CONSIDER APPROVAL TO SUBMIT GRANT APPLICATION TO THE OFFICE OF THE GOVERNOR OF TEXAS, CRIMINAL JUSTICE DIVISION

RECOMMENDATION:

That the Board of Trustees approve the submission of a grant application to the Office of the Governor of Texas, Criminal Justice Division.

IMPACAT/RATIONAL:

Lamar CISD students face many opportunities to avoid risky behavior. Lamar CISD regularly conducts surveys in district. A compilation of the latest survey data indicated that youth have an uncharacteristically low perception of risk associated with alcohol use when compared to their perception of risk regarding the dangers of tobacco. Alcohol continues to be the most widely used substance among secondary school students and marijuana remains to be the most commonly used illegal drug among 7-12 graders.

Monitoring these surveys focuses prevention strategies on emergent needs within identified service areas. These tools assist in obtaining a regional concept of the prevention needs and service gaps. Fort Bend Regional Council works closely with the community planning team to determine the needs of this community as related to substance abuse prevention. Clearly the proposed continuation of the Project SUCCESS program in the district will help address a service gap. It offers prevention education and counseling to the district that would not otherwise be available.

No matching funds are required. This is a one year continuation grant. No additional staff would be required to coordinate the program. Fort Bend Regional Council would be coordinating many activities of this grant.

Walter Bevers, Executive Director of Secondary Education

Recommended for approval:

Dr. Thomas Randle

Whereas, The Lamar CISD Board of Trustees finds it in the best interest of the students of Lamar CISD that the Project SUCCESS program be implemented for the 2012-13 school year; and

WHEREAS, Lamar CISD Board of Trustees agree that in the event of loss or misuse of the Criminal Justice Division funds, Lamar CISD Board of Trustees assures that the funds will be returned to the Criminal Justice Division in full.

WHEREAS, Lamar CISD Board of Trustees designated the Superintendent of Schools as the grantee’s authorized official. The authorized official is given the power to apply for, accept, reject, alter, or terminate the grant on behalf of the applicant agency.

NOW THEREFORE BE IT RESOLVED THAT Lamar CISD Board of Trustees approves submission of the grant application for Lamar CISD to the Office of the Governor, Criminal Justice Division.

CONSIDER APPROVAL OF BUDGET AMENDMENT REQUESTS

RECOMMENDATION:

That the Board of Trustees consider approval of budget amendment requests as attached.

IMPACT/RATIONALE:

The proposed amendments represent budget amendments that require school board approval because budgeted funds are being reallocated between functional categories and/or new budgets are being established.

PROGRAM DESCRIPTION:

Budget amendments are mandated by the state for budgeted funds reallocated from one functional level, and state and/or federal project to another. These budget changes are usually the result of unexpected levels of expenditures in certain categories and amendments are for legal compliance. Other budget amendments are determined by the school board.

Since the operating budget for LCISD is adopted at the functional level, budget revisions are required for reallocations between functional levels or when new budgets are being established. All necessary budget amendments must be formally adopted by the school board and recorded in the board minutes. ORDER AUTHORIZING THE ISSUANCE OF LAMAR CONSOLIDATED INDEPENDENT SCHOOL DISTRICT UNLIMITED TAX SCHOOLHOUSE AND REFUNDING BONDS, SERIES 2012A AND LAMAR CONSOLIDATED INDEPENDENT SCHOOL DISTRICT UNLIMITED TAX REFUNDING BONDS, SERIES 2012B AND SETTING CERTAIN PARAMETERS THEREFOR

RECOMMENDATION:
That the Board of Trustees approve the Order Authorizing the Issuance of Lamar Consolidated Independent School District Unlimited Tax Schoolhouse and Refunding Bonds, Series 2012A and Unlimited Tax Refunding Bonds, Series 2012B.

IMPACT/RATIONALE:
The voters of Lamar Consolidated Independent School District authorized the issuance of $249,159,215 in schoolhouse bonds in an election held November 8, 2011. Based on the requirements of the project schedule and due to historically low interest rates, administration and the District’s financial advisor recommend selling $110,000,000 of the authorization. In addition, the administration and financial advisor recommend the refunding of $43,930,000 of the District's Unlimited Tax Schoolhouse and Refunding Bonds, Series 2004 (the “Fixed Rate Bonds”) to realize approximately $5 million in present value debt service savings and refunding the District’s outstanding Variable Rate Unlimited Tax Schoolhouse Bonds, Series 2004 (the “Variable Rate Bonds”) totaling $26,565,000 to a fixed rate. At last month’s meeting, the Board of Trustees approved the underwriting team and authorized First Southwest Company to assist the District with this sale of schoolhouse and refunding bonds. Attached is a schedule of events surrounding the sale and delivery of the bonds.

A draft of the Order Authorizing the Issuance of Lamar Consolidated Independent School District Unlimited Tax Schoolhouse and Refunding Bonds, Series 2012A and Unlimited Tax Refunding Bonds, Series 2012B is attached. Within the order there are certain parameters that must be met to allow the Authorized Officer to execute the transaction. Those parameters are:

- the price to be paid for the Series 2012A Bonds and Series 2012B Bonds shall not be less than 100% of the aggregate original principal amount of the Bonds plus accrued interest thereon from their date to their delivery;
- the Series 2012A Bonds shall not bear interest at a rate greater than 5%, and the Series 2012B Bonds shall not bear interest at a rate in excess of the maximum rate allowed under Section 1204.006, Texas Government Code;
- the refunding of the Fixed Rate Bonds shall produce a net present value savings of not less than $5,000,000;
- the aggregate principal amount of the Bonds authorized to be issued for the purposes of refunding the Variable Rate Bonds shall not exceed $30,000,000, and the aggregate principal amount of the Bonds authorized to be issued for the purposes of refunding the Fixed Rate Bonds shall not exceed $50,000,000, and shall be in an amount sufficient, in combination with the net premium from the sale of the Bonds, plus other available funds of the District, if any, to provide for the refunding of those bonds selected for redemption;
- the aggregate principal amount of the Bonds authorized to be issued for the purposes authorized in the election shall not exceed $110,000,000; and
- no Series 2012A Bond shall mature later than February 15, 2045, and no Series 2012B Bond shall mature later than February 15, 2024.
A copy of the entire Preliminary Official Statement (prospectus) is included under separate cover. Mr. Terrell Palmer (First Southwest Company), Mr. Jonathan Frels (Bracewell & Giuliani LLP), and District personnel will be present at the meeting to answer questions.

PROGRAM DESCRIPTION:
It is required that the Board of Trustees approve the Order authorizing the sale of new and/or refunding bonds. The underwriting team will have the ability to assess the District’s goals, the skills to effectively market the bonds, and the ability to risk its own capital, if necessary. The underwriting team consists of underwriters, a sales force, and bankers. Underwriters set the price on the bonds, the sales force sells the bonds to the public, and the bankers ensure that the goals of the District are achieved. The Board Financial Audit Committee has reviewed the qualifications of underwriters that provide services in the area, and consulted with the District’s financial advisor. The underwriting team for this sale will include Morgan Keegan and Company, Inc., BOSC Inc., Wells Fargo Securities, RBC Capital Markets, LLC, Southwest Securities, Inc., Piper Jaffray & Co., and First Public, LLC.

WHEREAS, there are presently outstanding certain obligations of Lamar Consolidated Independent School District (the “District”), described on Schedule I attached hereto and incorporated herein by reference for all purposes (collectively, the “Refunded Bond Candidates”), which are secured by and payable from ad valorem taxes levied, assessed and collected, without legal limit as to rate or amount, on property within the District in an amount sufficient to pay principal of and interest on such bonds as they become due; and

WHEREAS, it is intended that all or a portion of the Refunded Bond Candidates shall be designated as Refunded Bonds (as hereinafter defined) in the Pricing Certificates (as hereinafter defined) and shall be refunded pursuant to this Order and the respective Pricing Certificates; and

WHEREAS, Chapter 1207, Texas Government Code, as amended (“Chapter 1207”) authorizes the District to issue refunding bonds for the purpose of refunding or defeasing the Refunded Bonds in advance of their maturities, and to accomplish such refunding or defeasance by depositing directly with a paying agent for the Refunded Bonds (or other qualified escrow agent), the proceeds of such refunding bonds, together with other available funds, in an amount sufficient to provide for the payment or redemption of the Refunded Bonds, and provides that such deposit shall constitute the making of firm banking and financial arrangements for the discharge and final payment or redemption of the Refunded Bonds; and

WHEREAS, the District desires to authorize the execution of an escrow agreement in order to provide for the deposit of proceeds of the refunding bonds and, to the extent specified pursuant hereto, other lawfully available funds of the District, to pay the redemption price of the Refunded Bonds when due; and

WHEREAS, upon the issuance of the refunding bonds herein authorized and the deposit of funds referred to above, the Refunded Bonds shall no longer be regarded as being outstanding, except for the purpose of being paid pursuant to such deposit, and the pledges, liens, trusts and all other covenants, provisions, terms and conditions of the orders authorizing the issuance of the Refunded Bonds shall be, with respect to the Refunded Bonds, discharged, terminated and defeased; and

WHEREAS, the Board of Trustees of the District hereby finds and determines that the issuance and delivery of the refunding bonds in one or more series hereinafter authorized is in
the public interest and the use of the proceeds in the manner herein specified constitutes a valid public purpose; and

WHEREAS, the Board of Trustees hereby finds and determines that the refunding of the District’s Unlimited Tax Schoolhouse and Refunding Bonds, Series 2004 as contemplated in this Order will benefit the District by providing a present value savings in the debt service payable by the District, and that such benefit is sufficient consideration for the refunding of such bonds; and

WHEREAS, the Board of Trustees of the District hereby finds and determines that the refunding of the District’s Variable Rate Unlimited Tax Schoolhouse Bonds, Series 2004 is in the best interest of the District and will allow the District to restructure its debt service payments by reducing the District’s variable rate exposure and that such benefit is sufficient consideration for the refunding of such bonds, notwithstanding that such refunding may not result in gross savings to the District; and

WHEREAS, the Board of Trustees of the District hereby finds and determines that the manner in which the refunding is being executed does not make it practicable to make the determination described by Section 1207.008(a)(2) of Chapter 1207; and

WHEREAS, the voters of the District have approved schoolhouse bonds voted pursuant to the Constitution and the laws of the state of Texas, including particularly Chapter 45 of the Texas Education Code, as amended, (“Chapter 45”) and at an election held within the District on November 8, 2011 (the “Election”); and

(e) In the event of a nonpayment of interest on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment (a “Special Record Date”) will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the District. Notice of the Special Record Date and of the special payment date of the past due interest (the “Special Payment Date,” which shall be fifteen (15) days after the Special Record Date) shall be sent at least five Business Days prior to the
Special Record Date by United States mail, first class, postage prepaid, to the address of each Owner of a Bond appearing on the books of the Paying Agent/Registrar at the close of business on the last Business Day next preceding the date of mailing of such notice.

(f) Unclaimed Payments shall be segregated in a special account and held in trust, uninvested by the Paying Agent/Registrar, for the account of the Owner of the Bonds to which the Unclaimed Payments pertain. Subject to Title 6, Texas Property Code, Unclaimed Payments remaining unclaimed by the Owners entitled thereto for three (3) years after the applicable payment or redemption date shall be applied to the next payment or payments on the Bonds thereafter coming due and, to the extent any such money remains after the retirement of all outstanding Bonds, shall be paid to the District to be used for any lawful purpose. Thereafter, neither the District, the Paying Agent/Registrar nor any other person shall be liable or responsible to any holders of such Bonds for any further payment of such unclaimed moneys or on account of any such Bonds, subject to Title 6, Texas Property Code.

Section 3.04 Execution and Registration of Bonds. (a) The Bonds shall be executed on behalf of the District by the President or Vice President and the Secretary of the Board, by their manual or facsimile signatures, and the official seal of the District shall be impressed or placed in facsimile thereon. Such facsimile signatures on the Bonds shall have the same effect as if each of the Bonds had been signed manually and in person by each of said officers, and such facsimile seal on the Bonds shall have the same effect as if the official seal of the District had been manually impressed upon each of the Bonds.

(b) In the event that any officer of the District whose manual or facsimile signature appears on the Bonds ceases to be such officer before the authentication of such Bonds or before the delivery thereof, such facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in such office.

