CONSIDER APPROVAL OF PROCUREMENT METHOD FOR THE 2014 BOND PROJECTS

RECOMMENDATION:

That the Board of Trustees authorize the administration to utilize competitive sealed proposals as the construction method of procurement with the evaluation criteria for the 2014 Bond Projects.

IMPACT/RATIONALE:

The Texas Education Code 44.031 requires school districts to procure construction services using a method as outlined in Texas Government Code, Chapter 2269 for construction purchases totaling $50,000 or more. Additionally, the Texas Government Code 2269 requires the Board of Trustees to specify which method of procurement will be used before any construction project is advertised and released for bids. The authorization given with this motion will allow the administration to proceed with solicitation of competitive sealed proposals for the 2014 Bond Projects.

PROGRAM DESCRIPTION:

The competitive sealed proposal method of procurement promotes competitive pricing among the bidders, but allows negotiations between the District and the selected contractor(s) before the contract is finalized. As the District must state its selected method of procurement, as well as the evaluation criteria in the notice to bidders, this authorization will allow the administration to proceed with securing offers for the Board’s consideration and approval.
