4. Region 4 Maintenance and Operations Update

5. Bond Update

6. Contract for mail processing system equipment

10. CLOSED SESSION

A. Adjournment to closed session pursuant to Texas Government Code Sections 551.071, 551.072, 551.074, and 551.082, the Open Meetings Act, for the following purposes: (Time___________________)

1. Section 551.074 - For the purpose of considering the appointment, employment, evaluation, reassignment, duties, discipline or dismissal of a public officer or employee or to hear complaints or charges against a public
officer or employee.

a. Approval of personnel recommendations or employment of professional personnel 134

b. Employment of professional personnel (Information) 137

c. Employee resignations and retirements 139

2. Section 551.072 - For the purpose of discussing the purchase, exchange, lease or value of real property

a. Land

3. Section 551.071 - To meet with the District's attorney to discuss matters in which the duty of the attorney to the District under the Texas Disciplinary Rules of Professional Conduct of the State Bar of Texas clearly conflicts with the Open Meetings Act, including the grievance/complaint hearing.

a. Any item listed on the agenda

b. Discuss pending, threatened, or potential litigation, including school finance litigation

RECONVENE IN OPEN SESSION

Action on Closed Session Items
Future Agenda Items

ADJOURNMENT: (Time_____________)

If during the course of the meeting covered by this notice, the Board should determine that a closed session of the Board should be held or is required in relation to an item noticed in this meeting, then such closed session as authorized by Section 551.001 et seq. of the Texas Government Code (the Open Meetings Act) will be held by the Board at that date, hour or place given in this notice or as soon after the commencement of the meeting covered by this notice as the Board may conveniently meet in such closed session concerning any and all subjects and for any and all purposes permitted by Section 551.071-551.084, inclusive, of the Open Meetings Act, including, but not limited to:

Section 551.084 - For the purpose of excluding witness or witnesses from a hearing during examination of another witness.

Section 551.071 - For the purpose of a private consultation with the Board's attorney on any or all subjects or matters authorized by law.

Section 551.072 - For the purpose of discussing the purchase, exchange, lease or value of real property.

Section 551.073 - For the purpose of considering a negotiated contract for a prospective gift or donation.

Section 551.074 - For the purpose of considering the appointment, employment, evaluation, reassignment, duties, discipline or dismissal of a public officer or employee or to hear complaints or charges against a public officer or employee.
Section 551.082 - For the purpose of considering discipline of a public school child or children or to hear a complaint by an employee against another employee if the complaint or charge directly results in a need for a hearing.

Section 551.076 - To consider the deployment, or specific occasions for implementation, of security personnel or devices.

Section 551.083 - For the purpose of considering the standards, guidelines, terms or conditions the Board will follow, or instruct its representatives to follow, in consultation with representatives of employee groups in connection with consultation agreements provided for by Section 13.901 of the Texas Education Code.

Section 551.0821 – For the purpose of deliberating a matter regarding a public school student if personally identifiable information about the student will necessarily be revealed by the deliberation.

Should any final action, final decision or final vote be required in the opinion of the Board with regard to any matter considered in such closed session, then such final action, final decision or final vote shall be at either:

a. the open meeting covered by this notice upon the reconvening of this public meeting, or

b. at a subsequent public meeting of the Board upon notice thereof, as the Board may determine.

CERTIFICATE AS TO POSTING OR GIVING OF NOTICE

On this 15th day of November 2013 at 3:00 p.m., this notice was posted on a bulletin board located at a place convenient to the public in the central administrative offices of the Lamar Consolidated Independent School District, 3911 Avenue I, Rosenberg, Texas 77471, and in a place readily accessible to the general public at all times.

Karen Vaczek

Notice of Special Meeting Held

On this the 15th day of October 2013, the Board of Trustees of the Lamar Consolidated Independent School District of Fort Bend County, Texas met in Special Session (Workshop) in Rosenberg, Fort Bend County, Texas.

1. CALL TO ORDER AND ESTABLISHMENT OF A QUORUM

This meeting was duly called to order by the President of the Board of Trustees, Julie Thompson, at 6:30 p.m.

Members Present:

Julie Thompson       President
Rhonda Zacharias    Vice President
Frank Torres        Secretary
Kay Danziger         Member
Anna Gonzales       Member
Dar Hakimzadeh      Member
Kathryn Kaminski    Member

Others Present:

Thomas Randle       Superintendent
Kevin McKeever     Administrator for Operations
Jill Ludwig         Chief Financial Officer
Laura Lyons         Executive Director of Elementary Education
Walter Bevers       Executive Director of Secondary Education
Kathleen Bowen      Executive Director of Human Resources
Mike Rockwood       Executive Director of Community Relations
David Jacobson      Chief Technology Information Officer

BUSINESS TRANSACTED

Business properly coming before the Board was transacted as follows: to witness—
2. Discussion of October 17th Regular Board Meeting Agenda Items

The Board reviewed the October 17th Regular Board Meeting agenda items.

9. ACTION ITEMS

9. B GOAL: PLANNING

9. B-7 Consider Approval of Memorandum of Understanding with William Smith, Sr., Tri-County Child Development Council, Inc. and Fort Bend County

Ms. Kaminski questioned the collaboration between LCISD and Head Start and why it was necessary to provide four office spaces. Tonya Garza, Director of the Seguin Early Childhood Center, explained the office spaces are utilized by the director, assistant director, a social worker, parent training, and computer data entry for Head Start. The four classrooms are for teachers in collaboration with LCISD and Head Start. Ms. Kaminski questioned the number of students on campus. Ms. Garza stated that 413 were Seguin students with 134 in collaboration with LCISD and Head Start.

9. B-8 Discussion and Action on Seguin Early Childhood Center Transportation

Tonya Garza, Director of the Seguin Early Childhood Center, gave a presentation. Ms. Kaminski questioned why the students are not kept at their home schools instead of being transported to Seguin. Dr. Randle replied that the goal was to provide a full day of instruction for the students who need more instruction.

9. B-9 Consider Approval of Memorandum of Understanding between DePelchin Children's Center and Lamar Consolidated Independent School District

Mr. Hakimzadeh asked for information on the DePelchin Program and asked about the pros and cons of the program. Jennifer Roberts, Director of Student Support Services, provided information on the program.

9. B-13 Consider Approval of CSP# 26-2013 for the new District Natatorium

Mr. Hakimzadeh asked for an explanation of why the amount is so much less than the amount presented at the meeting last month. Mr. Ed Bailey, representative of Gilbane, stated that the total project amount is $13,014,256. The $10,694,000 does not include everything. Mr. Hakimzadeh asked for an explanation of the “alternates” in the proposal. Mr. Bailey explained that the District has a policy to ask for alternate bids as it relates to air conditioning controls. In the specifications, a list of alternate suppliers is provided. The district considers the bids and then determines what is best for the district. Mr. Bailey will furnish the Board with a list of items that are not a component of this project.

ADJOURNMENT TO CLOSED SESSION PURSUANT TO TEXAS GOVERNMENT CODE SECTIONS 551.071, 551.072, 551.074, AND 551.082, THE OPEN MEETINGS ACT, FOR THE FOLLOWING PURPOSES:

1. Section 551.074 – For the purpose of considering the appointment, employment, evaluation, reassignment, duties, discipline or dismissal of a public officer or employee or to hear complaints or charges against a public officer or employee.
a. Approval of personnel recommendations or employment of professional personnel
b. Employment of professional personnel (Information)
c. Employee resignations and retirements

2. Section 551.072 – For the purpose of discussing the purchase, exchange, lease or value of real property
   a. Land acquisition

3. Section 551. 071 – To meet with the District’s attorney to discuss matters in which the duty of the attorney to the District under the Texas Disciplinary Rules of Professional Conduct of the State Bar of Texas clearly conflicts with the Open Meetings Act, including the grievance/complaint hearing.
   a. Any item listed on the agenda
   b. Discuss pending, threatened, or potential litigation, including school finance litigation

The Board did not adjourn to Closed Session.

Kathleen Bowen Executive Director of Human Resources
Mike Rockwood Executive Director of Community Relations
David Jacobson Chief Technology Information Officer
Rick Morris Attorney

BUSINESS TRANSACTED

Business properly coming before the Board was transacted as follows: to witness—
2. OPENING OF MEETING

The prayer was led by Dr. Bevers and the pledge of allegiance was recited.

3. RECOGNITIONS/AWARDS

None

4. AUDIENCE TO PATRONS

Karen Mendoza addressed the Board regarding concerns that some, if not all, Lamar CISD’s schools have not practiced a lockdown procedure. According to Ms. Mendoza some LCISD staff has stated they do not know what to do in case of a lockdown. The Texas Education Agency and the Texas School Safety Center are renewing their annual partnership for the 2013 Texas Safe Schools Week, October 20 – October 26, 2013. Ms. Mendoza recommended that the district contact Sgt. Pino, School Resource Officer with the Rosenberg Police Department, to schedule dates and times so Lamar CISD campuses can practice lockdown at least twice a year.

5. APPROVAL OF MINUTES OF SEPTEMBER 17, 2013 SPECIAL BOARD MEETING (WORKSHOP) AND SEPTEMBER 19, 2013 REGULAR BOARD MEETING

It was moved by Ms. Zacharias and seconded by Ms. Danziger that the Board of Trustees approve the minutes of the September 17, 2013 Special Board Meeting (Workshop) and September 19, 2013 Regular Board Meeting. The motion carried unanimously.

6. BOARD MEMBER REPORTS

a. Meetings and Events

Ms. Zacharias reported the Finance Committee met briefly and discussed bond management. The District is saving approximately $600,000 annually over the life of the bond. The management company will give a report at next month’s meeting.

The Technology Committee met and discussed the Phase II PC refresh. Information is provided in the agenda.

Ms. Danziger and Ms. Gonzales attended the McNeill Elementary National Honor Society and it was a very good ceremony.

Ms. Thompson reported the Facilities Committee met briefly, discussing the 2011 Bond Project updates and current board agenda items.

7. SUPERINTENDENT REPORTS

- Meetings and Events

- Information for Immediate Attention

- Introductions

Dr. Bowen introduced Dr. Fred Black, associate principal, George Ranch High School.
8. **PUBLIC HEARING ON FINANCIAL INTEGRITY RATING SYSTEM OF TEXAS (FIRST) FOR FISCAL YEAR 2011—2012**

The hearing was opened at 7:11 p.m. Jill Ludwig, Chief Financial Officer, gave a brief overview on the Financial Integrity Rating System of Texas for fiscal year 2011—2012. There being no discussion, the hearing was closed to the public at 7:22 p.m.

9. **ACTION ITEMS**

9. B **GOAL: PLANNING**

9. B-8 **Discussion and Action on Seguin Early Childhood Center Transportation**

This item was pulled from the agenda and will be placed on the November agenda.

It was moved by Ms. Zacharias and seconded by Ms. Kaminski that the Board of Trustees approve these action items as presented. The motion carried unanimously.

9. A **GOAL: INSTRUCTIONAL**

9. A-1 **Approval of 2013—2014 District Improvement Plan and Campus Improvement Plans**

approved the 2013—2014 District Improvement Plan and Campus Improvement Plans.

9. A-2 **Approval of Classroom Space Rental for 1621 Place**

approved to extend the lease agreement for classroom space rental for 1621 Place with Mellon Real Estate, Inc. (See inserted page 42-A.)

9. A-3 **Approval of the 2013—2014 Service Provider Agreement with Fort Bend Regional Council on Substance Abuse**

approved the Service Provider Agreement between the Fort Bend Regional Council on Substance Abuse and Lamar Consolidated Independent School District for campus programming during the 2013 – 2014 school year. (See inserted pages 42-B—42-D.)

9. A-4 **Approval of Out-of-State Trip Requests, including, but not limited to:**

   a. **George Ranch High School**

approved out-of-state travel for the George Ranch High School Theatre to travel to New York City, New York on June 7-10, 2014.
b. Lamar Consolidated High School

approved out-of-state travel for Lamar Consolidated High School Speech and Debate Team to attend the Harvard Speech and Debate Tournament in Cambridge, Massachusetts on February 14-17, 2014.

9. B GOAL: PLANNING

9. B-1 Approval of Budget Amendment Requests

approved budget amendment requests as attached. (See inserted pages 43-A—43-C.)

9. B-2 Consider Ratification of Financial and Investment Reports

ratified the financial and investment reports as presented.

reviewed and accepted the District’s Certificate of Excellence in Financial Reporting Award for its Comprehensive Annual Financial Report for the fiscal year ending August 31, 2012 (school year 2011-12).

9. B-6 Approval of Donations to the District, including, but not limited to:

a. Hubenak Elementary School

approved donations to the district.

9. B-7 Approval of Memorandum of Understanding with William Smith, Sr., Tri-County Child Development Council, Inc. and Fort Bend County

approved the Memorandum of Understanding between Lamar Consolidated Independent School District, William Smith, Sr., Tri-County Child Development Council, Inc. and Fort Bend County. (See inserted page 43-F.)

9. B-9 Approval of Memorandum of Understanding between DePelchin Children’s Center and Lamar Consolidated Independent School District

approved the Memorandum of Understanding between DePelchin Children’s Center and Lamar Consolidated Independent School District to implement the STAR (Services To At-Risk) program through counselor and social worker referrals. (See inserted page 43-G.)
9. B-10 Approval of Resolution proclaiming:

a. Parent Involvement Week

approved the attached resolution proclaiming November 18-22, 2013 as “Parent Involvement Week” in the Lamar Consolidated Independent School District. (See inserted page 44-A.)

9. B-11 Approval of Procurement Method for the new Arredondo Elementary School and the 2014 Summer Renovation Projects

authorized the administration to utilize competitive sealed proposals as the construction method of procurement with the evaluation criteria for the new Arredondo Elementary School and the 2014 summer renovation projects.

9. B-12 Approval of Procurement Method for the new Churchill Fulshear Junior High School, new Dean Leaman Junior High School and the Transportation Satellite Phase 2

authorized the administration to utilize construction manager at-risk as the construction method of procurement with the evaluation criteria for the new Churchill Fulshear, Jr. High School, the new Dean Leaman Junior High School, and the Transportation Satellite Phase 2.

9. B-14 Approval of Blanket Easement for the new Lamar Consolidated High School Baseball/Softball Complex

approved the CenterPoint Energy blanket easement for the new Lamar Consolidated High School Baseball/Softball Complex. (See inserted pages 44-B—44-K.)

9. C GOAL: SAFE, DRUG-FREE AND DISCIPLINED SCHOOLS

9. C-1 Approval of Interlocal Agreement with Region 4 Education Service Center for Renewal of Safe Schools Project

approved the renewal of the District’s Interlocal Agreement with Region 4 Education Service Center in the amount of $10,335.50 effective from November 1, 2013 through October 31, 2014. (See inserted pages 44-L—44-N.)

9. C-2 Approval of Interlocal Agreement with Fort Bend County for Radio System Use

approved the Interlocal Agreement with Fort Bend County to access the County’s Public Safety Radio System. (See inserted pages 44-O—44-T.)

