs WITH DISABILITIES**

All grading for students with disabilities is determined by the ARD committee.

An ARD committee meeting must be conducted if a student receives failing grades during each grading period in any one subject to address causes for the failure and lack of progress. If the student’s failure is due to lack of effort or materials at an appropriate instructional level, the ARD committee may devise additional motivation and support strategies or services or may adjust goals and objectives for the course. It is critical that teachers provide all instructional accommodations and modifications that have been approved by the ARD Committee.

If a student with disabilities is receiving failing grades, care must be taken that the accommodations or modifications specified in the IEP have been provided. An ARD Committee may need to review the IEP to revise goals and objectives or plan additional motivational and/or support services for the student. General and special education teachers must have documentation of accommodations or modifications provided and why they were unsuccessful.

Such documentation may include work samples, lesson plan adjustments, grade book notations, and notes on the teacher copy of the IEP document. Additional interventions used for all students should also be documented, i.e., parent contacts, student conferences, availability of tutoring.

If a student with disabilities refuses to make reasonable effort, despite appropriate accommodations or modifications, the student may receive a failing grade. Failing grades should alert the teacher to request an ARD Committee review.

The ARD Committee does not have the authority to change a student’s failing grade to passing. The ARD Committee can recommend compensatory strategies to promote student success. For more information, see Policy EIE (LOCAL)
504 STUDENTS

Section 504 of the Rehabilitation Act of 1973 is a federal law that prohibits discrimination on the basis of disability. The purpose of Section 504 is to ensure that individuals with disabilities are given the same opportunity to participate in programs and activities as are their non-disabled peers. Students who qualify for 504 services may receive individualized accommodations.

In the context of 504, “placement” refers to the general education classroom or program with individually planned accommodations or interventions. Placement may include such things as tutorials, math lab, block math classes or reading improvement classes. In other words, an identified 504 student is entitled to the same access to programs and standards for participation as their nondisabled peers. There is no modification of the essential knowledge and skills for 504 students. Eligibility under Section 504 is not intended to reduce expectations for students with disabilities. The intent of 504 is to provide eligible students with reasonable accommodations that will give them an equal chance to achieve.

ENGLISH LEARNERS
POLICY EIE (LOCAL)

Secondary student who has been identified as an English Learner (EL) shall be provided a full opportunity to participate in an English as a Second Language (ESL) program. An ESL/pull-out program model is an English acquisition program that serves students identified as English learners through English instruction provided by an appropriately certified ESL teacher under the TEC, §29.061(c), through English language arts and reading. A Language Proficiency Assessment Committee (LPAC) will meet to determine student’s classroom linguistic accommodations based on their language proficiencies and instructional needs. Teachers are responsible for implementing the linguistic accommodations determined by the LPAC. The LPAC meets to review student’s grades, assessment data, and linguistic progress. LPAC is convened to review current implementation of linguistic accommodations during the beginning, middle, and end of the school year. If the student receives failing grades during any grading period. The LPAC will review and may revise current linguistic accommodations or plan additional support services for the student. The ARD and LPAC will make instructional and linguistic decisions for students that are coded as LEP (Limited English Proficient) and receive special education services because of a qualifying disability.

GUIDELINES FOR GRADING EL STUDENTS RECEIVING ESL SERVICES

English Learners are expected to master grade level standards. To achieve this goal, students are to receive sheltered instruction in content area classes to master content and develop academic language proficiency.

By statutory reference Chapter 89, teachers of ELs are expected to:

- Provide instruction in academic content areas to ensure that the students master the required essential knowledge and skills and higher-order thinking skills using second language acquisition methods.
- Address the affective, linguistic, and cognitive needs of ELs.
- Use knowledge of the student’s proficiency levels descriptors (PLDS) to instruct, commensurate with their linguistic needs, in content-area classrooms.
- Provide linguistically accommodated instruction by routinely and effectively implementing linguistic accommodations selected and monitored by LPAC committee.
- Provide intensive instruction in the skills of listening, speaking, reading and writing in the English language, provide through ELPS.
- Provide additional supports that are focused, targeted and systematic to ELs grades 3-12 that are at the beginning or intermediate levels of English language proficiency on TELPAS.
If an EL does not demonstrate adequate measurable progress after routinely being provided appropriate linguistic accommodations and sheltered instructional strategies, then the student may receive a failing grade.

For ELs whose parents have waived the right to participate in ESL, the expectations are the same as for general education students. The waived students will be graded according to general education grading expectations.

**REPORTING PROGRESS TO STUDENTS AND PARENTS**

**PROGRESS REPORTS**
Progress reports shall reflect all grades including at least three minor and one major grade. Progress reports will be sent home during the fourth week of the grading period. Grades shall be updated in the student management system at least once a week.

If at any time after the progress report the grade drops below passing, the teacher will make a reasonable effort to notify the parent (i.e., phone call, written notice).

Regular education teachers are responsible for sending progress reports to parents for mainstreamed special education students. The special education teacher may provide input. Special education teachers are responsible for sending progress reports to parents when a student receives all of his/her instruction for a subject in a special education classroom. For more information, see EIA (Legal & Local).

**REPORT CARDS - POLICY EIA (LOCAL)**
Grade reports shall be issued every six weeks for grades 6-12 on a form approved by the Superintendent or designee. Performance shall be measured in accordance with this policy and the standards established in EIE(Local).

**FAMILY ACCESS CENTER**
The Family Access Center allows for parents to log into a secure account and see each of their student’s assignments, grades, and averages. This Family Access Center also allows for parents to see student’s daily attendance and messages from the classroom teacher.

To access the Family Access Center, parents will click on the Family Access link on the main LCISD webpage. For more information on creating an account or getting support, refer to www.lcisd.org

**PARENT COMMUNICATION**
Parent/teacher conferences are a part of the process of reporting student progress to parents. Conferences between parents, teachers, campus administrators and students are often necessary. Conferences may be held in person, or over the telephone. This conference may be requested by the parent or initiated by the teacher. These conferences should be positive, constructive and informative. The objective of the meeting should always be to clearly articulate the goals of the school and the level of performance the student has attained. Recommendations should be solicited from parents as well as offered by school personnel. So that all conference parties can have a record of the discussion, conferences may be documented in writing, with all parties signing and receiving a copy of the meeting minutes. For more information, see Policy EIA (Local).

**RETENTION AND PROMOTION**
State law requires a student to be in attendance for at least 90 percent of the days a class is offered per year in order to be promoted from grade to grade. [See FEC]

Promotion, grade level advancement, and course credit shall be based on passing at least 70 percent of the curriculum, which is based on the Texas Essential Knowledge and Skills (TEKS). Expectations and standards for promotion shall be established for each grade level, content area, and course and shall be coordinated with compensatory/accelerated services. [See EHBC]
<P><strong>STANDARD FOR PROMOTION</strong></P>

Promotion shall be determined as follows:

- Course assignments and unit evaluation shall be given to determine student grades in a subject. An average of 70 or higher shall be considered a passing grade.
- Mastery of the skills necessary for success at the next level shall be validated by assessments that may either be incorporated into unit or final exams or may be administered separately. Mastery of at least 70 percent of the objectives shall be required.

In <strong>grades 6-8</strong>, promotion to the next grade level shall be based on an overall average of 70 on a scale of 100 based upon course-level, grade-level standards (Texas Essential Knowledge and Skills) for all subject areas and a grade of 70 or above in each of the following four courses: language arts (the average of English and reading), mathematics, science, and social studies. In addition, the student must meet minimum expectations on the state-mandated STAAR assessments.

In <strong>grades 9-12</strong>, passing at least 70 percent of the TEKS objectives on District-approved tests shall be required. Grade-level advancement for students in grades 9-12 shall be earned by course credits. Changes in grade-level classification shall be made at the beginning of the fall semester. For more information, see Policy EIE (Local)

Students entering the ninth grade for the first time in 2011-2012 will be required to take the State of Texas Assessments of Academic Readiness (STAAR) End of Course tests. Depending upon an individual student’s graduation plan, a student may be required to take and pass some or all of the following assessments:

- ELA: English I, English II
- Math: Algebra I
- Science: Biology
- Social Studies: U.S. History

A Personal Graduation Plan (PGP) will be prepared for any student in a middle school or beyond who did not perform satisfactorily on a state-mandated assessment or is determined by the district as not likely to earn a high school diploma before the fifth school year following enrollment in grade 9. The PGP will be designed and implemented by a guidance counselor, teacher, or other staff member designated by the principal. The plan will, among other items, identify the student’s educational goals, address the parent’s educational expectations for the student, and outline an intensive instruction program for the student. [For additional information, see the counselor and policy EIE(LEGAL).] For a student receiving special education services, the student’s IEP may serve as the student’s PGP and would therefore be developed by the student’s ARD committee.

**GRADE 8 SSI TEST PREP**

Students that did not pass the second administration of the STAAR Grade 8 Reading or Math are required to come to summer school to prepare for the third administration of the Grade 8 Reading and Math STAAR.

The third administration of the STAAR is in the summer for Math and Reading. For more information, please see Board Policy EIE (LOCAL).

**GRADE 6-8 SUMMER SCHOOL & NINTH GRADE PREP**

Students that failed one of more sections of their grade level STAAR or that failed a Reading/ELAR, Math, Science or Social Studies course are required to attend summer school. Grade 8 students that attended SSI summer school the first session will be given enrichment instruction to prepare them for success in the ninth grade. For more information, please see Board Policy EIE (LOCAL).

**RETAINING OF STUDENTS**

The District shall establish procedures designed to reduce retaining students at a grade level, with the ultimate goal being elimination of the need to retain students. [See EHBC]
ACCELERATED/COMPENSATORY PROGRAMS

ACCELERATED INSTRUCTION

Per the Texas Education Code, students who have not met the standards for promotion to the next grade will be required to either attend accelerated summer instruction to ensure grade level skills are mastered or will have instructional supports to help master grade level skills in the following year. Campus recommendations for grade level placement and accelerated instructional supports are made for students each spring following the receipt of state assessment scores.

STUDENT SUCCESS INITIATIVE

Students in 8th grade are required to pass the reading and Math portion of the STAAR assessment as part of the Student Success Initiative (SSI). As a part of SSI, 8th grade students will take their initial test in April, and will be allowed to retest an area not successfully passed in May and June. Promotion or retention for 8th grade students who fail to pass the reading portion of the STAAR assessment after the June retest will be determined by the campus Grade Placement Committee (GPC).

TUTORIALS

The purpose of a tutorial session is to provide assistance to students who have not mastered the TEKS currently being taught. Tutorials also serve as instructional reinforcement for students needing assistance. These tutorials may be provided in a variety of ways. The teacher may choose to help students before, during, or after school. Secondary campuses may offer extended day tutorials for students who need STAAR remediation. Each campus will supply students and parents with extended day notification that will include the days of the week offered, times, and other details.

SPECIAL SERVICES

Students in regular or general education classes may at times require special accommodations. Accommodation refers to a teaching technique or assessment that a teacher may use to help an individual student master a concept or demonstrate mastery of curriculum. For example, a student may need to be tested orally in science or social studies because he/she has difficulty reading on grade level or cannot write due to an injury. If special needs persist, the teacher should consider remediation or tutorial sessions to overcome that specific deficiency. After working through the accommodations and based on the student’s response, a teacher may refer this student to a Problem Solving Team (PST) to consider assessment or other possible needs.

The state and district goals include the concept that each student should learn as many of the required Texas Essential Knowledge and Skills (TEKS) for each subject and grade level as is within his/her ability. If a student is experiencing difficulty learning a concept, the teacher should proceed through a series of research-based, data driven interventions to remediate the student’s difficulties. It is primarily the classroom teacher’s responsibility to conduct the initial stages of such a process. The needs of most unsuccessful students can be met within the regular classroom environment by:

- Utilizing teaching strategies that are compatible with the learning styles of these students;
- Identifying and implementing appropriate supplementary instructional aids;
- Providing students access to essential student services such as counseling and health services;
- Implementing necessary instructional modifications in pacing, materials, and methodologies;
- Designing and implementing behavior management plans, as needed; and monitoring academic progress and adjusting instruction.

When students do not progress despite access to supplementary aids and services, a referral to the Problem Solving Team (PST) will take place. The counselor will schedule the PST meeting conference.

The team members should include the principal, counselor, and teacher(s). This committee should:

- Consider the efforts that have been made to provide accommodations;
- Review the supplementary aids and services provided; and
- Examine samples of the student’s work to determine whether additional instructional options or student services need to be tried.

If the team members decide that a referral is in order, the committee should reach consensus as to what type of referral is appropriate. Communication should be made with parents regarding the PST’s recommendations if appropriate as determined by the principal.
Assessment Requirements for a Diploma

Students entering ninth grade in the 2011-2012 school year and later are required to take and successfully complete the State of Texas Assessments of Academic Readiness End of Course (STAAR-EOC) Assessments. These assessments correlate to the following courses:

- ELA: English I, English II
- Math: Algebra I
- Science: Biology
- Social Studies: U.S. History

For Course Requirement and Graduation Plan, refer to the current Course Planning Guide on the district website.

Students with Disabilities

Upon the recommendation of the admission, review, and dismissal (ARD) committee, a student with disabilities may be permitted to graduate under the provisions of his or her individualized education program (IEP).

A student who receives special education services and has completed four years of high school, but has not met the requirements of his or her IEP, may participate in graduation ceremonies and receive a certificate of attendance.

Even if the student participates in graduation ceremonies to receive the certificate of attendance, he or she may remain enrolled to complete the IEP and earn his or her high school diploma; however, the student will only be allowed to participate in one graduation ceremony. [See FMH(LEGAL).]

Graduation Expenses

Because students and parents will incur expenses in order to participate in the traditions of graduation—such as the purchase of invitations, senior ring, cap and gown, and senior picture—both student and parent should monitor progress toward completion of all requirements for graduation.

Participating in Graduation Activities

The district has the right to limit a student’s participation in graduation activities for violating the district’s Code.

Participation might include a speaking role, as established by district policy and procedures.

Students eligible to give the opening and closing remarks at graduation shall be notified by the campus principal. Notwithstanding any other eligibility requirements, in order to be considered as an eligible student to give the opening or closing remarks, a student shall not have engaged in any misconduct in violation of the district’s Code resulting in an out-of-school suspension, removal to a DAEP, or expulsion during the semester immediately preceding graduation.

The valedictorian and salutatorian may also have speaking roles at graduation. No student shall be eligible to have such a speaking role if he or she engaged in any misconduct in violation of the district’s Code resulting in an out-of-school suspension, removal to a DAEP, or expulsion during the semester immediately preceding graduation.
SECTION V: CO-CURRICULAR & EXTRA-CURRICULAR (ATHLETICS, CTE, PERFORMING AND VISUAL ARTS)

Lamar Consolidated Independent School District (Lamar CISD) has established an extremely competitive, highly recognized, and well-respected extracurricular program. Achieving a reputation for excellence takes the diligent efforts of coaches, directors, students, parents, and community supporters, as well as the support and encouragement of an outstanding administration. It is up to each of us in the district to continue to meet the demands placed on us to maintain this high standard of distinction. This handbook has been designed to aid the coach/director, students and parents in the knowledge of policies and procedures of the extracurricular program in Lamar CISD, which will help us maintain a level of prestige among other districts.

PHILOSOPHY

Lamar Consolidated Independent School District is dedicated to giving all students the opportunity to participate in a highly competitive and comprehensive enrichment program by employing dedicated professionals and providing appropriate funding through fairly administered and conducted activities. We believe that school related activities are a microcosm of society and through participation in our programs, students will inherently learn life skills enabling them to be productive members of society, capable of managing time, striving to set and obtain goals, and developing an enhanced self-discipline. Three main themes are apparent in all successful enrichment programs: integrity, character, and honesty. The co-curricular and extra-curricular programs at Lamar CISD are a privilege and, as such, the student is held to a much higher standard than that of the general school population. Therefore, the guidelines and rules that each coach/director establishes for the team may be more stringent than those delineated in the Student Code of Conduct.

EXTRA-CURRICULAR SCHOOL BOARD POLICY
[FO LOCAL]

Sponsors and coaches of co-curricular and extra-curricular programs may develop and enforce standards of behavior that are higher than the District-developed Student Code of Conduct and may condition membership or participation in the activity on adherence to those standards. Co-curricular and extra-curricular standards of behavior may take into consideration conduct that occurs at any time, on or off school property. A student shall be informed of any behavior standards at the beginning of each school year or when the student first begins participation in the activity. A student and his or her parent shall sign and return to the sponsor or coach a statement that they have read the behavior standards and consent to them as a condition of participation in the activity. Standards of behavior for an extracurricular activity are independent of the Student Code of Conduct. Violations of these standards of behavior that are also violations of the Student Code of Conduct may result in independent disciplinary actions. A student may be removed from participation in extracurricular activities or may be excluded from school honors for violation of extracurricular standards of behavior for an activity or for violation of the Student Code of Conduct.
PROGRAM OBJECTIVES

The Extra-Curricular/Co-Curricular Coaches, Sponsors, and/or Directors are dedicated to Lamar CISD being recognized as a premier program in the state of Texas. In order to obtain this extraordinary level of competence in an incredibly competitive area, each person within the program must demand excellence of himself/herself, as well as, each individual for whom he/she is responsible.