(c) Except as provided below, no Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Order unless and until there appears thereon the Certificate of Paying Agent/Registrar substantially in the form provided herein, duly authenticated by manual execution by an officer or duly authorized signatory of the Paying Agent/Registrar. It shall not be required that the same officer or authorized signatory of the Paying Agent/Registrar sign the Certificate of Paying Agent/Registrar on all of the Bonds. In lieu of the executed Certificate of Paying Agent/Registrar described above, the Initial Bonds delivered at the Closing Date shall have attached thereto the Comptroller’s Registration Certificate substantially in the form provided herein, manually executed by the Comptroller of Public Accounts of the State of Texas, or by her duly authorized agent, which certificate shall be evidence that the Initial Bonds have been duly approved by the Attorney General of the State of Texas and that they are valid and binding obligations of the District, and have been registered by the Comptroller of Public Accounts of the State of Texas.

(d) On the Closing Date, the Initial Bonds, being (i) a single Initial Current Interest Bond for each series of Bonds representing the entire principal amount of the Current Interest Bonds for such series of Bonds designated in the Pricing Certificate and (ii) a single Initial Capital Appreciation Bond for each series of Bonds representing the aggregate Maturity Amount of the Capital Appreciation Bonds for such series of Bonds designated in the Pricing Certificate,
each such Initial Bond to be payable in stated installments to the Representative or its designee, to be executed by manual or facsimile signatures of the President or Vice President and Secretary of the Board, approved by the Attorney General, and registered and manually signed by the Comptroller of Public Accounts, with the Closing will be delivered to the Representative or its designee. Upon payment for the Initial Bonds, the Paying Agent/Registrar shall cancel the Initial Bonds and deliver registered definitive Bonds to DTC in accordance with Section 3.09. To the extent the Paying Agent/Registrar is eligible to participate in DTC’s FAST System, as evidenced by an agreement between the Paying Agent/Registrar and DTC, the Paying Agent/Registrar shall hold the definitive Bonds in safekeeping for DTC.

Section 3.05 Ownership. (a) The District, the Paying Agent/Registrar and any other person may treat the Owner as the absolute owner of such Bond for the purpose of making and receiving payment of the principal or Maturity Amount thereof, as applicable, for the further purpose of making and receiving payment of the interest thereon (subject to the provision herein that for the Current Interest Bonds interest is to be paid to the person in whose name the Current Interest Bond is registered on the Record Date or Special Record Date, as applicable), and for all other purposes, whether or not such Bond is overdue, and neither the District nor the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the Owner of a Bond shall be valid and effectual and shall discharge the liability of the District and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

Section 3.06 Registration, Transfer and Exchange. (a) So long as any Bonds remain outstanding, the District shall cause the Paying Agent/Registrar to keep at its Designated Payment/Transfer Office the Register in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with this Order.

(b) The ownership of a Bond may be transferred only upon the presentation and surrender of the Bond to the Paying Agent/Registrar at the Designated Payment/Transfer Office with such endorsement or other instrument of transfer and assignment acceptable to the Paying Agent/Registrar. No transfer of any Bond shall be effective until entered in the Register.

(c) The Bonds shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office for a Bond or Bonds of the same maturity and interest rate and in any denomination or denominations of any integral multiple of $5,000 and in an aggregate principal amount (with respect to Current Interest Bonds) or Maturity Amount (with respect to Capital Appreciation Bonds) equal to the unpaid principal amount or Maturity Amount, as applicable, of the Bonds presented for exchange.

(d) The Paying Agent/Registrar is hereby authorized to authenticate and deliver Bonds transferred or exchanged in accordance with this Section. A new Bond or Bonds will be delivered by the Paying Agent/Registrar, in lieu of the Bond being transferred or exchanged, at the Designated Payment/Transfer, or sent by United States mail, first class, postage prepaid, to the Owner or his designee. Each Bond delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the District and shall be
entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such Bond is delivered.

(e) No service charge shall be made to the Owner for the initial registration, any subsequent transfer, or exchange for a different denomination of any of the Bonds. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer or exchange of a Bond.

(f) Neither the District nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption within forty-five (45) days of the date fixed for redemption; provided, however, such limitation of transfer shall not be applicable to an exchange by the registered owner of the uncalled balance of a Bond.

Section 3.07 Cancellation. All Bonds paid or redeemed before Stated Maturity in accordance with this Order, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Order, shall be cancelled upon the making of proper records regarding such payment, exchange or replacement. The Paying Agent/Registrar shall dispose of such cancelled Bonds in the manner required by the Securities Exchange Act of 1934, as amended.

Section 3.08 Replacement Bonds. (a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Paying Agent/Registrar shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount (with respect to the Current Interest Bonds) or Maturity Amount (with respect to Capital Appreciation Bonds) bearing a number not contemporaneously outstanding. The District or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Paying Agent/Registrar, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount and bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the District to save them harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and
satisfies any other reasonable requirements imposed by the District and the Paying Agent/Registrar.

(c) If, after the delivery of such replacement Bond, a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the District and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the District or the Paying Agent/Registrar in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the District and shall be entitled to the benefits and security of this Order to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.09 Book–Entry Only System. (a) To the extent so designated in the Pricing Certificate, the definitive Bonds shall be initially issued in the form of a fully registered Bond for each of the maturities thereof. Upon initial issuance, the ownership of each such Bond shall be registered in the name of Cede & Co., as nominee of DTC, and except as provided in Section 3.10 hereof, all of the outstanding Bonds shall be registered in the name of Cede & Co., as nominee of DTC.

(b) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the District and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds, except as provided in this Order. Without limiting the immediately preceding sentence, the District and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than an Owner, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than an Owner, of any amount with respect to Debt Service. Notwithstanding any other provision of this Order to the contrary, the District and the Paying Agent/Registrar shall be entitled to treat and consider the person in whose name each Bond is registered in the Register as the absolute Owner of such Bonds for the purpose of payment of Debt Service on the Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all Debt Service only to or upon the order of the respective Owners, as provided in this Order, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District’s obligations with respect to payment of, Debt Service to the extent of the sum or sums so paid.
No person other than an Owner, shall receive a Bond certificate evidencing the obligation of the District to make payments of amounts due pursuant to this Order. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Order with respect to interest checks being mailed to the registered Owner at the close of business on the Record Date, the word “Cede & Co.” in this Order shall refer to such new nominee of DTC.

(c) The blanket Representation Letter previously executed and delivered by the District and applicable to the District’s obligations delivered in book-entry-only form to DTC as securities depository is hereby ratified and approved for the Bonds.

Section 3.10 Successor Securities Depository; Transfer Outside Book–Entry Only System. In the event that the District or the Paying Agent/Registrar determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, and that it is in the best interest of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, or in the event DTC discontinues the services described herein, the District or the Paying Agent/Registrar shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants, as identified by DTC, of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository or (ii) notify DTC and DTC Participants, as identified by DTC, of the availability through DTC of Bonds and transfer one or more separate Bonds to DTC Participants having Bonds credited to their DTC accounts, as identified by DTC. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, as applicable, in accordance with the provisions of this Order.

Section 3.11 Payments to Cede & Co. Notwithstanding any other provision of this Order to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments of Debt Service on such Bonds, and all notices with respect to such Bonds, shall be made and given, respectively, in the manner provided in the Representation Letter.

(b) If the District fails to make provision for payment of all sums due on a redemption date, then any Bond or portion thereof called for redemption shall continue to bear interest at the rate stated on the Bond until due provision is made for the payment of same.

Section 8.03 Federal Income Tax Exclusion.

(a) General. The District intends that the interest on the Bonds will be excludable from gross income for federal income tax purposes pursuant to sections 103 and 141 through 150 of the Internal Revenue Code of 1986, as amended (the “Code”), and the applicable Income Tax Regulations promulgated thereunder (the “Regulations”). In particular, the District covenants and agrees to comply with each requirement of this Section 8.03; provided, however, that the District will not be required to comply with any particular requirement of this Section 8.03 if the District has received an opinion of nationally recognized bond counsel (“Counsel’s Opinion”) that (i) such noncompliance will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds or (ii) compliance with some other requirement set forth in this Section 8.03 will satisfy the applicable requirements of the Code and the Regulations, in which case compliance with such other requirement specified in such Counsel’s Opinion will constitute compliance with the corresponding requirement specified in this Section 8.03.

The District covenants and agrees that it will make such use of the proceeds of the Bonds including interest or other investment income derived from Bond proceeds, regulate the use of property financed or refinanced, directly or indirectly, with such proceeds, and take such other and further action as may be required so that the Bonds will not be “private activity bonds” within the meaning of section 141 of the Code and the Regulations. The District will certify, through an authorized officer, employee or agent that based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, that the proceeds of the Bonds will not be
used, in a manner that would cause the Bonds to be “private activity bonds” within the meaning of section 141 of the Code and the Regulations promulgated thereunder.

(c) **No Federal Guarantee.** The District covenants and agrees not to take any action, or knowingly omit to take any action within its control, that, if taken or omitted, respectively, would cause the Bonds to be “federally guaranteed” within the meaning of section 149(b) of the Code and the Regulations, except as permitted by section 149(b)(3) of the Code and such Regulations.

(d) **No Hedge Bonds.** The District covenants and agrees that it has not and will not take any action, and has not knowingly omitted and will not knowingly omit to take any action, within its control, that, if taken or omitted, respectively, would cause the Bonds to be “hedge bonds” within the meaning of section 149(g) of the Code and the Regulations.

(e) **No Arbitrage.** The District covenants and agrees that it will make such use of the proceeds of the Bonds including interest or other investment income derived from Bond proceeds, regulate investments of proceeds of the Bonds, and take such other and further action as may be required so that the Bonds will not be “arbitrage bonds” within the meaning of section 148(a) of the Code and the Regulations. The District will certify, through an authorized officer, employee or agent that based upon all facts and estimates known or reasonably expected to be in existence on the date the Bonds are delivered, that the proceeds of the Bonds will not be used in a manner that would cause the Bonds to be “arbitrage bonds” within the meaning of section 148(a) of the Code and the Regulations.

(f) **Arbitrage Rebate.** If the District does not qualify for an exception to the requirements of section 148(f) of the Code relating to the required rebate to the United States, the District will take all necessary steps to comply with the requirement that certain amounts earned by the District on the investment of the “gross proceeds” of the Bonds (within the meaning of section 148(f)(6)(B) of the Code), be rebated to the federal government. Specifically, the District will (i) maintain records regarding the investment of the gross proceeds of the Bonds as may be required to calculate the amount earned on the investment of the gross proceeds of the Bonds separately from records of amounts on deposit in the funds and accounts of the District allocable to other bond issues of the District or moneys that do not represent gross proceeds of any bonds of the District, (ii) calculate at such times as are required by the Regulations, the amount earned from the investment of the gross proceeds of the Bonds which is required to be rebated to the federal government, and (iii) pay, not less often than every fifth anniversary date of the delivery of the Bonds or on such other dates as may be permitted under the Regulations, all amounts required to be rebated to the federal government. Further, the District will not indirectly pay any amount otherwise payable to the federal government pursuant to the foregoing requirements to any person other than the federal government by entering into any investment arrangement with respect to the gross proceeds of the Bonds that might result in a reduction in the amount required to be paid to the federal government because such arrangement results in a smaller profit or a larger loss than would have resulted if the arrangement had been at arm’s length and had the yield on the issue not been relevant to either party.

(g) **Information Reporting.** The District covenants and agrees to file or cause to be filed with the Secretary of the Treasury, not later than the 15th day of the second calendar month...
after the close of the calendar quarter in which the Bonds are issued, an information statement concerning the Bonds, all under and in accordance with section 149(e) of the Code and the Regulations.

(h) Record Retention. The District will retain all pertinent and material records relating to the use and expenditure of the proceeds of the Bonds until three years after the last Bond is redeemed, or such shorter period as authorized by subsequent guidance issued by the Department of Treasury, if applicable. All records will be kept in a manner that ensures their complete access throughout the retention period. For this purpose, it is acceptable that such records are kept either as hardcopy books and records or in an electronic storage and retrieval system, provided that such electronic system includes reasonable controls and quality assurance programs that assure the ability of the District to retrieve and reproduce such books and records in the event of an examination of the Bonds by the Internal Revenue Service.

(i) Registration. The Bonds will be issued in registered form.

(j) Continuing Obligation. Notwithstanding any other provision of this Order, the District’s obligations under the covenants and provisions of this Section 8.03 will survive the defeasance and discharge of the Bonds for as long as such matters are relevant to the exclusion from gross income for federal income tax purposes of interest on the Bonds.

ARTICLE IX

DISCHARGE

Section 9.01 Discharge. The District reserves the right to defease, refund or discharge the Bonds in any manner now or hereafter permitted by law.

ARTICLE X

SUBSCRIPTION FOR SECURITIES; APPROVAL OF ESCROW AGREEMENT; PAYMENT OF REFUNDED BONDS

Section 10.01 Subscription for Securities. The Authorized Officer is authorized to make necessary arrangements for and to execute such documents and agreements in connection with the purchase of the Escrow Securities required by and referenced in the Escrow Agreement, if any, as may be necessary for the Escrow Fund and the application for the acquisition of the Escrow Securities is hereby approved and ratified.