9. D GOAL: PERSONNEL

9. D-1 Approval of New PDAS Appraiser for Teaching Staff, 2013 – 2014 School Year

approved the 2013—2014 Professional Development Appraisal System (PDAS) appraiser(s) who have recently become certified or are new to Lamar Consolidated Independent School District.
9. E GOAL: TECHNOLOGY

9. E-1 Approval of Contracted Services for Computer Refresh Planning and Project Management

approved Go IT Services, Inc. for professional services relating to project planning in the amount of $65.00 per hour, not to exceed $5,200 and authorized the superintendent to negotiate the final contract.

9. B GOAL: PLANNING

It was moved by Ms. Zacharias and seconded by Ms. Kaminski that the Board of Trustees authorize the issuance of Lamar Consolidated Independent School District Unlimited Tax Refunding Bond, Series 2013B and allow for a public sale or private placement. The motion carried unanimously. (See inserted pages 45-A—45-B.)

9. B-13 Approval of CSP# 26-2013 for the New District Natatorium

It was moved by Ms. Danziger and seconded by Mr. Hakimzadeh that the Board of Trustees approve Gamma Construction for the new district Natatorium in the amount of $10,694,000 and amend the budget as necessary. The motion carried unanimously.

10. INFORMATION ITEMS

10. A GOAL: PLANNING

10. A-1 Tax Collection Report
10. A-2 Energy Management Quarterly Report
10. A-3 Payments for Construction Projects
10. A-4 Region 4 Maintenance and Operations Update
10. A-5 Bond Update

ADJOURNMENT TO CLOSED SESSION PURSUANT TO TEXAS GOVERNMENT CODE SECTIONS 551.071, 551.072, 551.074, AND 551.082, THE OPEN MEETINGS ACT, FOR THE FOLLOWING PURPOSES:

1. Section 551.074 – For the purpose of considering the appointment, employment, evaluation, reassignment, duties, discipline or dismissal of a public officer or employee or to hear complaints or charges against a public officer or employee.
   a. Approval of personnel recommendations or employment of professional personnel

CONSIDER APPROVAL OF DISTRICT INSTRUCTIONAL MATERIALS ADOPTION COMMITTEE

RECOMMENDATION:
That the Board of Trustees approve the District Instructional Materials Adoption Committee members as submitted.

IMPACT/RATIONALE:
School Board Policy EFAA (LOCAL) requires that the board approve a committee made up of one representative from each campus containing grade-levels or subjects for which there are books up for adoption. The committee is to be chaired by the Superintendent of Schools or designee.

This year the district will be adopting the following categories of instructional materials:

- Mathematics, Grades K-8
- Mathematics (Spanish), Grades K-8
- Science, Grades K-8
- Science (Spanish), Grades K-8
- Aquatic Science
- Biology
- Chemistry
- Earth and Space Science
- Environmental Systems
- Integrated Physics and Chemistry
- Physics
- Principles of Technology
- Anatomy and Physiology
- Engineering Design and Problem Solving
- Medical Microbiology
- Advanced Animal Science
- Food Science
- Forensic Science
- AP Biology
- AP Chemistry
- AP Physics
- AP Physics B
- AP Environmental Science
- AP Computer Science I

A sample of all instructional materials being considered by the Instructional Materials Committee will be available for the public’s examination at all appropriate campuses.

Subcommittees of teachers and administrators will assist in this adoption so that all teachers throughout the district will have ample opportunities to study the instructional materials being considered for adoption and provide input during the selection process.

CONSIDER APPROVAL OF BUDGET AMENDMENT REQUESTS

RECOMMENDATION:

That the Board of Trustees consider approval of budget amendment requests as attached.

IMPACT/RATIONALE:

The proposed amendments represent budget amendments that **require school board approval** because budgeted funds are being reallocated between functional categories and/or new budgets are being established.

PROGRAM DESCRIPTION:

Budget amendments are mandated by the state for budgeted funds reallocated from one functional level, and state and/or federal project to another. These budget changes are usually the result of unexpected levels of expenditures in certain categories and amendments are for legal compliance. Other budget amendments are determined by the school board.

Since the operating budget for LCISD is adopted at the functional level, budget revisions are required for reallocations between functional levels or when new budgets are being established. All necessary budget amendments must be formally adopted by the school board and recorded in the board minutes. (TEA Financial Accountability System Resource Guide, Financial Accounting & Reporting, Update 14.0)

CONSIDER RATIFICATION OF FINANCIAL AND INVESTMENT REPORTS

RECOMMENDATION:

That the Board of Trustees ratify the Financial and Investment Reports as presented.

PROGRAM DESCRIPTION:

Financial reporting is intended to provide information useful for many purposes. The reporting function helps fulfill government's duty to be publicly accountable, as well as to help satisfy the needs of users who rely on the reports as an important source of information for decision-making.

Financial reports and statements are end products of the reporting process. You will find attached the following reports:

- Ratification of October 2013 Disbursements, all funds
  - List of disbursements for the month by type of expenditure
- Financial Reports
  - Year-to-Date Cash Receipts and Expenditures, General Fund only
  - Investment Report

Submitted by: Jill Ludwig, Chief Financial Officer

Recommended for ratification:

Dr. Thomas Randle
Superintendent
SCHEDULE OF OCTOBER 2013 DISBURSEMENTS

IMPACT/RATIONALE:

All disbursements made by the Accounting Department are submitted to the Board of Trustees for ratification on a monthly basis. Disbursements made during the month of October total $18,600,679 and are shown below by category:

CONSIDER APPROVAL OF DONATIONS TO THE DISTRICT

RECOMMENDATION:

That the Board of Trustees approve donations to the district.

IMPACT/RATIONALE:

Policy CDC (Local) states that the Board of Trustees must approve any donation with a value in excess of $2,500.

PROGRAM DESCRIPTION:

The George Foundation donated $6,000 to fund Girls on the Run at Polly Ryon Middle and Hubenak Elementary schools.

Parents of Briscoe donated $3,000 to purchase SmartBoards for the science department at Briscoe Junior High School.

Hutchison PTA donated $4,184 to fund field trips for Pre-K through third grades at Hutchison Elementary School.

Meyer PTO donated $14,000 to replace the track at Meyer Elementary School.

Recommended for approval:

Dr. Thomas Randle
Superintendent
CASTING OF VOTES FOR FORT BEND CENTRAL APPRAISAL DISTRICT
BOARD OF DIRECTORS

RECOMMENDATION:

That the Board of Trustees cast, by resolution, its 600 votes for a candidate(s) for the Board of Directors of the Fort Bend Central Appraisal District.

IMPACT/RATIONALE:

The following are attached:

1. An official ballot from the Fort Bend Central Appraisal District for the selection of their Board of Directors.

2. A tabulation of the number of votes allocated to each taxing unit in Fort Bend County. Lamar CISD has 600 votes.

3. Proposed Resolution for the casting of votes for candidates to serve on the Board of Directors of the Fort Bend Central Appraisal District.

PROGRAM DESCRIPTION:

In accordance with the Texas Property Tax Code, Section 6.03, on or before December 15, 2007, it is required that five directors be appointed by the taxing units that participate in the district as provided by this section. Members of the board of directors other than a county assessor-collector serving as a nonvoting director serve two-year terms beginning on January 1 of even-numbered years.

Recommended for approval:

Dr. Thomas Randle
Superintendent
RESOLUTION FOR THE CASTING OF VOTES FOR CANDIDATE(S) TO SERVE ON

THE BOARD OF DIRECTORS OF THE

FORT BEND CENTRAL APPRAISAL DISTRICT

WHEREAS, the Property Tax Code provides that each taxing unit in a county is entitled to vote, by resolution, by its governing board for candidates for each position to be filled on the Board of Directors of the county’s central appraisal district; and

WHEREAS, the Board of Trustees of the Lamar Consolidated independent School District is entitled to vote, and it wished to vote for the following candidate(s) for position(s) to be on the Board of Directors of the Fort Bend Central Appraisal District.

THEREFORE, BE IT RESOLVED THAT:

1. All the paragraphs are incorporated and made a part of this Resolution; and
2. The Board of Trustees votes for the following person(s) for position(s) on the Board of Directors of the Fort Bend Central Appraisal District:

__________________________________  __________________________________

__________________________________  __________________________________

__________________________________  __________________________________

__________________________________  __________________________________

__________________________________  __________________________________

__________________________________  __________________________________
3. The President of the Board of Trustees is authorized and directed to submit these votes to the Lamar Consolidated Independent School District to the Chief Appraiser of the Fort Bend Central Appraisal District by delivering a copy of this Resolution to the Chief Appraiser before December 17, 2013.

4. This Resolution shall become effective from and after its passage. On motion of Trustee _______________________________ and seconded by Trustee _______________________________ the above Resolution voting for person(s) to serve on the Board of Directors of the Fort Bend Central Appraisal District was adopted, and it was so ordered.

THE STATE OF TEXAS

COUNTY OF FORT BEND

I, Frank Torres, Secretary of the Board of Trustees of the Lamar Consolidated Independent School District, do hereby certify that the foregoing is a true and correct copy of a motion presented and passed by a majority vote of the Board of Trustees at a meeting duly posted and noticed under the Texas Open Meetings Act and held on November 21, 2013.

___________________________________________
Frank Torres, Board Secretary
Lamar Consolidated Independent School District

SUBSCRIBED AND SWORN TO BEFORE ME This is the ____ day of November 2013.

Notary Public in and for
Fort Bend County, Texas

Name:

My Commission Expires:
Dr. Thomas Randle  
Superintendent  
Lamar CISD  
3911 Avenue I  
Rosenberg, TX 77471-3901

Dear Superintendent Dr. Randle,

Enclosed is the election ballot for the 2014-2015 Fort Bend Central Appraisal District Board of Directors Election. This year there are five candidates for the five board positions.

A signed copy of the board’s resolution must be submitted along with the ballot for the votes to be counted. Submission of the ballot and resolution must be received by the Chief Appraiser before December 17, 2013. The code states in “Section 6.03 (k) the governing body of each taxing unit entitled to vote shall determine its vote by resolution and submit it to the chief appraiser before December 15.” This year the 15th falls on Sunday so the deadline is extended to Monday the 16th.

The five candidates for the five positions are:

**Al Abramczyk** – Current board Secretary, retired from the Oil & Gas industries. He was responsible for acquisitions and divestitures, analysis and forecasts of oil and gas supply and demand. Since retirement he has been active in the community including serving on the Nalco Community Advisory Panel as well as many other organizations. He served on the Appraisal Review Board from 2006 to 2011. He has been a resident of Fort Bend County since 1995.

**Albert Glover** – Nominated by the Conservation and Reclamation Districts. He served on the Missouri City City Council and later served on the City of Missouri City 2012 Charter Review Commission and the TIRZ board. He has a Bachelor of Science degree from the University of Houston. He currently is working in the insurance industry. He has been a resident of Fort Bend County for 30 years.

**Jim Kij** – Current Board Chairman, is a Business Development Manager and Facility Solutions Specialist. Activity involvement with the Fort Bend community includes Fort Bend YMCA, Exchange Club of Sugar Land, Child Advocates of Fort Bend County and City of Sugar Land Mayor’s Leadership Council. He has been a resident of Sugar Land since 1991.

**Paul Stamatis** – Current Vice Chairman, has a broad entrepreneurial background in designing, building and managing successful healthcare and real estate businesses. His deep experience as a world-class management consultant prepared him with the strategic planning and management capabilities necessary to create and deliver value to his partners. He is active with Boy Scouts of America, YMCA and Fort Bend Fellowship.

**Rhonda Zacharias** – Current board member, is an Information Technology professional with over 25 years’ experience in the Technology, Transportation and Oil & Gas industries. She is currently a member of the LCISD school board. She is a native Houstonian and has been a resident of Fort Bend County for over 30 years.

If you have any questions regarding this matter I can be contacted at 2801 B. F. Terry Blvd., Rosenberg, Texas 77471-5600 or by phone at 281-344-8623 extension 140.

Respectfully yours,

Glen T Whitehead, RPA  
Chief Appraiser
Election Ballot
2014-2015 Board of Directors
Fort Bend Central Appraisal District

Jurisdiction: Lamar CISD

Total Voting Entitlement: 600

Section 6.03 of the Texas Property Tax Code requires five directors to be appointed by the taxing units that participate in the district as provided by this section. Members of the board of directors other than a county assessor-collector serving as a nonvoting director serve two-year terms beginning on January 1 of even-numbered years.

The candidates listed below were duly nominated by the voting governing bodies and now stand for election for the five (5) positions. Only one ballot per entity may be submitted.

Candidate: Votes Cast:

Al Abramczyk

Albert Glover

Jim Kij

Paul Stamatis

Rhonda Zacharias

Cast your votes for the candidate(s) of your choice and return the ballot along with a signed resolution of the board vote, to the Fort Bend Central Appraisal District before December 17, 2013.

Section 6.03
(j) Before October 30, the chief appraiser shall prepare a ballot, listing the candidates whose names were timely submitted under Subsections (g) and, if applicable, (h) or (i) alphabetically according to the first letter in each candidate’s surname, and shall deliver a copy of the ballot to the presiding officer of the governing body of each taxing unit that is entitled to vote.

(k) The governing body of each taxing unit entitled to vote shall determine its vote by resolution and submit it to the chief appraiser before December 15. The chief appraiser shall count the votes, declare the five candidates who receive the largest cumulative vote totals elected, and submit the results before December 31 to the governing body of each taxing unit in the district and to the candidates. For purposes of determining the number of votes received by the candidates, the candidate receiving the most votes of the conservation and reclamation districts is considered to have received all of the votes cast by conservation and reclamation districts and the other candidates are considered not to have received any votes of the conservation and reclamation districts. The chief appraiser shall resolve a tie vote by any method of chance.
DISCUSSION AND ACTION ON SEGUIN EARLY CHILDHOOD CENTER
TRANSPORTATION

IMPACT/RATIONAL:

In 2012-13 Seguin Elementary School was repurposed to become the Seguin Early Childhood Center (SECC) in collaboration with the Williams Tri-County Head Start Program. The SECC provides a full day pre-kindergarten program for students residing in the Richmond/Rosenberg area who meet eligibility requirements. In the inaugural year of the SECC, transportation was provided to students who were picked up from their home campus in the morning where they boarded a bus to Seguin. This same process was followed by each of the seven feeder schools. There are currently 413 Pre-K students attending the SECC.

The decision was made not to provide transportation for the 2013 school year as a result of student safety concerns and feedback received from a focus group held on campus that included parents, a social worker, teachers, the campus administrator, and Head Start personnel. By not providing transportation, students have gained a total of approximately 178 hours of instructional time. This is the equivalent of about 25 additional days of instruction.

Half day Pre-K is offered on nine campuses serving 439 students. The total number of students served in the full and half day programs is 852.