SCHEDULE CONFLICTS

Students participating in more than one activity could possibly have conflicts from time to time. Please notify the coaches/sponsors/directors as soon as the conflict arises. The following order will be used to help settle these conflicts:

- State
- Regional Events
- Area
- Bi-District
- District
- Non-District
- Local Performances
- Scrimmages
- Practice

EXPECTATIONS FOR PARTICIPATING STUDENTS

Students selected to a Lamar CISD extracurricular program must recognize this distinction as an honor and privilege and must be held accountable to a greater standard than that of the general school population. The students involved in extracurricular activities are recognized as representatives of the individual school as well as the district, and, as such, must demonstrate the highest levels of character and behavior. It is the responsibility of each coach/sponsor/director to ensure this high level of expectation. Coaches/directors must monitor the character and behavior of their student members in and out of season, in and out of uniform, and on and off campus. The inordinate amount of time coaches/directors spend in various curricular and co-curricular activities provides a unique opportunity to observe, assist, and intercede to help the students make good decisions. Therefore, this Code of Conduct extends beyond the Lamar CISD Student Code of Conduct not only in types of behavior prohibited, but also in corresponding consequences and jurisdiction for imposing discipline.

UIL ELIGIBILITY (HIGH SCHOOL)

The University Interscholastic League (UIL) is the governing body for public school interscholastic athletics in Texas. The following guidelines are from the University Interscholastic League Constitution and Contest Rule Manual. LCISD uses these standards for all activities and programs in order to avoid having different standards for student participants (e.g., Athletics, CTE, Fine Arts, campus clubs, organizations, honor societies and all other extracurricular activities) as defined by Commissioner of Education rule [19 TAC Chapter §76]).

FIRST 6 WEEKS

UIL participants are eligible to participate in contests during the first six weeks of the school year provided the following standards have been met:

- Students beginning grade nine and below, must have been promoted from the previous grade prior to the beginning of the current school year.
- Students beginning their second year of high school must have earned five credits which count toward state high school graduation requirements.
• Students beginning their third year of high school either must have earned a total of ten credits which count toward state high school graduation credits or have earned a total of five credits which count toward state high school graduation requirements during the twelve months preceding the first day of the current school year.

• Students beginning their fourth year of high school either must have earned a total of 15 credits which count toward state high school graduation credits or have earned a total of five credits which count toward state high school graduation requirements during the twelve months preceding the first day of the current school year.

Exceptions:

a. When a migrant student enrolls for the first time during a school year, all criteria cited above applies. All other students who enroll too late to earn a passing grade for a grading period are ineligible.

b. High school students transferring from out-of-state may be eligible the first six weeks of school if they meet the criteria cited above or school officials are able to determine that they would have been eligible if they had remained in the out-of-state school from which they are transferring. Students who are not in compliance with these provisions may request a hardship appeal of their academic eligibility through the UIL state office. Local school boards may elect to adopt these standards for all activities in order to avoid having different standards for student participants (e.g., football, dance team, cheerleading, and all other extracurricular activities as defined by Commissioner of Education rule [19 TAC Chapter §76]).

AFTER FIRST 6 WEEKS

A student who receives, at the end of any grading period (after the first six weeks of the school year), a grade below 70 in any class (other than an identified class eligible for exemption) or a student with disabilities who fails to meet the standards in the Individual Education Plan (IEP) may not participate in extracurricular activities for three school weeks. However, an ineligible student may practice. The student regains eligibility after the seven calendar day waiting period has ended following a grading period or the three school week evaluation period when the principal and teachers determine that he or she has earned a passing grade (70 or above) in all classes, other than those that are exempted. All schools must check grades for all participants at the end of the first six weeks of the school year. From that point, grades are checked at the end of the grading period whether it is six, nine, or twelve weeks in length. Students who pass remain eligible until the end of the next grading period. All activity coaches and directors are responsible for obtaining official grade reports from the individual the principal designates as the keeper of official grades before the student represents the school. This provision applies to all grading periods. It also applies to all three-school week evaluation periods for ineligible students.

• All students are academically eligible during a school holiday of a full calendar week or more. When the bell rings to dismiss students for the December holidays, all students are academically eligible until classes resume in January. The same is true for summer recess and fall and spring breaks provided those breaks consist of at least a full calendar week. (See example at the end of this document.)

• If a grading period or three school week evaluation period ends on the last class day prior to a school holiday of one calendar week or more (e.g. spring break, winter holidays), the seven calendar day grace period to lose eligibility and the seven calendar day waiting period to regain eligibility begin the first day that classes resume.

• Students lose eligibility for a three school week period. For purposes of the law, “three school weeks” is defined as 15 class days.

Exception:

One, but only one of the three school weeks may consist of only three or four class days, provided school has been dismissed for a scheduled holiday period. Two class days does not constitute a “school week” for purposes of this law except Thanksgiving week if schools are on holiday Wednesday, Thursday and Friday. A school district may request an exception from UIL officials to the two day school week in the event of a disaster, flood, extreme weather condition or other calamity as listed in TEC §42.005. In the event two of three school weeks are shortened, one of the shortened weeks may be counted as five days with ten other actual class days making up the fifteen class days. After the first six weeks of the school year, academically ineligible students in schools with six week grading periods have one opportunity to regain eligibility after the first three school weeks of the grading period; students in a nine week grading period have two opportunities, one at the end of the first three school weeks and one at the end of the first six school weeks. Students who fail to regain eligibility at the evaluation periods remain ineligible until seven calendar days after passing a grading period.
**Note:**

When computing eligibility calendars, it is helpful to remember that the seven day grace period after the grading period also contains school week one of the three school week evaluation period. Also, a seven calendar day grace and waiting period is always applicable after grading periods and evaluation periods.

Section 5 (b) of the UIL Constitution and Contest Rules defines calendar week as 12:01 am on Sunday through midnight on Saturday. 19 TAC §76.1001 (b) states: The school week is defined as beginning at 12:01 am on the first instructional day of the calendar week and ending at the close of instruction on the last instructional day of the calendar week, excluding holidays.

Additional UIL rules and regulations may be found in the TEA-UIL Side by Side.

**ADVANCED COURSES FOR POSSIBLE WAIVERS**

Students who fail a Pre-AP/AP course with a grade between 60 and 69 may apply for a waiver which will allow them to continue to participate in extracurricular activities. Such a waiver may be granted only one time per course per calendar school year. Waiver requests require parent and teacher signatures.

The principal or designee shall approve the waivers and communicate with the appropriate coach. An athlete with an incomplete grade in any class is ineligible at the end of the seven day grace period unless the incomplete was replaced with a passing grade prior to the end of the seven day grace period, unless special circumstances warrant an extension approved by the campus principal.

### UIL ELIGIBILITY (JUNIOR HIGH SCHOOL)

- Students are eligible so long as they have been in attendance and are passing all classes in accordance with state law and rules of the State Board of Education and the Texas Education Agency.
- Eighth grade students who are over-age for eighth grade athletics may participate on the freshman team at the high school in their attendance zone.
- A player on the eighth grade team may not have reached his/her fifteenth birthday on or before September 1 of the current school year.
- A player on the seventh grade team may not have reached his/her fourteenth birthday on or before September 1 of the current school year. Only over-age seventh grade students may compete on the eighth grade team. In addition, a student must meet the following academic requirements:
  - Beginning at the seventh grade year, has been promoted from the sixth grade to the seventh.
  - Beginning at the eighth grade year, has been promoted from the seventh grade to the eighth.

### GRADES

A student shall be suspended from participation in any extracurricular activity sponsored or sanctioned by the district or the UIL after a grade evaluation period in which the athlete received a grade lower than the equivalent of 70 on a scale of 100 in any academic class other than an identified honors or advanced class. A grade suspension will continue for at least three school weeks and is not removed during the school year until the conditions for removing the suspension, as described below, are met.

Until the grade suspension is removed or the school year ends, the district shall review the grades of an athlete suspended under these provisions at the end of each three-week period following the date on which the suspension began. At the time of a review, the suspension is removed if the athlete’s grade in each class, other than a TEA-identified advanced course, is equal to or greater than the equivalent of 70 on a scale of 100. The principal and each of the athlete’s coaches shall make the determination concerning the athlete’s grades.

See Texas Education Code 33.081 (c) and Lamar CISD Board Policy FM (Legal).
**ABSENCES**

Lamar CISD Board Policy provides that no distinction shall be made between absences for UIL activities and absences for other extracurricular activities. A student shall be allowed, in a school year, no more than ten extracurricular absences not related to post-district competition, five absences for post-district competition prior to state, and two absences for state competition. In order to participate in an extracurricular activity, a student should be in attendance during the academic day.

In addition, all students participating in a Lamar CISD extracurricular activity make a commitment to the organization, their teammates and their school. Each program demands the dedication of time and energy of the student. Part of this commitment is to be a student first and strive for academic excellence. Another integral part of the commitment is to place the Lamar CISD organization above participation in any non-school sanctioned activities and attend all practices and performances scheduled by Lamar CISD sponsors.

**TESTING**

**STAAR TESTING – STATE BOARD OF EDUCATION**

A school may not schedule an extracurricular contest or a public performance to occur on the day immediately preceding or evening immediately preceding the day on which the administration of the State of Texas Assessment of Academic Readiness (STAAR) test is scheduled for Grades 3-12.

**PRACTICE DURING FINAL EXAMS AND STAAR TESTING**

STAAR tests take priority over practice. Lamar CISD policy regarding practice during the STAAR testing period; all extracurricular practices will end by 6:00 p.m. and students must be off the campus by 6:30 p.m. on the day prior to a STAAR testing day. Practice during the week of final exams shall be limited to teams/programs whose activity is in-season and must conclude by 6:00 p.m. the day before an exam.

**LIMITS ON PRACTICE AND PERFORMANCE**

All extracurricular programs follow UIL guidelines, including CTE, and fine arts groups, as well as the various limitations specified for each athletic sport. Specific details are found in the TEA-UIL Side by Side.

Commissioner of Education regulations limit participation to one contest per school week. Participation is defined as involvement with the activity (e.g., traveling with the team, sitting on the bench). Example: On a Tuesday night, the student’s name is on the score book but she remains on the bench and does not actually enter the game. This counts as participation according to state law. That student cannot participate again until Friday after school.

19 TAC §76.1001, SUBCHAPTER AA

(d) Limitations on practice, rehearsal, and student participation in extracurricular activities during the school week shall be as follows:

1. For any given extracurricular activity, a student may not participate in more than one activity per school week, excluding holidays, except as provided in paragraph (2) of this subsection.
2. In addition to the limit specified in paragraph (1) of this subsection of one extracurricular activity permitted per school week, a student may also participate in a tournament or post-district contest, as well as a contest postponed by weather or public disaster that may determine advancement to a post-district level of competition.
3. For each extracurricular activity, a school district must limit students to a maximum of eight hours of practice and rehearsal outside the school day per school week.
4. The Commissioner of Education recommends that school districts avoid scheduling extracurricular activities or public performances on the day or evening immediately preceding the day on which the administration of the statewide student assessment program is scheduled for Grades 3-11.

SUNDAY PROHIBITIONS:
UIL rules prohibit interschool athletic, academic and fine arts competition (including marching contests) on Sunday. However, academic and fine arts activities may schedule practice sessions or events on Sunday provided such sessions receive advance approval from the superintendent or his/her designee.

UIL area, regional, and state competitions may be held on Sunday, due to unavoidable circumstances which cause hardship to participating schools, provided they are approved by all of the following:

a. A UIL staff director,
b. Designated administrators of the participating schools, and
c. The meet director.

NOTICE OF NONDISCRIMINATION
It is the policy of the Lamar CISD not to discriminate on the basis of race, color, national origin, sex, age, or disability in admission or access to, or treatment or employment in, its programs and activities as required by Title VI of the Civil Rights Act of 1964, as amended, Title IX of the Education Amendments of 1972, Title II of the Americans with Disabilities Act of 1990, the Age Act of 1975, and Section 504 of the Rehabilitation Act of 1973, as amended. SERIOUS MISCONDUCT
A student who is involved in Serious Misconduct is subject to disciplinary consequences in accordance with the Student Code of Conduct and may also receive consequences, loss of privileges or removal from extra-curricular organization(s). Students who are subjected to removal from the home campus for disciplinary reasons are not eligible to represent their home campus during the period of removal. Students who are placed in In-School Suspension (ISS) or Out-of-School Suspension (OSS) may not practice or participate in extracurricular activities during the times of their placement in ISS/OSS.

A student in grades 7 through 12 shall lose the privilege of participation in extracurricular activities during any period of suspension, placement in a disciplinary Alternative Education Program, or Expulsion.

HAZING
Hazing is defined as an act that subjects a student to potential harm and is affiliated with initiation into a student organization or team. Hazing may involve an act committed against a student or a situation in which a student is coerced into committing an act.
These acts run counter to the educational mission of high school extracurricular activities, regardless of the victim’s willingness to participate. The list below provides examples of some types of hazing. This list is not meant to be comprehensive.

- Being yelled, cursed or sworn at;
- Being publicly harassed;
- Being expected to act as a personal servant to an older group member;

**SOCIAL MEDIA**

Everything posted in social media is public information – any text or photo placed online is completely out of your control the moment it is placed online – even if security settings are listed as “private”. Information (including pictures, videos, and comments) may be accessible even after removed. Once a photo or comment on a social networking site has been posted, that photo or comment becomes the property of the site and may be searchable even after being removed.

Similar to comments made in person, Lamar CISD will not tolerate disrespectful comments and behavior online, such as:
• Derogatory language or remarks that may harm other teammates or coaches; other Lamar CISD cheerleaders, teachers, or coaches; and cheerleaders, coaches, or representatives of other schools, including comments that may disrespect opponents.

• Incriminating photos or statements depicting violence; hazing; sexual harassment; full or partial nudity; inappropriate gestures; vandalism, stalking; underage drinking, selling, possessing, or using controlled substances; or any other inappropriate behaviors.

• Creating a serious danger to the safety of another person or making a credible threat of serious physical or emotional injury to another person.

• Indicating knowledge of an unreported school or team violation—regardless if the violation was unintentional or intentional.

All students are expected to adhere to the District’s Discipline Management Plan and Student Code of Conduct. However, sponsors, directors and coaches of extracurricular activities may develop and enforce standards of behavior that are higher than the District’s Discipline Management Plan and Student Code of Conduct and may condition membership or participation in the activity on adherence to those standards. Extracurricular standards of behavior may take into consideration conduct that occurs at any time, on or off school property. A student may be removed from participation in extracurricular activities or may be excluded from school honor and leadership organizations for violation of organizational standards of conduct of an extracurricular activity or for violation of the Discipline Management Plan and Student Code of Conduct.

Higher standards of conduct are expected of students representing the District’s extracurricular activities which are considered a privilege. Students may be asked to sign a written contract agreeing to adhere to a higher standard of conduct as outlined by each extra-curricular program.

SOCIAL ELECTRONIC MEDIA BEHAVIOR STANDARD

Any student member of an extracurricular organization representing themselves, or their organization, in an unfavorable, questionable or illegal manner through social electronic media (i.e. Twitter, Instagram, Facebook, websites, blogs, text messages, chat rooms, etc.) communication devices in such a way as to bring discredit, dishonor, or disgrace on their organization or members of any other school organization will be subject to the disciplinary actions determined by appropriate school personnel including organization coaches and directors. Social electronic media violations can result in removal from the extra-curricular organization through the end of the current semester. A second violation can result in removal from the extra-curricular organization.