Section 10.02 Appointment of Escrow Agent; Approval of Escrow Agreement; Deposit with Paying Agent for Refunded Bonds. The Bank of New York Mellon Trust Company, N.A. is hereby appointed as the Escrow Agent for the Series 2012A Bonds and Series 2012B Bonds. The Authorized Officer is hereby authorized to select and appoint the Escrow Agent for any other series or subseries of bonds as designated in the Pricing Certificate. The Authorized Officer is hereby authorized to execute and deliver, or cause the execution and delivery by the President and Secretary of the Board, one or more Escrow Agreements, having such terms and provisions as are approved by the Authorized Officer as evidenced by his execution thereof or the execution thereof by other appropriate District officials. Alternatively,
the Authorized Officer may elect to deposit directly with the paying agent for the Refunded Bonds the proceeds of the Bonds, together with other available funds, in an amount sufficient to provide for the payment or redemption of the Refunded Bonds.

Section 10.03 Payment of Refunded Bonds; Redemption of Refunded Bonds. Following the deposit to the Escrow Fund or with the paying agent for the Refunded Bonds as herein specified, the Refunded Bonds shall be payable solely from and secured by the cash and securities on deposit in the Escrow Fund or such other fund held by the paying agent for the Refunded Bonds for the purpose of refunding the Refunded Bonds and shall cease to be payable from ad valorem taxes. The Secretary of the Board is hereby authorized and directed to cause to be delivered to the paying agent/registrar for the Refunded Bonds a certified copy of this Order calling the Refunded Bonds for redemption and a copy of the Pricing Certificate. The delivery of this Order and the Pricing Certificate to the paying agent for the Refunded Bonds shall constitute the giving of notice of redemption to the paying agent for the Refunded Bonds and such paying agent is hereby authorized and directed to give notice of redemption to the owners of the Refunded Bonds in accordance with the requirements of the order(s) authorizing the issuance thereof.

ARTICLE XI

PERMANENT SCHOOL FUND GUARANTEE

Section 11.01 Permanent School Fund Guarantee. The District will apply for and expects to receive approval from the Texas Commissioner of Education (the “Commissioner”) for payment of the principal of and interest on the Bonds to be guaranteed by the Permanent School Fund of the State of Texas, subject to compliance with the Texas Education Agency’s rules and regulations. account any amendments or interpretations of the Rule to the date of such amendment, as well as
such changed circumstances, and (2) either (A) the Owners of a majority in aggregate principal

The District has reserved the option to redeem the Bonds maturing on and after __________, in whole or in part before their respective scheduled maturity dates, on __________, or on any date thereafter, at a redemption price equal to the principal amount thereof plus accrued interest to the date of redemption. If less than all of the Bonds are to be redeemed, the District shall determine the maturity or maturities and the amounts thereof to be redeemed and shall direct the Paying Agent/Registrar to call by lot or other method that results in random selection the Bonds, or portions thereof, within such maturity and in such principal amounts, for redemption.

[Bonds maturing on __________ (the “Term Bonds”) are subject to mandatory sinking fund redemption prior to their scheduled maturity, and will be redeemed by the District, in part at a redemption price equal to the principal amount thereof, without premium, plus interest accrued to the redemption date, on the dates and in the principal amounts shown in the following schedule:

<table>
<thead>
<tr>

The Paying Agent/Registrar will select by lot or by any other customary method that results in a random selection the specific Term Bonds (or with respect to Term Bonds having a denomination in excess of $5,000, each $5,000 portion thereof) to be redeemed by mandatory redemption. The principal amount of Term Bonds required to be redeemed on any redemption date pursuant to the foregoing mandatory sinking fund redemption provisions hereof shall be reduced, at the option of the District, by the principal amount of any Term Bonds which, at least forty-five (45) days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the District at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Not less than thirty (30) days prior to a redemption date for the Bonds, the District shall cause a notice of redemption to be sent by United States mail, first class, postage prepaid, to the Owners of the Bonds to be redeemed at the address of the Owner appearing on the registration books of the Paying Agent/Registrar at the close of business on the business day next preceding the date of mailing such notice.

In the Order, the District reserves the right, in the case of an optional redemption, to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the

redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the District retains the right to rescind such notice at any time on or prior to the scheduled redemption date if the District delivers a certificate of the District to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice, and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption and such redemption has been rescinded shall remain Outstanding. Any notice so mailed shall be conclusively presumed to have been duly given, whether or not the registered owner receives such notice. Notice having been so given and subject, in the case of an optional redemption, to any rights or conditions reserved by the District in the notice, the Bonds called for redemption shall become due and payable on the specified redemption date, and notwithstanding that any Bond or portion thereof has not been surrendered for payment, interest on such Bonds or portions thereof shall cease to accrue.

As provided in the Order, and subject to certain limitations therein set forth, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar; thereupon, one or more new fully registered Bonds of the same stated maturity, of authorized denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees. Neither the District nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within forty-five (45) calendar days after the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The District, the Paying Agent/Registrar, and any other person may treat the person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the person in whose name this Bond is registered on the Record Date) and for all other purposes, whether or not this Bond be overdue, and neither the District nor the Paying Agent/Registrar shall be affected by notice to the contrary.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; that sufficient and proper provision for the levy and collection of taxes has been made, without limit as to rate or amount, which when collected shall be appropriated exclusively to the timely payment of the principal of and interest on the Bonds; and that the total indebtedness of the District, including the Bonds, does not exceed any constitutional or statutory limitation.
IN WITNESS WHEREOF, the District has caused this Bond to be duly executed under its official seal in accordance with law.

CONSIDER APPROVAL OF MAINTENANCE AND OPERATIONS SUPPLIES

RECOMMENDATION:

That the Board of Trustees approve all vendors who responded to the maintenance and operations supplies bid for a term of one year with an option to renew for two additional one year terms.

IMPACT/RATIONALE:

Purchases for Maintenance and Operation Supplies are allocated for each campus or department’s local, federal grant, or bond funds by Maintenance and Operations. Any large aggregated purchases of maintenance and supplies will be quoted separately to take advantage of volume discounts.

PROGRAM DESCRIPTION:

The intent of Bid #01-2012 is to establish a discount from catalog or published price lists for a variety of maintenance and operations supply categories. The categories included in this bid are:

- Electrical Supplies
- Floor and/or Window Covering
- Landscaping & Grounds Supplies
- Plumbing Supplies
- Miscellaneous Supplies
- Equipment Supplies
- General Use Tools
- Painting Supplies
- Roofing & Fence Supplies

Using this bid, the maintenance and operation departments may competitively purchase a wide variety of equipment and supplies when exact quantities cannot be specified or anticipated in advance. Purchasing is recommending an award to all vendors who submitted a completed bid package regardless of discount.

CONSIDER APPROVAL OF EXTENSION OF THE CURRENT PROPERTY INSURANCE COVERAGE RENEWAL

RECOMMENDATION:
That the Board of Trustees approve an extension of the current property insurance renewal policy period from September 1, 2012 to March 1, 2013 with no increase in rates. The current premium for twelve months is $1,227,272.

IMPACT AND RATIONALE:
Lamar CISD’s current property insurance renews September 1, 2012. Market conditions have not changed since the 2011 renewal. It is recommended that the renewal date be changed to March 1, 2013:

a. to extend the marketing period away from the hurricane season,
b. to move the renewal date to a time where there is not so much competition with other districts for underwriters’ attention (40% of all districts renew September 1).

Lexington currently provides the first $25,000,000 limit of Named Storm insurance. Current market renewals are only providing $10,000,000 limit of Named Storm insurance with several additional insurance companies needed to obtain the same coverage of $25,000,000.

PROGRAM DESCRIPTION:
During the Financial Audit Committee Meeting on August 16, 2011, an eighteen month renewal was discussed because of property insurance market conditions, specifically the insurance industry’s newly required wind modeling tool. Because of this new wind modeling tool, LCISD’s 250 year Probable Maximum Loss rose from $32,000,000 to $110,000,000 which would possibly result in a significant increase in premium if the District were to solicit bids. By locking in the current premium rate with our current insurance underwriter until March 2013, LCISD becomes insulated from premium rate increases that are the result of other property owners’ claims. Our underwriter has agreed to hold our rate constant unless our loss ratio deteriorates, regardless of other global or macro-economic events.

CONSIDER APPROVAL OF 4-H ADJUNCT STAFF

RECOMMENDATION:

That the Board of Trustees approve the resolution for extracurricular status of 4-H organization.

IMPACT/RATIONALE:

The State Board of Education passed an amendment to 19 TAC§129.21 (k)(1). Requirements for Student Attendance Accounting for State Funding Purposes allows public school students to be considered "in attendance" when participating in off-campus activities with an adjunct staff member of the school district: Section 3 of the Student Attendance Handbook states:

(4-12) The student is participating in an activity which is approved by the local board and is under the direction of a professional staff member of the school district or an adjunct staff member. This adjunct staff member must have a minimum of a bachelor's degree and be eligible for participation in the Teacher Retirement System of Texas.

(4-13) Student participating in any activity which is not approved by the local school board and/or without certified district personnel supervision are counted absent [see 4-12]. To qualify for funding purposes, the certified district staff member/adjunct staff member must be accompanying the students as an official of the school district for the specific purpose of supervising the students and must be approved by the school board to supervise the activity. For example, students participating in 4-H activities which are supervised solely by a county Extension agent are reported present.

This amendment provides local school boards the opportunity to recognize county Extension Agents as adjunct staff members and to count students participating in 4-H/Extension educational activities "in attendance" for Foundation School Program purposes.

Fort Bend County requests adjunct staff member status for the county Extension Agents for the school year 2011-2012. The following faculty are eligible for participation in the Teacher Retirement System of Texas and have a minimum of a bachelor's degree:

Vince Mannino
Dwight Callis
Allen Malone
Sandy Fry
Tim Sandles

CONTINUANCE OF EXISTING RESOLUTION REGARDING EXTRACURRICULAR STATUS OF 4-H ORGANIZATION

Lamar Consolidated ISD has continuously adopted resolutions recognizing the Fort Bend County 4-H Organization as approved for recognition and eligible for extracurricular status consideration under Title 19, Texas Administrative Code, Chapter 76.1, pertaining to extracurricular activities. The last resolution was adopted in 1994. Participation by 4-H members under provisions of this resolution are subject to all rules and regulations set forth under the 19 Texas Administrative Code as interpreted by the board through the designated officials of Lamar Consolidated ISD whose rulings shall be final.

This resolution shall be continuous unless and upon written notice by the Board or their designee that the resolution is withdrawn, or the law changes.

Adjunct faculty status is granted to all members of the current county extension faculty, who meet the eligibility requirements for participation in the Teacher Retirement System of Texas and have a minimum of a bachelor's degree. The county extension staff will annually provide a current list of adjunct faculty to the appropriate principal on or before request of completion of Declaration of Eligibility Forms. If the faculty changes, the list shall be edited by the county extension staff and forwarded to the appropriate principal(s). Adjunct faculty status is subject to the following conditions and provisions of such appointment, to wit:

1. Adjunct faculty member will receive no compensation, salary, or remuneration from Lamar Consolidated ISD.

2. Adjunct faculty member is and shall remain an employee, in good standing, of the Texas AgriLife Extension Service.

3. Adjunct faculty member shall be under the direction of either the District Extension Administrator, Extension District, or Vince Mannino, County Extension Director.

4. Adjunct faculty member shall receive all group insurance benefits, workman's compensation insurance benefits, unemployment insurance, and any and all other plans for the benefit of Texas AgriLife Extension Service employees. District shall have no responsibility for any of such benefits or plans.

Adjunct faculty members shall direct the activities and participation of students of the school district in sponsored and approved activities as designated from time to time by adjunct faculty member for which notice shall be given to School District administrative personnel. Adjunct faculty member is not the employee of the School District, and school District does not nor shall not supervise, direct, or control the activities and/or participation of such Fort Bend County Extension Agent(s) who has/have been herein designated as an adjunct faculty member.

This continuance of existing resolution is made by Lamar Consolidated Independent School District by and through the action of the Board of Trustees of said District for the benefit of allowing voluntary student participation in programs conducted by Texas AgriLife Extension Service in recognition of the educational benefits arising from such participation and activities and/or directed by Texas AgriLife Extension Service. This resolution is made in accordance with the provisions of Section 12921 (k)(1) of the Texas Administrative Code authorizing the school to deem such participating students in attendance for Foundation School Program purposes.