Submitted by: Laura Lyons, Executive Director of Elementary Education
Dr. Thomas Randle, Superintendent

Dr. Thomas Randle
Superintendent
Positive Impact of No Bus Transportation

- Gain of 178 hours of instructional time which equates to 25 additional days of learning
- Learning takes place as soon as students arrive on campus
- Fewer behavioral issues which also have an impact on instruction
- Head Start program is in compliance due to the addition of instructional minutes in the day—therefore will not be in jeopardy of losing funding
- No safety concerns
- Little to no parent complaints
- The year began with 35 students on a waiting list to get into the full day program
- Opened a new PK classroom to accommodate parents on waiting list
- Parent Poll taken on October 3, 2013—indicated 140 out of 167 parents would choose full day PK program over a half day program even if bus transportation is not provided
- Currently have more students enrolled vs. ending enrollment last year
- Increased parent contact due to parent drop off and pick up

Negative Impact of Bus Transportation

- Loss of instructional time due to late arrival of busses
- Student safety in jeopardy due to amount of students on a bus (40+ on most of the buses)
- Students falling asleep on buses
- Younger students being exposed to older students’ behaviors while on the bus home
- Some students had to ride multiple buses to arrive to school as well as home
- Restroom accidents due to time spent on the bus
- Some students had to remain on their buses at the home campus before the bus could approach the bus ramp causing students to have accidents, and sit in the heat
- Students dismissed from SECC at 2 pm and not arrive at home until after 3:15 pm.
- Due to the amount of transitions taking place from bus to school to home; student belongings were lost along the way
- Rainy days were always a safety concern for students as they boarded/departed buses
- Beginning of the year—numerous students that arrived by bus were sent to school without any identification
- Inconsistency in the arrival of buses affected instructional time, cafeteria operations and the serving of breakfast. Lunch preparations were delayed as a result.
- Head Start program in jeopardy of losing federal funding due to loss of instructional time
CONSIDER APPROVAL OF DISTRICT SECURITY AND FIRE ALARM MONITORING AND SERVICE

RECOMMENDATION:

That the Board of Trustees approve APi Systems Group for District security and fire alarm monitoring and service.

IMPACT/RATIONALE:

Request for Proposal #30-2013 requested prices for an annual contract for security and fire alarm monitoring and service. The proposer will provide intrusion detection and fire alarm monitoring services for all District properties and service all intrusion devices. As an alarm sounds, the contractor will follow specified contact protocols to notify the District of all alarm drops.

The Maintenance and Operations Department worked with the Purchasing Department on bid specifications, evaluation, and award recommendation. Direct solicitation of six vendors resulted in one bid response and one letter of no bid. The responding vendor, APi Systems Group, is the previously awarded company for this service. The evaluation process included a weighted evaluation system pre-established in the bid, and the evaluation of this respondent is provided for your review.

PROGRAM DESCRIPTION:

This proposal will be awarded as an annual contract with the option of renewal for two additional one year periods if both parties agree and terms and conditions remain the same, with the exception of any documented increases in labor, material or disposal costs delineated by the contractor and accepted by the District prior to renewal. This agreement will commence on December 1, 2013.

CONSIDER APPROVAL OF PURCHASE OF TECHNOLOGY VEHICLES

RECOMMENDATION:

That the Board of Trustees approve the purchase of three small cargo utility vehicles from Helfman Ford in the amount of $57,840.

IMPACT/RATIONALE:

Bid #31-2013 requested prices to purchase service vehicles for the Technology Services Department. The rationale to purchase these vehicles comes from department research including:

- Technicians are using their personal vehicles to travel within the district and this has proven inefficient.
- The technicians may not have insurance coverage when using their personal vehicle for district travel.
- The cost of mileage reimbursement to technicians.

The Technology Department worked with the Purchasing Department on bid specifications, evaluation, and award recommendation.

PROGRAM DESCRIPTION:

These vehicles will be used in the daily operations of the Technology Department. The Technology Department is replacing one old vehicle needing repairs greater than its value, and adding two needed vehicles to their fleet.

CONSIDER APPROVAL OF ELEVATOR MAINTENANCE AND INSPECTION

RECOMMENDATION:

That the Board of Trustees approve Elevator Transportation Services, Inc. for the elevator maintenance and inspection.

IMPACT/RATIONALE:

Competitive Sealed Proposal #32-2013 requested prices for an annual contract for Elevator Maintenance and Inspections. (See attached spreadsheet.) This proposal covers all locations where an elevator is currently present.

The Maintenance and Operations Department worked with the Purchasing Department on bid specifications, evaluation, and award recommendation. The evaluation of each contractor and final decision was done through a weighted evaluation system pre-established in the bid.

PROGRAM DESCRIPTION:

This bid will be awarded as an annual contract with the option of renewal for two additional one year periods if both parties agree and terms and conditions remain the same, with the exception of any documented increases in labor, material or disposal costs delineated by the contractor and accepted by the District prior to renewal. This agreement will commence on December 1, 2013.

CONSIDER APPROVAL OF CENTERPOINT TERMS AND CONDITIONS FOR THE NEW LAMAR CONSOLIDATED HIGH SCHOOL BASEBALL/SOFTBALL COMPLEX

RECOMMENDATION:
That the Board of Trustees approve the CenterPoint Energy terms and conditions package for the installation of underground service to the new Lamar Consolidated High School Baseball/Softball complex and installation fee of $12,100.

IMPACT/RATIONALE:
The terms and conditions are applicable to this request to CenterPoint Energy for the underground service for the new Lamar Consolidated High School Baseball/Softball complex. The underground electrical service will enter the back of the complex to a pad mounted transformer located by the new field house on the complex.

PROGRAM DESCRIPTION:
Upon approval CenterPoint Energy will begin design and construction of the permanent electrical service to the new Lamar Consolidated High School Baseball/Softball complex.

Submitted by: J. Kevin McKeever, Administrator for Operations
Ed Bailey, Gilbane

Dr. Thomas Randle
Superintendent
Re: LAMAR CONSOLIDATED I.S.D.  
Lamar Consolidated High School Baseball/Softball Complex  
4606 Mustang Ave

Please find attached the Terms and Conditions (T&C) package as prepared by CenterPoint Energy's (CNP) Major Underground Engineering (MUG), applicable for providing the requested underground service of 393 kVA. MUG will serve the load with a 500 kVA, 12.47 kV - 480Y/277 V, three phase, four wire, pad mounted transformer.

After applying a credit for standard service, the cost for the facilities required to provide the requested underground service is as follows:

REQUESTED UNDERGROUND SERVICE  
(Ducts & pad by the Customer)  
$ 12,100

The above cost is based on using CNP's standard installation equipment and includes no overtime premiums. The standard overhead service credit is based on installing (3) 167 kVA, pole mounted transformers and associated overhead facilities.

The above cost and attached T&C package are effective for 365 days from the date of this letter, provided the field conditions existing as of this date and location of the facilities shown on the attached sketches remain the same. After that time, the T&C package and cost must be reviewed by MUG before a final commitment is made to the Customer.

Please review the attached T&C package and Facilities Extension Agreement (FEA). Sign the cover sheet of the T&C package and the second page of the FEA. Return these original documents, as well as any required remittance to my office. Note that the information contained in the package is applicable for the life of the service.

Before beginning the required underground construction, please arrange for a pre-construction meeting with MUG and your contractors.

If any additional information is required, contact me at 713-207-6120.

Thank you.

Adam McDonald
Adam.McDonald@centerpointenergy.com
6.3 AGREEMENTS AND FORMS

6.3.1 FACILITIES EXTENSION AGREEMENT

This Facilities Extension Agreement is entered into by and between Lamar Consolidated L.S.D., herein called "Retail Customer" and CenterPoint Energy Houston Electric, LLC, herein called "Company" (hereinafter referred to as Agreement) for the construction, extension, installation, modification, repair, upgrade, conversion, relocation, de-energization or removal of Company's Delivery System, including temporary facilities (hereinafter referred to as facilities extension or extension), as described herein.

This Agreement covers the facilities extension to Retail Customer location at 4606 Mustang Ave.

The Company agrees to accept payment of $12,100.00 Dollars to be paid by the Retail Customer, as a Non-Refundable Construction Payment in connection with the Retail Customer request to extend Company facilities to the above described location as follows: CUSTOMER RESPONSIBLE FOR THE DIFFERENCE IN COST BETWEEN STANDARD OVERHEAD SERVICE AND REQUESTED UNDERGROUND SERVICE. THERE ARE NO OVERTIME PREMIUMS INCLUDED WITHIN THIS COST DIFFERENCE.

- Unless otherwise stated by Company in writing, the Non-Refundable Construction Payment amount above is valid for twelve months.

In consideration of said Non-Refundable Payment, to be paid to Company by Retail Customer prior to commencement of construction, Company agrees to install and operate lines and equipment necessary to distribute electric service to the identified location under the following General Conditions:

- Company shall at all times have title to and complete ownership and control over facilities installed by Company.
- Retail Customer must make satisfactory payment arrangements (if payment is required to proceed extend Company facilities) and sign and return this Agreement before Company can with the requested extension.
- Extension of service facilities is contingent on acquisition of all necessary easements and rights of way.
Nothing herein contained within this Agreement shall be construed as a waiver or relinquishment by Company of any right that it has or may hereafter have to discontinue service for or on account of default in the payment of any bill owing or to become owing thereafter for any other reason or cause stated in Company's Tariff.

This Agreement shall not be binding upon Company unless and until it is signed by an authorized representative of the Company.

If this Terms & Conditions package is signed by anyone other than an official from Lamar Consolidated I.S.D., it will not be considered valid. A valid signature will be considered an acceptance of all information contained within this Terms & Conditions package.
GENERAL

A. These Terms and Conditions are for a service arrangement for Lamar Consolidated I.S.D. Lamar Consolidated I.S.D. and/or its contractors/representatives are herein referred to as the Customer.

B. Service to be provided by CenterPoint Energy (CNP) from a 500kVA, 12.47kV - 480Y/277 V, three phase, four wire, pad mounted transformer.

C. The CNP Major Underground Engineering (MUG) representative is Adam McDonald at 713-207-6120 or Adam.Mcdonald@centerpointenergy.com.

The CNP Service Area Consultant is John Stavinoha at 281-561-3257.

D. The Customer must comply with all CNP Service Standards, the National Electrical Code, the National Electrical Safety Code, all Occupational Safety and Health Administration (OSHA) requirements, the International Building Code and all local governing body codes.

E. During installation of CNP equipment, CNP will make every effort to preserve the Customer’s landscaping, parking areas, or other facilities. However, any cost that has been quoted to the Customer does not include any special replacements or repairs to these items. The Customer shall be solely responsible for any expenses associated with replacements or repairs to its facilities.

F. The service arrangement outlined in these Terms and Conditions is based on the Customer drawings referenced on page 1. Any changes in the design as illustrated in the referenced drawings may impact CNP’s ability to meet the Customer’s requested service date.

G. Any changes, additions, deletions, rearrangements, relocations, rerouting, reduction of clearances, etc., of the Customer’s and/or CNP’s service facilities illustrated in these Terms and Conditions shall have MUG’s approval and may require a revised Terms and Conditions. It is the Customer’s responsibility to coordinate the location of all Customer installed facilities outlined in these Terms and Conditions with all other structures and/or appurtenances not shown in the referenced drawings.

H. Contact the MUG representative concerning Customer drawing revisions, information submission, questions, Terms and Conditions revision requests, etc.

I. Hard copy submittals may be mailed to the MUG representative (address – 3000A Harrisburg Blvd. – Houston, Texas 77003). Electronic submittals may be e-mailed to the MUG representative. The MUG representative will; “approve the submittals”, “approve the submittals as noted” or “not approve the submittals”. The Customer shall not install any item that requires CNP approval before receiving an official approval from MUG. CNP shall not be responsible for any installed item that has not received MUG approval.
SERVICE CONNECTION

A. The Customer’s maximum number of secondary cables that can be terminated in CNP’s pad mount transformer is 8-750 MCM cables per phase. The Customer shall advise the MUG representative, about the type, size and number of secondary conductors. Ampacity equivalent sets of cable must be individually approved by the MUG representative prior to installation by the Customer. If the Customer’s cable requirements exceed this specified maximum limit, it cannot be served directly from the pad mounted transformer. The Customer shall then install, own, and maintain a cable tap box (CTB) (See Section D).

B. On installations not utilizing a CTB, the Customer shall furnish, own, and maintain all secondary service conduit and cable underground into the secondary opening of the transformer pad. Secondary conductors shall be extended a minimum of seven feet (7’) above the transformer pad. The Customer shall not install the secondary cables until after the transformer has been set. CNP will terminate the secondary cables in the transformer.

C. To accommodate future expansion, the Customer may install up to 8-4” secondary conduits into the transformer pad.

D. On installations utilizing a CTB, CNP shall furnish, own, install and terminate the secondary cable from the transformer to the CTB at the Customer’s expense. The Customer shall furnish, install, own and maintain the CTB, the CTB pad, and 4-4” conduits from the secondary opening of the transformer pad to the CNP side of the CTB pad. The Customer shall install and terminate the secondary cable from its side of the CTB to its switchgear. Typical three-phase CTB drawings are available upon request. The Customer shall submit three (3) drawings of the proposed CTB to the MUG representative for approval prior to fabrication.

E. The initial available short circuit current is 34,366 amperes symmetrical, with an X/R ratio of 3.1.

F. The ultimate available short circuit current is 34,366 amperes symmetrical, with an X/R ratio of 3.1.

G. Customers receiving electrical service from multiple sources will be required to install a permanent plaque or directory at each source in accordance with Article 230.2 of the National Electrical Code (NEC). These plaques are to signify that there is more than one electrical service to the building. The Customer shall keep the power from each source separate throughout its entire electrical system. This requirement is for the life of the service.

H. A protective device coordination study for the Customer’s service relative to CNP’s protective devices may be requested by contacting the MUG representative.
ACCESS

The Customer must provide a twelve foot (12') minimum width, fourteen foot (14') minimum vertical clearance, all weather, vehicle access road designed for HS-20-44 loading as recognized by the American Association of State Highway Officials (AASHO), for CNP personnel and equipment ten feet (10') past the side of the proposed pad mounted equipment location. In addition, the area adjacent to the pad must be designed for HS-20-44 loading to allow for outrigger placement. If the access road and the pad mounted equipment location have not been completed and passed final inspection (see Final Inspection, page 6) at the time the Customer requests the equipment be set, the equipment can only be set under the following conditions.

A. MUG has determined that the access route is dry and readily accessible to CNP's normal installation equipment.

B. The Customer shall be responsible for all expenses associated with the repair and/or replacement of CNP pad mounted equipment damaged by additional construction activity. Damage to CNP equipment may result in delays to the Customer's requested service date.

C. CNP will not complete the underground construction (i.e. pulling & terminating cable, energizing the service, etc.) until the access road and pad mounted equipment location have passed final inspection (see Final Inspection, page 6).

The Customer must provide a thirty two foot (32') minimum vertical clearance over all equipment pads for CNP trucks and equipment.

The Customer must maintain these requirements for the life of the service.

CNP will utilize the Customer's parking and driveway facilities for the required access.

EMERGENCY GENERATION AND SECONDARY LOAD TRANSFER

Customer installed Emergency Generators and/or Secondary Load Transfer schemes shall meet the requirements of the CNP Specification on Customer Emergency Generation and Secondary Load Transfer, Specification 007-231-82, latest revision (available upon request). This requirement is for the life of the service.

Generator exhaust must be located and/or directed away from CNP's equipment.