All activities governed by the UIL shall follow UIL mandates and regulations. These are found in the UIL Side by Side document, as well as the UIL Constitution and Contest Rules (19 TAC § 76.1001, Subchapter AA). 1. No male may be inside a female’s hotel room at any time for any reason. No female may be inside a male’s hotel room at any time for any reason. Students may not switch their assigned hotel room without prior approval of the trip sponsor. If caught, consequences may be assigned depending on the situation, up to and including immediate removal from the trip and being returned home at parents’ expense.
2. Once “Lights Out” is declared, every student must be in his/her assigned hotel room with the door closed and lights out.
3. Sponsors will conduct room/door checks throughout the night, to assure that students remain in their rooms.
4. Sponsors will establish a meeting location for students, in the event of a fire alarm at the hotel. Sponsors will assure that all students have evacuated appropriately and will then meet the students at the prearranged location, where roll will again be taken to confirm that all are present.
5. All students must participate in all activities set forth by sponsors. No student may deviate from the itinerary; all students must be on time for all scheduled meetings, events, and activities. All decisions about the trip will be made by sponsors. Students must be in groups of at least 2 or 3 at all times. This includes when going to the restroom. No one student is ever allowed to be by himself/herself at any time. Students who do not remain with the group or who are not in the correct areas, as reflected on the itinerary, including in their hotel room after lights out, will receive consequences on the trip and may be sent home at the expense of the parent/s.
6. Any student caught shoplifting or breaking the law; caught with any illegal item or substance, including but not limited to weapons, alcohol, drugs, or tobacco may be sent home at the expense of the parent/s and may be

7. Students are to be on their best behavior at all times, as they are representing their campus and Lamar CISD. All disciplinary issues will be handled by trip sponsor(s) only. Sponsors will report all serious infractions immediately to the appropriate campus and/or district administrator, per the campus' protocol. Severe disruptions may result in the student's removal from the trip and return home, at the parents' expense.

8. Students are to immediately notify their sponsor if they become aware that another student has violated a safety rule or Rule of the Road. Failure to do so may result in disciplinary consequences for the student who remained silent.

9. Disrespect will not be tolerated. Any disrespect toward chaperones, sponsors or others, including other schools, may result in disciplinary consequences on the trip as well as consequences upon arrival at school. Students are to be respectful of other hotel guests. There is to be no loud music, running in the halls, prank calling to other rooms, or disruptive behavior of any kind.

10. No one is to use the hotel room phone to make out-of-hotel phone calls. No movies and no room service may be ordered. No items may be taken from the hotel, to include hotel towels, robes, remotes, pillows, linens and the like.

11. Everyone is to maintain a positive attitude at all times. If things run late, something goes wrong, etc. everyone is to deal with all situations calmly. Any negative attitudes may prevent the entire group from participating in scheduled events. No emotional outbursts from students, including arguments, will be tolerated.

12. Students must bring enough money for expenses, as set forth by sponsors and dress appropriately for each day's activities and weather.

13. Parents may travel to the team/group/club's destination but must do so on their own accord, not as a chaperone. Exceptions must be preapproved by campus administration. Parents traveling as chaperones for the trip must be officially cleared as volunteers by Lamar CISD prior to preapproval by campus administration.

14. A parent or relative may not remove their student from assigned activities set forth by the sponsor. The group must travel as a group. If a parent insists on pulling their student away from the group, the parent forfeits their student's spot on the team/group and will assume all financial responsibility for their student from that point forward. This includes remaining lodging, meals, airfare/bus/transportation, etc.

15. Other than health or safety issues, parents may not address the trip sponsor with any concerns dealing with their child during the trip and must wait until return to school.
ATHLETICS

PHILOSOPHY AND PURPOSE

The establishment of a uniform Athletic handbook reflects the district’s concern for the safety, well-being, and conduct of its athletes participating in all athletics. Since extracurricular athletics are optional, those who choose to participate will be held to higher standards of behavior and performance in and out of school. Lamar CISD policies and procedures can change at any time. Additionally, athletes and parents are reminded that participation in interscholastic athletics is a privilege, not a right. In addition to obeying rules set forth in the Lamar CISD Extra-Curricular Handbook, all athletes in grades 7 through 12 participating in Lamar CISD athletics will be required to comply with the following guidelines and disciplinary regulations.

ATHLETIC CODE OF CONDUCT

Athletics is not a requirement for graduation and participation is strictly voluntary. Athletics, as a discipline, stresses work ethic, teamwork, sportsmanship, integrity and sacrifice. Should the actions of an athlete fail to exhibit these same characteristics, the privilege of participating in athletics may be revoked. All coaches must be willing to work, within the guidelines of the athletic department, to help any athlete should he/she lose direction. It is Lamar CISD’s intention to help its athletes stay on course and succeed.

Therefore, this Athletic Code of Conduct extends beyond the Lamar CISD Student Code of Conduct not only in types of behavior prohibited, but also in corresponding consequences and jurisdiction for imposing discipline.

ATHLETE CODE OF CONDUCT

(UIL C & CR SECTION 1201 B)

STUDENT-ATHLETE CONDUCT

All athletes in grades 7 through 12 participating in any Lamar CISD extracurricular activity shall comply with the following rules of conduct 24 hours a day, 7 days per week, and 52 weeks per year in addition to obeying the rules set forth in the Lamar CISD Student Code of Conduct, the particular extracurricular activity’s constitution, handbook, rule book, and/or regulations, if any, or rules otherwise communicated to the athlete by the activity’s coach:

Athletes who participate in extracurricular activities shall comply with the following rules at all times, on or off campus, regardless of whether school is in session:

1. Show respect for Lamar CISD officials and staff;
2. Participate in every practice, competition and event required by the coach, unless the coach has granted an excused absence;
3. Arrive promptly, properly attired, for every practice, competition, etc., unless the coach has granted an excused absence;
4. Do not possess or use any illegal or controlled substance;
5. Demonstrate sportsmanlike behavior;
6. Demonstrate a positive attitude;
7. Be courteous and polite to others;
8. Respect possessions of others;
9. Display academic integrity.
Athletes who violate these guidelines may be subject to consequences.

**RULES OF CONDUCT**

As representatives of Lamar CISD, athletes in grades 7 through 12 who participate in extracurricular activities are expected to demonstrate exemplary behavior and dedication, whether at school or away. Nothing in the LCISD Extracurricular Code of Conduct limits or otherwise restricts the authority of the coach or administrator to limit or restrict participation, or assign consequences for offenses not included in this handbook. Before an athlete is suspended or removed from participation in an extracurricular activity, and before any other consequence is imposed as provided in this handbook, the alleged infraction will be documented and a reasonable investigation of the allegation shall occur. The coach shall notify the athlete and the athlete’s parent/guardian to discuss the reasons for which the action is being taken and to offer the athlete an opportunity to discuss the matter. Note: The athlete may not participate in the activity until the matter is resolved.

**SERIOUS MISCONDUCT**

A student who is involved in Serious Misconduct is subject to disciplinary consequences in accordance with the Student Code of Conduct and may also receive consequences, loss of privileges or removal from extra-curricular organization(s). Students who are removed from the home campus for disciplinary reasons are not eligible to represent their home campus during the period of removal. Students who are placed in In-School Suspension (ISS) or Out-of-School Suspension (OSS) may not practice or participate in extracurricular activities during the times of their placement in ISS/OSS.

A student in grades 7 through 12 shall lose the privilege of participation in extracurricular activities during any period of suspension, placement in a disciplinary Alternative Education Program, or Expulsion.

**PARENT CODE OF CONDUCT**

Parents are encouraged to attend athletes’ events and to encourage all athletes to work hard and meet their potential. Parents are reminded that they must be positive and always model good sportsmanship. Spectators who fail to abide by these guidelines could be removed from events; if such behavior is repetitive, the parent could be banned from attendance.

Parents who have concerns regarding their athlete’s involvement in any sport should follow the LCISD Athletics chain of command as recommended in this handbook.

**SPECTATOR CODE OF CONDUCT**

- Spectators are an important part of the games and are encouraged to conform to accepted standards of good sportsmanship and behavior.
- Spectators will respect officials, visiting coaches, players, and cheerleaders as guests in the community and extend all courtesies to them.
- Spectators will observe the rules of the local school concerning smoking, drinking, littering, and parking procedures.
- Spectators will respect and obey all school officials and supervisors at athletic contests.

All spectators are required to follow Lamar CISD policy, as well as, UIL policy regarding spectator behavior. To read official UIL policy regarding spectators, visit: [http://wwwUILTexas.org/files/media/PA-spot-announcements.pdf](http://wwwUILTexas.org/files/media/PA-spot-announcements.pdf)

**PRACTICE REGULATIONS**

Athletes are responsible for:

Athletes must be in attendance at their home campus or a campus to which they have an approved transfer in order to participate in extracurricular activities. Athletes engaged in extracurricular activities are expected to participate in all practices, competitions, and other events identified by the coach. Coaches will identify times for required practices, competitions, etc. Academically ineligible athletes are expected to practice with other athletes, but may not participate in a competition or other public performance.

Athletes who fail to appear for a scheduled event without notification from an athlete’s parent may be prohibited from participating in the next scheduled activity. Athletes’ absences from extracurricular activities shall be excused only for those reasons set forth in the student handbook. Excessive unexcused absences may result in suspension or dismissal from the activity.

Athletes with injuries are required to attend any practice, competition, or other event relating to the activity and allowed to participate only to the extent authorized by written order of the athlete’s physician and/or campus athletic trainer. Athletes will be excused from participation in any practice or competition if they are observing holy days. Athletes are responsible for notifying the coach of any need to be absent for religious reasons prior to the absence.

4. Team requirements (fees, special equipment needed, etc.)
5. Procedures that will be followed if your child becomes injured during participation.

1. Concerns regarding their son or daughter expressed directly to the coach at the appropriate time and place.
2. Specific concerns in regard to the coach’s philosophy and/or expectations.
3. Notification of any schedule conflicts well in advance.

Every sport will conduct a pre-season parent meeting that will be coordinated with the campus athletic coordinators.

UIL SPORT VS CLUB SPORT

An athlete in season for any Lamar CISD sport takes precedence over non-UIL activities ie. Club, AAU, etc. Missing scheduled UIL events may result in consequences deemed by the head coach.

PARTICIPATION GUIDELINES

Each athlete must be cleared by the athletic trainer prior to participation at the high school and junior high level.

All required forms must be completed in their entirety before a student participates in any try-out, practice, athletic competition, travels, etc. with an athletic team for any purpose.

ATHLETIC TRAINING GUIDELINES

FOR STUDENT-ATHLETES IN GRADES 7-12:

NON-ATHLETIC INJURIES

Non-athletic injuries will be seen in the athletic training room under the following guidelines:

1. Due to liability concerns, the athlete must first see a medical doctor prior to being treated by the athletic training staff.

2. The athlete must provide a prescription for treatment/rehabilitation from the medical doctor. The information must be specific as to what type of rehabilitation is to be done.

HEALTH AND WELFARE

Every athlete involved in extracurricular athletics must have a medical emergency information sheet on file with the coach. All athletes must obtain an annual physical, recorded on the UIL designated form, before practicing or participating in any sport.

All injuries should be reported immediately to the coach. Doctor's notes should also be made available to the coach. If possible, rest and rehab should be done under the coach's care.

HEAT & HYDRATION GUIDELINES

LAMAR CISD HOT WEATHER POLICY

Practice or competition in hot and humid environmental conditions poses special problems for student-athletes. Heat stress and resulting heat illness is a primary concern in these conditions. Although deaths from heat illness are rare, constant surveillance and education are necessary to prevent heat-related problems. The following practices should be observed.

General Considerations for Risk Reductions:

1. Encourage proper education regarding heat illnesses (for athletes, coaches, parents, medical staff, etc.) Education about risk factors should focus on hydration needs; acclimatization, work/rest ratio, signs and symptoms of exertional heat illnesses, treatment, dietary supplements, nutritional issues, and fitness status.

2. Assure that onsite medical staff has authority to alter work/rest ratios, practice schedules, amount of equipment, and withdrawal of individuals form participation based on environment and/or athlete’s medical condition.

General Guidelines:

1. An initial complete medical history and physical exam.

2. Gradual acclimatization of the athlete to hot/humid conditions is a must. We advise that student-athletes should gradually increase exposure to hot and/or humid environmental conditions over a period of seven to 10 days to achieve acclimatization.

3. Clothing and protective gear can increase heat stress. Dark colors absorb solar radiation, clothing and protective gear interfere with the evaporation of sweat and other avenues of heat loss. During acclimatization process, student athlete should practice in T-shirts, shorts, socks and shoes. Rubberized suits should never be worn.

4. To identify heat stress conditions, regular measurements of environmental conditions will be taken daily. Lamar CISD will use the Telvent DTN weather station at the high school level.
5. Junior High Coordinators will get a heat index reading from an approved source at 1:30 P.M. and follow the guidelines appropriate for that heat index reading.

Specific Guidelines:

Heat index of less than 100:
- No Restrictions

Heat index of 100-105
- Outdoor workouts limited to 2 hours, 10 minute break every 45 minutes.
- Junior High workouts limited to 1 1/2 hours, 10 minute break every 30 minutes.
- Cross country must stay on campus, limit runs to 1/2 normal length
- Conditioning for football should take place without helmets/shoulder pads.
- Athletes allowed to remove helmets if not actively participating

Heat index of 105-110
- High School workout limited to 1 1/2 hours, 10 minute break every 45 minutes
- Jr. High workouts limited to 1 1/2 hours, 10 minute break every 30 minutes
- Unrestricted access to water at all times
- A 10 minute break should precede all conditioning for high school
- Conditioning should take place without helmets/shoulder pads and not exceed 10 minutes
- Jr. High Conditioning should be moved indoors
- Extra conditioning /running cancelled
- Decrease repetitions and practice for overweight individuals
- Asthmatic athletes may remove themselves from workout without penalties or repercussions

Heat Index of 110-115
- Junior High workouts should be moved indoors
- Shorts and T-shirts, helmets for high school workouts
- Practice shortened to 1 ½ hours for high school
- Unrestricted access to water at all times
- 15 minute break every hour
- Conditioning should take place indoors
- Decrease repetitions and practice for overweight individuals
- Asthmatic athletes may remove themselves from workout without penalties or repercussions

Heat index of greater than 115:
- No outdoor workout
LAMAR CISD COLD WEATHER POLICY

Cold weather is defined as any temperature that can negatively affect the body's regulatory system. These do not have to be freezing temperatures. The following temperature guidelines have been established for the Lamar Consolidated ISD Athletic Department practices and games.

Cold Weather Caution: When temperatures or wind chill (which is lower than actual temperature) is from 40-30°F

- No modification of practices, but warning will be given to coaches and athletes
- Coaches and Athletic Trainers emphasizing the importance of following UIL Cold Weather Illness Recommendations.
- Watch those “high risk” athletes

Cold Weather Warning: When temperatures or wind chill is from 30-20°F, there may be a modified outside participation of 45 min.

- Warm-up to be started indoors (stretching, etc.) to not take away from 45 min
- a practice that keeps individuals moving, try to avoid working up a big sweat in the first 20 minutes, having them be wet, and then sit around watching.
- Wearing a hat that covers the ears, and some sort of gloves to cover the hands are required.
- Keeping a very close eye on those “high risk” athletes
- If available, a cool-down indoors

Cold Weather Termination: When temperatures or wind chill reaches 19°F and below, there may be a termination of outside practices and games.

MULTIPLE SPORT PARTICIPATION

Participation in multiple sports is encouraged as it creates cross-training and increases the ability for the athlete to be more coachable. In cases where a sport overlaps, an athlete must complete that season’s sport before entering the next sport unless agreed on by both head coaches. Coaches will not discourage any athlete from participating in multiple sports.

NON-SCHOOL SPORTS AND CAMP PARTICIPATION

Athletes must be aware of UIL/ Lamar CISD policies, guidelines and regulations in regard to non-school activities. Various UIL restrictions apply and can be accessed by going to www.uiltexas.org.

OFF SEASON PROGRAMS

LCISD athletes must be currently enrolled in an athletic period that is currently in-season or participating in the off-season program. All athletes are expected to be in the athletic period, in-season and the off-season program, year round.
TEAM RULES

Additional team rules may be established by each head coach and based on UIL/ Lamar CISD policies and administrative guidelines and regulations.

SEPARATION FROM TEAM

There will be times when an athlete finds it necessary to quit playing a sport before, during, or after the season. The following should be followed in order to quit a sport:

- The athlete should talk to the coach. The coach should also have a conversation with the athlete’s parent regarding this decision.
- The student may need to be placed into a Physical Education class in order to complete the credit begun in athletics or stay in the athletic period until such time as a schedule change can occur, which could be the next semester.
- All equipment issued must be returned or paid for.
- It shall be the coach’s decision whether to allow that student to return to the sport in the future.
- An athlete shall not join another sport until the end of the season of the sport he/she has quit.
- If an athlete chooses to begin a new sport during the next season, there must be a mutual decision between both sport’s coaches.

JEWELRY

In order to prevent any injuries or the accidental wearing of jewelry to practice, all jewelry will be removed prior to the activity. LCISD Athletics and coaches will not be responsible for lost or stolen items.