This resolution and subsequent identification of Adjunct faculty staff shall not be construed as a waiver of any claim or defense of sovereign or governmental immunity from liability now possessed by Lamar Consolidated Independent School District or any of its employees, agents, officers, and/or board members in the performance of governmental functions.
RESOLUTION
regarding
EXTRACURRICULAR STATUS OF 4-H ORGANIZATION

Be it hereby resolved that upon this date, the duly elected Board of Trustees of the Lamar Consolidated Independent School District meeting in public with a quorum present and certified, did adopt this resolution that recognizes Fort Bend County Texas 4-H Organization as approved for recognition and eligible for extracurricular status consideration under 19 Texas Administrative Code, Chapter 76.1, pertaining to extracurricular activities.

Participation by 4-H members under provisions of this resolution are subject to all rules and regulations set forth under 19 Texas Administrative Code as interpreted by this Board and designated officials of this school district whose rules shall be final.

Approved this 14th day of February, 2012.

CONSIDER APPROVAL OF MEMORANDUM OF UNDERSTANDING WITH FORT BEND COUNTY

RECOMMENDATION:

That the Board of Trustees approve the Memorandum of Understanding between Lamar Consolidated Independent School District and Fort Bend County.

IMPACT/RATIOINALE:

Lamar CISD is in support of a single centralized court for handling of all compulsory attendance cases in Fort Bend County. This measure would provide the county the ability to establish and appoint an associate judge to process all Fort Bend County compulsory attendance cases in a consistent and timely fashion.

Fort Bend County officials are keenly aware of the direct link between compulsory attendance and juvenile delinquency. Lamar CISD has benefitted greatly from the partnership with the courts, the District Attorney’s Office, and Juvenile Probation Department in creating productive and successful students throughout our community. Lamar CISD looks forward to continued involvement in this process and supportive effort ensuring all our students will be successful.

Fort Bend Juvenile Probation Department has shown great vision and County Judge Hebert providing leadership in developing this concept to assure student success.

CONSIDER APPROVAL OF REQUEST FOR PROPOSAL #06-2012 VIDEO CONFERENCING AND STREAMING

RECOMMENDATION:

That the Board of Trustees approve the purchase of videoconferencing infrastructure from One Vision Solutions, videoconferencing endpoints from SKC, and streaming equipment from Data Projections, and authorize the Superintendent to negotiate contracts.

IMPACT/RATIONALE:

By approving this proposal, the district satisfies Federal E-Rate requirements permitting the district to request rebates for the purchase of videoconference and video streaming equipment for the district. Funding will be provided through proceeds allocated for technology in the 2006 and 2011 Bond. This proposal meets the districts strategic objectives to provide videoconference and video streaming services to our schools and support sites.

PROGRAM DESCRIPTION:

The district will replace obsolete videoconferencing endpoints, Multipoint Control Unit (MCU), firewall transversal, and VBrick encoders/decoders currently being used by schools for delivery of video content to classrooms and network connected computers. One Vision was selected to provide the firewall transversal and MCU. Data Projections was selected to provide the VBrick equipment and SKC was selected to provide videoconferencing endpoints. Total estimated costs for this project are $745,957. As a part of the Schools and Libraries Division (SLD) of the Universal Service Administration Company (USAC) E-Rate program, the district may be eligible to receive up to a 90% discount on this equipment.

INFORMATION ITEM: BOARD POLICIES FOR FIRST READING

Local policies are customized to provide a procedure or guidelines to enforce the legal policies and district guidelines.

LOCALIZED POLICY

UPDATE 91
REVISED

OTHER REVENUES
INVESTMENTS

POLICY
It is the policy of the District to invest public funds in a manner that ensures the safety of invested funds, maintains sufficient liquidity to provide for the daily needs of the District, and achieves maximum yield in relation to the risk assumed. Safety of invested principal, however, remains highest in priority.

INVESTMENT AUTHORITY
The chief financial officer, the budget and treasury officer, and the director of finance shall serve as the investment officers of the District and shall invest District funds as directed by the Board and in accordance with the District's written investment policy and generally accepted accounting procedures.

SCOPE
This investment policy applies to all financial assets of the District. These funds are accounted for in the District's comprehensive annual financial report and include:

GENERAL FUND
The general fund usually includes transactions as a result of revenues from local maintenance taxes, Foundation School Program entitlements, and other locally generated sources.

SPECIAL REVENUE FUNDS
Special revenue funds are governmental funds used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes.

DEBT SERVICE FUNDS
A debt service fund is a governmental fund, with budgetary control, that must be used to account for general long-term debt principal and interest for debt issues and other long-term debts for which a tax has been dedicated.

CAPITAL PROJECTS FUNDS
A capital projects fund is a governmental fund that must be used to account, on a project basis, for projects financed by the proceeds from bond issues, or for capital projects otherwise mandated to be accounted for in this fund.

INTERNAL SERVICE FUNDS
Internal service funds are proprietary funds accounted for on the accrual basis.

TRUST AND AGENCY FUNDS
This group of funds is used to account for assets held by a school district in a trustee capacity of the District, or as an agent for individuals, private organizations, other governmental units and/or other funds. This fund type consists of expendable trust funds, non-expendable trust funds, pension trust funds and agency funds.

TEXAS TEACHER RETIREMENT FUND
The Texas Teacher Retirement Fund shall not be covered by this policy.

All employees of the District employed for one-half or more of the standard work load, and who are not exempted from membership under Government Code, Section 822.002, are required to participate in the Teacher Retirement System of Texas, a multiple-
employer public employee retirement system. It is a cost-sharing public employee retirement system with one exception—all risks and costs are not shared by the District, but are the liability of the state of Texas, and as such, all investments are maintained by the Teacher Retirement System.

The primary objectives, in priority order, of investment activities shall be safety, liquidity, and yield:

1. Safety of principal is the foremost objective of the investment program. Investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. The objective will be to mitigate credit risk and interest rate risk.

   a. The District will minimize credit risk, which is the risk of loss due to the failure of the security issuer or backer, by:

      (1) Limiting investments to the types of securities listed in this investment policy;

      (2) Pre-qualifying the financial institutions, brokers/dealers, and advisors with which the District will do business in accordance with this policy; and

      (3) Diversifying the investment portfolio so that the impact of potential losses from any one type of security or from any one individual issuer will be minimized.

   b. To reduce exposure to changes in interest rates that could adversely affect the value of investments, the District shall use final and weighted-average-maturity limits and diversification.

      The District shall monitor interest rate risk using weighted average maturity and specific identification.

2. The investment portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated. This is accomplished by structuring the portfolio so that securities mature concurrent with cash needs to meet anticipated demands (static liquidity). Furthermore, since all possible cash demands cannot be anticipated, the portfolio should consist largely of securities with active secondary or resale markets (dynamic liquidity). Alternatively, a portion of the portfolio may be placed in money market mutual funds or local government investment pools that offer same-day liquidity for short-term funds.
3. The investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account the investment risk constraints and liquidity needs. Return on investment is of secondary importance compared to the safety and liquidity objectives described above. The core of investments are limited to relatively low risk securities in anticipation of earning a fair return relative to the risk being assumed. Securities shall generally be held until maturity with the following exceptions:

a. A security with declining credit may be sold early to minimize loss of principal.

b. A security swap would improve the quality, yield, or target duration in the portfolio.

c. Liquidity needs of the portfolio require that the security be sold.

Appropriate investment strategies shall be developed by fund category. The strategies must define the investment objectives for each fund type, with priority consideration being given to the suitability of the investment for the type of funds being invested, the preservation and safety of principal, liquidity, marketability, diversification, and yield. Investments shall be made in accordance with these objectives, and the maximum allowable stated maturity for any individual security may exceed one year provided legal limits are not exceeded.

The District shall have a similar investment strategy for each of the following covered funds:

1. General fund.

2. Special revenue fund(s)—including funds used to account for federal, state, and local grants, as well as the food service fund and the campus activity fund.

3. Debt service fund(s).

4. Capital project fund(s).

5. Proprietary fund(s)—including the funds used to account for the workers' compensation and medical self-insurance programs.

6. Trust and agency funds—including the student activity fund.

The District shall follow the investment strategies listed below (in order of importance) for each covered fund:
1. Each investment option shall be reviewed to ensure understanding of the suitability of the investment to the financial requirements of the District;

2. Investments shall be selected that provide preservation and safety of invested funds;

3. Investment strategies for all covered funds shall have as their objective sufficient investment liquidity to timely meet obligations. Maturities longer than one year are authorized provided legal limits are not exceeded;

4. The investment shall be marketable if the need arises to liquidate invested funds before maturity;

5. The investment type shall be consistent with the Board’s desired diversification of the investment portfolio; and

6. All invested funds of the District shall attain a rate of return commensurate with the District’s investment risk constraints and the cash flow characteristics of the portfolio.

The District shall diversify its investments in all funds by security type and institution. The District shall consider purchase of high quality short-term to medium-term securities that will complement each other in a laddered or liability-matching portfolio structure.

Investments shall be made with judgment and care—under circumstances then prevailing which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived.

The standard of prudence to be used by investment officials shall be the “prudent person” standard and shall be applied in the context of managing an overall portfolio. Investment officers acting in accordance with written procedures and the investment policy and exercising due diligence shall be relieved of personal responsibility for an individual security’s credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and appropriate action is taken to control adverse developments.

In determining whether an investment official has exercised prudence with respect to an investment decision, the determination shall be made taking into consideration the investment of all funds over which the official had responsibility rather than consideration as to the prudence of a single investment and, whether the investment decision was consistent with the District’s investment policy and written investment procedures.
Officers and employees involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could impair their ability to make impartial investment decisions.

Officers and employees involved in the investment process shall sign annual statements agreeing to abide by this section of the investment policy and affirming no known conflicts of interest.

An officer or employee involved in the investment process has a personal business relationship with a business organization if:

1. The officer or employee owns ten percent or more of the voting stock or shares of the business organization or owns $5,000 or more of the fair market value of the business organization;

2. Funds received by the officer or employee from the business organization exceed ten percent of his/her gross income for the previous year;

3. The officer or employee has acquired from the business organization during the previous year investments with a book value of $2,500 or more for his/her personal account; or

4. The officer is related within the second degree by affinity or consanguinity, as determined under Chapter 573 of the Texas Government Code, to an individual seeking to transact investment business with the entity.

If the investment officer has a personal business relationship with a business organization, a disclosure statement must be filed with the Texas Ethics Commission.

From those investments authorized by law and described in CDA(LEGAL), the Board shall permit investment of District funds in the following investment types only, consistent with the strategies and maturities defined in this policy:

1. Obligations of the United States or its agencies and instrumentalities; direct obligations of the state of Texas or its agencies; other obligations, the principal and interest of which are unconditionally guaranteed or insured by, or backed by the full faith and credit of the state of Texas, the United States, or its instrumentalities; obligations of states, agencies, counties, cities, and other political subdivisions of any state rated as to investment quality by a nationally recognized investment rating firm not less than A or its equivalent. Gov't Code 2256.009
2. Certificates of deposit issued by a state or national bank doing business domiciled in Texas, or a savings and loan association domiciled in Texas that is guaranteed or insured by the FDIC or its successor and is secured by obligations described in item 1 above, including mortgage-backed securities directly issued by a federal agency or instrumentality that have a market value of not less than the principal amount of the certificates or are secured in any other manner and amount provided by law for the deposits of the investment entity. Gov't Code 2256.010

In addition, certificates of deposit obtained through a depository institution that has its main office or a branch office in Texas and that contractually agrees to place the funds in federally insured depository institutions in accordance with conditions prescribed in Gov't Code 2256.010(b).

3. Fully collateralized repurchase agreements that have a defined termination date, are secured by obligations of the United States or its agencies and instrumentalities, are pledged to the District, held in the District's name, and deposited with a third party selected and approved by the investment committee, and placed through a primary government securities dealer, as defined by the Federal Reserve or a financial institution doing business in the State of Texas. Gov't Code 2256.011

The District shall have a master repurchase agreement signed with the bank or dealer with whom all repurchase agreements are traded.

4. Commercial paper that has a stated maturity of 270 days or fewer from the date of issuance and is rated not less than A1-1 or P-1 or an equivalent rating by at least two nationally recognized credit rating agencies or by one nationally recognized credit rating agency provided the commercial paper is fully secured by an irrevocable letter of credit issued by a bank organized and existing under U.S. law or the law of any state; and to the extent that commercial paper is held through an investment pool and not as an individual issue through the District. Gov't Code 2256.013.

5. No-load money market mutual funds that are regulated by the Securities and Exchange Commission, and have a dollar-weighted average stated maturity of 90 days or fewer, are invested exclusively in obligations described by items 1–4 above, and include in their investment objectives the maintenance of a stable net asset value of $1 for each share. In-
vestments in mutual funds shall be limited to the percentages authorized by Government Code 2256.014(c). 