HARMONIC DISTORTION

The Customer shall meet the requirements of the CNP Specification on Limitation of Harmonic Distortion on the Distribution System, Specification 007-231-83, latest revision (available upon request). This requirement is for the life of the service.
METERING

A. The Customer’s metering arrangement must comply with CNP Service Standards, Section 400 or 500 as applicable.

B. The metering current and potential transformers (CT’s and PT’s) will be installed in the secondary compartment of the transformer provided all service from the transformer is through one meter. If all the services are not through one meter, the Customer shall inform the MUG representative, so that alternate metering provisions can be arranged (separate CT and PT cans as required for each service).

C. All Retail Customers must be metered separately.

D. Meter Room and/or Modular Meter installations must have CNP written approval prior to the purchase/installation of materials/equipment. The Customer must submit applicable drawings to the MUG representative for approval.

FACILITIES INSTALLED BY THE CUSTOMER

All facilities are to be installed per the attached construction specifications. The Customer or its contractor is to request a preconstruction meeting prior to starting the required underground construction by calling the number listed below.

All facilities shall be inspected by CNP after the conduit is installed, pads are formed, reinforcing rods installed, etc. but prior to the pouring of concrete. CNP recommends that the Customer complete the pouring of concrete on the day the facilities are inspected and approved. The Customer will insure that all inspected and approved facilities remain in the approved condition until the concrete pour has been completed. If there is damage to the inspected and approved facilities prior to the pouring of concrete, the facilities must be re-inspected by CNP before the Customer begins the pouring of concrete. CNP reserves the right to require the Customer to break out any unapproved concrete pours at its expense.

CNP will make a reasonable attempt to complete all inspection requests. To insure that inspection requests can be fulfilled, they should be made twenty-four (24) hours in advance (Mon. - Fri.; between 9:00 a.m. and 3:00 p.m., holidays excluded) to Major Underground Engineering at (713) 207-6229. Job # 67001210 must be provided as the inspection identification number.

DUCTBANK INSTALLATION

All proposed conduit for CNP’s use is to be installed in straight runs, unless otherwise indicated on CNP drawings. Any conduit bends must be installed with a twenty foot (20’) minimum radius, unless indicated otherwise on CNP drawings. Conduit turn-ups into any equipment pad and/or pole pedestal must have a minimum five foot (5’) radius. Any deviations from these requirements shall have written approval from the MUG representative prior to installation.

During installation, the minimum depth for a conduit run must be referenced to the final grade.

The Customer is to delay installation of approximately the last twenty feet (20’) of the conduit run and the pole pedestal to any terminal pole until the pole has been set by CNP. Before trenching to the base of any terminal pole, the Customer must securely brace the pole. The Customer must request staking and setting of any terminal pole by contacting the Service Area Consultant.

The Customer must provide a jet line in each conduit installed. This jet line shall extend a minimum of seven feet (7’) beyond the end of each conduit.
DUCTBANK INSTALLATION (continued)

For installations not utilizing a blanket easement document (see Easement Instrument section, page 7), the Customer shall also install a #14 American Wire Gage (AWG) or larger aluminum or copper 600 volt insulated conductor in one of the conduits. The conductor must be electrically continuous. For manhole installations, the electrically continuous conductor must also be looped through each manhole lid and tied to a concrete insert in the neck of each manhole. This conductor is to facilitate surveying of the duct bank by CNP. The duct bank cannot be surveyed until this conductor is installed as prescribed. The Customer must take adequate measures to assure the conductor will be in place until all necessary surveying is completed. After surveying of the duct bank is completed, but prior to CNP installing any primary cable, the Customer may retrieve its conductor at its option.

Conduit ends shall be plugged with a duct cap or other type capping device. The use of rags to plug conduits is not acceptable. If the conduit is installed in stages, the Customer must keep each section of conduit capped until the new section is installed. If, prior to CNP using any conduit, the conduit is found to be blocked, the Customer will be responsible, at its expense, for removing the obstruction.

CLEARANCES

Final approval for the location of the pad mount equipment and/or other proposed electrical installation is contingent upon proper clearance, as determined by CNP, from cooling towers, vents, buildings, structures, etc., and other underground utilities. It is in the Customer’s and CNP’s best interest to have all service equipment in a contamination-free environment to avoid unscheduled outages and/or premature equipment failures. Therefore, prior to any construction, the Customer shall inform the MUG representative of any existing or future contamination or pollutants which may affect the equipment so that necessary clearances can be secured.

The MUG representative shall be notified promptly if the Customer intends to install any obstructions such as walls, hedges, bushes, trees, etc., around the transformer and/or any associated equipment so that additional clearances and access can be secured. Any proposed enclosure surrounding CNP’s equipment must be louvered, and both a profile and a cross-sectional view of the proposed louvered enclosure shall be submitted for approval prior to installation.

If, in the future, there is a problem with contamination of CNP’s equipment, or proper clearances are not maintained, CNP reserves the right to relocate the equipment at the Customer’s expense.

CNP will not allow other facilities to pass beneath its equipment pads. A one foot (1') minimum horizontal clearance shall be maintained between CNP pads and all other facilities.

A one foot (1') minimum vertical clearance must be maintained between CNP duct banks and all non-CNP facilities crossing the duct bank.

A five foot (5') minimum horizontal clearance must be maintained between CNP duct banks and other facilities running parallel to the duct bank. CNP will not allow joint trenching between CNP duct banks and other facilities.

FINAL INSPECTION

After the Customer has advised CNP that all “Customer installed” facilities pertaining to this service arrangement have been completed and inspected, a final on-site inspection will be made by a MUG representative. This final inspection will verify that all Customer installed facilities are in
FINAL INSPECTION (continued)

accordance with these Terms and Conditions. The Customer (or its contractor) and the Service Area Consultant will be advised of any needed corrections and/or changes. When all necessary corrections and/or changes have been completed, CNP's portion of the construction may begin.

EASEMENT INSTRUMENT

CNP will prepare an instrument for easements to be granted by the property owner after all installations for CNP’s use have been completed according to these Terms and Conditions. The service cannot be energized until CNP has accepted the signed instrument for all easements.

The Customer also has the option of signing a blanket easement document. Use of the blanket easement allows the service to be energized before the final signed instrument for all easements has been completed. The Customer may request use of the blanket easement document by contacting the MUG representative.

CNP will need access to and from the proposed easements. CNP will use these easements, as shown on the attached sketches, for the purposes of erecting, installing, operating, maintaining, replacing, inspecting and removing electrical distribution facilities. The Customer shall keep these easements free and clear of any obstructions (trees, shrubs, other structures, etc.) that may endanger or interfere with the efficiency, safety, and proper operation of the proposed facilities for the life of the service.

INDEMNIFICATION AND LIABILITY LIMITS

Indemnity: This indemnity is pursuant to Company’s Tariff located on our website at www.centerpointenergy.com.

RETAIL CUSTOMER ASSUMES THE RISK OF AND SHALL INDEMNIFY COMPANY AGAINST DAMAGES FOR INJURIES OR DEATH TO PERSONS OR LOSS TO RETAIL CUSTOMER'S PROPERTY, OR TO THE PROPERTY OF COMPANY, WHEN OCCASIONED BY ACTIVITIES OF RETAIL CUSTOMER OR THIRD PARTIES ON CUSTOMER'S PREMISES, RESULTING FROM THE INSTALLATION, EXISTENCE, REPLACEMENT, OR REPAIR OF COMPANY'S UNDERGROUND FACILITIES, AND AS FURTHER PROVIDED IN THE TERMS OF "LIMITS ON LIABILITY," SECTIONS 4.2 AND 5.2 OF THIS TARIFF. NOTWITHSTANDING ANY OF THE ABOVE, THE PROVISIONS REQUIRING A RETAIL CUSTOMER TO INDEMNIFY, FULLY PROTECT, OR SAVE COMPANY HARMLESS APPLY TO A GOVERNMENTAL ENTITY AS THIS TERM IS DEFINED IN CHAPTER 2251 OF THE TEXAS GOVERNMENT CODE, TO THE EXTENT OTHERWISE CONSISTENT WITH LAW; PROVIDED, HOWEVER, THAT ANY GOVERNMENTAL ENTITY THAT IS A RETAIL CUSTOMER TO WHICH THIS SUBSECTION 2.5 APPLIES MUST TAKE NECESSARY STEPS TO ENSURE THAT THE INDEMNIFICATION REQUIREMENTS OF THIS SUBSECTION 2.5 DO NOT CREATE A "DEBT" IN VIOLATION OF ARTICLE XI, SECTION 7 OF THE TEXAS CONSTITUTION. SUCH STEPS MAY INCLUDE, BUT ARE NOT NECESSARILY LIMITED TO, A THIRD-PARTY INDEMNIFICATION IN WHICH THE CONTRACTOR PERFORMING THE WORK FOR THE GOVERNMENTAL ENTITY INDEMNIFIES THE COMPANY OR THE ESTABLISHMENT OF A SINKING FUND. (See Governmental Entity Addendum if applicable.)
A 10' EASEMENT CENTERED ON THE CONDUITS TO BE ACQUIRED

3 REMOVABLE PROTECTIVE BARRIERS BY THE CUSTOMER PER SPEC 80-950

2-6" CONCRETE ENCASED PVC CONDUITS BY THE CUSTOMER PER SPEC DFL52C (195'±)

8' X 8' PAD FOUNDATION BY THE CUSTOMER PER SPEC 80-390

A 15' X 21' PAD EASEMENT TO BE ACQUIRED

NOTES
CNP WILL NOT ALLOW OTHER FACILITIES TO PASS BELOW ITS EQUIPMENT PAD.

THE CUSTOMER MUST MAINTAIN A 5' HORIZONTAL CLEARANCE FROM PARALLEL UTILITIES, AND A 1' VERTICAL CLEARANCE WHEN CROSSING UTILITIES. (SEE NOTES 10 & 11, SHEET 10 OF 13)

REQUIRED MINIMUM 12' WIDE ALL-WEATHER HS-20-44 LOADING ACCESS ROAD 10' PAST THE SIDE OF TRANSFORMER. THIS REQUIREMENT IS FOR THE LIFE OF THE SERVICE.

METER TO BE MOUNTED ON THE SIDE OF THE TRANSFORMER BY CNP.

CNP TO INSTALL TERMINAL POLE

CONCRETE PEDESTAL AND CONDUITS BY THE CUSTOMER PER SPEC G5-500

A 10' EASEMENT CENTERED ON THE CONDUITS TO BE ACQUIRED

2-6" CONCRETE ENCASED PVC CONDUITS BY THE CUSTOMER PER SPEC DFL52C (195'±)

A 10' GROUND AND 30' AERIAL EASEMENT CENTERED ON THE OVERHEAD LINE TO BE ACQUIRED
NOTE:
The customer and/or its contractor is to request a preconstruction meeting prior to starting construction by calling (713) 207-6229.

DRIVE #3 REBAR FOR SPACER ANCHOR (SEE NOTE 8)

#3 BARS 3'-0" LONG (SEE NOTE 6)

SPACER (SEE NOTE 2)

2 BRICKS (BOTTOM OF TRENCH)

NOTES:
1. CONDUIT TO BE PVC, MINIMUM GRADE TYPE EQ.
2. SPACERS SHOULD BE INSTALLED NOT MORE THAN 10'-0" APART.
3. CONDUITS TERMINATING AT MANHOLES SHOULD BE SLOPED 0.5% DOWN TOWARD MANHOLE.
4. ALL EXTERIOR CONCRETE COVER DIMENSIONS ARE MINIMUM.
5. CONCRETE SHALL BE IN ACCORDANCE WITH CNP SPECIFICATION 007-221-01, LATEST REVISION.
6. PLACE REINFORCING BARS IN 4 CORNERS OF THE CONCRETE WHERE SPACERS ARE USED.
7. ON COLD JOINT CONCRETE POUR USE #5 REBAR (3'-0" IN LENGTH, EXPOSED 1'-6")
8. LENGTH OF REBAR FOR SPACER ANCHOR WILL VARY PER DUCT BANK HEIGHT.
9. CONDUITS ENDS SHALL BE PLUGGED WITH A DUCT CAP OR OTHER TYPE OF CAPPING DEVICE.
10. A ONE FOOT (1') VERTICAL CLEARANCE MUST BE MAINTAINED BETWEEN CNP'S DUCTBANK AND ALL NON-CNP FACILITIES CROSSING THE DUCTBANK.
11. A FIVE FOOT (5') HORIZONTAL CLEARANCE MUST BE MAINTAINED BETWEEN CNP'S DUCTBANK AND ALL NON-CNP FACILITIES RUNNING PARALLEL TO THE DUCTBANK (JOINT TRENCHING NOT PERMITTED).
12. INSTALL JET LINE IN ALL CONDUITS AND A #14 AWG WIRE IN ONE CONDUIT. FEEDER

BASED ON DISTRIBUTION STANDARD DLFS2C
NOTES:

1. CONDUIT BENDS AT TERMINAL POLE SHALL BE PVC.
2. BRACE THE POLE SECURELY BEFORE TRENCHING.
3. INSTALL CONDUIT BENDS TO BASE OF POLE. ADD PORTIONS OF STRAIGHT CONDUIT AS NECESSARY TO OBTAIN THE PROPER HEIGHT ABOVE FINAL GRADE.
4. ATTACH COUPLING TO END OF CONDUIT.
5. INSERT, BUT DO NOT GLUE, A SHORT PIECE OF SCRAP PVC CONDUIT INTO THE TOP COUPLING. TIE CONDUIT TO BRACKET.
6. FORM AREA AROUND PEDESTAL TO THE TOP OF THE COUPLING. FORM PEDESTAL SO THAT NO CONCRETE WILL CONTACT POLE.
7. AFTER INSPECTION BY CNP, POUR CONCRETE TO TOP OF COUPLINGS.
8. ALL CONDUITS SHALL HAVE A MINIMUM 4" CONCRETE COVER.

MINIMUM BASEMENT REQUIREMENTS

EQUIPMENT WEIGHT
20,000 LBS MAXIMUM

NOTES:
1. CONCRETE SHALL BE IN ACCORDANCE WITH CNP SPECIFICATION 007-221-01, LATEST REVISION (MINIMUM COMPRESSION IN 28 DAYS, 3000 PSI).
2. REINFORCING STEEL SHALL BE INTERMEDIATE GRADE DEFORMED BARS IN ACCORDANCE WITH A.S.T.M. SPECIFICATION A-615, GRADE 60 OR BETTER.
3. ALL SPLICES IN REINFORCING SHALL LAP A LENGTH EQUAL TO 24 BAR DIAMETERS.
4. ALL DIMENSIONS ON REINFORCING ARE TO THE CENTER OF BARS.
5. CONCRETE SHALL BE THOROUGHLY WORKED AROUND REINFORCING, ANY EMBEDDED FIXTURES AND INTO ALL CORNERS OF FORMS.
6. IF REQUIRED, CROUT SHALL BE A MIXTURE OF 1 PART CEMENT TO 2 PARTS SAND WITH ENOUGH WATER TO PRODUCE A WORKABLE MIXTURE.
7. CONCRETE IS TO BE Poured ONLY WHEN THE ATMOSPHERIC TEMPERATURE IS A MINIMUM 40°F. AND RISING.
8. RIP BACK ALL VEGETATION AND APPROXIMATELY 3" OF TOP SOIL, REMOVE ALL LOOSE CLODS AND STONES, BACKFILL AND THOROUGHLY COMPACT ALL CONDUIT TRENCHES AND HOLES BEFORE CONCRETE IS PLACED.
9. REINFORCING SHALL HAVE A MINIMUM OF 2½" CONCRETE COVER.
10. SLOPE PAD 1" FRONT TO BACK.
11. THE SQUARE OPENING IS FOR THE CUSTOMER'S SECONDARY CONDUITS.
12. CNP WILL NOT ALLOW OTHER FACILITIES TO PASS BENEATH ITS EQUIPMENT PADS. A ONE FOOT MINIMUM HORIZONTAL CLEARANCE SHALL BE MAINTAINED BETWEEN CNP PADS AND ALL OTHER FACILITIES.
13. THE SECONDARY OPENING IS TO BACKFILLED WITH SAND TO WITHIN 4" OF THE TOP OF THE PAD.