EQUIPMENT

Any district equipment issued to an athlete is the financial responsibility of the athlete and for the athlete’s use while participating in a school-related activity. At no time is district equipment for personal use.

Athletes must care for district-issued equipment as if it were their own. Equipment must be properly stored, in a proper location, and shall be kept clean and maintained. Athletes who lose or damage district equipment due to negligence will be required to pay for the cost of replacement.

All district equipment must be returned at the end of the season or school year, as directed by the coach.

Individually owned equipment, if allowed per sport, is the sole responsibility of the athlete; Lamar CISD will not be responsible for any loss or damage that occurs to athlete-owned equipment.

As uniforms are required for all sports, the athlete shall be required to ensure that the uniform is worn only at appropriate times and is neat and clean for the practice, performance, and/or competition.

TRAVEL

Athletes who have the opportunity to travel in connection with the Lamar CISD athletic event are representatives of the district and must exhibit exemplary behavior at all times. Athletes who dress or act inappropriately while traveling to or from a Lamar CISD activity may be suspended or removed from the event, depending upon the nature.
All athletes who participate in school-sponsored trips are required to ride in transportation provided by the school to and from the event. An exception may be made if the athlete’s parent or guardian personally requests, through the Lamar CISD Parent Permission Travel Form, that the athlete be allowed to ride to/from the event with the parent, guardian, or other adult and must be approved by the campus administration prior to the scheduled trip.

AWARDS/LETTERING

All awards to athletes for participation in any sport must meet criteria set forth in the individual activity guidelines, as established by the coach leading the activity and approved by the appropriate district level official. Awards must be in accordance with UIL guidelines for those activities governed by the UIL. This information will be distributed to athletes and parents before the season begins.

If at any time an athlete quits or is eliminated from athletics in or out of season, he/she gives up all rights to any honors/awards which he/she has earned, but not yet received.

Any athlete may receive a letter in any one of the four years in high school if they fulfill the lettering requirement for that sport. A participant may letter at the coach’s discretion if the participant is considered to have been of exceptional value to the team.

ATHLETIC BOOSTER CLUBS

Booster clubs can be extremely important when managed correctly. Athletic booster clubs are under the supervision of the campus athletic coordinator and director of athletics. Booster clubs must operate within the guidelines and procedures as set forth by Lamar CISD. Head coaches will be held responsible for UIL/Lamar CISD compliance. Lamar CISD requires that the athletic booster club be an All-Sport booster club and prohibits each individual sport from having their own.

For complete UIL rules regarding athletic booster clubs, please visit:

FUNDRAISING

- Any type of fundraising must have the prior approval by the campus athletic coordinator and/or campus principal.
- Fundraising projects are subject to state law.
- For additional information, coaches will refer to Lamar CISD Board policies regarding fundraisers, as well as, UIL policies.
ATHLETICS - CHEERLEADING

PROGRAM STRUCTURE

In LCISD, Cheerleading is considered an athletic program and cheerleaders are expected to follow all policies and procedures as outlined in the Athletic section of this handbook.

HIGH SCHOOL CHEERLEADING:

Spring tryouts will be held to select two squads at each high school in LCISD.

The Junior Varsity or JV Squad will be made up of 9th – 11th graders while the Varsity Squad will be made up of 9th – 12th graders. In addition, each school will also select 1 – 2 mascots.

Squads will be determined by the natural break in scoring with average squad size being between 14 – 18 on the Junior Varsity and 18 – 24 on the Varsity.

In October, the High School Coach will select the members of their Competition Squad for UIL Competition. Those members can be from either squad and any grade level.

JUNIOR HIGH SCHOOL CHEERLEADING:

Spring tryouts will be held to select one junior high school cheer squad that will be made up of a combination of 7th and 8th graders.

TRYOUT GUIDELINES

Each coach will hold a pre-tryout meeting with all interested students/parents prior to the tryout process beginning. High schools will hold their meetings in February and tryout paperwork will be due to head coach by the published date and time. Junior high schools will hold their meetings in March or April and all paperwork will be due to the coach by published date and time. All cheerleading candidates must have a current physical to tryout.

The Friday prior to each group’s tryout, a video link will be placed on the LCISD Athletic Department web page on the CHEER tab. The video will show the tryout routine that will be used by all candidates in LCISD. The video will be produced by an independent gym and instructor.

Coaches may choose to host a practice clinic during the week leading up to their tryouts to afford candidates practice time. That schedule will be shared by the coach on each campus.

Each coach will hold mock tryouts the night before their official tryout. At this time, they will check attire, give cheerleaders their tryout order and number, and do a rehearsal of the whole tryout process for the next night.

High Schools will tryout the week before week prior to Spring Break at a central location. Junior Highs will tryout the week prior to Easter Break. Candidates will be bussed to the tryout location as the gyms will be closed to any and all spectators.

Tryouts will take place in front of a panel of 3 cheer judges. All candidates will be judged on 6 of the 10 rubric categories (Spirit, Sideline Skill, Jumps, Tumbling, Motion Technique, Dance). This score will make up 60% of the candidates overall score.

The remaining tryout categories will be as follows; 10% Academics, 10% Behavior and 20% Coach Score. The standards for the scores in Academics and Behavior will be established by the district and used universally at each campus. Each
coach will score their school’s candidates on a scale of 1 – 20 based on previous participation, clinic performance and athlete attitude during the tryout process.

Sample tryout rubrics and scorecards can be found on the LCISD Athletic Department Website under CHEER.

Coaches will also submit their scores for each candidate prior to the night of tryouts. These scores will not be shared with the judges prior to tryouts but included in the final overall ranking of candidates.

Coaches will get their candidates prepared and organized for tryouts, they will then watch the tryout from the bleachers but have no contact with the judges or input in the tryout process/scoring. Campus Principals will also be in attendance with the cheer coaches during tryouts as observers only. No other spectators will be admitted to the tryout area.

The process for tryout routines will be as follows:

- Candidate comes in doing a spirited entrance and is graded on Spirit and Vocals.
- Candidate does 3 required jumps.
- Candidate performs sideline skill.
- Candidate moves into cheer which includes one jump during cheer and has the option to add standing tumbling at the end.
- Candidate moves to end of gym to do tumbling pass.
- Candidate exits gym but is held just outside the door.
- After candidates perform their individual sessions, they come out as a group to do the dance portion of the tryout.

High School Cheerleaders will be announced online the first Saturday of Spring Break. Junior High Cheerleaders will be announced online by the Saturday following their tryout.

**OUT OF POCKET COSTS**

**High School Varsity Team** = No more than $750 on apparel and up to $1,000 maximum that includes camp.

This squad will spend additional time practicing in preparation for their January UIL competition. Members of this squad will travel to the UIL State Spirit Competition as a team to represent their school.
CAREER AND TECHNICAL STUDENT ORGANIZATIONS (CTSO)

PHILOSOPHY AND PURPOSE

The establishment of a uniform CTE handbook reflects the district’s concern for the safety, well-being, and conduct of its CTE students. Since participation in co/extracurricular programs is optional, those who choose to participate will be held to higher standards of behavior and performance in and out of school. Additionally, students and parents are reminded that participation in interscholastic competition is a privilege, not a right. In addition to obeying rules set forth in the Lamar CISD Extra-Curricular Handbook, all students in grades 7 through 12 participating in Lamar CISD CTE programs will be required to comply with the following guidelines and disciplinary regulations.

GOALS OF CAREER AND TECHNICAL STUDENT ORGANIZATIONS (CTSO’S)

CTSOs and Career and Technical Education (CTE) provide opportunities for student success in various trade areas. CTSOs provide co-curricular activities that strengthen and reinforce the overall CTE educational experience.

CTSO and CTE education should include curricula to:

- keep students involved and motivated
- develop strong leadership skills
- educate students in government leadership
- encourage students to achieve high academic skills
- enhance student self-esteem and self confidence
- develop work based skills and employment ethics
- assist students in developing high occupational standards
- teach students about business partnerships and networking
- incorporate school-based learning with work-based learning
- educate and develop student skills to become a productive citizen

COMPETITIVE ACTIVITIES AND EVENTS

CTSO’s host competitive events at the local, state, and national level in which students can participate provided they compete and advance in the same event. Sponsors will guide students through the competitive process and prepare them to meet the expectations of these rigorous, competitive events.

PARENT & SPONSOR COMMUNICATION EXPECTATIONS

Communication parents should expect from their child’s sponsor include and are not limited to:

1. Sponsor’s philosophy
2. Expectations the sponsor has for the student
3. Locations and times of practices and contests.
4. Organization requirements (fees, special equipment needed, etc.)
5. Procedures that will be followed if your child becomes injured during participation.
Communication sponsors expect from parents:
1. Concerns regarding their son or daughter expressed directly to the sponsor at the appropriate time and place.
2. Specific concerns in regard to the sponsor’s philosophy and/or expectations.
3. Notification of any schedule conflicts well in advance.

Every high school organization will conduct introductory meetings that will be coordinated with the campus principal to provide information about the organization and its expectations as well as those of the sponsor.

PERFORMING & VISUAL ARTS

PHILOSOPHY AND PURPOSE

The establishment of a uniform Performing & Visual Arts handbook reflects the district’s concern for the safety, well-being, and conduct of its fine arts students. Since participation in extracurricular programs is optional, those who choose to participate will be held to higher standards of behavior and performance in and out of school. Lamar CISD policies and procedures can change at any time. Additionally, students and parents are reminded that participation in interscholastic competition is a privilege, not a right. In addition to obeying rules set forth in the Lamar CISD Extra-Curricular Handbook, all students in grades 7 through 12 participating in Lamar CISD performing & visual arts programs will be required to comply with the following guidelines and disciplinary regulations.

ORGANIZATION MEMBERSHIP REQUIREMENTS

HS MARCHING BANDS

To be a member of the Marching Band, the student must be enrolled in the proper band class.

- Competitive Marching Band. The student agrees to attend summer rehearsals whenever possible (exceptions through director approval). Each member must meet all financial obligations and must attend all rehearsals and performances (contests and football games).
- Alternate Status. These students must meet all requirements of the competitive Marching Band. These students will rehearse and perform with the group in noncompetitive settings, possibly earning a permanent spot at any time when deemed appropriate by the directors. Alternates are considered full-fledged members of the Marching Band. Alternates are expected to attend all rehearsals as per the rehearsal rules and regulations. Alternates will travel on all trips with the Marching Band.

CONCERT BANDS

Students must be enrolled in a proper band class, and meet all financial obligations. Each student must comply with all rules and regulations for that particular organization. The student agrees to attend all after-school rehearsals, sectionals, and performances. (Exceptions are approved in advance by the band director only). Each member must be in good standing within the band program.

WINTER GUARD

The Winter Guard is a select group with membership through audition only. Each student must comply with all rules and regulations and be enrolled in the class for that particular organization. The student agrees to attend all after-school rehearsals, sectionals, and performances (Exceptions are approved in advance by the band director only). Each member must meet all financial obligations and be in good standing within the band program.
Any student who drops out of any of these organizations during the school year will be required to drop that specific class as soon as the administration deems possible. Any student who drops out will not be allowed to rejoin unless approved by the band staff.

**Attendance and Participation**

- Attendance at all games and events is mandatory. This includes but is not limited to practices, performances, competitions, pep rallies and fundraising activities.
- Planned absences to a game/event/practice/etc. should be requested in writing at least 48 hours in advance. The campus band director will determine if it will be excused. Inappropriate notification will result in disciplinary action.
- Students who are ill should notify the director as soon as possible.
- All marching band members are required to attend summer practices.

**Selection of Officers**

The band will select drum majors and student leadership positions each year. These students will be sophomores, juniors or seniors during their term, and are selected through an audition process that includes evaluation by a panel of judges. Students are evaluated on marching, playing, conducting, interviews, past leadership, and student confidence.

**INDIVIDUAL MEMBERSHIP REQUIREMENTS**

Lamar Consolidated ISD provides excellent support for the band program. However, there are expenses beyond the scope of the bands’ budget. These expenses are the responsibility of the individual members and the booster organization. Fund-raising events are scheduled throughout the year to help each student offset these costs. Those who need to make special arrangements will need to speak with the directors on an individual basis.

No one will be denied participation because of financial hardship as long as steps are being taken to fulfill the obligations. We would like to encourage all our parents to be an **ACTIVE** member of the Band Booster Club.

**FINANCIAL RESPONSIBILITY**

**High School Marching Band, Visual Ensembles, & Percussion**

The band directors work to create a budget each year that is an estimation of the necessary operating expenses needed for the following school year. “Fair Share” expenses are not completely covered through the district operating budgets; it is necessary to charge each student to cover additional expenses. These expenses include but are not limited to: contracted staff, additional instructional expenses, show design, and numerous other expenses. Fair share fees for a high school band student will not exceed $500 per year. This does not include individual audition entry fees, consumable items, personal apparel & shoes, and experience trips.

Additional fees may be necessary from students participating in Winter Guard and Drumline to cover entry fees, specialized instructional staff, uniforms, and other expenses to stage our productions. This information will be distributed to students and parents before the season begins.

There are some essential personal consumable items needed for participation in the band program. These expenses will be distributed in the form of an expense sheet at the beginning of each school year.

Any band family in need of an amended payment schedule or payment assistance should contact the Director of Bands at each campus to arrange a confidential meeting to discuss available options so that ALL STUDENTS who wish to participate in the Band program will be given the opportunity to do so. This meeting should be arranged by the parent or guardian and not the student. Student attendance at this meeting is not required.
The high school band will be taking an out-of-state trip once every four years. Other in-state trips are possible, and will be announced as the opportunities arise (for example—a holiday parade). Junior high bands may also travel within the state as opportunities arise. Students are financially responsible for any trip they wish to participate in. All band trips are meant to be educational, as well as, meant to provide the band with competitive venues. Students are not obligated to participate in these trips, but are highly encouraged.

**BAND STAFF**

Paid professionals and technical assistants are a vital part of the band program. Without their help the Band would not be able to achieve the standard to which we aspire. They must have the respect of all students and parents. Staff members are chosen by the directors and are directly responsible to their director. Students should give these staff members the same respect they would give any member of the band faculty. Any problems should be brought directly to the directors; do not confront a staff member directly.

**EQUIPMENT & INSTRUMENTS**

Most band members are expected to provide their own instruments. In special cases such as percussion, color guard, low brass, or other larger instruments, school owned equipment may be available for use.

School owned instruments and equipment become the responsibility of the student to whom they are assigned. Any damage due to negligence other than normal wear and tear will need to be repaired at the student’s expense. Individual instruments must always be maintained in top playing condition. Always show the director your instrument before taking it in for repairs. Remember that horseplay can cause damage to instruments and equipment. Be careful with your own instrument, place it out of harm’s way if it is necessary for you to put it down, and never play around with or play on anyone else’s instrument.

**HEAT & HYDRATION GUIDELINES**

Practice or competition in hot and humid environmental conditions poses special problems for student-athletes. Heat stress and resulting heat illness is a primary concern in these conditions. Although deaths from heat illness are rare, constant surveillance and education are necessary to prevent heat-related problems. The following practices should be observed.

**General Considerations for Risk Reductions**

1. Encourage proper education regarding heat illnesses (for student performers, directors, parents, medical staff, etc.) Education about risk factors should focus on hydration needs; acclimatization, work/rest ratio, signs and symptoms of exertional heat illnesses, treatment, dietary supplements, nutritional issues, and fitness status.

2. Assure that onsite medical staff has authority to alter work/rest ratios, practice schedules, amount of equipment, and withdrawal of individuals form participation based on environment and/or student performer's medical condition.

**General Guidelines:**

1. An initial complete medical history and physical exam.

2. Gradual acclimatization of the student performer to hot/humid conditions is a must. We advise that student performers should gradually increase exposure to hot and/or humid environmental conditions over a period of seven to 10 days to achieve acclimatization.
3. Clothing and protective gear can increase heat stress. Dark colors absorb solar radiation, clothing and protective gear interfere with the evaporation of sweat and other avenues of heat loss. During acclimatization process, student performers should practice in T-shirts, shorts, socks and shoes. Rubberized suits should never be worn.

4. To identify heat stress conditions, regular measurements of environmental conditions will be taken daily. Lamar CISD will use the Telvent DTN weather station at the high school level.