Gov't Code 2256.014.

6. A public funds investment pool meeting the requirements of Government Code 2256.016, are rated no lower than AAA or an equivalent rating by at least one nationally recognized rating service, and are authorized by resolution or ordinance by the Board. In addition, a local government investment pool created as a money market mutual fund must mark its portfolio to the market daily and, to the extent reasonably possible, stabilize at $1 net asset value. Gov't Code 2256.016.

7. Guaranteed investment contracts that have a defined termination date and are secured by obligations described by Government Code 2256.09(a)(1), excluding those obligations described by Government Code 2256.09(b), in an amount at least equal to the amount of bond proceeds invested under the contract; such obligations must be pledged to the District and held in the District's name with an approved third party. Gov't Code 2256.015.

The investment officers will maintain a list of financial institutions, approved by the investment committee, who are authorized to provide investment services. In addition, a list will also be maintained of approved security brokers/dealers selected by credit-worthiness who are authorized to provide investment services in the state of Texas. These may include primary dealers or regional dealers that qualify under Securities and Exchange Commission Rule 15C3-1 (uniform net capital rule).

All financial institutions and brokers/dealers who desire to become qualified bidders for investment transactions must supply the investment officers with the following:

1. Audited financial statements
2. Proof of Financial Industry Regulatory Authority (FINRA) certification
3. Trading resolution
4. Proof of registration in the state of Texas
5. Completed broker/dealer questionnaire
6. Certification of having read the District's investment policy
This information will be reviewed by the investment officers and a recommendation for addition to the list of approved bidders will be submitted to the investment committee for approval.

A periodic review, at least annually, of the financial condition and registration of new qualified bidders will be conducted by the investment committee. Recommendations will be provided for consideration by the Board as necessary.

The Board shall select and designate a depository institution in accordance with CDA(LEGAL) and (LOCAL). The depository shall be selected based upon its solvency and stability of leadership as well as on the services provided. The depository shall be selected through a formalized bidding process in response to the District's request for bid (RFB) outlining all services required. Such services should provide the greatest flexibility for money management and should include online account management, positive pay accounts, purchasing card capabilities, and other services considered necessary by District management.

The District shall have the discretion to determine the time span for rebidding the depository contract; however, a three-year period will be the maximum length of time between bidding.

It is the strategy of the District to require competitive bidding for all individual security purchases and sales except for:

1. Transactions with money market mutual funds and local government investment pools (which are deemed to be made at prevailing market rates);

2. Treasury and agency securities purchased at issue through an approved broker/dealer or financial institution; or

3. Automatic overnight "sweep" transactions with the District Depository.

At least three bids or offers must be solicited for all other transactions involving individual securities. The District's investment advisor is also required to solicit at least three bids or offers when transacting trades on the District's behalf. In situations where other dealers do not offer the exact security being offered, offers on the closest comparable investment may be used to establish a fair market price for the security.

The investment officers shall ensure that all District funds bank deposits, repurchase agreements and GICs (principal plus accrued interest) to the extent not insured by the FDIC are fully collateralized at a minimum of 102 percent by obligation of the United States or agencies or instrumentalities or other authorized securi-
ties as outlined in item 2 below, or at a minimum of 110 percent in the case of mortgage-backed securities or any other security type having a declining principal balance:

1. All pledged securities shall be held in safekeeping by the District, in a custodial account approved by the District in a third party financial institution, or with a Federal Reserve Bank. The third party custodian shall be required to issue safekeeping receipts directly to the District and to provide a monthly listing of each specific security, rate, description, maturity, CUSIP number, and other information as may be deemed necessary and appropriate by the District. In order to anticipate market changes and provide a level of additional security for all funds, the collateralization level required shall be 110 percent of the market value. The bank shall be liable for pricing securities and maintaining required collateralization.

2. Pledged securities shall be limited to only those items which are specifically permitted as approved investment instruments within the definitions of this policy. Should a pledged security fail to meet this requirement, it shall be the sole responsibility of the financial institution to immediately, without notice from the District or cost to the District, replace any such nonconforming security.

SAFEKEEPING AND CUSTODY

Safekeeping and custody of securities and collateral shall be in accordance with state law. It shall be the District’s intent to place securities and collateral in the possession of a third party custodian designated by the District where feasible, and held in the District’s name as evidenced by safekeeping receipts of the institution with which the securities are deposited.

All investment transactions except investment pool funds and mutual funds will be executed by delivery vs. payment (DVP) to ensure that securities are deposited in an eligible financial institution prior to the release of funds. That is, funds shall not be wired or paid until verification has been made that the Trustee received the securities or collateral.

DIVERSIFICATION

The District shall diversify its investments by security type and institution. The asset mix of the District’s portfolio is expressed in terms of maximum commitment so as to allow sufficient flexibility to take advantage of market considerations within the context of this policy. The asset mix requirements are as follows:

- Money Market Accounts: 80% (maximum)
- Certificates of Deposit: 25% (maximum)
- U.S. Treasury Obligations: 100% (maximum)
OTHER REVENUES
INVESTMENTS

U.S. Government Securities  100% (maximum)
Repurchase Agreements     15% (maximum)
Public Funds Investment Pools  100% (maximum)
Commercial Paper
Guaranteed Investment Contracts

25% (maximum)
60% (maximum)

Flexible repurchase agreements and guaranteed investment contracts may exceed the maximum allocations as stated above, provided that they provide for flexibility of withdrawal and that the final maturity date coincides with the cash expenditure forecast.

To the extent possible, the District shall attempt to match its investments with anticipated cash flow requirements. Unless matched to a specific cash flow, the District shall not directly invest in securities maturing more than 36 months from the date of purchase. However, securities with a maturity of greater than 12 months shall not exceed ten percent of the total portfolio, and shall be approved by the Board before purchase.

Bond proceeds and debt service funds may be invested in securities exceeding 12 months if the maturity of such investments is made to coincide as nearly as practicable with the expected use of the funds.

The Tax Reform Act of 1986 provided limitations restricting the amount of income that could be generated from the investment of tax-exempt General Obligation Bond proceeds and debt service income. The arbitrage rebate provisions require that the District compute earnings on investment from each issue of bonds on an annual basis to determine if a rebate is required. To determine the District’s arbitrage position, the District is required to perform specific calculations relative to the actual yield earned on the investment of the funds and the yield that could have been earned if the funds had been invested at a rate equal to the yield on the bonds sold by the District. The rebate provision states that periodically (not less than once every five years, and not later than 60 days after the maturity of the bonds), the District is required to pay the U.S. Treasury a rebate of excess earnings based on the District being in a positive arbitrage position. The Tax Reform restrictions require precision in the monitoring and recording of investments as a whole, and particularly as relates to yields and computations so as to ensure compliance. Failure to comply can dictate that the bonds become taxable, retroactively from the date of issue.

The District’s investment position relative to arbitrage is the continued pursuit of maximizing the yield on applicable investments while ensuring the safety of capital and liquidity. It is a fiscally sound position to continue maximization of yield and rebate excess earnings, if necessary.
BENCHMARK

The District's investment strategy is a passive one, in that the majority of securities shall be purchased and held to maturity. Additionally, cash inflows and outflows shall be monitored daily. Given this strategy, the basis used by the investment officers to determine whether market yields are being achieved shall be the Two-Year U.S. Treasury Bill and the average Fed Funds rate.

MONITORING RATING CHANGES

In accordance with Government Code 2256.005(b), the investment officer shall develop a procedure to monitor changes in investment ratings and to liquidate investments that do not maintain satisfactory ratings.

INTERNAL CONTROL

The investment portfolio, as well as compliance with this policy, shall be reviewed quarterly by the investment committee and annually by the District’s external auditor in conjunction with the annual audit of the District's financial statements.

INVESTMENT COMMITTEE

The investment committee shall review the investment strategies annually and make recommendations for revision as necessary. The investment committee includes, but is not limited to, the Superintendent, the chief financial officer, the director of finance, the budget and treasury officer, the financial advisor, Board financial audit committee (nonvoting), and up to two investment bankers.

QUALITY OF INVESTMENT MANAGEMENT

Designated investment officers of the District shall participate in periodic training through courses and seminars offered by professional organizations, associations, and other independent sources approved by the investment committee to ensure the quality and capability of investment management in compliance with the Public Funds Investment Act.

INVESTMENT TRAINING

Within 12 months after taking office or assuming duties, designated investment officers of the District shall attend at least one training session from an independent source approved either by the Board or by the investment committee advising the investment officers. This initial training must contain at least ten hours of instruction relating to their respective responsibilities under the Public Funds Investment Act. Gov't Code 2256.008(a)

The investment officers must also attend an investment training session not less than once in a two-year period and receive not less than ten hours of instruction relating to investment responsibilities under the Public Funds Investment Act from an independent source approved by the Board or the investment committee advising the investment officers. If the District has contracted with another investing entity to invest the District's funds, this training requirement may be satisfied by having a Board officer attend four hours of appropriate instruction in a two-year period. Gov't Code 2256.008(a), (b)
Investment training shall include education in investment controls, security risks, strategy risks, market risks, diversification of investment portfolio, and compliance with the Government Code, Chapter 2256. Gov't Code 2256.008(c).

Investment performance shall be regularly monitored by investment staff and reported to the Board. Month-end market prices on each security will be obtained by the Budget and Treasury Officer from a variety of nationally recognized securities databases (e.g., the Wall Street Journal, Bloomberg, etc.). These prices will be recorded in the District's portfolio database and included in all management reports where necessary as well as the District's Comprehensive Annual Financial Report.

Not less than quarterly the investment officers will submit to the Board a written report of the status of the current investment portfolio. The report must meet the requirements of Chapter 2256 of the Government Code (Public Funds Investment Act) and:

1. Describe in detail the investment position of the District on the date of the report;
2. Be prepared jointly by all investment officers of the District;
3. Be signed by each investment officer of the District;
4. State the beginning market value for the period, additions and changes to the market value during the period, and the ending market value for the period;
5. State the book value and market value of each separately invested asset at the beginning and end of the reporting period by the type of asset and type of fund, and type of institution;
6. Percent of portfolio by type of asset, fund, and institution will be provided;
7. State the maturity date of each separately invested asset that has a maturity date;
8. State the account or fund or pooled fund group for which each individual investment was acquired; and
9. State the compliance of the investment portfolio as it relates to the investment strategy and relevant provisions of this policy and the Public Funds Investment Act.

An independent auditor shall formally review the quarterly reports prepared under this section at least annually, and that auditor shall report the results of the review to the Board.
In conjunction with the annual financial audit, a compliance audit shall be performed that includes an audit of management controls on investments and adherence to the District's established policy.

The District's investment policy shall be adopted by resolution of the Board. The policy shall be reviewed annually and approved by the Board.
BUILDINGS, GROUNDS, AND EQUIPMENT MANAGEMENT

KEY CONTROL

The security of school-owned buildings and properties shall be maintained at all times. Locks and other security devices shall be maintained in proper working order. A system to account for all keys at each campus and safeguard against entrance by unauthorized persons shall be established.

Damage of any nature to school property, whether willful or otherwise, shall be reported upon detection to the principal, who shall then report to the Superintendent or designee. The name(s) of the person or persons responsible will be submitted if known. Any break-ins shall be reported without delay to the principal whether damage is noted or not.
The Board, upon recommendation of the Superintendent, shall designate the textbook custodian who shall perform legally required duties and other duties prescribed by the Superintendent.

The District shall maintain a system for management and distribution of textbooks to account for textbooks at every level at any time. Accurate records shall be kept of all textbook transactions within schools as well as with the District textbook custodian.

Students are responsible for all textbooks issued to them. Contract prices shall be charged for all books lost or for which proper accounting has not been made, regardless of the length of time the books have been in the District.

No student shall be excluded from classes or activities or have grades withheld for failure to pay costs due for textbooks.
| COMPLIANCE WITH LAW | The Superintendent shall establish procedures that ensure that all school facilities within the District comply with applicable laws and local building codes. |

To assist the Board, the Superintendent shall recommend the project delivery/contract award method that he or she determines provides the best value to the District. [See CV series] For construction contracts valued at or above $100,000, the Superintendent shall also submit the resulting contract to the Board for approval. Lesser expenditures for construction and construction-related materials or services shall be at the discretion of the Superintendent and consistent with law and policy. [See also CH] |

STUDENT WELFARE
FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

Note: This policy addresses discrimination, harassment, and retaliation involving District students. For provisions regarding discrimination, harassment, and retaliation involving District employees, see DIA. For reporting requirements related to child abuse and neglect, see FFG. For provisions regarding bullying, see FFI.