150-1000 KVA, 3 PHASE
PMT FOUNDATION, 12KV & 35 KV
(SPECIAL APPLICATION)
BASED ON DISTRIBUTION STANDARD 80-390
INSTALL ON APPROXIMATELY 4' CENTERS AS SPECIFIED ON SKETCH

DETAIL "A"

NOTES:
1. 4" G.I. CONDUIT TO BE FILLED WITH CONCRETE.
2. ANGLE TO BE WELDED TO G.I. CONDUIT. ALL EXPOSED METAL TO BE PAINTED WITH GALVANOX PAINT.
3. SEAL GAP BETWEEN CONDUITS WITH DUCT SEAL FOR WATER TIGHT FIT.
4. USE 5" PLUG TO PREVENT CONCRETE FROM COMING UP 5" G.I. CONDUIT.

PROTECTIVE BARRIER (REMOVABLE)

BASED ON DISTRIBUTION STANDARD 80-950
ADDENDUM TO “TERMS AND CONDITIONS TO UNDERGROUND ELECTRIC SERVICE”

This Addendum is dated as of the Effective Date (as defined below) and is between CENTERPOINT HOUSTON ELECTRIC, LLC (the “Company”) and LAMAR CONSOLIDATED I.S.D. (“Customer”). The Company and Customer are referred to in this Addendum individually as a “Party” and collectively as the “Parties.”

Customer is the owner and operator of the LAMAR CONSOLIDATED HIGH SCHOOL BASEBALL/SOFTBALL COMPLEX at 4606 MUSTANG AVE (“Property”). (“Facilities”) shall mean any facilities, equipment, cable, or other material referred to in the Agreement installed and owned by the customer or his contractor at 4606 MUSTANG AVE.

Contemporaneously with the execution of this Addendum, Customer and the Company are entering into THE TERMS AND CONDITIONS TO UNDERGROUND ELECTRIC SERVICE (the “Agreement”) under which underground electric service will be provided to the Facility. “Effective Date” means the date that the Agreement is signed, as indicated by the date next to the customer signature on the cover sheet of the Agreement.

Because of certain laws and regulations applicable to Customer, the Parties desire to set forth their understanding regarding those laws and regulations and the related allocation of certain risks and liabilities between them.

The Parties therefore agree as follows:

1. **Applicability.** This Addendum is being executed in connection with and will be deemed to be a part of the Agreement. No provision of the Agreement stating that the Agreement contains the entire understanding of the Parties with respect to its subject matter or other provision in the Agreement of the type typically referred to as a “merger clause” will apply to this Addendum. To the extent that the terms and provisions of this Addendum conflict with the terms and provisions of the Agreement, the terms and provisions of this Addendum control. Notwithstanding the execution of this Addendum, the Agreement remains in full force and effect, except as otherwise provided in this Addendum.

2. **Customer as Governmental Entity.**

   (a) Customer represents and warrants that it is a governmental entity, and that as a governmental entity it is subject to constitutional and statutory limitations on its ability to be bound by certain terms and conditions of the Agreement, which may include terms and conditions relating to: liens on government property; disclaimers and limitations of warranties; disclaimers and limitations of liability for damages; waivers, disclaimers, and limitations on legal rights, remedies, requirements, commitment of future funding, and processes; limitations of time in which to bring legal action; control of litigation or dispute resolution; indemnities; and confidentiality of information, and to the extent that any provisions of the Agreement, including this Addendum, would violate any such restrictions, the Customer will not be bound by such provisions. Any terms or provisions of this Addendum that are less restrictive than those in the Agreement with respect to Customer’s obligations will be null and void and will have no force or
effect if the representation and warranty that Customer is a governmental entity is not true or to
the extent that the more restrictive term in the Agreement would be enforceable against
Customer under Applicable Laws (as defined below).

(b) Terms and conditions in the Agreement relating to limitations of the type
described in Section 2(a) will only be binding on Customer to the extent they are valid and
enforceable under all applicable laws, including all state and federal laws, rules and regulations,
the constitutions of the United States and the State of Texas and the laws of the United States and
the State of Texas ("Applicable Laws").

3. Maintenance. Except to the extent expressly set forth in a written agreement
between the Parties, the Company will not be required to maintain equipment, cable, or other
material that is owned by Customer. Customer acknowledges that it is Customer’s sole
responsibility to follow the proper administrative or internal procedures to cause its Facilities and
any related equipment to be properly maintained. Customer also acknowledges that Company
reserves the right, in accordance with Company Tariff, to discontinue service if Customer has
failed, or the Company has determined, in its sole discretion, that Customer has failed, to
maintain the Property and facilities or any related equipment, cable or other material in a manner
that causes or could cause a safety hazard to person or property.

4. Installation. Customer understands that all facilities, equipment, cable and other
material referred to in the Agreement must comply with all specifications set forth in said
Agreement and the Permanent Easement and/or Right to Pull before the Company installs any
equipment or provides electrical service. During the installation of any equipment to be installed
by the Company under the Agreement, the Company will use every effort to preserve
Customer’s landscaping, parking areas, or other facilities. However, any cost that has been
quoted to Customer does not include any special replacements or repairs to these items. The
Company shall not be responsible for any expenses associated with replacements or repairs to
Customer’s property, and Customer hereby waives any claims for such expenses that it has or
may have against the Company.

5. INDEMNIFICATION. This indemnity is pursuant to Company’s Tariff located
on our website at www.centerpointenergy.com.

CUSTOMER ASSUMES THE RISK OF AND SHALL INDEMNIFY COMPANY AGAINST
DAMAGES FOR INJURIES OR DEATH TO PERSONS OR LOSS TO CUSTOMER’S
PROPERTY, OR TO THE PROPERTY OF COMPANY, WHEN OCCASIONED BY
ACTIVITIES OF CUSTOMER OR THIRD PARTIES ON CUSTOMER'S PREMISES,
RESULTING FROM THE INSTALLATION, EXISTENCE, REPLACEMENT, OR REPAIR
OF COMPANY'S UNDERGROUND FACILITIES, AND AS FURTHER PROVIDED IN THE
TERMS OF "LIMITS ON LIABILITY," SECTION 5.2 OF COMPANY'S
TARIFF. NOTWITHSTANDING ANY OF THE ABOVE, THE PROVISIONS REQUIRING
A CUSTOMER TO INDEMNIFY, FULLY PROTECT, OR SAVE COMPANY HARMLESS
APPLY TO A GOVERNMENTAL ENTITY AS THIS TERM IS DEFINED IN CHAPTER
2251 OF THE TEXAS GOVERNMENT CODE, TO THE EXTENT OTHERWISE
CONSISTENT WITH LAW; PROVIDED, HOWEVER, THAT ANY GOVERNMENTAL
ENTITY THAT IS RECEIVING SERVICES UNDER THE AGREEMENT MUST TAKE

60
NECESSARY STEPS TO ENSURE THAT THE INDEMNIFICATION REQUIREMENTS OF
THIS SECTION DO NOT CREATE A "DEBT" IN VIOLATION OF ARTICLE XI, SECTION
7 OF THE TEXAS CONSTITUTION. SUCH STEPS MAY INCLUDE, BUT ARE NOT
NECESSARILY LIMITED TO, A THIRD-PARTY INDEMNIFICATION IN WHICH THE
CONTRACTOR PERFORMING THE WORK FOR THE GOVERNMENTAL ENTITY
INDEMNIFIES THE COMPANY OR THE ESTABLISHMENT OF A SINKING FUND. SEE
BROWN V. JEFFERSON COUNTY, 406 S.W.2D 185 (TEX. 1966).

6. Further Assurances. If at any time after the date of this Addendum any further
action is necessary or appropriate to carry out the purposes of this Addendum, Customer shall
use all commercially reasonable efforts to take, or cause to be taken, that action.

7. Assignment. Customer shall not assign any part of its rights or delegate any
performance under this Addendum, voluntarily or involuntarily, whether by merger,
consolidation, dissolution, operation of law, or any other manner, without the Company’s prior
written consent. Any purported assignment of rights or delegation of performance in violation of
this Section 6 is void and of no effect.

8. Modification; Waiver. No amendment of this Addendum will be effective unless
it is in writing and signed by the Parties. No waiver of satisfaction of a condition or
nonperformance of an obligation under this Addendum will be effective unless it is in writing
and signed by the Party granting the waiver, and no such waiver will constitute a waiver of
satisfaction of any other condition or nonperformance of any other obligation. To be valid, any
document signed by a Party in accordance with this Section 7 must be signed by an officer or
other representative of that Party authorized to do so.

In addition, nothing in this Addendum or the Agreement shall be construed as a waiver or
relinquishment by the Company of any right that it has or may have hereafter to
discontinue service for or on account of default in the performance of Customer’s
obligations under this Addendum or the Agreement, including payment of any bill owing
or to become owing thereafter, or for any other reason or cause stated in the Company’s
Tariff.

[The remainder of this page has been intentionally left blank.]
The Parties are signing this Addendum as of the Effective Date.

CONSIDER APPROVAL OF PROFESSIONAL SURVEYING SERVICES FOR TRAVIS ELEMENTARY

RECOMMENDATION:

That the Board of Trustees approve Charlie Kalkomey Surveying Inc. for professional surveying services (land survey) for the renovations to Travis Elementary not to exceed the amount of $7,840.

IMPACT RATIONALE:

Professional surveying services is a professional service that the District must contract directly. These funds were allocated within the 2011 Bond Funds. Services include a standard topographic survey needed for the design of the renovations to Travis Elementary.

PROGRAM DESCRIPTION:

Professional surveying services will generate reports and drawings locating property boundaries, locations of easements, information on site utilities, etc. The land survey is necessary for the design and construction of the renovations to Travis Elementary.

Submitted by:  J. Kevin McKeever, Administrator for Operations
               Ed Bailey, Gilbane

RE: Surveying Proposal for Partial Topographic Survey at Travis Elementary School, City of Rosenberg, Fort Bend County, Texas

Dear Ms. Roberts:

We propose to render professional surveying services in connection with the above referenced project (hereinafter referred to as the "Project"). It is our understanding that you will furnish us with full information as to your requirements of land use, including any special services needed, and also to make available pertinent existing data.

Kelly R. Kaluza & Associates, Inc. proposes to provide the necessary surveying services to complete the project in accordance with the following scope of work:

Scope of Work

I. **Travis Elementary Driveway and Parking Lot Addition Partial Topographic Survey**
Research in the County Clerk’s Office to obtain Deed Record descriptions of the tract to be surveyed and the adjoining tracts of partial topographic survey area; Office calculations necessary to check location of the boundary lines in relation to features found during the course of the partial topographic survey; Tie elevations to mean sea level datum; Establish temporary benchmark on site; Obtain elevation onsite on 50 foot grid system; Location of existing buildings, parking areas, power lines, and existing improvements; Obtain elevations and cross-section of existing drainage swales and roadway adjoining the property; Location of utilities adjacent to site; Show approximate location of underground utilities from available record drawings from the City and School District; Preparation of plot showing topographic information; Provide owner electronic file of site plan in AutoCAD 2000 format; and Furnish Owner five (5) copies of topographic survey.

Estimated Fee for Travis Elementary  
Topographic Work = $7,840.00

It is understood the owner will furnish a copy of each deed and record drawings for the property to be surveyed prior to commencement of work.

The work on the topographic survey can commence within five (5) days of the receipt of a copy of this proposal signed by an officer and receipt of record drawings provided by the owner, but completion will depend on the Architect’s requirements and scheduling.
Ms. Stephanie Roberts  
Gilbane Building Company  
Revised October 30, 2013  
October 23, 2013  
Page Two (2)  

Total surveying fees for completion of all work described in the foregoing pages are not to exceed the specified amount, provided the Owner does not make major changes and/or additions to the design work. Any additional services will be billed at the hourly rates as shown on the attached Exhibit “A”. Billings for services rendered will be made monthly, and payment is requested within fifteen (15) days from receipt of invoice. Unless special arrangements are made, a finance charge of 1.5% per month will be added to unpaid balances more than thirty (30) days old.

Kelly R. Kaluza & Associates, Inc. makes no warranty, either express or implied, as to its services, including preparation of plans and specifications, cost estimates, surveys, or professional advice, except that they are prepared, issued, and performed in accordance with generally accepted professional engineering and surveying practices. Owner agrees that the liability of Kelly R. Kaluza & Associates, Inc. for any negligence, error, or omission in connection with the services provided shall not exceed the total compensation for said services. Additionally, it is the desire of our firm to comply with other applicable Federal, State, and local laws during the execution of this contract.

This proposal and Exhibit “A” attached represent the entire understanding between you and this firm in respect to the Project, and may only be modified in writing signed by both of us. If this proposal satisfactorily sets forth your understanding of the arrangement between us, we would appreciate you signing this proposal in the space provided below and returning the signed copy to us.

Thank you for this opportunity to be of assistance to you. We look forward to working with you on this project.

Cordially,

KELLY R. KALUZA & ASSOCIATES, INC.

CONSIDER APPROVAL OF GEOTECHNICAL SERVICES FOR THE DESIGN OF THE SUMMER 2014 RENOVATION PROJECTS

RECOMMENDATION:

That the Board of Trustees approve Terracon for geotechnical engineering services for the design of the summer 2014 renovation projects not to exceed the amount of $4,200.

IMPACT/RATIONALE:

Geotechnical services are a professional service that the District must contract directly. These services are needed for the Travis Elementary and the Alternative Learning Center renovation projects that are identified in the summer 2014 renovation projects. These funds were allocated within the 2011 Bond Budget.

PROGRAM DESCRIPTION:

Geotechnical services will generate reports that provide soil data that the architect needs to generate the construction specifications. These reports are crucial in the design of the summer 2014 renovation projects.

Re: Cost Estimate for Geotechnical Engineering Services  
Alternative Learning Center and Travis Elementary School Additions  
Rosenberg, Texas  
Terracon Document No. P92131994.Revision 1

Dear Mr. McKeever:

Terracon Consultants, Inc. (Terracon) understands that we have been selected based on qualifications to provide geotechnical engineering services for the above referenced project. This document outlines our understanding of the scope of services to be performed by Terracon for this project and provides an estimate of the cost of our services.

1.0 PROJECT INFORMATION

This project involves the proposed additions within the above stated school facilities within the Lamar Consolidated Independent School District (LCISD) in Rosenberg, Texas. A detailed description of each project is provided below.