Specific Guidelines:

**Heat index of less than 100:**
- No Restrictions

**Heat index of 100-105**
- Outdoor workouts limited to 2 hours, 10 minute break every 45 minutes.

**Heat index of 105-110**
- Workout limited to 1 1/2 hours, 10 minute break every 45 minutes
- Unrestricted access to water at all times
- Extra conditioning/running cancelled
- Decrease repetitions and practice for overweight individuals
- Asthmatic athletes may remove themselves from workout without penalties or repercussions

**Heat Index of 110-115**
- Shorts and T-shirts, helmets for high school workouts
- Practice shortened to 1 ½ hours for high school
- Unrestricted access to water at all times
- 15 minute break every hour
- Conditioning should take place indoors
- Decrease repetitions and practice for overweight individuals
- Asthmatic athletes may remove themselves from workout without penalties or repercussions

**Heat index of greater than 115:**
- No outdoor workout

**LAMAR CISD COLD WEATHER POLICY**

Cold weather is defined as any temperature that can negatively affect the body’s regulatory system. These do not have to be freezing temperatures. The following temperature guidelines have been established for the Lamar Consolidated ISD Athletic Department practices and games.

**Cold Weather Caution:** When temperatures or wind chill (which is lower than actual temperature) is from 40-30°F
- No modification of practices, but warning will be given to coaches and athletes
- Directors and Athletic Trainers emphasizing the importance of following UIL Cold Weather Illness Recommendations.
- Watch those “high risk” student performers

**Cold Weather Warning:** When temperatures or wind chill is from 30-20°F, there may be a modified outside participation of 45 min.
- Warm-up to be started indoors (stretching, etc.) to not take away from 45 min
- a practice that keeps individuals moving, try to avoid working up a big sweat in the first 20 minutes, having them be wet, and then sit around watching.
- Wearing a hat that covers the ears, and some sort of gloves to cover the hands are required.
- Keeping a very close eye on those “high risk” student performers
- If available, a cool-down indoors
Cold Weather Termination: When temperatures or wind chill reaches 19°F and below, there may be a termination of outside practices and games.

AWARDS/LETTERING

Students will have the opportunity to earn their letter jackets throughout the high school years. Students receive points based on their service to the band and their individual attempts to represent the program. Points are earned by participation in the marching band, the TMEA region band audition process, successful participation at the UIL Solo and Ensemble contest, UIL Concert and Sight-reading contest and other performances as scheduled throughout the year.

All awards to students for participation in band must meet criteria set forth in the individual lettering guidelines, as established by the director and approved by the appropriate district level official. This information will be distributed to students and parents at the beginning of the school year.

If at any time a band student quits or is removed from the program, he/she gives up all rights to any honors/awards which he/she has earned, but not yet received.

Any band student may receive a letter in any one of the four years in high school if they fulfill the lettering requirement. A participant may letter at the director’s discretion if the participant is considered to have been of exceptional value to the organization.

General requirements for lettering:

- Must complete the marching season following all school procedures and policies.
- All issued equipment must be accounted for.
- Severe disciplinary action can forfeit letter award.
- Special consideration will be given to injured students and seniors not receiving proper performing time.
- Must earn six points to earn a jacket.

Six points will be required for the awarding of the major award to students who have the recommendation of their activity sponsor and the approval of the high school principal.

To be a member of the High School Varsity Choirs, the student must be enrolled in the proper choir class and maintain passing grades in all classes. Enrollment is by audition ONLY. Students will have the opportunity to participate in TMEA All Region tryouts and UIL Solo and Ensemble competition.

- Chorale—The student agrees to attend extra rehearsals during the school year (exceptions through director approval). Each member must meet all financial obligations and must attend all rehearsals and performances. Fundraisers will be available to help meet financial obligations.
- Each campus will establish individual participation standards for varsity choirs. Students not meeting academic standards set by the campus may be rescheduled according to campus practices. The director’s decision on this is final.

HIGH SCHOOL NON-VARSITY CHOIRS – MEN’S, WOMEN’S OR MIXED

JUNIOR HIGH SCHOOL CHOIRS – BOY’S, GIRLS, OR MIXED

These choirs are open to all students and are training choirs for students to become more proficient in choral skills. This will allow students to advance into a more competitive choral organization. The student must be enrolled in the proper choir class, sing for the director in a screening audition, and meet all financial obligations. Each student must comply with all rules and regulations for this particular organization. The student agrees to attend all after-school rehearsals, sectionals, and performances. (Exceptions are approved in advance by director only). Students will have the opportunity to participate in TMEA All Region tryouts and UIL Solo and Ensemble competition.

SHOW CHOIR

Show Choir is an extension of the Varsity & Non-Varsity choir classes. To be a member of the Show Choir, the student must be enrolled in the proper choir class and maintain passing grades in all classes. Enrollment is by audition ONLY. Students will have the opportunity to participate in TMEA All Region tryouts and UIL Solo and Ensemble competition.

Many of the performances are extracurricular and therefore, eligibility is essential. The students must have an advanced level of vocal ability and movement skills. Preference will be given to students with choral experience.

- The student agrees to attend summer rehearsals and extra rehearsals during the school year (exceptions through director approval). Each member must meet all financial obligations and must attend all rehearsals and performances. Fundraisers will be available to help meet financial obligations.
- Academic Probation—Selected students can be members of the Show Choir even though their grades are not satisfactory. This is based on sectional needs of the choir and a past history in choir. This is a private determination of the director and the academic requirements vary depending on the student’s situation. The director’s decision on this is final.

INDIVIDUAL MEMBERSHIP REQUIREMENTS

Lamar CISD provides excellent support for the choir program. However, there is expense beyond the scope of the choir’s budget. These expenses are the responsibility of the individual member.

Any choir family in need of an amended payment schedule or payment assistance should contact the Choir Director at each campus to arrange a confidential meeting to discuss available options so that ALL STUDENTS who wish to
participate in the Choir program will be given the opportunity to do so. This meeting should be arranged by the parent or guardian and not the student. Student attendance at this meeting is not required.

TRIPS & EXPENSES

The High School Choir is eligible to take an out-of-state trip once every four years. Other in-state trips are possible, and will be announced as the opportunities arise. Junior high bands may also travel within the state as opportunities arise. Students are financially responsible for any trip they wish to participate in. Trips are meant to be educational, but also involve at least one performance and possibly a competition. All students are expected to participate in competitions, which are within the state of Texas, but exceptions can be made at the director’s discretion. Students are not obligated to participate in choir trips, but are highly encouraged. Trips are open to all choir students enrolled in the program.

Membership for any choir is at the director’s discretion. All decisions regarding membership, awarding solos, trip participation, & contest involvement are solely up to the director.

AWARDS/LETTERING

HEAT & HYDRATION GUIDELINES

LAMAR CISD HOT WEATHER POLICY

Practice or competition in hot and humid environmental conditions poses special problems for student-athletes. Heat stress and resulting heat illness is a primary concern in these conditions. Although deaths from heat illness are rare, constant surveillance and education are necessary to prevent heat-related problems. The following practices should be observed.

General Considerations for Risk Reductions

1. Encourage proper education regarding heat illnesses (for student performers, directors, parents, medical staff, etc.) Education about risk factors should focus on hydration needs; acclimatization, work/rest ratio, signs and symptoms of exertional heat illnesses, treatment, dietary supplements, nutritional issues, and fitness status.

2. Assure that onsite medical staff has authority to alter work/rest ratios, practice schedules, amount of equipment, and withdrawal of individuals form participation based on environment and/or student performer's medical condition.

General Guidelines:

1. An initial complete medical history and physical exam.

2. Gradual acclimatization of the student performer to hot/humid conditions is a must. We advise that student performers should gradually increase exposure to hot and/or humid environmental conditions over a period of seven to 10 days to achieve acclimatization.

3. Clothing and protective gear can increase heat stress. Dark colors absorb solar radiation, clothing and protective gear interfere with the evaporation of sweat and other avenues of heat loss. During acclimatization process, student performers should practice in T-shirts, shorts, socks and shoes. Rubberized suits should never be worn.

4. To identify heat stress conditions, regular measurements of environmental conditions will be taken daily. Lamar CISD will use the Telvent DTN weather station at the high school level.

Specific Guidelines

Heat index of less than 100:

- No Restrictions

Heat index of 100-105

- Outdoor workouts limited to 2 hours, 10 minute break every 45 minutes.

Heat index of 105-110

- Workout limited to 1 1/2 hours, 10 minute break every 45 minutes
- Unrestricted access to water at all times
- Extra conditioning / running cancelled
- Decrease repetitions and practice for overweight individuals
- Asthmatic athletes may remove themselves from workout without penalties or repercussions

Heat Index of 110-115

- Shorts and T-shirts, helmets for high school workouts
- Practice shortened to 1 ½ hours for high school
- Unrestricted access to water at all times
- 15 minute break every hour
- Conditioning should take place indoors
- Decrease repetitions and practice for overweight individuals
- Asthmatic athletes may remove themselves from workout without penalties or
Heat index of greater than 115:
  • No outdoor workout

**LAMAR CISD COLD WEATHER POLICY**

Cold weather is defined as any temperature that can negatively affect the body’s regulatory system. These do not have to be freezing temperatures. The following temperature guidelines have been established for the Lamar Consolidated ISD Athletic Department practices and games.

**Cold Weather Caution:** When temperatures or wind chill (which is lower than actual temperature) is from 40-30°F

  • No modification of practices, but warning will be given to coaches and athletes
  • Directors and Athletic Trainers emphasizing the importance of following UIL Cold Weather Illness Recommendations.
  • Watch those “high risk” student performers

**Cold Weather Warning:** When temperatures or wind chill is from 30-20°F, there may be a modified outside participation of 45 min.

  • Warm-up to be started indoors (stretching, etc.) to not take away from 45 min
  • a practice that keeps individuals moving, try to avoid working up a big sweat in the first 20 minutes, having them be wet, and then sit around watching.
  • Wearing a hat that covers the ears, and some sort of gloves to cover the hands are required.
  • Keeping a very close eye on those “high risk” student performers
  • If available, a cool-down indoors

**Cold Weather Termination:** When temperatures or wind chill reaches 19°F and below, there may be a termination of outside practices and games.

Each participant must be cleared by the athletic trainer prior to participation in high school marching band.

All required forms must be completed in their entirety before a student participates in any try-out, practice, competition, travels, etc. with the marching band for any purpose.

EXTRA-CURRICULAR SOCIAL MEDIA STANDARDS  
2019-2020

Students who elect to participate in extracurricular activities are required to maintain high standards of academic performance as well as exemplary citizenship at all times. They serve as positive role models for the student body and in the community as representatives of our school and school district. One of the primary pedagogical purposes of extracurricular activities is to impart knowledge and skills to students so that they will graduate with the characteristics which will enable them to make a meaningful and successful contribution to both society and the workforce as outlined in the LCISD Graduate Profile.

Being a member of an extracurricular organization is a privilege, not a right. Any student who represents himself/herself, other participants, school staff, or members of the student body through electronic media (e.g., websites, personal home pages, blogs, text messages, chat/rooms/applications) or using electronic communication devices (e.g., camera phones, digital phones, electronic descriptions) in a way that causes school officials to reasonable anticipate substantial disruption of, or material interference with, the activities of the organization or school will be subject to disciplinary actions determined by appropriate school officials. Disciplinary action may include probation, suspension or dismissal from the organization. Furthermore, extracurricular participants may not engage in association such as retweeting, sub tweeting, favoriting, liking, reposting, etc. of materials involving lewd materials, obscene materials, violence, drugs, alcohol, tobacco, vaping, hazing, harassment targeting other students or staff members based on race, religion, national origin, disability, gender, including gender identification or sexual preference.

Incriminating photos or statements depicting any of the following will result in disciplinary action, up to and possible removal from the organization: 1) violence; 2) hazing; 3) prohibited harassment (based on race, religion, national origin, disability, gender); 4) lewdness including full or partial nudity; 5) inappropriate or profane gestures while in uniform or wearing school insignia; 6) vandalism; 7) stalking; 8) underage drinking; 9) selling, possessing, or using a controlled substance; 10) or any other criminal act or act punishable by law.

Extra-Curricular Behavior & Social Media Student and Parent Acknowledgement

My signature below verifies that I have read, understand and agree to abide by the Lamar Consolidated ISD Extra-Curricular Behavior & Social Media Standards that state extracurricular activities are a privilege, that a higher standard of conduct is the expectation. In addition, I understand that if I choose to use any type of social electronic media to represent myself or my extracurricular organization in an unfavorable, questionable or illegal manner, as outlined above, disciplinary action will be taken.

I understand that as a participant in an extracurricular activity, I must follow the Lamar CISD Student Code of Conduct in addition to all rules, regulations and schedule commitments, as required by the coach, director or sponsor of the organization.

I have read the Lamar CISD Extracurricular Behavior & Social Media Standards and agree to all of the terms and consequences stated herein.

SECTION VI: STUDENT CODE OF CONDUCT

The Student Code of Conduct is the district’s response to the requirements of Chapter 37 of the Texas Education Code.

The Code provides methods and options for managing students in the classroom and on school grounds, disciplining students, and preventing and intervening in student discipline problems.

The law requires the district to define misconduct that may—or must—result in a range of specific disciplinary consequences including removal from a regular classroom or campus, out-of-school suspension, placement in a disciplinary alternative education program (DAEP), or expulsion from school.

This Student Code of Conduct has been adopted by the Lamar CISD Board of Trustees and developed with the advice of the district-level committee. This Code provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline. Throughout the code and related discipline policies, the term “parent” includes a parent, legal guardian, or other person having lawful control of the student.

In accordance with state law, the Code will be posted at each school campus or will be available for review at the office of the campus principal. Additionally, the Code will be posted on the district’s web site. Parents will be notified of any conduct violation that may result in a student being removed from the academic setting for in school suspension (ISS), out of school suspension (OSS), placed in a DAEP, or expelled.

Because the Student Code of Conduct is adopted by the district’s board of trustees, it has the force of policy; therefore, in case of conflict between the Code and the student handbook, the Code will prevail.

Please note: The discipline of students with disabilities who are eligible for services under federal law (Individuals with Disabilities Education Act (IDEA) and Section 504 of the Rehabilitation Act of 1973) is subject to the provisions of those laws.

If you have difficulty accessing the information in this document because of disability, please contact Community Relations at 832-223-0328.
SCHOOL DISTRICT AUTHORITY AND JURISDICTION

School rules and the authority of the district to administer discipline apply whenever the interest of the district is involved, on or off school grounds, in conjunction with or independent of classes and school-sponsored activities. The district has disciplinary authority over a student:

The district has disciplinary authority over a student:

1. During the regular school day and while the student is going to and from school or a school-sponsored or school-related activity on district transportation;
2. During lunch periods in which a student is allowed to leave campus;
3. While the student is in attendance at any school-related activity, regardless of time or location;
4. For any school-related misconduct, regardless of time or location;
5. When retaliation against a school employee, board member, or volunteer occurs or is threatened, regardless of time or location;
6. When a student engages in cyberbullying, as provided by Education Code 37.0832;
7. When criminal mischief is committed on or off school property or at a school-related event;
8. For certain offenses committed within 300 feet of school property as measured from any point on the school’s real property boundary line;
9. For certain offenses committed while on school property or while attending a school-sponsored or school-related activity of another district in Texas;
10. When the student commits a felony, as provided by Education Code 37.006 or 37.0081; and
11. When the student is required to register as a sex offender.
12. David’s Law/Cyberbullying

In general, discipline is designed to correct the misconduct and to encourage all students to adhere to their responsibilities as citizens of the school community. Disciplinary action will be correlated to the seriousness of the offenses, the student’s age and grade level, the frequency of misbehavior, the student’s attitude, the effect of the misconduct on the school environment, and statutory requirements. Because of these factors, discipline for a particular offense (unless otherwise specified by law) may bring into consideration varying techniques and responses and will draw on the professional judgment of teachers and administrators.

The district has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable cause to believe it contains articles or materials prohibited by the district. Refusal may result in loss of parking privilege.

The district has the right to search a student’s personal property, locker or desk when there is reasonable cause to believe it contains articles or materials prohibited by the district. Personal property is brought to school at his/her own risk.

THREAT ASSESSMENT AND SAFE AND SUPPORTIVE SCHOOL TEAM

The campus behavior coordinator or other appropriate administrator will work closely with the campus threat assessment and safe and supportive school team to implement the district’s threat assessment policy and procedures, as required by law, and shall take appropriate disciplinary action in accordance with the Code of Conduct.

SEARCHES

District officials may conduct searches of students, their belongings, and their vehicles in accordance with state and federal law and district policy. Searches of students shall be conducted in a reasonable and nondiscriminatory manner. Refer to the district’s policies at FNF(LEGAL) and FNF(LOCAL) for more information regarding investigations and searches.

The district has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable suspicion to believe it contains articles or materials prohibited by the district. Desks, lockers, district-provided technology, and similar items are the property of the district and are provided for student use as a matter of convenience. District property is subject to search or inspection at any time without notice.
REPORTING CRIMES

School administrators shall report crimes as required by law and shall call Local law enforcement when an administrator suspects that a crime has been committed on campus.