STATEMENT OF NONDISCRIMINATION

The District prohibits discrimination, including harassment, against any student on the basis of race, color, religion, gender, national origin, disability, or any other basis prohibited by law. The District prohibits dating violence, as defined by this policy. Retaliation against anyone involved in the complaint process is a violation of District policy.

DISCRIMINATION

Discrimination against a student is defined as conduct directed at a student on the basis of race, color, religion, gender, national origin, disability, or on any other basis prohibited by law, that adversely affects the student.

PROHIBITED HARASSMENT

Prohibited harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student's race, color, religion, gender, national origin, disability, or any other basis prohibited by law that is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;

2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or

3. Otherwise adversely affects the student's educational opportunities.

Prohibited harassment includes dating violence as defined by this policy.

EXAMPLES

Examples of prohibited harassment may include offensive or derogatory language directed at another person's religious beliefs or practices, accent, skin color, or need for accommodation; threatening or intimidating conduct; offensive jokes, name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

SEXUAL HARASSMENT BY AN EMPLOYEE

Sexual harassment of a student by a District employee includes both welcome and unwelcome sexual advances; requests for sex-
ual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. A District employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or

2. The conduct is so severe, persistent, or pervasive that it:
   a. Affects the student's ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student's educational opportunities; or
   b. Creates an intimidating, threatening, hostile, or abusive educational environment.

Romantic or inappropriate social relationships between students and District employees are prohibited. Any sexual relationship between a student and a District employee is always prohibited, even if consensual. [See DF]

BY OTHERS

Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;

2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or

3. Otherwise adversely affects the student's educational opportunities.

EXAMPLES

Examples of sexual harassment of a student may include sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; and other sexually motivated conduct, communications, or contact.

Necessary or permissible physical contact such as assisting a child by taking the child's hand, comforting a child with a hug, or other physical contact not reasonably construed as sexual in nature is not sexual harassment.
STUDENT WELFARE
FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

**DATE ISSUED:** 2/18/2010
**UPDATE 87**
**FFH(LOCAL)-X**

**DATING VIOLENCE**

Dating violence occurs when one partner in an intimate relationship uses a pattern of physical, sexual, and/or emotional abuse to hurt or control a partner in a dating relationship.

**EXAMPLES**

Examples of patterns of behavior intended to hurt or control a partner in a dating relationship include, but are not limited to: physical or sexual assault, name calling, put downs, threats to hurt the student or the student's family members or members of the student's household, destroying property belonging to the student, threats to commit suicide or homicide if the victim ends the relationship, attempts to isolate the student from friends and family, extreme jealousy and possessive behavior, stalking, or having others do these things.

For purposes of this policy, dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;

2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or

3. Otherwise adversely affects the student's educational opportunities.

**RECOILATION**

The District prohibits retaliation against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report, serves as a witness, or otherwise participates in an investigation.

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding discrimination or harassment, including dating violence, is subject to appropriate discipline.

**EXAMPLES**

Examples of retaliation include threats, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances, such as negative comments that are justified by a student's performance in the classroom.

**PROHIBITED CONDUCT**

In this policy, the term "prohibited conduct" includes discrimination, harassment, dating violence, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.

**REPORTING PROCEDURES**

Any student who believes that he or she has experienced prohibited conduct or believes that another student has experienced
prohibited conduct should immediately report the alleged acts to a teacher, counselor, principal, or other District employee.

Alternatively, a student may report prohibited conduct directly to one of the District officials below:

**DEFINITION OF DISTRICT OFFICIALS**

The District designates the following person to coordinate its efforts to comply with Title II of the Americans with Disabilities Act of 1990, as amended, which incorporates and expands upon the requirements of Section 504 of the Rehabilitation Act of 1973, as amended:

Name: Kathleen M. Bowen
Position: Executive Director of Human Resources
Address: 3911 Avenue I, Rosenberg, TX 77471
Telephone: (832) 223-0420

**SUPERINTENDENT**

The Superintendent shall serve as coordinator for purposes of District compliance with all other antidiscrimination laws.

**ALTERNATIVE REPORTING PROCEDURES**

A student shall not be required to report prohibited conduct to the person alleged to have committed the conduct. Reports concerning prohibited conduct, including reports against the Title IX coordinator or ADA/Section 504 coordinator, may be directed to the Superintendent.

A report against the Superintendent may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.

**TIMELY REPORTING**

Reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to
promptly report may impair the District's ability to investigate and address the prohibited conduct.

NOTICE OF REPORT
Any District employee who receives notice that a student has or may have experienced prohibited conduct shall immediately notify the appropriate District official listed above and take any other steps required by this policy.

NOTICE TO PARENTS
The District official or designee shall promptly notify the parents of any student alleged to have experienced prohibited conduct by a District employee or another adult.

INVESTIGATION OF THE REPORT
The District may request, but shall not insist upon, a written report. If a report is made orally, the District official shall reduce the report to written form.

Upon receipt or notice of a report, the District official shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the District official shall immediately authorize or undertake an investigation, regardless of whether a criminal or regulatory investigation regarding the same or similar allegations is pending.

If appropriate, the District shall promptly take interim action calculated to prevent prohibited conduct during the course of an investigation.

The investigation may be conducted by the District official or a designee, such as the campus principal, or by a third party designated by the District, such as an attorney. When appropriate, the campus principal shall be involved in or informed of the investigation.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

CONCLUDING THE INVESTIGATION
Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall be filed with the District official overseeing the investigation.

DISTRICT ACTION
If the results of an investigation indicate that prohibited conduct occurred, the District shall promptly respond by taking appropriate
discipline or corrective action reasonably calculated to address the conduct.

The District may take action based on the results of an investigation, even if the conduct did not rise to the level of prohibited or unlawful conduct.

CONFIDENTIALITY
To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

APPEAL
A student who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level. A student shall be informed of his or her right to file a complaint with the United States Department of Education Office for Civil Rights.

RECORDS RETENTION
Retention of records shall be in accordance with FB(LOCAL) and CPC(LOCAL).

ACCESS TO POLICY
Information regarding this policy shall be distributed annually to District employees and included in the student handbook. Copies of the policy shall be readily available at each campus and the District's administrative offices.

STUDENT WELFARE
FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION

Note: This policy addresses discrimination, harassment, and retaliation involving District students. For provisions regarding discrimination, harassment, and retaliation involving District employees, see DIA. For reporting requirements related to child abuse and neglect, see FFG. For provisions regarding bullying, see FFI.

STATEMENT OF NONDISCRIMINATION

The District prohibits discrimination, including harassment, against any student on the basis of race, color, religion, gender, national origin, disability, or any other basis prohibited by law. The District prohibits dating violence, as defined by this policy. Retaliation against anyone involved in the complaint process is a violation of District policy.

DISCRIMINATION

Discrimination against a student is defined as conduct directed at a student on the basis of race, color, religion, gender, national origin, disability, or on any other basis prohibited by law, that adversely affects the student.

PROHIBITED HARASSMENT

Prohibited harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student's race, color, religion, gender, national origin, disability, or any other basis prohibited by law that is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;

2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or

3. Otherwise adversely affects the student's educational opportunities.

Examples of prohibited harassment may include offensive or derisory language directed at another person's religious beliefs or practices, accent, skin color, or need for accommodation; threatening or intimidating conduct; offensive jokes, name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

SEXUAL HARASSMENT BY AN EMPLOYEE

Sexual harassment of a student by a District employee includes both welcome and unwelcome sexual advances; requests for sex-
ual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. A District employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or

2. The conduct is so severe, persistent, or pervasive that it:
   a. Affects the student’s ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student’s educational opportunities; or
   b. Creates an intimidating, threatening, hostile, or abusive educational environment.

Romantic or inappropriate social relationships between students and District employees are prohibited. Any sexual relationship between a student and a District employee is always prohibited, even if consensual. [See DF]

BY OTHERS

Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it:

1. Affects a student’s ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;

2. Has the purpose or effect of substantially or unreasonably interfering with the student’s academic performance; or

3. Otherwise adversely affects the student’s educational opportunities.

EXAMPLES

Examples of sexual harassment of a student may include sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; and other sexually motivated conduct, communications, or contact.

Necessary or permissible physical contact such as assisting a child by taking the child’s hand, comforting a child with a hug, or other physical contact not reasonably construed as sexual in nature is not sexual harassment.
DATING VIOLENCE

Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other person in the relationship. Dating violence also occurs when a person commits these acts against a person in a marriage or dating relationship with the individual who is or was once in a marriage or dating relationship with the person committing the offense.

For purposes of this policy, dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;

2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or

3. Otherwise adversely affects the student's educational opportunities.

EXAMPLES

Examples of dating violence against a student may include physical or sexual assaults; name-calling; put-downs; or threats directed at the student, the student's family members, or members of the student's household. Additional examples may include destroying property belonging to the student, threatening to commit suicide or homicide if the student ends the relationship, attempting to isolate the student from friends and family, stalking, threatening a student's spouse or current dating partner, or encouraging others to engage in these behaviors.

RETRIALATION

The District prohibits retaliation against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report, serves as a witness, or otherwise participates in an investigation.

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding discrimination or harassment, including dating violence, is subject to appropriate discipline.

EXAMPLES

Examples of retaliation include threats, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances, such as negative comments that are justified by a student's performance in the classroom.

PROHIBITED CONDUCT

In this policy, the term "prohibited conduct" includes discrimination, harassment, dating violence, and retaliation as defined by this poli-

CURRENT

STUDENT DISCIPLINE

GENERAL GUIDELINES
District personnel shall adhere to the following general guidelines when imposing discipline:

1. A student shall be disciplined when necessary to improve the student's behavior, to maintain essential order, or to protect other students, school employees, or property.

2. Students shall be treated fairly and equitably. Discipline shall be based on a careful assessment of the circumstances of each case. Factors to consider shall include:
   a. The seriousness of the offense;
   b. The student's age;
   c. The frequency of misconduct;
   d. The student's attitude;
   e. The potential effect of the misconduct on the school environment;
   f. Requirements of Chapter 37 of the Education Code; and
   g. The Student Code of Conduct adopted by the Board.

STUDENT CODE OF CONDUCT
At the beginning of the school year and throughout the school year as necessary, the Student Code of Conduct shall be:

1. Posted and prominently displayed at each campus or made available for review in the principal's office, as required by law; and

2. Made available on the District's Web site and/or as hard copy to students, parents, teachers, administrators, and to others on request.

REVISIONS
Revisions to the Student Code of Conduct approved by the Board during the year shall be made available promptly to students and parents, teachers, administrators, and others.

"PARENTS" DEFINED
Throughout the Student Code of Conduct and discipline policies, the term "parents" includes a parent, legal guardian, or other person having lawful control of the child.

"DETENTION"
For violations of the Student Code of Conduct or campus or classroom rules, teachers or administrators may detain students after school hours on one or more days, as provided by the discipline management program and/or Student Code of Conduct. Before being assigned to detention, a student shall be informed of the behavior that allegedly constitutes the violation and shall be given an opportunity to explain his or her version of the incident. The period...
of time for which a student is assigned to detention shall be used for educational purposes.

When detention is assigned, notice shall first be given to the student's parent to inform him or her of the reason for the detention and permit arrangements for the necessary transportation. Except in the case of a student who is 18 years of age or older, the detention shall not begin until the parents have been notified. The student's parents, if the student is a minor, may be required to provide transportation when the student has been assigned to detention.

CORPORAL PUNISHMENT

Corporal punishment may be used as a discipline management technique in accordance with the Student Code of Conduct. Corporal punishment shall be limited to spanking or paddling the student and shall be administered only in accordance with the following guidelines:

GUIDELINES

1. Corporal punishment shall be administered only after less stringent disciplinary measures have been attempted.

2. The student shall be told the reason corporal punishment is being administered.

3. Corporal punishment shall be administered only by the principal or designee.

4. The instrument to be used in administering corporal punishment shall be approved by the principal.

5. Corporal punishment shall be administered in the presence of one other District professional employee and in a designated place out of view of other students.

DISCIPLINARY RECORDS

The disciplinary record of any corporal punishment shall include any related disciplinary actions, the corporal punishment administered, the name of the person administering the punishment, the names of witnesses present, and the date and time of punishment.

PHYSICAL RESTRAINT

Within the scope of an employee's duties, a District employee may physically restrain a student if the employee reasonably believes restraint is necessary in order to:

1. Protect a person, including the person using physical restraint, from physical injury.

2. Obtain possession of a weapon or other dangerous object.

3. Remove a student refusing a lawful command of a school employee from a specific location, including a classroom or other school property, in order to restore order or to impose disciplinary measures.
4. Control an irrational student.