Alternative Learning Center

The project involves the proposed construction of a single-story building addition to the existing Alternative Learning Center (ALC) which is located at 1708 Avenue M in Rosenberg, Texas. We understand that the new building addition is planned to have a footprint area of approximately 2,900 square feet. We also understand that new pavements are planned on the south side of the existing school building.

Travis Elementary School

The project involves the proposed construction of a new canopy structure at the existing Travis Elementary School which is located at 2700 Avenue K in Rosenberg, Texas. We also understand that a new driveway and pavements are planned on the north and southeast sides, respectively, of the existing school building.
Based on the information provided to us by Gilbane Building Company, we understand that the building addition and new canopy structure are planned to be supported on a drilled-and-underreamed footing foundation system. For structural loading information, we anticipate maximum building column loads on the order of 100 to 150 kips with floor pressures no greater than about 125 pounds per square foot (psf).

2.0 SCOPE OF SERVICES

A brief summary of the services to be provided by Terracon is presented in the following paragraphs.

Field Program. The field program for this project is planned to consist of drilling a total of seven test borings in the area of the proposed additions. A detailed breakdown of our field program at each project site is provided in the table below. The total drilling footage is planned to be 85 feet.

<table>
<thead>
<tr>
<th>Project Site</th>
<th>Boring Location</th>
<th>No. of Borings and Depth</th>
</tr>
</thead>
<tbody>
<tr>
<td>Alternative Learning Center</td>
<td>Building Area</td>
<td>2 Borings to 20 feet</td>
</tr>
<tr>
<td></td>
<td>Pavement Areas</td>
<td>2 Borings to 5 feet</td>
</tr>
<tr>
<td>Travis Elementary School</td>
<td>Canopy Structure</td>
<td>1 Boring to 20 feet</td>
</tr>
<tr>
<td></td>
<td>Pavement Areas</td>
<td>3 Borings to 5 feet</td>
</tr>
</tbody>
</table>

The total footage 85 feet.

The borings will be located in the field by measuring from the site boundaries and on-site features shown on the drawing provided to us. The layout of the borings will be approximate. The boring depths will be measured from existing grade.

The drilling services for this project will be performed by a drilling subcontractor or Terracon's in-house drillers. During drilling, soil samples will generally be collected utilizing either open-tube samplers or the Standard Penetration Test. Once the samples have been collected and classified in the field, they will be properly prepared and placed in appropriate sample containers for transport to our laboratory. The borings will be backfilled with soil cuttings upon completion of drilling.

We plan to use truck-mounted drilling equipment to access the boring locations. The scope of services stated herein assumes that the site can be accessed during normal business hours and does not include services associated with site clearing, surveying of boring locations, location of underground utilities, or use of special equipment for unusually soft or wet surface conditions. If such conditions are known to exist on the site, Terracon should be notified so that we may adjust our scope of services and estimated fees, if necessary.
Terracon will notify Texas 811, a free utility locating service, to help locate public utilities within dedicated public utility easements. If underground utilities are known to exist within the site, Terracon should be notified so that we may review utility plans to help avoid the existing lines. Terracon cannot be responsible for damage to unmarked and/or unlocated utilities for which we are unaware or that are improperly located.

**Laboratory Testing.** The sample classifications will be reviewed and a laboratory testing program will be assigned which will be specific to the project requirements and the subsurface conditions observed. The testing program could include, but may not be limited to, moisture contents, unit dry weights, Atterberg Limits, compressive strength tests, and grain-size analyses.

**Engineering Report.** The results of our field and laboratory programs will be evaluated by a professional geotechnical engineer licensed in the State of Texas. Based on the results of our evaluation, an engineering report will be prepared which details the results of the testing performed and provides Boring Logs and a Boring Location Plan. The report will also provide geotechnical engineering recommendations which will address the following:

- Site and subgrade preparation;
- Foundation design and construction; and
- Pavement design guidelines.

**Schedule.** We can initiate our field program within three to five working days following authorization to proceed, if site access and weather conditions will permit. We anticipate completion of our services and submittal of our final report within two to three weeks after completion of our field services. In situations where information is needed prior to submittal of our report, we can provide verbal information or recommendations for specific project requirements directly after we have completed our field and laboratory programs.

### 3.0 COMPENSATION

For the scope of services outlined in this document, we anticipate the following costs for each site:

<table>
<thead>
<tr>
<th>Project Site</th>
<th>Estimated Cost (Truck Rig)</th>
<th>Estimated Cost (ATV Rig)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Alternative Learning Center</td>
<td>$2,100</td>
<td>$2,250</td>
</tr>
<tr>
<td>Travis Elementary School</td>
<td>$1,800</td>
<td>$1,950</td>
</tr>
<tr>
<td>Total Cost</td>
<td><strong>$3,900</strong></td>
<td><strong>$4,200</strong></td>
</tr>
</tbody>
</table>

These costs are based on the understanding that the borings for the two project sites will be drilled on the same day during one visit to each site. The cost of our services will not exceed these amounts without approval of the client.
Additional consultation (such as attendance on a project conference call, engineering analysis, review of project documents, etc.) requested will be performed on a time-and-materials basis. A Project Engineer billing rate of $125 per hour will apply. The fee to provide additional consultation services will be in excess of the above provided fee to complete the geotechnical study and will not be incurred without prior approval of the client.

4.0 AUTHORIZATION

Environmental Considerations. In an effort to reduce the potential for cross-contamination of subsurface media and exposure of site workers to contaminants that might be present at the site, Terracon requests that prior to mobilization to the site, the Client inform Terracon of known or suspected environmental conditions at or adjacent to the site. If adverse environmental conditions are present, additional expenses may be necessary to properly protect site workers and abandon borings that penetrate affected groundwater-bearing units.

If Terracon is not informed of potentially adverse environmental conditions prior to the geotechnical services, Terracon will not be responsible for cross-contamination of groundwater aquifers, soil contamination, or any modification to the environmental conditions to the site that may occur during our geotechnical services. The geotechnical scope of services described above is based on our assumption that the site does not pose environmental risks to the personnel conducting the geotechnical exploration services.

Agreement for Services. We have included a copy of our “Agreement for Services.” If you agree to the conditions set forth in this document, please sign and return a copy of the accompanying Agreement for Services and an Access Agreement, if applicable, to our office. If you have any questions regarding the terms and conditions in the agreement, or any other aspect of this letter, please feel free to contact us.

We appreciate the opportunity to provide this cost estimate and look forward to the opportunity of working with you.

Sincerely,
Terracon Consultants, Inc.
(Texas Firm Registration No. F-3272)

Sheetal V. Gordon, E.I.T.
Geotechnical Engineer

Attachment: Agreement for Services

Copy Submitted: Ms. Stefanie Roberts, LEED AP – Gilbane Building Company – (1) Electronic
AGREEMENT FOR SERVICES

This AGREEMENT is between Lamar Consolidated Independent School District ("Client") and Terracon Consultants, Inc. ("Consultant") for Services to be provided by Consultant for Client on the Proposed Additions to Alternative Learning Center and Travis Elementary School in Rosenberg, Texas project ("Project"), as described in the Project Information section of Consultant's Proposal dated November 13, 2013 ("Proposal") unless the Project is otherwise described in Exhibit A to this Agreement (which section or Exhibit is incorporated into this Agreement).

1. Scope of Services. The scope of Consultant's services is described in the Scope of Services section of the Proposal ("Services"), unless Services are otherwise described in Exhibit B to this Agreement (which section or exhibit is incorporated into this Agreement). Portions of the Services may be subcontracted. Consultant's Services do not include the investigation or detection of, nor do recommendations in Consultant's reports address the presence or prevention of biological pollutants (e.g., mold, fungi, bacteria, viruses, or their byproducts) or occupant safety issues, such as vulnerability to natural disasters, terrorism, or violence. If Services include purchase of software, Client will execute a separate software license agreement. Consultant's findings, opinions, and recommendations are based solely upon data and information obtained by and furnished to Consultant at the time of the Services.

2. Acceptance/ Termination. Client agrees that execution of this Agreement is a material element of the consideration Consultant requires to execute the Services, and if Services are initiated by Consultant prior to execution of this Agreement as an accommodation for Client at Client's request, both parties shall consider that commencement of Services constitutes formal acceptance of all terms and conditions of this Agreement. Additional terms and conditions may be added or changed only by written amendment to this Agreement signed by both parties. In the event Client uses a purchase order or other form to administer this Agreement, the use of such form shall be for convenience purposes only and any additional or conflicting terms it contains are stricken. This Agreement shall not be assigned by either party without prior written consent of the other party. Either party may terminate this Agreement or the Services upon written notice to the other. In such case, Consultant shall be paid costs incurred and fees earned to the date of termination plus reasonable costs of closing the project.

3. Change Orders. Client may request changes to the scope of Services by altering or adding to the Services to be performed. If Client so requests, Consultant will return to Client a statement (or supplemental proposal) of the change setting forth an adjustment to the Services and fees for the requested changes. Following Client's review, Client shall provide written acceptance. If Client does not follow these procedures, but instead directs, authorizes, or permits Consultant to perform changed or additional work, the Services are changed accordingly and Consultant will be paid for this work according to the fees stated or its current fee schedule. If project conditions change materially from those observed at the site or described to Consultant at the time of proposal, Consultant is entitled to a change order equitably adjusting its Services and fees.

4. Compensation and Terms of Payment. Client shall pay compensation for the Services performed at the fees stated in the Compensation section of the Proposal unless fees are otherwise stated in Exhibit C to this Agreement (which section or Exhibit is incorporated into this Agreement). If not stated in either, fees will be according to Consultant's current fee schedule. Fee schedules are valid for the calendar year in which they are issued. Consultant reserves the right to increase fees and increase Client at least monthly and payment is due upon receipt of invoice. Client shall notify Consultant in writing at the address below, within 15 days of the date of the invoice if Client objects to any portion of the charges on the invoice, and shall promptly pay the undisputed portion. Client shall pay a finance fee of 1.5% per month, but not exceeding the maximum rate allowed by law, for all unpaid amounts 30 days or older. Client agrees to pay all collection-related costs that Consultant incurs, including attorney fees. Consultant may suspend Services for lack of timely payment. It is the responsibility of Client to determine whether federal, state, or local prevailing wage requirements apply and to notify Consultant if prevailing wages apply. If it is later determined that prevailing wages apply, and Consultant was not previously notified by Client, Client agrees to pay the prevailing wage from that point forward, as well as a retroactive payment adjustment to bring previously paid amounts in line with prevailing wages. Client also agrees to defend, indemnify, and hold harmless Consultant from any alleged violations made by any governmental agency regulating prevailing wage activity for failing to pay prevailing wages, including the payment of any fines or penalties.

5. Third Party Reliance. This Agreement and the Services provided are for Consultant and Client's sole benefit and exclusive use with no third party beneficiaries intended. Reliance upon the Services and any work product is limited to Client, and is not intended for third parties. For a limited time period not to exceed three months from the date of the report, Consultant will issue additional reports to others agreed upon with Client, however Client understands that such reliance will not be granted until those parties sign and return Consultant's reliance agreement and Consultant receives the agreed-upon reliance fee.

6. LIMITATION OF LIABILITY. CLIENT AND CONSULTANT HAVE EVALUATED THE RISKS AND REWARDS ASSOCIATED WITH THIS PROJECT, INCLUDING CONSULTANT'S FEE RELATIVE TO THE RISKS ASSUMED, AND AGREE TO ALLOCATE CERTAIN OF THE ASSOCIATED RISKS. TO THE FULLEST EXTENT PERMITTED BY LAW, THE TOTAL AGGREGATE LIABILITY OF CONSULTANT (AND ITS RELATED CORPORATIONS AND EMPLOYEES) TO CLIENT AND THIRD PARTIES GRANTED RELIANCE IS LIMITED TO THE GREATER OF $50,000 OR CONSULTANT'S FEE, FOR ANY AND ALL INJURIES, DAMAGES, CLAIMS, LOSSES, OR EXPENSES (INCLUDING ATTORNEY AND EXPERT FEES) ARISING OUT OF CONSULTANT'S SERVICES OR THIS AGREEMENT. UPON WRITTEN REQUEST FROM CLIENT, CONSULTANT MAY NEGOTIATE A HIGHER LIMITATION FOR ADDITIONAL CONSIDERATION. THIS LIMITATION SHALL APPLY REGARDLESS OF AVAILABLE INSURANCE COVERAGE, CAUSE(S) OR THE THEORY OF LIABILITY, INCLUDING NEGLIGENCE, INDEMNITY, OR OTHER RECOVERY. THIS LIMITATION SHALL NOT APPLY TO THE EXTENT THE DAMAGE IS PAID UNDER CONSULTANT'S COMMERCIAL GENERAL LIABILITY POLICY.

7. Indemnity/Statute of Limitations. Consultant and Client shall indemnify and hold harmless the other and their respective employees from and against legal liability for claims, losses, damages, and expenses to the extent such claims, losses, damages, or expenses are legally determined to be caused by their negligent acts, errors, or omissions. In the event such claims, losses, damages, or expenses are legally determined to be caused by the joint or concurrent negligence of Consultant and Client, they shall be borne by each party in proportion to its own negligence under comparative fault principles. Neither party shall have a duty to defend the other party, and no duty to defend is hereby created by this indemnity provision and such duty is explicitly waived under this Agreement. Causes of action arising out of Consultant's services or this Agreement regardless of cause(s) or the theory of liability, including negligence, indemnity or other recovery shall be deemed to have accrued and the applicable statute of limitations shall commence to run not later than the date of Consultant's substantial completion of services on the project.

8. Warranty. Consultant will perform the Services in a manner consistent with that level of care and skill ordinarily exercised by members of the profession currently practicing under similar conditions in the same locale. CONSULTANT MAKES NO WARRANTIES OR GUARANTEES, EXPRESS OR IMPLIED, RELATING TO CONSULTANT'S SERVICES AND CONSULTANT DISCLAIMS ANY IMPLIED WARRANTIES OR WARRANTIES IMPLIED BY LAW, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
9. **Insurance.** Consultant represents that it now carries, and will continue to carry: (i) workers' compensation insurance in accordance with the laws of the states having jurisdiction over Consultant's employees who are engaged in the Services, and employer's liability insurance ($1,000,000); (ii) commercial general liability insurance ($1,000,000 occ / $2,000,000 agg); (iii) automobile liability insurance ($1,000,000 B.I. and P.D. combined single limit); and (iv) professional liability insurance ($1,000,000 claim / agg). Certificates of insurance will be provided upon request. Client and Consultant shall waive subrogation against the other party on all general liability and property coverage.

10. **CONSEQUENTIAL DAMAGES.** NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR LOSS OF PROFITS OR REVENUE; LOSS OF USE OR OPPORTUNITY; LOSS OF GOOD WILL; COST OF SUBSTITUTE FACILITIES, GOODS, OR SERVICES; COST OF CAPITAL; OR FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT, PUNITIVE, OR EXEMPLARY DAMAGES.

11. **Dispute Resolution.** Client shall not be entitled to assert a Claim against Consultant based on any theory of professional negligence unless and until Client has obtained the written opinion from a registered, independent, and reputable engineer, architect, or geologist that Consultant has violated the standard of care applicable to Consultant's performance of the Services. Client shall provide this opinion to Consultant and the parties shall endeavor to resolve the dispute within 30 days, after which Client may pursue its remedies at law. This Agreement shall be governed by and construed according to Kansas law.