CAMPUS BEHAVIOR COORDINATOR

As required by law, a person at each campus must be designated to serve as the campus behavior coordinator. The designated person may be the principal of the campus or any other campus administrator selected by the principal. The campus behavior coordinator is primarily responsible for maintaining student discipline. The district shall post on its website and in the Student Handbook, for each campus, the email address and telephone number of the person serving as campus behavior coordinator. Contact information may be found at www.lcisd.org.

SECURITY PERSONNEL

To ensure sufficient security and protection of students, staff, and property, the board employs [police officers, school resource officers (SROs), and/or security personnel]. In accordance with law, the board has coordinated with the campus behavior coordinator and other district employees to ensure appropriate law enforcement duties are assigned to security staff. The law enforcement duties of district peace officers are listed in policy CKE(LOCAL).

PARTICIPATING IN GRADUATION ACTIVITIES

The district has the right to limit a student’s participation in graduation activities for violating the district’s Code.

Participation might include a speaking role, as established by district policy and procedures. Students eligible to give the opening and closing remarks at graduation shall be notified by the campus principal. Notwithstanding any other eligibility requirements, in order to be considered as an eligible student to give the opening or closing remarks, a student shall not have engaged in any misconduct in violation of the district’s Code resulting in an out-of-school suspension, removal to a DAEP, or expulsion during the semester immediately preceding graduation.

The valedictorian and salutatorian may also have speaking roles at graduation. No student shall be eligible to have such a speaking role if he or she engaged in any misconduct in violation of the district’s Code resulting in an out-of-school suspension, removal to a DAEP, or expulsion during the semester immediately preceding graduation.

UNAUTHORIZED PERSONS

In accordance with Education Code 37.105, a school administrator, school resource officer (SRO), or district police officer shall have the authority to refuse entry or eject a person from district property if the person refuses to leave peaceably on request and:

The person poses a substantial risk of harm to any person; or

The person behaves in a manner that is inappropriate for a school setting, and the person persists in the behavior after being given a verbal warning that the behavior is inappropriate and may result in refusal of entry or ejection.

Appeals regarding refusal of entry or ejection from district property may be filed in accordance with policies FNG(LOCAL) or GF(LOCAL), as appropriate. However, the timelines for the district’s grievance procedures shall be adjusted as necessary to permit the person to address the board in person within 90 days, unless the complaint is resolved before a board hearing.

REVOKING TRANSFERS

The district has the right to revoke the transfer of a student for violating the district’s Code.

   2. a knife, as defined by Section 46.01(7), Penal Code; or
   3. any other object to be used with intent to cause bodily harm.
Bullying is prohibited by the district and could include hazing, threats, taunting, teasing, confinement, assault, demands for money, destruction of property, theft of valued possessions, name-calling, rumor-spreading, or ostracism. In some cases, bullying can occur through electronic methods, called “cyberbullying.”

If a student believes that he or she has experienced bullying or has witnessed bullying of another student, it is important for the student or parent to notify a teacher, school counselor, principal, or another district employee as soon as possible to obtain assistance and intervention. The administration will investigate any allegations of bullying or other related misconduct.

If the results of an investigation indicate that bullying has occurred, the administration will take appropriate disciplinary action. Disciplinary or other action may be taken even if the conduct did not rise to the level of bullying. The district will also contact the parents of the victim and of the student who was found to have engaged in the bullying. Available counseling options will be provided to these individuals, as well as to any students who have been identified as witnesses to the bullying.

Any retaliation against a student who reports an incident of bullying is prohibited.

Upon the recommendation of the administration, the board may, in response to an identified case of bullying, decide to transfer a student found to have engaged in bullying to another classroom at the campus. In consultation with the student’s parent, the student may also be transferred to another campus in the district. The parent of a student who has been determined by the district to be a victim of bullying may request that his or her child be transferred to another classroom or campus within the district. [Also see Safety Transfers/Assignments]

A copy of the district’s policy is available on the district’s website. A student or parent who is dissatisfied with the outcome of an investigation may appeal through policy FNG (LOCAL).

**PROCEDURES FOR FILING A COMPLAINT AND INVESTIGATION PROCESS**

1. Request and complete the Lamar CISD “Bullying, Harassment and Dating Violence Reporting Form”.
   a. These forms are available from all campus counselors and administrators and on the LCISD website (BULLYING/HARASSMENT/DATING VIOLENCE REPORTING FORM).
   b. Please provide detailed information on the form so that the administrator may complete a thorough investigation.
2. Turn the completed form in to a campus administrator.
3. Notice of a reported incident of bullying must be provided to the parent or guardian of the alleged victim on or before the third business day after the date the incident is reported and to the parent or guardian of the alleged bully within a reasonable amount of time after the incident.
4. The administrator will investigate the information contained in the complaint.
5. The administrator will contact the parent/guardian of both the alleged victim and alleged perpetrator.

If necessary, the administrator will complete the Campus-Based Stay Away Agreement.

A copy of the district’s policy is available on the district’s website. A student or parent who is dissatisfied with the outcome of an investigation may appeal through policy FNG (LOCAL).

**DISCIPLINE MANAGEMENT TECHNIQUES**

Discipline shall be designed to improve conduct and to encourage students to adhere to their responsibilities as members of the school community. Disciplinary action shall draw on the professional judgment of teachers and administrators and on a range of discipline management techniques, including restorative practices. Discipline shall be based on the seriousness of the offense, the student’s age and grade level, the frequency of misbehavior, the student’s attitude, the effect of the misconduct on the school environment, and statutory requirements.

**STUDENTS WITH DISABILITIES**

The discipline of students with disabilities is subject to applicable state and federal law in addition to the Student Code of Conduct. To the extent any conflict exists, the district shall comply with federal law. For more information regarding
discipline of students with disabilities, see policy FOF(LEGAL).

In accordance with the Education Code, a student who receives special education services may not be disciplined for conduct meeting the definition of bullying, cyberbullying, harassment, or making hit lists (see glossary) until an ARD committee meeting has been held to review the conduct.

In deciding whether to order suspension, DAEP placement, or expulsion, regardless of whether the action is mandatory or discretionary, the district shall take into consideration a disability that substantially impairs the student’s capacity to appreciate the wrongfulness of the student’s conduct.

**TECHNIQUES**

The following discipline management techniques may be used—alone or in combination—for behavior prohibited by the Student Code of Conduct or by campus or classroom rules:

- Verbal correction, oral or written.
- Cooling-off time or a brief “time-out” period, in accordance with law.
- Seating changes within the classroom or vehicles owned or operated by the district.
- Temporary confiscation of items that disrupt the educational process. Parents may obtain the release of the cellular phone or other electronic devices for a fine of $15.00. After the 30-day period has expired, the District shall dispose of the communication device.
- Rewards
- Behavioral contracts.
- Restorative Discipline practices
- Counseling by teachers, school counselors, or administrative personnel.
- Parent-teacher conferences.
- Grade reductions for cheating, plagiarism, and as otherwise permitted by policy.
- Detention, including outside regular school hours.
- Sending the student to the office or other assigned area, or to in-school suspension.
- Assignment of school duties other than class tasks.
- Withdrawal of privileges, such as participation in extracurricular activities, eligibility for seeking and holding honorary offices, or membership in school-sponsored clubs and organizations.
- Penalties identified in individual student organizations’ extracurricular standards of behavior.
- Restriction or revocation of district transportation privileges.
- School-assessed and school-administered probation.
- Monetary fine
- Out-of-school suspension, as specified in the Out-of-School Suspension section of this Code.
- Placement in a DAEP, as specified in the DAEP section of this Code.
- Placement and/or expulsion in an alternative educational setting, as specified in the Placement and/or Expulsion for Certain Offenses section of this Code.
- Expulsion, as specified in the Expulsion section of this Code.
- Referral to an outside agency or legal authority for criminal prosecution in addition to disciplinary measures imposed by the district.
- Other strategies and consequences as determined by school officials.

**PHYSICAL RESTRAINT**

Any District employee within the scope of the employee's duties may physically restrain a student that the employee reasonably believes is necessary in order to:

1. Protect the student or other person(s) from physical injury.
2. Obtain possession of a weapon or other dangerous object.
3. Protect property from serious damage.
4. Remove from a specific location a student refusing a lawful command of a school employee, including from a classroom or other school area in order to restore order.

*When a student with a special education disability requires restraint, TEA Commissioners Rules are followed.*
**ASSESSMENT OF CONSEQUENCES**

In assessing consequences, the district shall take into consideration:

1. Self-defense (see glossary),
2. Intent, and
3. The student’s disciplinary history.
4. Homeless
5. Conservatorship of DFPS

[TEC 37.001(a)]

Self-defense is the use of force against another to the degree a person reasonably believes the force is immediately necessary to protect him or herself considered appropriate and will be considered as a mitigating circumstance only when the student has a reasonable belief that the force is immediately necessary to protect himself against the other’s use or attempted use of force that could result in serious bodily injury. Verbal assault or threat is never enough to justify self-defense. Reasonable belief in the school setting means a belief that would be held by the school principal in the same circumstances as the actor. Each student is responsible for making every effort to avoid the use of any force and is advised to remove him or herself from the situation if at all possible. The District does not condone or authorize students to use force against another individual, even if that individual provokes or instigates a fight or altercation.

**PROHIBITED AVERSIVE TECHNIQUES**

Aversive techniques are prohibited for use with students and are defined as techniques or interventions intended to reduce the reoccurrence of a behavior by intentionally inflicting significant physical or emotional discomfort or pain. Aversive techniques include:

- Using techniques designed or likely to cause physical pain, other than corporal punishment as permitted by district policy. [See policy FO(LOCAL).]
- Using techniques designed or likely to cause physical pain by electric shock or any procedure involving pressure points or joint locks.
- Directed release of noxious, toxic, or unpleasant spray, mist, or substance near a student’s face.
- Denying adequate sleep, air, food, water, shelter, bedding, physical comfort, supervision, or access to a restroom facility.
- Ridiculing or demeaning a student in a manner that adversely affects or endangers the learning or mental health of the student or constitutes verbal abuse.
- Employing a device, material, or object that immobilizes all four of a student’s extremities, including prone or supine floor restraint.
- Impairing the student’s breathing, including applying pressure to the student’s torso or neck or placing something in, on, or over the student’s mouth or nose or covering the student’s face.
- Restricting the student’s circulation.
- Securing the student to a stationary object while the student is standing or sitting.
- Inhibiting, reducing, or hindering the student’s ability to communicate.
- Using chemical restraints.

Using time-out in a manner that prevents the student from being able to be involved in and progress appropriately in the required curriculum or any applicable individualized education program (IEP) goals, including isolating the student by the use of physical barriers. Depriving the student of one or more of the student’s senses, unless the technique does not cause the student discomfort or complies with the student’s IEP or behavior intervention plan (BIP).

**DISCIPLINARY ACTION FOR BUS SAFETY VIOLATIONS**

Because safety is so important, misbehavior on the bus or at the bus stop can cause a student to lose bus privileges. A summary of the bus rules is given to bus riders and posted in the buses by the Transportation Department. The following behaviors are considered serious infractions:

- Destruction of Property
- Fighting
- Use of Profanity
- Disruptive Behavior
- Possession of Weapon/prohibited items
- Throwing Objects
- Use of tobacco products
- Insubordination
- Use of laser pointer or other flash oriented devices

Violations are reported to the principal and parents are informed using the following procedures.

**Elementary:**

- **First Referral** - Warning notice goes home.
- **Second Referral** - Notice goes home-contact parent-5 day bus suspension.
- **Third Referral** - Notice goes home-10 day bus suspension-required parent conference.
- **Fourth Referral** - Notice goes home-20 day bus suspension-required parent conference.
- **Fifth Referral** - Notice goes home-bus suspension for the remainder of the school year.

**Secondary:**

- **First Referral** - Student conference/parent signature or contact (suspension from riding the bus for 5 days).
- **Second Referral** - Student conference/parent contact (suspension from riding the bus for 10 days).
• **Third Referral** - 20 days bus suspension and a student/parent conference with transportation supervisor is mandatory before the student is allowed to ride the bus again.

• **Fourth Referral** - Student/parent conference (suspension from riding the bus for the remainder of the school year).

A serious incident, complete disrespect, or directed profane language shall result in disciplinary action based on the circumstances of the incident. Disciplinary action may take into consideration bus referrals from the previous year. The incidents that involve a citable offense such as fighting or any other incident that jeopardizes the safety of the bus driver, the students, or the general public and will result in that student being suspended from riding a bus for 6 weeks or longer. The student will also receive consequences from school such as suspension or placement in the District’s AEP. A second serious incident or citation will result in the student being suspended from riding the bus for the remainder of the school year.

**CODE OF CONDUCT SUMMARY**

Education in this community represents a significant commitment of financial and human resources. The benefits a student derives from this investment depend very much on the student’s attitude toward learning and the student’s adherence to high standards of behavior. All students are entitled to enjoy the basic rights of citizenship recognized and protected by law for persons of their age and maturity. The District’s rules of conduct and discipline are established to achieve and maintain order in the school. Students who violate the rights of others or who violate District or school rules shall be subject to disciplinary measures designed to correct the misconduct and to promote adherence by all students to the responsibilities of citizens in the school community.

The Student Code of Conduct that follows is the District’s specific response to requirements of Chapter 37 of the Texas Education Code. The law requires the District to define misconduct that may or must result in a range of specific disciplinary consequences. This Code is an outgrowth of collaboration among District and campus staff, parents, and other community members. This Code, adopted by the Board of Trustees provides information and direction to students and parents regarding standards of behavior as well as consequences of misconduct.

The following violations and consequential disciplinary options are listed in order of severity with Minor Offenses being the least severe and Expellable Offenses the most severe. In case of conflict between the student handbook, the Student Code of Conduct and Board Policy, the Board Policy will prevail.
The following list includes examples of disciplinary alternatives and misbehaviors. Any combination of the disciplinary actions may be used from the list below for student misbehaviors. Discipline management alternatives or alternative educational programs for students with disabilities, IDEA and 504 eligible must be consistent with the student’s educational plan (Individual Educational Plan or Instructional Plan).

Based on Chapter 37.007 of the Texas Education Code

Discipline levels are not limited to only those behaviors represented in the chart above.

Expulsion Placements must be supported with Police Report
Discretionary Expulsion Placements may be placed at ALC or JJAEP
Expulsion days can be from 1 school day to 178 school days
On campus also includes school sponsored events
Randy Donnell is the Hearing Officer for all Expulsion Placements

In deciding whether to order DEAP or expulsion, regardless of whether the action is mandatory or discretionary, the district shall take into consideration:

1. Self-defense (see glossary),
2. Intent, and
3. The student’s disciplinary history.
4. Homeless
5. Conservatorship of DFPS
[TEC 37.001(a)].

Discipline management alternatives or alternative educational programs for students with disabilities, IDEA and 504 eligible must be consistent with the student’s educational plan (Individual Educational Plan or Instructional Plan).
REMOVAL FROM THE REGULAR EDUCATIONAL SETTING

In addition to other discipline management techniques, misconduct may result in removal from the regular educational setting in the form of a routine referral or a formal removal.

**Routine Referral**

A routine referral occurs when a teacher refers a student to the principal’s office as a discipline management technique. The administrator may then employ additional techniques.

**Formal Removal**

A teacher or administrator may remove a student from class for a behavior that violates this Code to maintain effective discipline in the classroom. A teacher may also initiate a formal removal from class if:

1. The student’s behavior has been documented by the teacher as repeatedly interfering with the teacher’s ability to teach his or her class or with the student’s classmates’ ability to learn; or
2. The behavior is so unruly, disruptive, or abusive that the teacher cannot teach, and the students in the classroom cannot learn.

A teacher or administrator may remove a student from class if the student engages in behavior that under the Education Code requires or permits the student to be placed in a DAEP or expelled. When removing for those reasons, the procedures in the subsequent sections on DAEP or expulsion will be followed. Otherwise, within three school days of the formal removal, the appropriate administrator will schedule a conference with the student’s parent; the student; the teacher, in the case of removal by a teacher; and any other administrator.

At the conference, the appropriate administrator shall inform the student of the alleged misconduct and the proposed consequences. The administrator shall give the student an opportunity to give his or her version of the incident.

When a student is removed from the regular classroom by a teacher and a conference is pending, the principal may place the student in:

- Another appropriate classroom.
- In-school suspension.
- Out-of-school suspension.
- DAEP

A teacher or administrator must remove a student from class if the student engages in behavior that under the Education Code requires or permits the student to be placed in a DAEP or expelled. When removing for those reasons, the procedures in the subsequent sections on DAEP or expulsion shall be followed.