5. Protect property from serious damage.

With the approval of the principal and Superintendent, sponsors and coaches of extracurricular activities may develop and enforce standards of behavior that are higher than the District-developed Student Code of Conduct and may condition membership or participation in the activity on adherence to those standards. Extracurricular standards of behavior may take into consideration conduct that occurs at any time, on or off school property. Extracurricular behavioral standards shall not have the effect of discriminating on the basis of gender, race, color, disability, religion, ethnicity, or national origin.

Students shall be informed of any extracurricular behavior standards at the beginning of each school year or when the students first begin participation in the activity. Students and their parents shall sign and return to the sponsor or coach a statement that they have read the extracurricular behavior standards and consent to them as a condition of participation in the activity.

Standards of behavior for an extracurricular activity are independent of the Student Code of Conduct. Violations of these standards of behavior that are also violations of the Student Code of Conduct may result in independent disciplinary actions.

A student may be removed from participation in extracurricular activities or may be excluded from school honors for violation of extracurricular standards of behavior for an activity or for violation of the Student Code of Conduct.
GENERAL GUIDELINES

A District employee shall adhere to the following general guidelines when imposing discipline:

1. A student shall be disciplined when necessary to improve the student's behavior, to maintain order, or to protect other students, school employees, or property.

2. A student shall be treated fairly and equitably. Discipline shall be based on an assessment of the circumstances of each case. Factors to consider shall include:

   g. The Student Code of Conduct adopted by the Board.

3. Before a student under 18 is assigned to detention outside regular school hours, notice shall be given to the student's parent to inform him or her of the reason for the detention and permit arrangements for necessary transportation.

The parent may reinstate permission to use corporal punishment at any time during the school year by submitting a signed statement to the principal.

UPDATE 92
DELETE

TERMINATION OF EMPLOYMENT REDUCTION IN FORCE

APPLICABILITY

This policy shall apply only to reductions in force of contractual employees when the reduction in force requires the termination of:

1. A contract governed by Chapter 21 of the Education Code in the following circumstances:
   a. A probationary contract during the contract period;
   b. A term contract during the contract period; or
   c. A term contract at the end of the contract period.

2. A contract not governed by Chapter 21 of the Education Code during the contract period.

Note: This policy shall not apply to termination at any time of at-will employment [see DCD]; termination of a continuing contract [see DFCA]; termination of a probationary contract at the end of the contract period [see DFAA]; or termination at the end of the contract period of a contract not governed by Chapter 21 of the Education Code [see DCE].

DEFINITIONS

Definitions used in this policy are as follows:

1. “Financial exigency” shall mean any event or occurrence that creates a need for the District to reduce financial expenditures for personnel including, but not limited to, a decline in the District’s financial resources, a decline in enrollment, a cut in funding, a decline in tax revenues, or an unanticipated expense or capital need.

2. “Program change” shall mean any elimination, curtailment, or reorganization of a curriculum offering, program, or school operation. The term shall include, but not be limited to, a change in curriculum objectives, a modification or reorganization of staffing patterns on a particular campus or Districtwide, a redirection of financial resources to meet the educational needs of the students, a lack of student response to particular course offerings, legislative revisions to programs, or a reorganization or consolidation of two or more individual schools or school districts.

3. “Discharge” shall mean termination of a contract during the contract period.

4. “Nonrenewal” shall mean the termination of a term contract at the end of the contract period.
A reduction in force may take place when the Board determines that financial exigency or a program change requires the discharge or nonrenewal of one or more employees in accordance with this policy. Such a determination constitutes sufficient cause for discharge or nonrenewal.

When a reduction in force is to be implemented, the Superintendent shall make recommendations to the Board and the Board shall determine the employment areas to be affected. In determining affected employment areas, the Board may combine or coordinate employment areas, as defined below (e.g., the Board may combine "elementary programs" and "compensatory education programs" to identify an employment area of "elementary compensatory education program").

Employment areas include, but are not limited to:

1. Elementary grades, levels, subjects, departments, or programs.
2. Secondary grades, levels, subjects, departments, or programs.
3. Special programs, such as gifted and talented, bilingual/ESL programs, special education, compensatory education, and migrant education. Each special program is a separate employment area.
4. Counseling programs.
5. Library programs.
6. Nursing and other health services programs.
7. An educational support program that does not provide direct instruction to students.
8. Other Districtwide programs.
9. An individual campus.
10. Any administrative position(s), unit, or department.
11. Other contractual position(s).

The Superintendent shall recommend to the Board the discharge or nonrenewal of employees within the affected employment area(s) because of a reduction in force, based on the following criteria. These criteria are listed in order of importance; the Superintendent shall apply them sequentially to the extent necessary to identify the employees who least satisfy the criteria and therefore are subject to the reduction in force, i.e., if all necessary reductions can be accomplished by applying the certification criterion, it is not necessary to apply the performance criterion, etc.
1. Certification: Appropriate certification, endorsement, and/or highly qualified status for current or projected assignment.

2. Performance: Effectiveness as reflected by appraisal records and other written evaluative information.

If the Superintendent at his or her discretion decides that the documented performance differences between two or more reduction-in-force prospects are too insubstantial to rely upon, he or she may proceed to apply criterion 3 and, thereafter and to the extent needed, criterion 4.

3. Seniority: Length of service in the District, as measured from the employee's most recent date of hire.

4. Professional Background: Professional education and work experience related to the current or projected assignment.

CONSIDERATION FOR AVAILABLE POSITIONS

Once the Superintendent has identified the appropriate employees in the affected area(s), those employees may apply for other available positions for which they are qualified. An employee is responsible for reviewing posted vacancies, submitting an application, and otherwise complying with District procedure to be considered for a particular vacancy.

Up until the date of a hearing requested in accordance with this policy, an employee who applies for an open position must be offered the position if the employee meets the District's objective criteria for that position and is the most qualified internal applicant for the position.

NOTICE AND HEARING

After considering the Superintendent's recommendation, the Board shall determine the employees to be proposed for discharge or nonrenewal, as appropriate. The Superintendent shall provide each employee written notice of the proposed action, including a statement of the reason(s) requiring such action and notice that the employee is entitled to a hearing.

NONRENEWAL

An employee receiving a notice of proposed nonrenewal may request a hearing in accordance with DFBB.

DISCHARGE

An employee receiving notice of proposed discharge during the period of a contract governed by Chapter 21 of the Education Code may request a hearing before an independent hearing examiner in accordance with DFD.

An employee receiving notice of proposed discharge during the period of an employment contract not governed by Chapter 21 of the Education Code may request a hearing before the Board or its designee in accordance with DCE.

REDUCTION IN FORCE
FINANCIAL EXIGENCY

PLAN TO REDUCE PERSONNEL COSTS

If the Superintendent determines that there is a need to reduce personnel costs, the Superintendent shall develop, in consultation with the Board as necessary, a plan for reducing costs that may include one or more of the following:

- Salary reductions [see DEAB]
- Furloughs, if the District has received certification from the Commissioner of a reduction in funding under Education Code 42.009 [see CBA and DEAB]
- Reductions in force of contract personnel due to financial exigency, if the District meets the standard for declaring a financial exigency as defined by the Commissioner [see CEA and provisions at REDUCTION IN FORCE DUE TO FINANCIAL EXIGENCY, below]
- Reductions in force of contract personnel due to program change [see DFFB]
- Other means of reducing personnel costs

A plan to reduce personnel costs may include the reduction of personnel employed pursuant to employment arrangements not covered at APPLICABILITY, below:

- See DCD for the termination at any time of at-will employment.
- See DFAB for the termination of a probationary contract at the end of the contract period.
- See DFCA for the termination of a continuing contract.
- See DCE for the termination at the end of the contract period of a contract not governed by Chapter 21 of the Education Code.

REDUCTION IN FORCE DUE TO FINANCIAL EXIGENCY

APPLICABILITY

The following provisions shall apply when a reduction in force due to financial exigency requires:

1. The nonrenewal or termination of a term contract;
2. The termination of a probationary contract during the contract period; or
3. The termination of a contract not governed by Chapter 21 of the Education Code during the contract period.

DEFINITIONS

Definitions used in this policy are as follows:

1. "Nonrenewal" shall mean the termination of a term contract at the end of the contract period.

DATE ISSUED: 11/7/2011
UPDATE 92
DFFA(LOCAL)-A
2. "Discharge" shall mean termination of a contract during the contract period.

GENERAL GROUNDS

A reduction in force may take place when the Superintendent recommends and the Board adopts a resolution declaring a financial exigency. [See CEA] A determination of financial exigency constitutes sufficient reason for nonrenewal or sufficient cause for discharge.

EMPLOYMENT AREAS

When a reduction in force is to be implemented, the Superintendent shall recommend the employment areas to be affected.

Employment areas may include, for example:

1. Elementary grades, levels, subjects, departments, or programs.

2. Secondary grades, levels, subjects, departments, or programs, including career and technical education subjects.

3. Special programs, such as gifted and talented, bilingual/ESL programs, special education and related services, compensatory education, or migrant education.

4. Disciplinary alternative education programs (DAEPs) and other discipline management programs.

5. Counseling programs.

7. Nursing and other health services programs.

8. An educational support program that does not provide direct instruction to students.

9. Other Districtwide programs.

10. An individual campus.

11. Any administrative position, unit, or department.

12. Programs funded by state or federal grants or other dedicated funding.

13. Other contractual positions.

The Superintendent's recommendation may address whether any employment areas should be:

1. Combined or adjusted (e.g., "elementary programs" and "compensatory education programs" can be combined to identify an employment area of "elementary compensatory education programs"); and/or
2. Applied on a Districtwide or campus-wide basis (e.g. "the counseling program at [named elementary campus]").

The Board shall determine the employment areas to be affected.

The Superintendent or designee shall apply the following criteria to the employees within an affected employment area when a reduction in force will not result in the nonrenewal or discharge of all staff in the employment area. The criteria are listed in the order of importance and shall be applied sequentially to the extent necessary to identify the employees who least satisfy the criteria and therefore are subject to the reduction in force. For example, if all necessary reductions can be accomplished by applying the first criterion, it is not necessary to apply the second criterion, and so forth.

1. Qualifications for Current or Projected Assignment: Certification, multiple or composite certifications, bilingual certification, licensure, endorsement, highly qualified status, and/or specialized or advanced content-specific training or skills for the current or projected assignment.

2. Performance: Effectiveness, as reflected by:
   a. The most recent formal appraisal, whether completed by the District or by a previous district; and
   b. Any other written evaluative information, including disciplinary information, from the last 36 months.

3. Extra Duties: Currently performing an extra-duty assignment, such as department or grade-level chair, band director, athletic coach, or activity sponsor.

4. Professional Background: Professional education and work experience related to the current or projected assignment.

SUPERINTENDENT RECOMMENDATION

The Superintendent shall recommend to the Board the nonrenewal or discharge of the identified employees within the affected employment areas.
After considering the Superintendent's recommendations, the Board shall determine the employees to be proposed for nonrenewal or discharge, as appropriate.

If the Board votes to propose nonrenewal of one or more employees, the Board shall specify the manner of hearing in accordance with DFBB(LOCAL).

If the Board votes to propose discharge of one or more employees, the Board shall determine whether the hearing will be conducted by a TEA-appointed hearing examiner [see DFD] or will be a local hearing under Education Code 21.207 [see DFBB].

The Superintendent or designee shall provide each employee written notice of the proposed nonrenewal or discharge, as applicable. The notice shall include:

1. The proposed action, as applicable;

2. A statement of the reason for the proposed action; and

3. Notice that the employee is entitled to a hearing of the type determined by the Board.

An employee who has received notice of proposed nonrenewal or discharge may apply for available positions for which he or she wishes to be considered. The employee is responsible for reviewing posted vacancies, submitting an application, and otherwise complying with District procedures.

If the employee meets the District's objective criteria for the position and is the most qualified internal applicant, the District shall offer the employee the position until:

1. Final action by the Board to end the employee's contract, if the employee does not request a hearing,

2. The evidentiary hearing by the independent hearing examiner, the Board, or other person designated in DFBB(LOCAL), if the employee requests a hearing.

An employee receiving notice of proposed nonrenewal of a term contract may request a hearing in accordance with DFBB.

An employee receiving notice of proposed discharge from a contract governed by Chapter 21 of the Education Code may request a hearing. The hearing shall be conducted in accordance with DFD, or the nonrenewal hearing process in DFBB, as determined by the Board and specified in the notice of proposed discharge.

DATE ISSUED: 11/7/2011
UPDATE 92
DFFA(LOCAL)-A
An employee receiving notice of proposed discharge during the period of an employment contract not governed by Chapter 21 of the Education Code may request a hearing before the Board or its designee in accordance with DCE.

If the employee requests a hearing, the Board shall take final action after the hearing in accordance with DCE, DFBB, or DFD, as applicable, and shall notify the employee in writing.