12. **Subsurface Explorations.** Subsurface conditions throughout the site may vary from those depicted on logs of discrete borings, test pits, or other exploratory services. Client understands Consultant's layout of boring and test locations is approximate and that Consultant may deviate a reasonable distance from those locations. Consultant will take reasonable precautions to reduce damage to the site when performing Services; however, Consultant accepts that invasive services such as drilling or sampling may damage or alter the site. Site restoration is not provided unless specifically included in the Services.

13. **Testing and Observations.** Consultant understands that testing and observation are discrete sampling procedures, and that such procedures indicate conditions only at the depths, locations, and times the procedures were performed. Consultant will provide test results and opinions based on tests and field observations only for the work tested. Client understands that testing and observation are not continuous or exhaustive, and are conducted to reduce - not eliminate - project risk. Client agrees to the level or amount of testing performed and the associated risk. Client is responsible (even if delegated to contractor) for requesting services, and notifying and scheduling Consultant so Consultant can perform these Services. Consultant is not responsible for damages caused by services not performed due to a failure to request or schedule Consultant's services. Client shall not be responsible for the quality and completeness of Consultant's contractor's work or their adherence to the project documents, and Consultant's performance of testing and observation services shall not relieve Consultant's contractor in any way from its responsibility for defects discovered in its work, or create a warranty or guarantee. Consultant will not supervise or direct the work performed by Consultant's contractor or its subcontractors and is not responsible for their means and methods.

14. **Sample Disposition, Affected Materials, and Indemnity.** Samples are consumed in testing or disposed of upon completion of tests (unless stated otherwise in the Services). Client shall furnish or cause to be furnished to Consultant all documents and information known or available to Client that relate to the identity, location, quantity, nature, or characteristic of any hazardous waste, toxic, radioactive, or contaminated materials ("Affected Materials") at or near the site, and shall immediately transmit new, updated, or revised information as it becomes available. Client agrees that Consultant is not responsible for the disposition of Affected Material unless specifically provided in the Services, and that Consultant is responsible for directing such disposition. In the event that test samples obtained during the performance of Services (i) contain substances hazardous to health, safety, or the environment, or (ii) equipment used during the Services cannot reasonably be decontaminated, Client shall sign documentation (if necessary) required to ensure the equipment and/or samples are transported and disposed of properly, and agrees to pay Consultant the fair market value of this equipment and reasonable disposal costs. In no event shall Consultant be required to sign a hazardous waste manifest or take title to any Affected Materials. Client shall have the obligation to make all spill or release notifications to appropriate governmental agencies. The Client agrees that Consultant neither created nor contributed to the creation or existence of any Affected Materials conditions at the site. Accordingly, Client waives any claim against Consultant and agrees to indemnify and save Consultant, its agents, employees, and related companies harmless from any claim, liability or defense cost, including attorney and expert fees, for injury or loss sustained by any party from such exposures allegedly arising out of Consultant's non-negligent performance of services hereunder, or for any claims against Consultant as a generator, disposer, or arranger of Affected Materials under federal, state, or local law or ordinance.

15. **Ownership of Documents.** Work product, such as reports, logs, data, notes, or calculations, prepared by Consultant shall remain Consultant's property. Proprietary concepts, systems, and ideas developed during performance of the Services shall remain the sole property of Consultant. Files shall be maintained in general accordance with Consultant's document retention policies and practices.

16. **Utilities.** Client shall provide the location and/or arrange for the marking of private utilities and subterranean structures. Consultant shall take reasonable precautions to avoid damage or injury to subterranean structures or utilities. Consultant shall not be responsible for damage to subterranean structures or utilities that are not called to Consultant's attention, are not correctly marked, including by a utility locate service, or are incorrectly shown on the plans furnished to Consultant.

17. **Site Access and Safety.** Client shall secure all necessary site related approvals, permits, licenses, and consents necessary to commence and complete the Services and will execute any necessary site access agreement. Consultant will be responsible for supervision and site safety measures for its own employees, but shall not be responsible for the supervision or health and safety precautions for any other parties, including Client, Consultant's contractors, subcontractors, or other parties present at the site.

CONSIDER APPROVAL OF EASEMENT AT CORA THOMAS ELEMENTARY

RECOMMENDATION:

That the Board of Trustees approve the storm sewer and waterline easement on the Cora Thomas Elementary School site.

IMPACT/RATIONALE:

The Fort Bend County MUD#152 (Walnut Creek subdivision) is requesting a ten foot (10) and twenty foot (20) storm and waterline easement along Irby Cobb Boulevard at the eastern property line of the Cora Thomas Elementary site. This easement will provide storm sewer and waterlines to the new section under construction in the Walnut Creek Subdivision.

PROGRAM DESCRIPTION:

Upon approval a ten foot (10) and twenty foot (20) storm and waterline easement will be granted as shown in the documents attached.

Submitted by: J. Kevin McKeever, Administrator for Operations

Recommended for approval:

STORM SEWER AND WATERLINE EASEMENT
(10' and 20' easements – 0.3081 acres)

STATE OF TEXAS

COUNTRY OF FORT BEND

THAT LAMAR CONSOLIDATED INDEPENDENT SCHOOL DISTRICT
(hereinafter called “Grantor”), for and in consideration of the mutual benefits to be derived
therefrom has granted, sold and conveyed, and by these presents does hereby grant unto FORT
BEND COUNTY MUNICIPAL UTILITY DISTRICT NO. 152, a conservation and
reclamation district and a political subdivision of the State of Texas having a mailing address at
1100 Louisiana Street, Suite 400, Houston, Texas 77002 (“Grantee”), storm sewer and waterline
easements in, along, over, upon, across and through the property (the “Easement Area”) situated
in Fort Bend County, Texas, as described by metes and bounds in Exhibit “A”, which is attached
hereto and by this reference are made a part hereof.

The easement, rights and privileges herein granted shall be used solely for the purposes
of (1) constructing, operating, maintaining, repairing, replacing and reconstructing storm sewer
lines, culverts, drainage ditches and other drainage improvements and (2) of laying, operating,
maintaining, repairing, replacing and reconstructing waterlines and all related facilities and for
making connections therewith and thereto together with any and all necessary incidentals and
appurtenances thereto in, along, over, upon, across and through the Easement Area.

Subject to the foregoing and subsequent provisions hereof, Grantee, its successors,
assigns, agents, employees, workmen and representatives shall, at all present and future times,
have the right and privilege of ingress and egress in, along, over, upon, across and through the
Easement Area for the purposes hereof.

These easements shall be subject to and governed by the following provisions:

(1) The easement rights and privileges granted herein are non-exclusive, and the
Grantor reserves and retains the right to convey, plat and/or dedicate similar rights and
easements, as well as other types of rights and easements, to such other persons or entities as
Grantor may deem proper, providing such other conveyances do not materially affect the
Grantee’s use of the easement conveyed herein.

(2) The easement, rights and privileges herein granted shall be for so long as Grantee
or its assigns shall utilize the Easement Area for the purposes intended. The easement, rights and
privileges granted hereunder shall terminate when or at such time as the purposes hereof cease to
exist, are abandoned by Grantee or become impossible to perform.

(3) The easement, rights and privileges herein granted shall be subject to all valid and
subsisting liens, encumbrances, conditions, covenants, restrictions, reservations, exceptions,
rightsofway and easements of record, including building and zoning ordinances, as well as all
laws, regulations and restrictions by municipal or other governmental authority applicable to and
enforceable against the easement hereby granted.
(4) The grant made hereunder is not a conveyance of the Easement Area nor of any interest in the oil, gas, and other minerals in, on, or under the land subject to easement herein granted, but is a grant solely of the easement as above described.

TO HAVE AND TO HOLD the above described easement for the said purposes, together with all and singular, the rights, privileges, and appurtenances thereto as described above in anywise belonging to the said Grantee, its successors and assigns forever, subject to the limitations, provisions, conditions and restrictions set forth hereinabove.

IN WITNESS WHEREOF, this instrument is executed this ___ day of ______________, 2013.

METES AND BOUNDS DESCRIPTION
OF 0.3081 ACRE OF LAND
IN THE EUGENE WHEAT SURVEY, A-396
FORT BEND COUNTY, TEXAS

All that certain 0.3081 acre of land, in the Eugene Wheat Survey, A-396, Fort Bend County, Texas, out of LAMAR C.I.S.D. ELEMENTARY SCHOOL 20, according to the plat thereof recorded under File No. 20090001, in the Map Records of Fort Bend County, Texas, and more particularly described by metes and bounds as follows with bearings based on the Texas Coordinate System of 1983, South Central Zone:

BEGINNING at a 3/4 inch iron rod found for the east corner of LAMAR C.I.S.D. ELEMENTARY SCHOOL 20, according to the plat thereof recorded under File No. 20090001, in the Map Records of Fort Bend County, Texas, common to the east corner of the herein described easement;

THENCE South 46° 04' 46" West – 20.01 feet, along the southeast line of said LAMAR C.I.S.D. ELEMENTARY SCHOOL 20, to the south corner of the herein described easement;

THENCE North 42° 29' 23" West – 16.52 feet to the Point of Curvature of a curve to the left;

THENCE in a northwesterly direction, with said curve to the left, having a central angle of 10° 33' 29", a chord bearing and distance of North 47° 46' 07" West – 210.69 feet, a radius of 1145.00 feet, an arc distance of 210.99 feet, to the end of curve;

THENCE North 36° 57' 08" East – 10.00 feet to a point on a non-tangent a curve to the left;

THENCE in a northwesterly direction, with said curve to the left, having a central angle of 43° 00' 54", a chord bearing and distance of North 74° 33' 19" West – 846.90 feet, a radius of 1155.00 feet, an arc distance of 867.12 feet, to the end of curve;

THENCE South 83° 56' 15" West – 13.97 feet to the southwest corner of the herein described easement, in a west line of said LAMAR C.I.S.D. ELEMENTARY SCHOOL 20;

THENCE North 00° 30' 40" West – 10.05 feet, with said west line, to a 3/4 inch iron rod found for the northwest corner of said LAMAR C.I.S.D. ELEMENTARY SCHOOL 20, common to the north corner of the herein described easement, in the south right-of-way line of Irby Cobb Boulevard (70' R.O.W.);

THENCE North 83° 56' 15" East – 12.99 feet, with said south right-of-way line, to a 3/4 inch iron rod found for the Point of Curvature of a curve to the right;
THENCE in a northwesterly direction, with said curve to the right, continuing with said south right-of-way line, having a central angle of 53° 34' 23", a chord bearing and distance of South 69° 16' 34" East – 1050.05 feet, a radius of 1165.00 feet, an arc distance of 1089.30 feet, to a 3/4 inch iron rod found for the end of curve;

THENCE South 42° 29' 23" East – 16.02 feet, continuing with said south right-of-way line, to the POINT OF BEGINNING of the herein described easement and containing 0.3081 acre of land.

DISCUSSION AND ACTION ON ADVERTISING IN LAMAR CISD

IMPACT/ RATIONALE:

A board member expressed an interest in the creation/expansion of an advertising program in Lamar CISD.

PROGRAM DESCRIPTION:

Lamar CISD has traditionally not participated in an expansive advertising program, due to large community donations and support through the Lamar Educational Awards Foundation (L.E.A.F.) and various parent organizations. Last year the District received over $215,000 from L.E.A.F. alone—with no significant oversight required by the District.

Additionally, in 2012-2013, the District generated $2,543,828.28 in income from all outside revenues—excluding taxes, state funding, federal funding and grants.

In introductory conversations with Districts that advertise, the revenue generated typically varied from approximately $15,000-$100,000 annually.

Currently, board policy states that advertising shall be accepted solely for the purpose of covering the cost of providing materials and equipment, not for the purpose of establishing a forum for communication.

Attached to this item is a current copy of GKB (LOCAL)—Advertising and Fundraising in the schools.

Submitted by: Dr. Thomas Randle, Superintendent of Schools
Mike Rockwood, Executive Director of Community Relations
PROMOTIONAL ACTIVITIES

School facilities shall not be used to advertise, promote, sell tickets, or collect funds for any nonschool-related purpose without prior approval of the Superintendent or designee. Nonschool-related organizations may use school facilities only in accordance with GKD.

ADVERTISING

Advertising shall be accepted solely for the purpose of covering the cost of providing materials and equipment, not for the purpose of establishing a forum for communication. The District retains final editorial authority to accept or reject submitted advertisements in a manner consistent with the First Amendment. [See FMA regarding school-sponsored publications]
DISCUSSION AND ACTION ON ADDING ADDITIONAL BOARD MEMBERS’ SIGNATURES TO HIGH SCHOOL DIPLOMAS

IMPACT/ RATIONALE:

Administration was asked to explore the possibility of incorporating the signatures of all current members of the Board of Trustees on the high school diploma for graduating seniors in 2014.

PROGRAM DESCRIPTION:

Each year at their Graduation ceremonies, the District provides each graduate with a diploma cover in their school color, along with an Official High School Diploma, noting the graduate’s name, the date of their graduation, and their high school campus.

Historically, the signatures of the High School Principal and the Superintendent of Schools are printed on the bottom left hand side of the diploma, with the signatures of the Board President, Board Vice President, and Board Secretary printed on the bottom right hand side of the diploma. Diplomas and diploma covers are ordered from and printed by Balfour Publishing Company each year at this time.

Attached to this item is a current copy of the high school diploma, along with two sample diplomas with mock signatures of all Board members.

CONSIDER APPROVAL OF NEW PDAS APPRAISERS FOR TEACHING STAFF, 2013-2014 SCHOOL YEAR

RECOMMENDATION:

That the Board of Trustees approve the 2013-2014 Professional Development Appraisal System (PDAS) appraiser(s) who have recently become certified or are new to Lamar Consolidated Independent School District.

IMPACT/RATIONALE:

Rules adopted by the State Board of Education indicate that the local district Board of Trustees must approve appraisers other than the teacher’s supervisor.

PROGRAM DESCRIPTION:

Listed below are staff members who are new to LCISD or have recently become certified as PDAS appraisers for the 2013-2014 school year.

CONSIDER APPROVAL OF PURCHASE OF NETWORK SWITCHES

RECOMMENDATION:

That the Board of Trustees approve the purchase of network switches and components from Micro Integration in the amount $51,881.40. Pricing is offered through a cooperative bid contract.

IMPACT/RATIONALE:

The District has several switches that are old, no longer function, and are out of warranty. These new switches will replace the bad switches and provide extras to replace units in the future in a timely manner.

PROGRAM DESCRIPTION:

The district has funds in the 2011 bond for network infrastructure upgrades. These switches will be used in conjunction with additional hardware to be purchased in the future as part of a larger project which will go out for bid.

CONSIDER APPROVAL OF PURCHASE OF MARC AUTHORITY FULL PROCESSING SERVICES

RECOMMENDATION:

That the Board of Trustees approve the purchase of MARC Authority Full Processing Services from SirsiDynix in the amount $7,965. SirsiDynix is a sole source provider for this service for the existing library system in the district.