**Returning Student to Classroom**

When a student has been formally removed from class by a teacher for conduct against the teacher containing the elements of assault, aggravated assault, sexual assault, aggravated sexual assault, murder, capital murder, or criminal attempt to commit murder or capital murder, the student may not be returned to the teacher’s class without the teacher’s consent.

When a student has been formally removed by a teacher for any other conduct, the student may be returned to the teacher’s class without the teacher’s consent, if the placement review committee determines that the teacher’s class is the best or only alternative available.
IN-SCHOOL SUSPENSION (ISS)

GRADES PRE-K - 12
This program provides for removing a student from regular classes while allowing the student to remain on his/her assigned campus. The objective is for students to understand that appropriate behavior leads to the right to attend class and to make a commitment to appropriate class/school behavior.

OUT OF SCHOOL SUSPENSION (OSS)

MISCONDUCT
Students may be suspended for any behavior listed in the Code as a general conduct violation, DAEP offense, or expellable offense.
The district shall not use out-of-school suspension for students in grade 2 or below unless the conduct meets the requirements established in law.
A student below grade 3 or a student who is homeless shall not be placed in out-of-school suspension unless, while on school property or while attending a school-sponsored or school-related activity on or off school property, the student engages in:
- Conduct that contains the elements of a weapons offense, as provided in Penal Code Section 46.02 or 46.05;
- Conduct that contains the elements of assault, sexual assault, aggravated assault, or aggravated sexual assault, as provided by the Penal Code; or
- Selling, giving, or delivering to another person or possessing, using, or being under the influence of any amount of marijuana, an alcoholic beverage, or a controlled substance or dangerous drug as defined by federal or state law.
The district shall use a positive behavior program as a disciplinary alternative for students below grade 3 who commit general conduct violations instead of suspension or placement in a DAEP. The program shall meet the requirements of law.

PROCESS
State law allows a student to be suspended for no more than three school days per behavior violation, with no limit on the number of times a student may be suspended in a semester or school year.
Before being suspended a student shall have an informal conference with the appropriate administrator, who shall advise the student of the alleged misconduct. The student shall have the opportunity to respond to the allegation before the administrator’s makes a decision.
The number of days of a student’s suspension shall be determined by the appropriate administrator, but shall not exceed three school days.
In deciding whether to order out-of-school suspension, the campus behavior coordinator shall take into consideration:
1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student’s disciplinary history,
4. A disability that substantially impairs the student’s capacity to appreciate the wrongfulness of the student’s conduct,
5. A student’s status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student’s status as homeless.
While suspended, the student is not allowed on any LCISD property, and may not participate/attend extracurricular or after school events.

**Coursework During Suspension**

The district shall ensure a student receives access to coursework for foundation curriculum courses while the student is placed in in-school or out-of-school suspension, including at least one method of receiving this coursework that doesn’t require the use of the internet.

A student removed from the regular classroom to in-school suspension or another setting, other than a DAEP, will have an opportunity to complete before the beginning of the next school year each course the student was enrolled in at the time of removal from the regular classroom. The district may provide the opportunity by any method available, including a correspondence course, another distance learning option, or summer school. The district will not charge the student for any method of completion provided by the district.

**Disciplinary Alternative Education Program (DAEP) Placement**

The DAEP shall be provided in a setting other than the student’s regular classroom. An elementary school student may not be placed in a DAEP with a student who is not an elementary school student.

For purposes of DAEP, elementary classification shall be kindergarten (age 6)–grade 6 and secondary classification shall be grades 7–12.

Summer programs provided by the district shall serve students assigned to a DAEP in conjunction with other students.

A student who is expelled for an offense that otherwise would have resulted in a DAEP placement does not have to be placed in a DAEP in addition to the expulsion. In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the district shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student’s disciplinary history,
4. A disability that substantially impairs the student’s capacity to appreciate the wrongfulness of the student’s conduct,
5. A student’s status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student’s status as homeless.

**Discretionary Placement in DAEP**

Misconduct That May Result in DAEP Placement

**Misconduct Identified in State Law**

In accordance with state law, a student may be placed in a DAEP for any one of the following offenses:

1. Involvement in a public school fraternity, sorority, or secret society, including participating as a member or pledge, or soliciting another person to become a pledge or member of a public school fraternity, sorority, secret society, or gang. (See glossary.)
2. Involvement in criminal street gang activity. (See glossary.)
   - Wearing or possessing gang-related items.
   - Committing any act or communicating verbally or nonverbally that shows membership in or affiliation with a gang.
• Using any speech or committing any act to further the interest of any gang or gang activity such as soliciting membership or engaging in concert with others to intimidate, fight, assault or threaten to assault others.
• The student meets two (2) or more of the following criteria:
  ➢ admits to gang membership,
  ➢ is involved in gang-related activity
  ➢ is involved in gang-related writings/graffiti
  ➢ presents himself/herself as a gang member by dress or hand gestures.

3. Criminal mischief, not punishable as a felony.
4. Assault (no bodily injury) with threat of imminent bodily injury.
5. Assault by offensive or provocative physical contact.
6. Major offenses as defined by the Code of Conduct Summary.
7. Under LCISD Policy, but not in accordance to State policy; a student, age six and older, may be placed in a Disciplinary Alternative Education Program if the student commits any of the following offenses on or within 300 feet of school property or while attending a school-sponsored or school related activity on or off school property unless otherwise stated. The student may have received a police citation in regards to this activity. The student may be suspended pending a formal conference:
   • The student engages in two or more fights.
   • The student verbally assaults, using profanity directed to any LCISD staff member and/or administrator (this includes volunteers). This is in accordance when the evidence shows the LCISD employee (volunteer) did not provoke or instigate the verbal assault. This must happen twice in one school year to be considered for a DAEP placement.
   • The student physically assaults any LCISD staff member and/or administrator (this includes volunteers). This is in accordance when the evidence shows the LCISD employee (volunteer) did not provoke or instigate the physical assault.
   • The student verbally or physically threatens any LCISD staff member and/or administrator (this includes volunteers). This is in accordance when the evidence shows the LCISD employee (volunteer) did not provoke or instigate the threat.

In accordance with state law, a student may be placed in a DAEP if the superintendent or the superintendent’s designee has reasonable belief (see glossary) that the student has engaged in conduct punishable as a felony, other than aggravated robbery or those listed as offenses involving injury to a person in Title 5 (see glossary) of the Texas Penal Code, that occurs off school property and not at a school-sponsored or school-related event, if the student’s presence in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process.

The appropriate administrator may, but is not required to, place a student in a DAEP for off-campus conduct for which DAEP placement is required by state law if the administrator does not have knowledge of the conduct.

MANDATORY PLACEMENT IN DAEP

MISCONDUCT THAT REQUIRES DAEP PLACEMENT
A student must be placed in a DAEP if the student:

1. Engages in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school. (See glossary.)
2. Commits the following offenses on school property or within 300 feet of school property as measured from any point on the school’s real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:
   • Engages in conduct punishable as a felony.
   • Commits an assault (see glossary) under Texas Penal Code 22.01(a)(1).
   • Sells, gives, or delivers to another person, or possesses, uses, or is under the influence of marijuana, a controlled substance, or a dangerous drug in an amount not constituting a felony offense. A student with a valid prescription for low-THC cannabis as authorized by Chapter 487 of the Health and Safety Code does
not violate this provision (School-related felony drug offenses are addressed in the Expulsion section.) (See glossary for "under the influence.")

- Sells, gives, or delivers to another person an alcoholic beverage; commits a serious act or offense while under the influence of alcohol; or possesses, uses, or is under the influence of alcohol, if the conduct is not punishable as a felony offense. (School-related felony alcohol offenses are addressed in the Expulsion section.)
- Behaves in a manner that contains the elements of the offense or an offense relating to abusable glue or aerosol paint or relating to abusable volatile chemicals under Sec. 485.031 through 485.035 of Health and Safety Code.
- Behaves in a manner that contains the elements of the offense of public lewdness or indecent exposure.
- Engages in conduct that contains the elements of an offense of harassment against an employee under Penal Code 42.07(a)(1), (2), (3), or (7).

3. Engages in expellable conduct and is between six and nine years of age.
4. Commits a federal firearms violation and is younger than six years of age.
5. Engages in conduct that contains the elements of the offense of retaliation against any school employee or volunteer on or off school property. (Committing retaliation in combination with another expellable offense is addressed in the Expulsion section of this Code.)
6. Engages in conduct punishable as aggravated robbery or a felony listed under Title 5 (see glossary) of the Texas Penal Code when the conduct occurs off school property and not at a school-sponsored or school-related event and:
   - The student receives deferred prosecution (see glossary),
   - A court or jury finds that the student has engaged in delinquent conduct (see glossary), or
   - The superintendent or designee has a reasonable belief (see glossary) that the student engaged in the conduct.

*If the student subject to removal is a student with disabilities who receives special education services, the placement and/or term of the removal is subject to federal law.*

**SEXUAL ASSAULT AND CAMPUS ASSIGNMENTS**

If a student has been convicted of continuous sexual abuse of a young child or children or convicted of or placed on deferred adjudication for sexual assault or aggravated sexual assault against another student on the same campus, and if the victim’s parent or another person with the authority to act on behalf of the victim requests that the board transfer the offending student to another campus, the offending student shall be transferred to another campus in the district. If there is no other campus in the district serving the grade level of the offending student, the offending student shall be transferred to a DAEP.

**PROCESS**

Removals to a DAEP shall be made by the designated administrator.

**CONFERENCE**

When a student is removed from class for a DAEP offense, the appropriate administrator shall schedule a conference within three school days with the student’s parent, the student, and the teacher, in the case of a teacher removal.

At the conference, the appropriate administrator shall inform the student, orally or in writing, of the reasons for the removal and shall give the student an explanation of the basis for the removal and an opportunity to respond to the reasons for the removal. Following valid attempts to require attendance, the district may hold the conference and make a placement decision regardless of whether the student or the student’s parents attend the conference.

**CONSIDERATION OF MITIGATING FACTORS**

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student’s disciplinary history,
4. A disability that substantially impairs the student’s capacity to appreciate the wrongfulness of the student’s conduct, or
5. A student’s status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student’s status as homeless.

**Placement Order**

After the conference, if the student is placed in the DAEP, the appropriate administrator shall write a placement order. A copy of the DAEP placement order shall be sent to the student and the student’s parent.

Not later than the second business day after the conference, the board’s designee shall deliver to the juvenile court a copy of the placement order and all information required by Section 52.04 of the Family Code.

If the student is placed in the DAEP and the length of placement is inconsistent with the guidelines included in this Code, the placement order shall give notice of the inconsistency.

**Coursework Notice**

The parent/guardian of a student placed in DAEP shall be given written notice of the student’s opportunity to complete a foundation curriculum course in which the student was enrolled at the time of removal and which is required for graduation, at no cost the student. The notice shall include information regarding all methods available for completing the coursework.

**Length of Placement**

The student’s placement in a DAEP shall be determined by the designated administrator.

The duration of a secondary student’s placement in a Disciplinary Alternative Education Program shall be determined based on the severity of the offense or number of removals to the DAEP within a 12-month period. Assignments are made to ALC for up to 90 days, but the student must demonstrate appropriate behavior, be in attendance each day and make academic progress in order to be eligible for early release. Parents must attend weekly education and support sessions during the term of assignment.

The duration of an elementary student’s placement in a DAEP is three to six weeks. Time can be extended based on the student’s response to the program. Before the end of the assignment, the student will be reintegrated into the classroom with support. Parents must attend weekly education and support sessions during the term of assignment.

The maximum period of DAEP placement shall be one calendar year except as provided below.

The district shall administer the required pre- and post-assessments for students assigned to DAEP for a period of 90 days or longer in accordance with established district administrative procedures for administering other diagnostic or benchmark assessments.

**Exceeds One Year**

Placement in a DAEP may exceed one year when a review by the district determines that:

1. The student is a threat to the safety of other students or to district employees, or
2. Extended placement is in the best interest of the student.

The statutory limitations on the length of a DAEP placement do not apply to a placement resulting from the board’s decision to place a student who engaged in the sexual assault of another student so that the students are not assigned to the same campus.

**Exceeds School Year**

Students who commit offenses requiring placement in a DAEP at the end of one school year may be required to continue that placement at the start of the next school year to complete the assigned term of placement. For placement in a DAEP to extend beyond the end of the school year, the designated administrator must determine that:

1. The student’s presence in the regular classroom or campus presents a danger of physical harm to the student or others, or
2. The student has engaged in serious or persistent misbehavior (see glossary) that violates the district’s Code.
**EXCEEDS 60 DAYS**

For placement in a DAEP to extend beyond 60 days or the end of the next grading period, whichever is sooner, a student’s parent shall be given notice and the opportunity to participate in a proceeding before the board or the board’s designee.

**APPEALS**

Questions from parents regarding disciplinary measures should be addressed to the campus administration. Appeals regarding the decision to place a student in a DAEP should be addressed to the campus principal then Administrator for Student Discipline and Placement in accordance with policy FOC(LEGAL) within three school days. A copy of this policy may be obtained from the principal’s office or the central administration office or through Policy On Line at the following address: www.lcisd.org. Disciplinary consequences will not be deferred pending the outcome of an appeal. The decision to place a student in a DAEP cannot be appealed beyond the Administrator for Student Discipline and Placement.

**RESTRICTIONS DURING PLACEMENT**

State law prohibits a student placed in a DAEP for reasons specified in state law from attending or participating in school-sponsored or school-related extracurricular activities.

The district does not provide transportation to students in a DAEP.

For seniors who are eligible to graduate and are assigned to a DAEP at the time of graduation, the last day of placement in the program shall be the last instructional day, and the student shall be allowed to participate in the graduation ceremony and related graduation activities unless otherwise specified in the DAEP placement order.

**PLACEMENT REVIEW**

A student placed in a DAEP shall be provided a review of his or her status, including academic status at intervals not to exceed 120 days. In the case of a high school student, the student’s progress toward graduation and the student’s graduation plan shall also be reviewed. At the review, the student or the student’s parent shall be given the opportunity to present arguments for the student’s return to the regular classroom or campus. The student may not be returned to the classroom of a teacher who removed the student without that teacher’s consent.

**ADDITIONAL MISCONDUCT**

If during the term of placement in a DAEP the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the appropriate administrator may enter an additional disciplinary order as a result of those proceedings.

**NOTICE OF CRIMINAL PROCEEDINGS**

The office of the prosecuting attorney shall notify the district if a student was placed in a DAEP for certain offenses including any felony, unlawful restraint, indecent exposure, assault, deadly conduct, terroristic threats, organized crime, certain drug offenses, or possession of a weapon, and:

1. Prosecution of a student’s case was refused for lack of prosecutorial merit or insufficient evidence and no formal proceedings, deferred adjudication (see glossary), or deferred prosecution will be initiated; or
2. The court or jury found a student not guilty, or made a finding that the student did not engage in delinquent conduct or conduct indicating a need for supervision, and the case was dismissed with prejudice.

If a student was placed in a DAEP for such conduct, on receiving the notice from the prosecutor, the superintendent or designee shall review the student’s placement and schedule a review with the student’s parent not later than the third day after the superintendent or designee receives notice from the prosecutor. The student may not be returned to the regular classroom pending the review.

After reviewing the notice and receiving information from the student’s parent, the superintendent or designee may continue the student’s placement if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

The student or the student’s parent may appeal the superintendent’s decision to the board. The student may not be returned to the regular classroom pending the appeal. In the case of an appeal, the board shall, at the next scheduled meeting, review the notice from the prosecutor and receive information from the student, the student’s parent, and the superintendent or designee, and confirm or reverse the decision of the superintendent or designee. The board shall make a record of the proceedings.
If the board confirms the decision of the superintendent or designee, the student and the student’s parent may appeal to the Commissioner of Education. The student may not be returned to the regular classroom pending the appeal.

**Withdrawal During Process**

When a student violates the district’s Code in a way that requires or permits the student to be placed in a DAEP and the student withdraws from the district before a placement order is completed, the district may complete the proceedings and issue a placement order. If the student then re-enrolls in the district during the same or a subsequent school year, the district may enforce the order at that time, less any period of the placement that has been served by the student during enrollment in another district. If the appropriate administrator or the board fails to issue a placement order after the student withdraws, the next district in which the student enrolls may complete the proceedings and issue a placement order.

**Newly Enrolled Students**

The district shall decide on a case-by-case basis whether to continue the placement of a student who enrolls in the district and was assigned to a DAEP in an open-enrollment charter school or another district. The district may place the student in the district’s DAEP or a regular classroom setting.

A newly enrolled student with a DAEP placement from a district in another state shall be placed as any other newly enrolled student if the behavior committed is a reason for DAEP placement in the receiving district.

