What we’re up to:

**Reading:** The students will summarize and sequence stories.

**Language Arts:** The students will identify and use possessives.

**Writing:** The students will write procedural essays.

**Math:** The students will demonstrate and create multiplication situations in which objects are organized in equal groups.

**Science:** The students will observe, record, & compare how the physical characteristics/behaviors help animals and plants meet their basic needs.

**Social Studies:** The students will explain how work provides income to purchase goods and services. They will also identify goods and services.

Notes from the Nurse:

**Please make sure that your child brings a change of clothes in their backpack for any accidents that may occur during school hours.
Encourage student to wash hands for 20 seconds (sing birthday song twice)
Before eating
After using the restroom
After coughing or sneezing in hands
Once a week, take a peek...check your child’s head weekly for nits or lice

Classroom Updates

- Our annual volunteer breakfast will be held on April 16th at 7:30 in the front lounge