If the employee does not request a hearing, the Board shall take final action in accordance with DCE, DFBB, or DFD, as applicable, and shall notify the employee in writing.
This policy shall apply when a reduction in force due to a program change requires the nonrenewal of a term contract. A program change may be due to, for example, a redirection of resources; efforts to improve efficiency; a change in enrollment; a lack of student response to particular course offerings; legislative revisions to programs; or a reorganization or consolidation of two or more individual schools, departments, or school districts.

Definitions used in this policy are as follows:

1. "Program change" shall mean any elimination, curtailment, or reorganization of a program, department, school operation, or curriculum offering, including, for example, a change in curriculum objectives; a modification of the master schedule; the restructuring of an instructional delivery method; or a modification or reorganization of staffing patterns in a department, on a particular campus, or Districtwide.

2. "Nonrenewal" shall mean the termination of a term contract at the end of the contract period.

A reduction in force may take place when the Superintendent recommends and the Board approves a program change. A determination of a program change constitutes sufficient reason for nonrenewal.

When a reduction in force is to be implemented, the Superintendent shall recommend the employment areas to be affected.

Employment areas may include, for example:

1. Elementary grades, levels, subjects, departments, or programs.

2. Secondary grades, levels, subjects, departments, or programs, including career and technical education subjects.

3. Special programs, such as gifted and talented, bilingual/ESL programs, special education and related services, compensatory education, or migrant education.

4. Disciplinary alternative education programs (DAEPs) and other discipline management programs.

5. Counseling programs.

7. Nursing and other health services programs.

8. An educational support program that does not provide direct instruction to students.

9. Other Districtwide programs.

10. An individual campus.

11. Any administrative position, unit, or department.

12. Programs funded by state or federal grants or other dedicated funding.

13. Other contractual positions.

The Superintendent's recommendation may address whether any employment areas should be:

1. Combined or adjusted (e.g., "elementary programs" and "compensatory education programs" can be combined to identify an employment area of "elementary compensatory education programs"); and/or

2. Applied on a Districtwide or campus-wide basis (e.g., "the counseling program at [named elementary campus]").

The Board shall determine the employment areas to be affected.

The Superintendent or designee shall apply the following criteria to the employees within an affected employment area when a program change will not result in the nonrenewal of all staff in the employment area. The criteria are listed in the order of importance and shall be applied sequentially to the extent necessary to identify the employees who least satisfy the criteria and therefore are subject to the reduction in force. For example, if all necessary reductions can be accomplished by applying the first criterion, it is not necessary to apply the second criterion, and so forth.

1. Qualifications for Current or Projected Assignment: Certification, multiple or composite certifications, bilingual certification, licensure, endorsement, highly qualified status, and/or specialized or advanced content-specific training or skills for the current or projected assignment.

2. Performance: Effectiveness, as reflected by:
   a. The most recent formal appraisal, whether completed by the District or by a previous district; and
   b. Any other written evaluative information, including disciplinary information, from the last 36 months.

If the Superintendent or designee at his or her discretion decides that the documented performance differences between two or more employees are too insubstantial to rely upon, he
or she may proceed to apply the remaining criteria in the order listed below.

3. Extra Duties: Currently performing an extra-duty assignment, such as department or grade-level chair, band director, athletic coach, or activity sponsor.

4. Professional Background: Professional education and work experience related to the current or projected assignment.

5. Seniority: Length of service in the District, as measured from the employee’s most recent date of hire.

SUPERINTENDENT RECOMMENDATION
The Superintendent shall recommend to the Board the nonrenewal of the identified employees within the affected employment areas.

BOARD VOTE
After considering the Superintendent’s recommendations, the Board shall determine the employees to be proposed for nonrenewal, as appropriate. If the Board votes to propose nonrenewal of one or more employees, the Board shall specify the manner of hearing in accordance with DFBB(LOCAL).

NOTICE
The Superintendent or designee shall provide each employee written notice of the proposed nonrenewal. The notice shall include a statement of the reason for the proposed action and notice that the employee is entitled to a hearing of the type determined by the Board.

CONSIDERATION FOR AVAILABLE POSITIONS
An employee who has received notice of proposed nonrenewal may apply for available positions for which he or she wishes to be considered. The employee is responsible for reviewing posted vacancies, submitting an application, and otherwise complying with District procedures.

If the employee meets the District’s objective criteria for the position and is the most qualified internal applicant, the District shall offer the employee the position until:

1. Final action by the Board to end the employee’s contract, if the employee does not request a hearing.

2. The evidentiary hearing by the independent hearing examiner, the Board, or other person designated in DFBB(LOCAL), if the employee requests a hearing.

HEARING REQUEST
An employee receiving notice of proposed nonrenewal of a term contract may request a hearing in accordance with DFBB.

FINAL ACTION
If the employee requests a hearing, the Board shall take final action after the hearing in accordance with DFBB and shall notify the employee in writing.
If the employee does not request a hearing, the Board shall take final action in accordance with DFFB and shall notify the employee in writing.
ADDITIONAL POLICIES FOR FIRST READING
NOTE: This policy addresses discrimination, harassment and retaliation involving District employees. In this policy, the term “employees” includes former employees and applicants for employment. For discrimination, harassment, and retaliation involving students, see FFH. For reporting requirements related to child abuse and neglect, see FFG.

STATEMENT OF NONDISCRIMINATION

The District prohibits discrimination, including harassment, against any employee on the basis of race, color, religion, gender, national origin, age, disability, or any other basis prohibited by law. Retaliation against anyone involved in the complaint process is a violation of District policy.

DISCRIMINATION

Discrimination against an employee is defined as conduct directed at an employee on the basis of race, color, religion, gender, national origin, age, disability, or any other basis prohibited by law, that adversely affects the employee’s employment.

HARASSMENT

Prohibited harassment of an employee is defined as physical, verbal, or nonverbal conduct based on an employee’s race, color, religion, gender, national origin, age, disability, or any other basis prohibited by law, when the conduct is so severe, persistent, or pervasive that the conduct:

1. Has the purpose or effect of unreasonably interfering with the employee’s work performance;
2. Creates an intimidating, threatening, hostile, or offensive work environment; or
3. Otherwise adversely affects the employee’s performance, environment or employment opportunities.

EXAMPLES

Examples of prohibited harassment may include offensive or derogatory language directed at another person’s religious beliefs or practices, accent, skin color, gender identity, or need for workplace accommodation; threatening or intimidating conduct; offensive jokes, name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other stereotypes; or other types of aggressive conduct such as theft or damage to property.

SEXUAL HARASSMENT

Sexual harassment is a form of sex discrimination defined as unwelcome sexual advances; requests for sexual favors; sexually motivated physical,
verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. Submission to the conduct is either explicitly or implicitly a condition of an employee’s employment, or when submission to or rejection of the conduct is the basis for an employment action affecting the employee; or

2. The conduct is so severe, persistent, or pervasive that it has the purpose or effect of unreasonably interfering with the employee’s work performance or creates an intimidating, threatening, hostile, or offensive work environment.

EXAMPLES  
Examples of sexual harassment may include sexual advances; touching intimate body parts; coercing or forcing a sexual act on another; jokes or conversations of a sexual nature; and other sexually motivated conduct, communication, or contact.

RETAI MATION  
The District prohibits retaliation against an employee who makes a claim alleging to have experienced discrimination or harassment, or another employee who, in good faith, makes a report, serves as a witness, or otherwise participates in an investigation.

An employee who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding harassment or discrimination is subject to appropriate discipline.

EXAMPLES  
Examples of retaliation may include termination, refusal to hire, demotion, and denial of promotion. Retaliation may also include threats, unjustified negative evaluations, unjustified negative references, or increased surveillance.

PROHIBITED CONDUCT  
In this policy, the term "prohibited conduct" includes discrimination, harassment, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.

REPORTING PROCEDURES  
As an employee who believes that he or she has experienced prohibited conduct or believes that another employee has experienced prohibited conduct should immediately report the alleged acts. The employee may report the alleged acts to his or her supervisor or campus principal.

Alternatively, the employee may report the alleged acts to one of the District officials below.
For the purposes of this policy, District officials are the Title IX coordinator, the ADA/Section 504 coordinator, and the Superintendent.

Reports of discrimination based on sex, including sexual harassment, may be directed to the Title IX coordinator. The District designates the following person to coordinate its efforts to comply with title IX of the Education Amendments of 1972, as amended:

Name: Kathleen M. Bowen
Position: Executive Director of Human Resources
Address: 3911 Avenue I, Rosenberg TX 77471
Telephone: 832-223-0300

Reports of discrimination based on disability may be directed to the ADA/Section 504 coordinator. The District designates the following person to coordinate its efforts to comply with Title II of the Americans with Disabilities Act of 1990, as amended, which incorporates and expands upon the requirements of Section 504 of the Rehabilitation Act of 1973, as amended:

Name: Kathleen M. Bowen Megan Whitley
Position: Executive Director of Human Resources Director of Special Education
Address: 3911 Avenue I, Rosenberg TX 77471
Telephone: 832-223-0300 832-223-0400

The Superintendent shall serve as coordinator for purposes of District compliance with all other antidiscrimination laws.

An employee shall not be required to report prohibited conduct to the person alleged to have committed it. Reports concerning prohibited conduct, including reports against the Title IX coordinator or ADA/Section 504 coordinator, may be directed to the Superintendent.

A report against the Superintendent may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.
TIMELY REPORTING

Reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to promptly report may impair the District's ability to investigate and address the prohibited conduct.

NOTICE OF REPORT

Any District supervisor who receives a report of prohibited conduct shall immediately notify the appropriate District official listed above and take any other steps required by this policy.

INVESTIGATION OF THE REPORT

The District may request, but shall not insist upon a written report. If a report is made orally, the District official shall reduce the report to written form.

Upon receipt or notice of a report, the District official shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the District official shall immediately authorize or undertake an investigation, regardless whether a criminal or regulatory investigation regarding the same or similar allegations is pending.

If appropriate, the District shall promptly take interim action calculated to prevent prohibited conduct during the course of an investigation.

The investigation may be conducted by the District official or a designee, such as the campus principal, or by a third party designated by the District, such as an attorney. When appropriate, the campus principal or supervisor shall be involved in or informed of the investigation.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

CONCLUDING THE INVESTIGATION

Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall be filed with the District official overseeing the investigation.

DISTRICT ACTION

If the results of an investigation indicate that prohibited conduct occurred, the District shall promptly respond by taking appropriate disciplinary or...
corrective action reasonably calculated to address the conduct.

The District may take action based on the results of an investigation, even if the conduct did not rise to the level of prohibited or unlawful conduct.

CONFIDENTIALITY

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

APPEAL

A complainant who is dissatisfied with the outcome of the investigation may appeal through DGBA(LOCAL), beginning at the appropriate level.

The complainant may have a right to file a complaint with appropriate state or federal agencies.

RECORDS

Copies of reports alleging prohibited conduct, investigation reports, and related records shall be maintained by the District for a period of at least three years. [See CPC]

RETENTION

ACCESS TO

FB(LOCAL)-A
A student may be referred by parents, teachers, counselors, administrators, or any other District employee for evaluation to determine if the student has disabilities and is in need of special instruction or services.

The Section 504 coordinator shall notify parents prior to any individual evaluation conducted to determine if their child has disabilities or to determine what educational or related services should be provided to the student. Parental consent shall be obtained before the initial student evaluation procedures for the identification, diagnosis, and prescription of specific education services.

Parents shall be given written notice of the District’s refusal to evaluate a student or to provide specific aids and services the parents have requested.

The results of the evaluation shall be considered before any action is taken to place a student with disabilities or make a significant change in placement in an instructional program. Adaptive behavior is the effectiveness with which the individual meets the standards of personal independence and social responsibility expected of his or her age and cultural group.

Parents shall be given written notice of their due process right to an impartial hearing if they have a concern or complaint about the District’s actions regarding the identification, evaluation, or educational placement of a student with disabilities. * M&O Projects  ** Bond Projects

Cheryl Bowman, Program Manager for CenterPoint Efficiency, will be presenting the incentive check to the Board of Trustees in the amount of $26,484.48.

Resource Person: Kevin McKeever, Administrator for Operations
INFORMATION ITEM: ENERGY MANAGEMENT QUARTERLY REPORT

This quarter snapshot reflects a decrease in total KWH usage of 1,019,178. We have added one new facility in November which is the Satellite Transportation Center. It will be considered once it has a baseline of one year of service.

Our reduction in usage can be attributed to tighter schedules and equipment upgrades which include replacement of chillers, roof replacement, and lighting retrofits. These recent upgrades were accomplished through Maintenance & Operations and the Bond Program with the CenterPoint SCORE Program.

We continue to monitor all utilities and there use. We are looking at more avenues to reduce our KWH usage.