If the student was placed in a DAEP by a school district in another state for a period that exceeds one year, this district, by state law, shall reduce the period of the placement so that the total placement does not exceed one year. After a review, however, the placement may be extended beyond a year if the district determines that the student is a threat to the safety of other students or employees or the extended placement is in the best interest of the student.

**Emergency Placement Procedure**

When an emergency placement is necessary because the student’s behavior is so unruly, disruptive, or abusive that it seriously interferes with classroom or school operations, the student shall be given oral notice of the reason for the action. Not later than the tenth day after the date of the placement, the student shall be given the appropriate conference required for assignment to a DAEP.

**Transition Services**

In accordance with law and district procedures, campus staff shall provide transition services to a student returning to the regular classroom from an alternative education program, including a DAEP. See policy FOCA(LEGAL) for more information.

---

**PLACEMENT AND/OR EXPULSION FOR SERIOUS OFFENSES**

This section includes two categories of offenses for which the Education Code provides unique procedures and specific consequences.

**Registered Sex Offenders**

Upon receiving notification in accordance with state law that a student is currently required to register as a sex offender, the district must remove the student from the regular classroom and determine appropriate placement unless the court orders JJAEP placement.

If the student is under any form of court supervision, including probation, community supervision, or parole, the placement shall be in either DAEP or JJAEP for at least one semester.

If the student is not under any form of court supervision, the placement may be in DAEP or JJAEP for one semester or the placement may be in a regular classroom. The placement may not be in the regular classroom if the board or its designee determines that the student’s presence:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interests of the district’s students.

**REVIEW COMMITTEE**

At the end of the first semester of a student’s placement in an alternative educational setting and before the beginning of each school year for which the student remains in an alternative placement, the district shall convene a committee, in accordance with state law, to review the student’s placement. The committee shall recommend whether the student should return to the regular classroom or remain in the placement. Absent a special finding, the board or its designee must follow the committee’s recommendation.

The placement review of a student with a disability who receives special education services must be made by the ARD committee.

**NEWLY ENROLLED STUDENT**

If a student enrolls in the district during a mandatory placement as a registered sex offender, the district may count any time already spent by the student in a placement or may require an additional semester in an alternative placement without conducting a review of the placement.

**APPEAL**

A student or the student’s parent may appeal the placement by requesting a conference between the board or its designee, the student, and the student’s parent. The conference is limited to the factual question of whether the student is required to register as a sex offender. Any decision of the board or its designee under this section is final and may not be appealed.

**CERTAIN FELONIES**

Regardless of whether placement or expulsion is required or permitted by one of the reasons in the DAEP Placement or Expulsion sections, in accordance with Education Code 37.0081, a student may be expelled and placed in either DAEP or JJAEP if the board or its designee makes certain findings and the following circumstances exist in relation to a felony offense under Title 5 (see glossary) of the Texas Penal Code. The student must:

1. Have received deferred prosecution for conduct defined as aggravated robbery or a Title 5 felony offense;
2. Have been found by a court or jury to have engaged in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense;
3. Have been charged with engaging in conduct defined as aggravated robbery or a Title 5 felony offense;
4. Have been referred to a juvenile court for allegedly engaging in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense; or
5. Have received probation or deferred adjudication or have been arrested for, charged with, or convicted of aggravated robbery or a Title 5 felony offense.

The district may expel the student and order placement under these circumstances regardless of:

1. The date on which the student’s conduct occurred,
2. The location at which the conduct occurred,
3. Whether the conduct occurred while the student was enrolled in the district, or
4. Whether the student has successfully completed any court disposition requirements imposed in connection with the conduct.

**HEARING AND REQUIRED FINDINGS**

The student must first have a hearing before the board or its designee, who must determine that in addition to the circumstances above that allow for the expulsion, the student’s presence in the regular classroom:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interest of the district’s students.

Any decision of the board or the board’s designee under this section is final and may not be appealed.
LENGTH OF PLACEMENT

The student is subject to the placement until:

1. The student graduates from high school,
2. The charges are dismissed or reduced to a misdemeanor offense, or
3. The student completes the term of the placement or is assigned to another program.

PLACEMENT REVIEW

A student placed in a DAEP or JJAEP under these circumstances is entitled to a review of his or her status, including academic status, by the campus behavior coordinator or board’s designee at intervals not to exceed 120 days. In the case of a high school student, the student’s progress toward graduation and the student’s graduation plan shall also be reviewed. At the review, the student or the student’s parent shall have the opportunity to present arguments for the student’s return to the regular classroom or campus.

NEWLY ENROLLED STUDENTS

A student who enrolls in the district before completing a placement under this section from another school district must complete the term of the placement.

EXPULSION

In deciding whether to order expulsion, regardless of whether the action is mandatory or discretionary, the district shall take into consideration:

1. Self-defense (see glossary),
2. Intent, and or lack of intent at the time the student engaged in the conduct,
3. The student’s disciplinary history. [TEC 37.001(a)]
4. A disability that substantially impairs the student’s capacity to appreciate the wrongfulness of the student’s conduct,
5. A student’s status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student’s status as homeless.

A student may be expelled for committing any offense that is a state-mandated expellable offense if the offense is committed on the property of another district in Texas or while the student is attending a school-sponsored or school-related activity of a school in another district in Texas.

**WHILE IN DAEP**

A student may be expelled for engaging in documented serious misbehavior that violates the district’s Code, despite documented behavioral interventions while placed in a DAEP. For purposes of discretionary expulsion from a DAEP, serious misbehavior means:

1. Deliberate violent behavior that poses a direct threat to the health or safety of others;
2. Extortion, meaning the gaining of money or other property by force or threat;
3. Conduct that constitutes coercion, as defined by Section 1.07, Penal Code; or

1. Unlawfully carrying on or about the student’s person the following, in the manner prohibited by Penal Code 46.02:
   - A handgun, defined by state law as any firearm designed, made, or adapted to be used with one hand. (See glossary.) Note: A student may not be expelled solely on the basis of the student’s use, exhibition, or possession of a firearm that occurs at an approved target range facility that is not located on a school campus, while participating in or preparing for a school-sponsored, shooting sports competition or a shooting sports educational activity that is sponsored or supported by the Parks and Wildlife Department, or a shooting sports sanctioning organization working with the department. UNDER AGE TEN

When a student under the age of ten engages in behavior that is expellable behavior, the student shall not be expelled, but shall be placed in a DAEP. A student under age six will not be placed in a DAEP unless the student commits a federal firearm offense.

PROCESS

If a student is believed to have committed an expellable offense, the Administrator of Student Discipline and Placement shall schedule a hearing within a reasonable time. The student’s parent shall be invited in writing to attend the hearing.

Until a hearing can be held, the principal may place the student in:

- Another appropriate classroom.
- In-school suspension.
- Out-of-school suspension.
- DAEP

HEARING

A student facing expulsion shall be given a hearing with appropriate due process. The student is entitled to:

1. Representation by the student’s parent or another adult who can provide guidance to the student and who is not an employee of the district,
2. An opportunity to testify and to present evidence and witnesses in the student’s defense, and
3. An opportunity to question the witnesses called by the district at the hearing.

After providing written notice to the student and parent of the hearing, the district may hold the hearing regardless of whether the student or the student’s parent attends.

The board of trustees delegates to the Superintendent or designee authority to conduct hearings and expel students.

EXPULSION APPEAL

After the initial expulsion hearing, the student or student’s parent(s)/guardian(s) may request an appeal of the expulsion order. The student or parent/guardian must submit a written request to the superintendent or designee within seven days after receipt of the written decision.

Upon receipt of a notice of appeal, the Superintendent or designee shall convene an impartial evidentiary hearing to consider the proposed expulsion. The Superintendent may elect to refer the matter to a hearing officer or a panel consisting of three administrators designated to act on the Superintendent’s behalf. In the event a hearing officer or panel is appointed, the panel members shall prepare a written recommendation to the Superintendent based upon the evidence presented at the hearing.

A student appealing a recommendation for expulsion is entitled to receive procedural due process as required by the federal and state constitutions. Procedural rights include the following:

- The right to be represented by legal counsel or an adult who is not a District employee, unless the District employee is the student’s parent/ guardian.
- Prior notice of potential witnesses for the District.
- An opportunity to testify and present evidence and witnesses in the student’s defense.
- An opportunity to question the witnesses called by the district at the hearing.

Expulsion hearings shall be recorded by audio recording.

BOARD REVIEW OF EXPULSION

After the due process hearing, the expelled student may request that the board review the expulsion decisions. The student or parent must submit a written request to the superintendent within seven days after receipt of the written decision. The superintendent must provide the student or parent written notice of the date, time, and place of the
meeting at which the board will review the decision.

The board shall review the record of the expulsion hearing in a closed meeting unless the parent requests in writing that the matter be held in an open meeting. The board may also hear a statement from the student or parent and from the board’s designee.

The board shall hear statements made by the parties at the review and shall base its decision on evidence reflected in the record and any statements made by the parties at the review. The board shall make and communicate its decision orally at the conclusion of the presentation. Consequences shall not be deferred pending the outcome of the hearing.

**EXPULSION ORDER**

Before ordering the expulsion, the board or campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student’s disciplinary history,
4. A disability that substantially impairs the student’s capacity to appreciate the wrongfulness of the student’s conduct,
5. A student’s status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student’s status as homeless.

If the student is expelled, the board or its designee shall deliver to the student and the student’s parent a copy of the order expelling the student.

Not later than the second business day after the hearing, the Administrator for Discipline and Placement shall deliver to the juvenile court a copy of the expulsion order and the information required by Section 52.04 of the Family Code. If the length of the expulsion is inconsistent with the guidelines included in the Student Code of Conduct, the expulsion order shall give notice of the inconsistency.

**LENGTH OF EXPULSION**

The length of an expulsion shall be based on the seriousness of the offense, the student’s age and grade level, the frequency of misbehavior, the student’s attitude, and statutory requirements.

The duration of a student’s expulsion shall be determined on a case-by-case basis. The maximum period of expulsion is one calendar year except as provided below:

An expulsion may not exceed one year unless, after review, the district determines that:

- The student is a threat to the safety of other students or to district employees, or
- Extended expulsion is in the best interest of the student.

State and federal law require a student to be expelled from the regular classroom for a period of at least one calendar year for bringing a firearm, as defined by federal law, to school. However, the superintendent may modify the length of the expulsion on a case-by-case basis.

Students who commit offenses that require expulsion at the end of one school year may be expelled into the next school year to complete the term of expulsion.

**WITHDRAWAL DURING PROCESS**

When a student has violated the district’s Code in a way that requires or permits expulsion from the district and the student withdraws from the district before the expulsion hearing takes place, the district may conduct the hearing after sending written notice to the parent and student.

If the student then re-enrolls in the district during the same or subsequent school year, the district may enforce the expulsion order at that time, less any expulsion period that has been served by the student during enrollment in another district.

If the appropriate administrator or the board fails to issue an expulsion order after the student withdraws, the next district in which the student enrolls may complete the proceedings.
**ADDITIONAL MISCONDUCT**

If during the expulsion, the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the appropriate administrator or the board may issue an additional disciplinary order as a result of those proceedings.

No district academic credit shall be earned for work missed during the period of expulsion unless the student is enrolled in a JJAEP or another district-approved program.

**NEWLY ENROLLED STUDENTS**

The district shall decide on a case-by-case basis the placement of a student who is subject to an expulsion order from another district or an open-enrollment charter school upon enrollment in the district.

If a student expelled in another state enrolls in the district, the district may continue the expulsion under the terms of the expulsion order, may place the student in a DAEP for the period specified in the order, or may allow the student to attend regular classes if:

1. The out-of-state district provides the district with a copy of the expulsion order, and

If a student is expelled by a district in another state for a period that exceeds one year and the district continues the expulsion or places the student in a DAEP, the district will reduce the period of the expulsion or DAEP placement so that the entire period does not exceed one year, unless after a review it is determined that:

Students who have committed serious offenses and who have been expelled as mandated by Texas Education Code Subchapter G, Section 37 shall be reassigned to the Fort Bend County Alternative School. Uniform dress is required. The setting is referenced as a Juvenile Justice AEP as defined by Texas Education Code Section 37.011 and has been cooperatively developed as specified in an inter-Local agreement. The length of assignment is determined by the judicial system as specified by the memorandum of agreement with Juvenile Justice authorities.

Instruction is provided in English/language arts, mathematics, science, social studies and electives, and special instruction and support services are provided as appropriate for each student. Self-discipline is taught by both school staff and county drill instructors, who are assigned full-time at the school. The program is highly structured and involves parents, school staff, county staff and students in the process of developing the behavior and skills necessary for productive adult living. Students must demonstrate significant improvement in school attendance, academic achievement and behavior, both at school and in the community, prior to release. Parents attend education and support meetings.

Funding for the Juvenile Justice Alternative Education Program has been agreed to by the Board of Trustees and Fort Bend County. Each participating entity has committed funds and resources. Lamar CISD serves as the fiscal agent for the education portion of the program. Fort Bend County funds maintenance, operations, and non-instructional personnel.

FOC (LEGAL), FODA (LEGAL), and FOE (LEGAL) have all been modified in accordance with HB 2532, which permits a district to expel a student for Title 5 felony conduct and place the student in either a DAEP or a JJAEP.

HB 2532 also prompted revisions to FOE (LEGAL) regarding a student who is required to register as a sex offender. The district must remove the student from the regular classroom and determine an appropriate placement - either DAEP, JJAEP, or the regular classroom, depending on whether the student is under court supervision. A review committee must examine the student’s placement at the end of the first semester of placement and make a recommendation to the board or designee regarding continued placement or return to the regular classroom. The board or designee may reject the committee’s recommendation only if it makes certain determinations as detailed in policy.

The ARD may place a special education student in the Disciplinary Alternative Education Program (DAEP) for up to 45 days, regardless
of the manifestation determination when that student has committed a drug, weapons or serious bodily injury offense that requires a mandatory removal.

Students shall not place, keep, or maintain any article or material in school-owned lockers that is
forbidden by District policy or that would lead school officials to reasonably believe that it would cause a substantial disruption on school property or at a school-sponsored function. All locks must be school owned. Searches of student’s outer clothing and pockets may be conducted if reasonable cause exists. Highly intrusive invasions of a student’s privacy, such as searches of the student’s person, shall be conducted by an administrator only if reasonable suspicion exists to believe that the student possesses contraband.

Verbal assault or threat is never enough to justify self-defense. Reasonable belief in the school setting means a belief that would be held by the school principal in the same circumstances as the actor. Each student is responsible for making every effort to avoid the use of any force and is advised to remove him or herself from the situation if at all possible. It shall be unlawful for any person while on LCISD property to solicit any LCISD student to join or pledge to join any fraternity, sorority, or secret society, or solicit any student to attend a meeting thereof, or any meeting where membership therein is encouraged. (Texas Education Code 37.121)

**SEXUAL HARASSMENT**
The District believes that every student has the right to attend school and school-related activities free from all forms of discrimination on the basis of gender, including sexual harassment. The District considers sexual harassment of students to be serious and will consider the full range of disciplinary options, up to and including expulsion, according to the nature of the offense. All students are expected to treat one another courteously, with respect for the other person’s feelings; to avoid any behaviors known to be offensive; and to stop these behaviors when asked or told to stop. All students are prohibited from engaging in offensive verbal or physical conduct of a sexual nature directed toward another student. This prohibition applies whether the conduct is by word, gesture, or any other intimidating sexual conduct, including requests for sexual favors that the other student regards as offensive or provocative.

Students and/or parents are encouraged to discuss their questions or concerns about the expectations in this area with the teacher, principal or designee, or the District’s Title IX coordinator for students. A complaint alleging sexual harassment or dating violence by another student or sexual harassment or sexual abuse by a staff member may be presented by a student and/or parent in conference with the principal or designee or with the Title IX coordinator. The first conference with the student ordinarily will be held by a person who is the same gender as the student. The conference will be scheduled and held as soon as possible within five days of the request. The principal or Title IX coordinator will coordinate an appropriate investigation, which ordinarily will be completed within 10 days. The student or parent will be informed if extenuating circumstances delay completion of the investigation. The student will not be required to present a complaint to the person who is the subject of the complaint.

If the resolution of the complaint is not satisfactory to the student or parent, the student or parent within 10 days may request a conference with the Superintendent or designee by following the procedures set out in Board policy FNCJ(Local). If the resolution by the Superintendent or designee is not satisfactory, the student or parent may present the complaint to the Board as provided by policy. (Verbal sexual harassment includes making sexual remarks or jokes, spreading sexual rumors about another person or making sexual statements. Physical sexual harassment includes touching or grabbing another person in a sexual way, flashing or mooning.)