IMPACT/RATIONALE:

MAchine-Readable Cataloging (MARC) Records are a set of standards for the description of items catalogued by libraries, such as books. MARC Records contain the information traditionally shown on a catalog card. Cleanup of these records should be done to ensure data accuracy and compatibility with library automation systems and booksellers.

PROGRAM DESCRIPTION:

The District is beginning the Request For Proposal (RFP) process for replacing the current library automation system. Cleanup of MARC Records needs to be done to ensure accurate data conversion to a new system. If approved, funds in the 2011 bond dedicated to a new student information system will be used to pay for the new library system, including this records cleanup.

Other Services

Data Migration:

**MARC Authority Full Processing (up to 500K titles)**

SirsiDynix staff will process a single file of MARC bibliographic records. SirsiDynix will identify matching authority records in SirsiDynix’s copy of the Library of Congress authority file, for each bibliographic heading. SirsiDynix will modify the text in the bibliographic record to match the authority record when the heading used is a SEE reference. SirsiDynix will also update other text such as expanding abbreviations and correcting subfielding errors and will upgrade obsolete MARC coding. Processing will include name, series, uniform titles, LCSH subject fields, LC Juvenile subject fields, LC genre/form term fields, GSAFD genre fields, and NLM MeSH subject fields. SirsiDynix will provide the matching authority records and the updated bibliographic records. The full service includes library options for handling subject fields for alternate thesauri, removing undesired local fields, updating GMD values, creating fields 336, 337, and 338 when data in the record permits, and updating genre values in field 650. A telephone consultation call with a SirsiDynix MARC record specialist is included, to assist the library in selecting their desired options. SirsiDynix staff will extract records from the library’s Symphony, Horizon, or Dynix system, will load/reload the returned records, and will update or rebuild indexes if the system provides remote connectivity.

Installation:

**Project Management**

**Additional Services Management**

Project Management Services for Coordination, Scheduling, and follow up of Additional Purchased Project Services
Other Terms

Customer's data must be provided to SirsiDynix in a format approved by SirsiDynix or additional data conversion/migration charges will apply. De-duping is the Customer's responsibility, unless stated otherwise in writing.

Customer shall not integrate products offered by third parties into Software, Subscriptions or Subscription Software without additional license from SirsiDynix.

Payment Terms

Services/Training
- 50% due upon completion of first data test load, where a test load is part of the services
- 100% of the remainder due upon completion of services/training

**Fees and Payment Terms which do not reflect the services and/or products purchased by the Customer are non-applicable.

Any reference to license metrics and/or licensed amounts included in this quote shall be applicable only to the Products and/or services mentioned in this quote. This document and any software or professional services associated with this document are hereby fully incorporated into the current Agreement executed between SirsiDynix and Customer. If there is no current agreement between the parties, the terms and conditions of the current SirsiDynix Master Software License and Services Agreement shall be deemed the controlling Agreement between the parties, a copy of which shall be furnished upon Customer's request. Any and all pre-printed terms and conditions on Customer's Purchase Order(s) submitted to SirsiDynix are hereby rejected and shall be superseded by the current Agreement, unless such additional terms are statutorily required of the Customer. In the event of a conflict, the terms, payment terms, discounts, product lists and/or statement of work contained within this document shall take precedence over the current Agreement between the parties. In the event Customer desires or requires updated terms and conditions for the continuing business relationship with SirsiDynix, please contact your regional Sales Representative.

Advanced Placement (AP) Testing  
Spring 2013

Overview

The College Board’s Advanced Placement (AP) program offers high school students the opportunity to participate in challenging college-level course work while still in high school. Students that elect to do so may receive credit hours in collegiate level course work recognized by thousands of colleges and universities across the nation. The Advanced Placement tests are given upon completion of their coursework in May.

With the exception of Studio Art, each Advanced Placement test consists of multiple choice and free response sections, designed to match the depth, complexity, and rigor of two semesters worth of collegiate level course work. These tests are scored on a scale from 1 to 5, where a student earning a 5 is considered to be ‘extremely well qualified’. Conversely, a student who earns a 1 will earn a rating of ‘no recommendation’ by the College Board. Generally, many universities will give course credit to students that earn a score of 3 or higher.

Participation Data

The table below gives an overview of the number of LCISD students tested and how many tests were administered in the AP program from 2009 to the present.

American College Testing (ACT) Participation and Performance
Senior Class of 2013

Overview

The American College Testing (ACT) program offers one of the two comprehensive assessment programs LCISD students can use for college admissions purposes. The ACT is comprised of four subtests to measure student abilities in the following areas: English, mathematics, reading and science. The English test measures a student’s ability to make decisions relating to writing strategy, composition organization, and prose. The mathematics test is designed to assess the depth of mathematics reasoning skills a student should have attained by the start of twelfth grade. The reading portion of the assessment measures reading comprehension, the ability to draw conclusions, and make comparisons and generalizations. Finally, the science test measures a student’s ability to interpret, analyze, evaluate, and reason in course work in the natural sciences.

All of the ACT tests are measured on a scale of 1 to 36 points in increments of tenths of a point. Additionally, student scores are averaged to form a composite score.

Participation Data

The table below summarizes the growth of student participation in the ACT program from 2009 to 2013:

**Historical Performance**

The table below summarizes the historical performance of students on the ACT from perspective of the district, state, and national levels, including any gains or losses in performance at each level since 2009.
College Preference
Below are the top ten colleges and universities LCISD students chose to send their ACT scores to in 2013:

1. Texas A&M University – College Station
2. University of Houston – Main Campus
3. University of Texas at Austin
4. Texas State University – San Marcos
5. University of Texas at San Antonio
6. Baylor University
7. Texas Tech University
8. Wharton County Junior College
9. Stephen F. Austin State University
10. University of Houston -- Downtown

Scholastic Aptitude Test (SAT) Participation and Performance
Senior Class of 2013

Overview
The Scholastic Aptitude Test (SAT) is the second of the two comprehensive assessment programs that LCISD students can utilize for college admissions purposes. The SAT consists of three components: a critical reading test, a mathematics test, and a writing test. The critical reading portion – formerly known as the verbal section – includes short and long reading passages that require analysis. The math portion includes topics such as exponential growth, absolute value, functional notation, linear functions, and manipulations with exponents. Finally, the writing portion includes both multiple choice and essay components to assess grammatical and syntactical abilities. All SAT portions are scored on a scale of 200 to 800.

Participation Data
Shown in the table below, participation totals for the SAT have increased significantly from 2009 to 2013:

<table>

Historical Performance

The table below summarizes the historical performance of students on the SAT from perspective of the district, state, and national levels, including any gains or losses in performance at each level since 2009.
Below are the top ten colleges and universities LCISD students chose to send their SAT scores to in 2013:

1. University of Houston – Main Campus
2. Texas A&M University – College Station
3. University of Texas at Austin
4. Texas State University – San Marcos
5. University of Texas at San Antonio
6. Baylor University
7. Sam Houston State University
8. Texas Tech University
9. Stephen F. Austin State University
10. Houston Baptist University

INFORMATION ITEM: 2013 HIGHLY QUALIFIED TEACHER REPORT

The federal Elementary and Secondary Education Act, as reauthorized No Child Left Behind, requires schools to report the progress that districts and individual campuses are making toward meeting the target that all core academic subject teachers are highly qualified. The requirements to be ‘highly qualified’ are that a teacher hold at least a bachelor’s degree, hold a Texas teaching certificate, and demonstrate competency in the core academic subject area they are teaching. Competency may be demonstrated by college hours, an academic major in the subject taught, an appropriate examination, or a combination of professional development and college hours.

Ninety-nine percent of LCISD teachers currently meet the NCLB standard. The following campuses, for the following reasons have a teacher who does not meet NCLB guidelines:

Open position filled by a substitute that is not highly qualified:
- Foster High School
- George Ranch High School
- Lamar Consolidated High School
- Terry High School (two positions)
- George Junior High School

Teacher has not yet met highly qualified status:
- Beasley Elementary
- George Ranch High School
- Lamar Consolidated High School

The district continues its efforts to maintain highly qualified staff. The enclosed table gives an overview of the percentage of classes taught by highly qualified teachers and professional development efforts.

INFORMATION ITEM: PARENT INVOLVEMENT

Parent Involvement
Parent Involvement Week (November 11-15) activities are planned for each campus to invite parents to visit and volunteer at their child’s campus. Parent Involvement Month campus and district activities during November are posted on each individual school and PTO/PTA websites, as well as on Facebook and Twitter.

There are several district-wide activities that have been implemented. They include:
- district-wide parent programs such as Veterans’ Day; additional programs are planned on each campus during the month of November based on parent interest.
- LCISD district web page—posted information on Parent Involvement activities.

Volunteers in Public Schools
The Volunteers in Public Schools (VIPS) program currently has 4,849 volunteers assisting LCISD campuses. Each campus may have a Volunteer Coordinator who implements volunteer training and oversees parental involvement activities.

Common Threads
Common Threads has assisted over 2,352 students with clothing, backpacks, shoes, and school supplies since August 14, 2013.

The winter clothing distribution began on November 12th. Students will receive long-sleeved shirts, a jacket and/or uniform coat, and pants. Underwear and socks are given out based upon availability.

Parent Liaisons
There are four Parent Liaisons working to increase parent involvement at three Title I campuses. The campuses are Ray, Travis, and Lamar HS. Terry HS and Lamar HS also have Parent Educators on site.

The Parent Liaison’s role is to:
- involve and encourage parent participation in their child’s education;
- provide valuable learning opportunities for parents to implement at home;
- encourage communication between parents and school personnel; and
- create parental awareness of school policies, procedures, and programs.

In addition, Parent Liaisons help implement the following campus activities:
- facilitate parent workshops and information sessions;
- help plan and implement activity nights such as math/reading/science nights and weekend projects (fun/educational craft projects for parents/child to work on at home);
- provide campus and community resources to parents via newsletters or email lists;
- translate information and assist with translating during school meetings as needed; and
- promote participation in PAC and SBMT.

Mike Rockwood, Executive Director of Community Relations
INFORMATION ITEM: TAX COLLECTION REPORT  
(AS OF OCTOBER 31, 2013)

Exhibit "A" gives the LCISD collections made during the month of October 31, 2013.

Exhibit "B" gives the total LCISD collections made this school year from September 1, 2013 through August 31, 2014.

Exhibit "C" shows the LCISD collections made month-by-month of the 2013-14 roll as compared to prior years. Through October 31, 2013, Lamar had collected 00.1% of the 2013-14 roll.

Exhibit "D" shows the total collections made as compared to the amount that was budgeted for 2013-2014.

Exhibit "E" shows the LCISD tax collection analysis for the last six years.

Resource Person: Jill Ludwig, Chief Financial Officer

Resource person: Kevin McKeever, Administrator for Operations
INFORMATION ITEM: REGION 4 – MAINTENANCE & OPERATIONS

This agenda item will be on the Board Agenda each month to provide updates on Region 4’s progress with Maintenance and Operations. The following indicates action that has taken place since the last regular board meeting.

Work Request Summary for September 2013:

- The Department completed 1555 requests with 17 new requests
- 56 were closed

Maintenance:

The Maintenance Department assisted by:

- Installing a new light fixture lens cover in a room at the Maintenance Center
- Installing a new door and frame in a small hallway at Brazos Crossing
- Assembling a computer desk and chair for the principal at Lamar High
- Installing a white board in a classroom at Lamar High
- Mounting vices on work benches in a classroom at Lamar High Vocational
- Repainting four squares and the basketball court lines in the playground area at Dickinson Elementary
- Replacing an exit light in a portable at Taylor Ray Elementary
- Installing a new center push bar on a water fountain at Jackson Elementary
- Repainting the small flood lamps in a room at 1621 Place
- Changing ceiling grid and tiles at 1621 Place
- Repairing the women’s restroom door at the Transportation Center
- Repairing a wooden chair at Reading Junior High
- Repairing the sheetrock above an air handler at Taylor Ray Elementary
- Replacing two stall latches in a restroom at Williams Elementary
- Hanging a banner in the gym at Jane Long Elementary
- Mounting shelves on a wall at Special Needs Center
- Relocating a backpack rack at Jane Long Elementary
- Repairing a window at Special Needs Center
- Mounting a TV bracket in a dressing room at Foster High
- Repairing a latch on a handicap stall in a restroom at Thomas Elementary
- Hanging posters on the wall by the stage at Bowie Elementary
- Installing a door sweep in a classroom at Bowie Elementary
- Touching up a wall in a classroom at Austin Elementary
- Replacing two paper towel and two soap dispensers in a restroom at Lamar High
- Adjusting a door stop on a door exiting the cafeteria at Beasley Elementary
- Re-gluing the cove base in the cafeteria at Beasley Elementary
- Repairing a crack in front of the doorway at Jane Long Elementary
- Assembling four metal cabinets for Special Needs Center
• Assembling three wooden shelves at Hubenak Elementary
• Repairing a cabinet end cap in the clinic area at Hubenak Elementary
• Replacing a circulating pump at Reading Junior High
• Repairing a boiler at Foster High Field House
• Repairing the high ceiling light fixtures at McNeill Elementary
• Repairing the pole lights at George Junior High
• Repairing the scoreboard controller at George Junior High
• Repairing the basketball backboard winch system at Foster High
• Replacing the fire alarm system back-up batteries at Foster High
• Replacing the fire alarm system back-up batteries at Meyer Elementary
• Repairing a broken window at Lamar High
• Repairing a dish machine in the kitchen at Reading Junior High
• Replacing a hose bib in the kitchen at Velazquez Elementary
• Repairing the pole lights at McNeill Elementary
• Repairing the milk box in the kitchen at Bowie Elementary
• Replacing a call button on the intercom system at Campbell Elementary
• Reprogramming the intercom bell system at Taylor Ray Elementary
• Replacing a horn strobe at Thomas Elementary
• Replacing a fire alarm system pull station at Hubenak Elementary
• Hanging a dry erase board in the girls’ locker room at George Ranch High

INFORMATION ITEM: CONTRACT FOR MAIL PROCESSING SYSTEM EQUIPMENT

The District is currently leasing mail processing system equipment from Pitney Bowes, and the contract expires on December 31, 2013. In an effort to improve efficiency, District staff has performed an analysis of service requirements and options available. Utilizing the Texas State TPASS RFP #985-L1, LCISD selected NeoPost USA, Inc. as the future service provider with implementation no later than January 1, 2014.

The proposal includes the following:

- Equipment and software lease of a Mail System
- Equipment and software lease of a Folder/Inserter System
- Equipment and software lease of an Addressing System
- Equipment lease of a Tabbing System
- Maintenance Agreement, Training, and Installation

The selection of NeoPost USA, Inc. will provide efficiencies in service and long term cost savings. A direct service representative will be assigned to our account, and will provide specialized training. Long term machine operation and maintenance costs will reduce as supplies are included in the agreement and parts are widely available. NeoPost USA, Inc. will provide a monthly lease arrangement for all mail processing equipment, software, services and training in the amount not to exceed $209,905 for a 60-month term as follows:

- Monthly lease payment: $3,498.42
- Annual amount: $41,981.04
- 2013-2014 approved budget: $43,637.00

Resource persons: Mike Rockwood, Executive Director of Community Relations  
Jill Ludwig, Chief Financial Officer  
Robin Sheehan, Purchasing & Materials Manager
